M/Sgt. George F. Kirby, former recruiter with the Army and army air force at Oakland, will report to USAF recruiting school at Lackland air force base in Texas on August 20 for a nine weeks' training period.

Upon completion of his schooling he will go to Baltimore for assignment with the Baltimore recruiting district.

Kirby is presently assigned to Mountain Home air force base in Idaho where he has continued his musical activities. A tenor soloist, he is presently director of the Protestant chapel choirs for the base as well as adviser and director of youth activities there. His wife and five children will accompany him east.

Since leaving the Oakland area he spent three years in Greenland.

Sgt. Kirby was hoping for an additional assignment in the Cumberland or Oakland areas.

League Leaders Trimmed By Grantsville, 7-6

Wellersburg defeated Grantsville 29 to 8 at Grantsville last Saturday in one of the games played in the Pen-Mar Baseball league. Grantsville now stands sixth place in the league.

Wellersburg scored in every inning but the sixth and ninth while banging out 27 hits off six Grantsville pitchers.

John Ross hit three singles. Clyde Broadwater belted a double and single and Joe Wengerd hit a bases-loaded double in the second inning, and single to pace the Grantsville cause.

Grantsville made a comeback on Sunday however to defeat the league leading Barrelville team 7 to 6 at Barrelville. It was the second loss for Barrelville in as many days.

Barrelville went down before the relief twirling of Donnie Wilkinson, Bruce High school star who blanked the league leaders in the last five innings.

Joe Wengerd singled home Grantsville's tying and winning markers in the sixth inning. Grantsville collected ten hits, Joe Wengerd heading the attack with three safeties.

Married Last Month In Keyser

The marriage of Miss Mary Lipscomb, daughter of Mr. and Mrs. Ernest D. Lipscomb, Keyser, to William B. Ludwick, son of Mr. and Mrs. Harry A. Ludwick, also of Keyser, took place June 10 in the Keyser Church of the Brethren.

The double ring ceremony was performed by the Rev. Fred Bowman, before an altar banked with white gladioli, ferns, and candelabra, assisted by the Rev. B. B. Ludwick, grandfather of the groom.

Lynn Roderick gave a program of nuptial music and accompanied Mrs. Connell Chaney, of Accident, who sang, "I Love Thee" and "Because." Mrs. Frances Hartman sang "The Lord's Prayer."

The bride, given in marriage by her brother, Emil Lipscomb, wore a white full length gown fashioned of bridal satin, chantilly lace, and insets of net trimmed with lace. Her shoulder-length veil of French illusion tulle was fastened to a tiara of pearlized orange blossoms. She carried a white Bible, topped with a white orchid with satin streamers tied in love knots.

Mrs. Otis Blankenship, of Ft. Lauderdale, Florida, sister of the bride, was matron of honor. Bridesmaid was Mrs. Morris Kiddy, Hyattsville, sister of the groom. They wore gowns fashioned after the bride's with matching headdress and carried nosegays of carnations and baby's breath.

Paul G. Liller, Keyser, was best man. Ushers were Elmer Reber, of Harrisburg, Pa.; Glenn Waybright, Pittsburgh, formerly of Oakland; Morris Kiddy, Hyattsville, and Robert Wilson, Moorefield, W. Va.

Following the ceremony a reception was held in the social room of the church. A three-tiered wedding cake, topped with a miniature bride and groom, centered the bride's table. Mrs. Frank Keedy, Keyser, served the wedding cake. Mrs. Elmer Reber invited the guests to the punch bowl where Miss Rose Lee Chaney, Accident, and Miss Joyce Boone, Keyser, presided. Others assisting with the reception were Mrs. Paul Liller, Mrs. Bennett Roderick, Miss Marilynn Ludwick, all of Keyser, Miss Janet Waybright, Oakland, and Miss Janet Knotts, of Beryl, W. Va.

Mrs. Ludwick is a graduate of Keyser High school and Potomac State College. She attended West Virginia University and received a Bachelor of Science degree in home economics from Bridgewater College, Bridgewater, Va. For the past two years she has been a teacher in the Northern High School at Cove.

Mr. Ludwick is a graduate of Keyser High School and Catherman's Business School, Cumberland. He served two years with the armed forces and was stationed in Germany for over a year. He attended Potomac State College and is employed as an accoutant at Ludwick's Chevrolet in Moorefield, W. Va.

Mrs. Ludwick chose for her going away a yellow summer dress with white accessories. The couple spent two weeks visiting Niagara Falls, Canada, the Black Hills, and midwestern states. They are now residing in Moorefield for the summer months, and will live in Keyser after September.

It Runs Through My Mind

BY POLLY J. HANST

For Everything There is a Season

For everything there is a season, and a time for every purpose under heaven:

A time to plant, and a time to pluck up what is planted;

A time to kill and a time to heal;

A time to break down and a time to build up;

A time to weep, and a time to laugh;

A time to mourn and a time to dance;

A time to keep and a time to cast away;

A time to embrace and a time to keep from embracing;

A time to seek, and a time to lose;

A time to rend, and a time to sew;

A time to keep silence, and a time to speak;

A time to love—

And a time for peace.

Isn't that a beautiful passage from the Old Testament? And how true.

This week we could add:

A time to weed, a time to spray;

A time to enjoy garden peas;

A time to catch a ray of sun;

A time to mow, but how and when?

A time for vacation but not the time to camp;

A time to see Fairfax Stone where the Potomac starts from a mountain spring;

A time to go to Savage River to see rhododrendron in all its glory;

A time to take a back road and chat with some of our fine folk (and incidentally, dear farmer—it could be a time to stamp your name on your mail box—so we might know you.)

A time to take a trip, for it is through trips and travel that we more fully appreciate what we have on this beautiful mountain top.

A New Outlook

Blackwater Falls is taking on a new look. Its approach is quite like any other place that has made itself known—in other words, commercial—cheap commercial.

But the real beauty of the falls and canyon has been preserved, thank goodness.

I never go to Blackwater that I don't witness a jealous streak in my nature. This Sunday it was worse than ever. I found myself full of comparisons with Muddy Creek.

A few things I had to admit. West Virginia does a better job of promoting her scenic spots. While the falls is no prettier than ours, the name Blackwater is prettier than Muddy Creek (couldn't you just scalp the man who tacked that ugly name onto anything so beautiful?)

A gorgeous lodge overlooking the gorge, in its "just under roof" stage, will outdo anything on skyline. That lodge made me downright envious. Mercy, how we could use one of those on the lake. One built and operated by the state.

That's all there was to envy. Then, like an insecure mother who begins to think that her little crow is the blackest, I began thinking about the assets Swallow Falls park has that no other place has.

Unspoiled beauty! The only souvenir is a vivid memory. No monkeys on chains, nor cheap plaques; no salt and pepper shakers or whirlagigs. Just Little Tolliver and virgin pine; waxy rhododendron and blooming water honeysuckle, whose branches dip in the brook just before the water tumbles over the falls.

Big beauty and little beauty. Sometimes I wonder which is the greater. Each falls has wondrous beauty. No one can say when you've seen one, you've seen them all. Each visit is a new visit. Like this last trip to Blackwater, when the misty spray made a rainbow against the north bank. A rainbow without raindrops is a pretty sight.

Congressional Viewpoint

Sen. John Marshall Butler

Government and Shipbuilding

Last week the Congress enacted into law a requirement that the Secretary of Commerce with the cooperation of the Secretary of the Navy must periodically survey the shipbuilding capacity of the Nation. This mandatory review is intended to place in clear perspective, the ability of existing shipyards, including Navy yards, to meet the vital needs of national defense and the urgent necessities of any national emergency.

Though the emphasis here is on "inadequacies," it is presumed that the Secretary of Commerce and the Secretary of the Navy will give great weight to the recommendations of the Hoover Commission as to "the effect on the industry of the construction and repair of naval vessels in Government shipyards." These recommendations obviously stem from the fact that the Department of Defense owns 48 shipyards, of which 10 are operated by the Navy, 32 are leased to private operators, and 6 are inactive.

Comparative prewar and postwar employment levels in Government-owned and privately-owned shipyards, according to the Hoover Commission, reveal that from 1930-1940 the Government employed 36 percent of all U. S. Shipyard workers, and 44 percent during the bleak shipbuilding decline of 1947-1950. In October, 1954, 51 percent (or 105,900 persons) of all shipyard workers throughout the entire Nation were on Navy yard payrolls.

This cornucopia of work in Government yards is traceable to the Vinson-Trammell Act of 1934 which, in part, provides that ". . . the first and each succeeding alternative vessel. . ." of each type of ship specified and their replacement shall be built by the Government. The Subcommittee on Business Enterprises of the Hoover Commission found that the situation this 1934 Act was designed to remedy has been reversed to the detriment of privately-owned yards. In the words of the Commission report: ". . . the subcommittee considered that the Navy's operation of all of these ten shipyards represents a destructive intrusion into the private shipbuilding industry of this country."

To foster free enterprise, this has long been the national policy. It is therefore not illogical to expect these periodic reviews will ultimately remove from the shipbuilding and ship repair industries the unfair and non-essential competition of Government. Unquestionably, the national security dictates that the Government must engage in a certain amount of shipbuilding activity, but the extent to which this pursuit is maintained, should be a matter of great concern to all citizens interested in the economical management of their government.

Road Maps Available

The new official road maps of Maryland, issued by the State Roads commission are now available for free distribution, it was announced this week.

An adequate supply of the maps is available at the office of the State Roads commission in Oakland.

The front cover depicts the defense of Fort McHenry during the British attack on Baltimore September 13, 1814. The back cover depicts the planting of the colony on St. Clements island on March 25, 1633. Upon the reverse of the highway map are shown numerous pictures taken in Maryland.

It is true. The town of Mt. Lake Park is not shown on the map, although such places as Kelso Gap, Piney Grove, Browning Mill, Asher Glade and Tasker's Corner are clearly visible.

Tractor Accident Kills Cuzzart Man

John H. Rodeheaver, 83, of Preston county, died Saturday evening, June 30, after he apparently fell from a tractor on his farm near Cuzzart and was run over by the machine. He died in Monongahela General hospital in Morgantown where he was taken following the accident.

There were no witnesses to the tragedy but it was believed that Rodeheaver lost his balance and fell under the tractor wheels.

Born August 12, 1872, Rodeheaver was the son of William and Rachel Rodeheaver, of Preston county. In addition to his widow he is survived by two daughters, Mrs. Ella Mayne, of Cuzzart, and Mrs. Laura Huffman, Albright; one son, Alton Rodeheaver, of Albright; one sister, Mrs. Ella Murphy, Four States; and eight grandchildren.

Funeral services were conducted July 3 from the Cuzzart Methodist church and interment was in the Parnell cemetery nearby.

Attending the services were Mr. and Mrs. Fred Rodeheaver, Mrs. Leroy Friend, of Deep Creek Lake; Harold Beheler, of Greenbelt, and Arthur L. Friend, of Swanton.

All Day Meeting Set At Oak Grove Church

The annual all-day meeting will be held at the Oak Grove Church of the Brethren on Sunday, July 29. Morning services will begin with Sunday school at 10 o'clock. The afternoon program will begin at 1:30. There will be special singing and speaking throughout the day.

A basket lunch will be served. The public is invited.

4-H'ers Prepare For Rally Day

Four-H members have been working on articles to exhibit and in perfecting demonstrations that will be seen and heard at the Rally Day program on Saturday, July 28. This will be the big 4-H event for July, and will be held at the Western Maryland 4-H center in conjunction with the annual Farm picnic.

Miss Johanna Magaha, assistant home demonstration agent, said that all 4-H members had received entry lists stating the classes for clothing, foods, home management and home furnishings. Each girl is allowed to enter one article in each class, and each entry will receive a ribbon.

Girls 4-H events have been scheduled as follows:

9:30 to 10:45, registration for articles to be entered.

10:45, demonstrations will begin and judging will begin for other classes. The pavilion is to be closed to the public until the judging has been completed.

3 p. m., County Style Revue, followed at 3:30 by announcement of winners.

The three top winners in the style revue will be entered in the State style revue to be held during 4-H club week at College Park. State winner will receive a trip to the National Club Congress in Chicago.

Miss Magaha pointed out that demonstrations may be given on any subject relating to any project on which the individual has been working. They may be given individually or as a team, two girls working together. Demonstrators also will receive ribbons.

Local County Homemaker members have been contacted to serve as judges for all exhibits and demonstrations and 4-H leaders will be on hand to assist with the registration of exhibits.

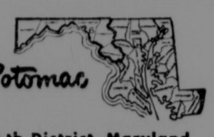
There is no maximum age limit.

Complete information about the examination requirements and instructions for filing applications may be obtained at the Accident postoffice. Application forms must be filed with the U. S. Civil Service commission, Washington 25, D. C., and must be received or postmarked not later than the closing date.

Along The Potomac



Congressman De Witt S. Hyde - 6th District, Maryland

Federal aid to school consiruction was killed for one compelling reason. It came nowhere near achieving what it set out to do: provide funds for local school districts urgently in need of assistance in bringing their educational plants up-to-date. I could not vote for the measure in its final form since it was contrary to all sound principles of a federal aid program. The bill did not make "need" a basis for aid and with the Powell amendment (anti-segregation) it denied federal aid to 90 percent of the states which needed it the most.

It is amazing to me that those who favored a federal school construction aid program refused to insure such legislation this year when they voted down the McConnell amendments, which would have brought the measure in line with the recommendations of the President. I voted for the McConnell amendments and would have voted for the bill on final passage had they prevailed.

Senator Beall and I had the pleasure of starting through the legislative mill companion bills which would set up the Chesapeake and Ohio National Historical Park from Great Falls to Cumberland. The Park will add much to the value of the Potomac River Valley and aid greatly in sound development of the area.

I have written to the Atomic Energy Commission in connection with their proposal to build an Atomic Energy Plant to study the processing of foods with atomic energy. I urged the Commission to consider sites in the vicinity of Brunswick as an ideal location, both from an economic standpoint and its nearness to the AEC's new Germantown installation.

I am concerned by the fact that legislation relieving small business of some of its excessive tax burden has not been reported out of Committee. I believe a formula can be found which will ease the tax burden and leave the small businessman with adequate funds to insure his continuation in business. There is no question but that small business is the backbone of the nation's economy and we must do all we can to stimulate its contribution to the national welfare.

Coal Production in Area Shows Increase

Both coal and clay mining in Western Maryland increased in 1955 over the previous year, according to figures compiled by Frank J. Powers, director of the State Bureau of Mines.

Coal mine production in Garrett and Allegany counties in 1955 totaled 523,999 tons, some 82,104 tons more than the 441,895 tons reported in 1954.

Clay production in the two mines in Allegany county last year reached 57,455 tons, some 20,865 tons above the 1954 figure.

Employment in Garrett county coal mines had a sharp increase from 324 in 1954 to 452 last year. That was principally because the Stanley Coal Company last year operated mines at Crellin and Jennings that did not function the year before.

Figures revealed that 52.5 percent of the Allegany county coal was strip mined. In Garrett county machine mining led other methods. Some 134,736 tons, 41.2 percent were machine mined. Also 123,998 tons, 38.3 percent, were picked. Garrett county's total production was 324,897 tons. Although the figures were a far cry from the peak production in Maryland, they indicate that production is on the way back. Maryland's best production was 5,532,628 tons in 1907. The peak employment was 6,162 in 1912.

Homemaker Group Plans Film On Heart Disease

A film on Heart disease will be shown Wednesday, July 25, at 8 o'clock p. m., in the Lutheran Sunday School room. The program has been developed by the Homemakers' Health and Safety committee, cooperating with the Health Department.

Dr. Arthur Jones, county health officer, will talk on the film and answer questions. The film is for all interested persons.

Other Homemaker meetings were announced by Miss Ethel Grove, home demonstration agent:

Sunnyside club July 24, 1:30 p. m., at the home of Mrs. Baity Ridder. Mrs. Ross Crowe will give the demonstration.

Bittinger club July 25, 8 p. m., at the home of Mrs. C. S. Stephens. Mrs. Charles H. Buckel will give the demonstration.

Oakland club, July 26, following the heart program, in Lutheran Sunday School room. Mrs. Harry Friend will give the demonstration.

MARRIED

Scott-Mersing—The Crellin Methodist church last Saturday was the scene of the wedding of Miss Mary Susan Mersing, daughter of Mr. and Mrs. Elmer L. Mersing, of Crellin, to Don Allen Scott, son of Mrs. William Miller, now of Arcata, Calif., formerly of Rowlesburg and Terra Alta, W. Va.

Rev. Don Jackson, pastor of the church, officiated at the ceremony which was performed at 6 p. m.

The altar was decorated with mountain laurel and white flowers and tapers of candelabra standards.

A program of nuptial music was played by Mrs. Iret Ashby. Mrs. Jay Bell sang "I Love You Truly," and "The Lord's Prayer," accompanied by Mrs. Ashby. Following the ceremony while the couple knelt at the altar Mrs. Bell sang "O Perfect Love."

The bride, given in marriage by her father, wore a gown of white embroidered organdy, fashioned with cape sleeves and street length tiered skirt. She had a finger tip veil attached to a lace cap and matching long lace mitts completed her costume. She carried a white Bible centered with a white orchid and white satin streamers knotted with white rosebuds. Her only jewelry was a single strand of pearls, a gift of the bridegroom.

The bride's sister, Mrs. Marvin Mills, was matron of honor and only attendant. She wore pale pink organdy fashioned similar to the gown of the bride. Her headdress was a small halo of pink net. Marvin Mills was best man. Keith Mersing, brother of the bride, and Dennis Myers were ushers.

Mrs. Mersing, mother of the bride, wore a dress of light lavender print with a corsage of white carnations.

A reception followed at the home of the bride's grandfather, Dorsey T. Ashby, Sr., near Crellin. The bride's table was decorated with a four-tiered wedding cake ornamented with a miniature bride and groom. White candles and pink summer flowers completed the decorations.

Miss Elaine Graham presided over the punch bowl and was assisted by Mrs. James Hutchinson. Mrs. Earl Evans, aunt of the bride, served the wedding cake.

The couple left for California following the reception. For traveling the bride wore a navy blue dress with white accessories. Her white orchid corsage completed the costume.

The bride was a student at Southern High school. The bridegroom was graduated from Terra Alta High school. Prior to going to California he was with the People's Life Insurance company of Cumberland. He is a grandson of Joseph L. Wiles, of near Rowlesburg.

The kids in the grandstand are yelling, "Strike him out!" and our young pitcher is going to do exactly that. This is his day for a shut-out game . . . his day to win.

He's feeling pretty good about it, and who's to blame him? But what if things had gone the other way? What if some other boy had been warming up in the bullpen, about to have taken his place? But he is a well-balanced youngster, and he would have taken that in stride, too.

He has learned about being a good sport, about regard for his fellow men, and about many other equally important things in Church. For, like thousands of other American youngsters, the Church already plays an important part in his life. That is one reason why his parents have faith in the fact that he will grow up to be a pretty fine man.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Great Company

Lesson for July 22, 1956

MAN is not made for loneliness. He not only feels incomplete when circumstances force him for a time to live alone; he is actually incomplete. It is only through existence with others that we arrive at our true selves. People who have never thought this through know it by a kind of instinct. That is why there are so many organizations and societies and fraternities and groups of innumerable sorts in the world. Even when an organization has no very important reason for its existence, its members just like to get together.

Dr. Foreman

The Great Company

Of all groups of human beings, the greatest is the "great company" we call the Church. Belonging to it is more than joining another organization. It is more than any denomination, more than any existing list of members, even if you put all the members of all the churches into one master-list. The writer to the Hebrews, thinking of the heroes of faith, does not think of them as past-and-gone saints. They live now; they are the great "cloud of witnesses"—the cheering grandstand, we may dare to say—in whose presence our own race is being run. They are living members of the Fraternity of Faith. All those who have dreamed God's dreams after him, all who have looked beyond their times to the heavenly city yet to be, all who have toiled to make this world a bit more like the world of God's intention, who have by faith seen what God promised and greeted it from afar; these make up the company to which every man and woman is invited; these are the light-bearers, the builders, to whose fellowship every Christian belongs. Men of faith often have to live lonely lives; they can be misunderstood, imprisoned, tortured and killed; but they take heart, knowing that they do not stand alone.

Marching With the Heroes

For some persons, precise accuracy of belief is what makes a good Christian. Surely accuracy of belief is a good thing. To say the least of it, there is no point in believing what isn't so, or not believing what is so. But from the standpoint of this letter to the Hebrews, indeed from the standpoint of Jesus himself, accuracy of belief and completeness of understanding are not the last word in what makes a Christian. Faith, in the way the word meets us in the famous 11th chapter of Hebrews, is not voting "aye" to a set of propositions. Faith is doing something for man and God. It can be expressed in the slogan, "Expect great things from God; attempt great things for God." Faith of this rousing, robust kind is more than thinking, it is doing. It is thinking too; faith certainly is no substitute for thought. Reading the stories of the men and women the writer to the Hebrews lists in his roll-call of faith, one finds them planning ahead, working, fighting, never blindly but with the determination that comes from a thinking faith. Heroes think, plan, believe; but also heroes DO. It is the doing that makes them heroic. So the Great Company is a marching, fighting company, marching at God's orders, fighting God's war.

Supermen?

Thinking about such things, and such men, has put iron into the blood of many weaker men and women, struggling through their own battles on this earth. But it has a discouraging side, too. These men—Abraham, Moses, all the rest, and all the others that Christian history can name—these heroes of faith were supermen, we feel. Quite out of our class. In such a company, many a humble Christian feels like a boy who can't do simple arithmetic being elected by accident to a Mathematical Society, or a boy twelve years old suddenly finding himself in the middle of a football game between Notre Dame and Texas. It's embarrassing. But no—that is a mistake. The men named to that Roll-Call of Faith were not really supermen. Indeed some of them felt so small that they tried to resign before God elected them. By themselves they would have been no more remarkable than ourselves. For after all, it was not their faith, or their character, or their power, that made them; it was the God in whom they had that faith, who made them. And God still makes men!

Missionary Group Meets

The Women's Missionary Society met at the church on July 13. A revision of the constitution and by-laws was reviewed and adopted. According to the new constitution the organization will now be called the Women of the Church. Mrs. Russell Klotz, Mrs. Robert Buckel and Mrs. Ira Yaste were recently made life members of the organization. The group now has 100 percent life membership.

Mrs. Orval Glotfelty presented the topic for study, the life of Esther, taken from the "Women of the Old Testament."

Nixon was pictured as "absolutely" Mr. Eisenhower's choice of a running mate in the November election.

Grantsville's Milk Station To Enlarge

The Hagan Ice Cream company expects to begin extensive improvements to its milk receiving station at Grantsville this week, according to Charley B. Miller, Garrett County Sanitarian.

Plans for the expansion of the station have been approved by Dr. Arthur F. Jones, county health officer.

The improvement, estimated to cost between $40,000 and $60,000, will include provisions for additional milk storage space, cooler rooms, the laying of tile floors and walls, an enlarged receiving room and plant lockers.

Present office space, it was said, will be turned into plant facilities and new office quarters built at the front of the present building.

The improvements will meet requirements of the Maryland and Pennsylvania health departments.

The Grantsville milk station receives and processes some 5,000 gallons of milk daily from farm producers in this county and nearby Somerset county in Pennsylvania. Milk received by the company in Grantsville is shipped to markets in the Pittsburgh and Uniontown areas and also to markets in Maryland.

White Amoco-Gas *guarantees* no lead fouling

Lead fouling is a power-robber caused by lead that's used in all gasolines but *one*—and that one is clear-white Amoco-Gas. Lead in a gasoline doesn't all burn. Crusty lead deposits form and foul up engine operation, *and that goes for any leaded gasoline regardless of its fancy color, fancy pump or fancy name.* This lead fouling *wastes* the octane power that you pay for at the pump! And no *additive* in the world can remove it once it forms.

Today only one gas, Amoco-Gas, guarantees *no lead fouling* . . . because Amoco-Gas is refined to give you the highest natural octane on the road. It never leaves any lead deposits. Amoco is all gas. It can all burn, it's all power. 100% POWER—all the anti-knock power any car can use. *You'll see the difference when you buy it*—only Amoco-Gas is clear white. *And you'll see the difference when you use it*—watch that mileage record improve!

Selby, and Patricia Selby, his wife, 3916 Bruce Street, Apartment 205, Alexandria, Virginia; Robert Selby, and Bessie Selby, his wife, 3437 Lagonview Road, Baltimore 22, Maryland; Dorothy Selby Friend and Walter Friend, her husband, Friendsville, Maryland, Defendants.
No. 4635 Equity, In the Circuit Court for Garrett County, Maryland

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the appointment of a receiver for the real estate in which Nathan Ernest Selby has an interest, situate in Election District No. 2, Garrett County, Maryland.
The bill states:

That Nathan Ernest Selby was formerly a resident of Election District No. 2, Garrett County, Maryland, and maintained a domicile therein; that the said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 117 acres, more or less, and being the same as conveyed by Nathan R. Selby et ux to said N. Ernest Selby by deed dated December 2nd, 1926, and recorded in Liber E. Z. T. No. 95, folio 110 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit A"; that said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 30 acres, more or less, and being the same as conveyed by James B. Frantz et ux, to said Ernest N. Selby and Lizzie M. Selby, his wife, by deed dated May 23, 1938, and recorded in Liber A. G. R. No. 117, folio 470 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit B"; that said Nathan Ernest Selby has disappeared and has been absent from his place of residence since on or about July 28, 1948, that although Elizabeth Marie Selby is married to Nathan Ernest Selby and has made diligent inquiry as to his whereabouts, she has not heard from the said defendant since the year 1950, when she received a card from the said defendant and cannot determine where he is residing or whether he is living or not; that in the event Nathan Ernest Selby is deceased, he would be survived by his wife, said Elizabeth Marie Selby, and the following children and heirs at law who would have an interest in the property described in paragraph two, viz: N. Ross Selby, a son, who intermarried with Pauline E. Selby; Lawrence E. Selby, a son, who intermarried with Esta Selby; Frederick Selby, a son, who intermarried with Betty Selby; Richard Selby, a son, who intermarried with Jean Rush Selby; Fern Selby Linninger, a daughter, who intermarried with James Linninger, all of whom reside in Garrett County, Maryland; Leona Selby Lefferts, a daughter, who intermarried with Carl Lefferts, who resides in Union County, New Jersey; Clyde Selby, a son, who intermarried with Jean Savage Selby, who resides in Baltimore City, Maryland; Glenn D. Selby, a son, who intermarried with Patricia Selby, who reside in Fairfax County, Virginia; Robert Selby, a son, who intermarried with Bessie Selby, who reside in Baltimore City, Maryland; Dorothy Selby Friend, a daughter, who intermarried with Walter Friend, who reside in Garrett County, Maryland, and all of whom are of full age; that should said Nathan Ernest Selby be deceased, the property described in paragraph three of Bill of Complaint would be vested completely in Elizabeth Marie Selby as the surviving tenant by the entirety; that Nathan Ernest Selby has not provided for the maintenance and support of Elizabeth Marie Selby since his disappearance on or about July 28th, 1948, and your oratrix is in need of medical attention and has no income or means of support other than her interest in the property and land described in Bill of Complaint; that State and County Taxes for years 1955 and 1956, on the described property are not paid and the oratrix does not have any means of paying the same.

The bill then prays for a finding of the disappearance and absence of the defendant, Nathan Ernest Selby; that a receiver be appointed to administer the said property as in equity receivership under the provisions of Section 300 (2) of Article 16 of the Annotated Code of Maryland (1951 Edition); that the children of the oratrix and Nathan Ernest Selby and their respective spouses be made parties to this suit, for such and further relief as her case may require, an order of publication against Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby.

The plaintiff then obtained an order on July 17, 1956, of the Circuit Court for Garrett County, Maryland, sitting in Equity, that the children of Elizabeth Marie Selby and Nathan Ernest Selby and their respective spouses be made parties of this cause of action unless cause to the contrary be shown on or before the 20th day of August, 1956, provided a copy of Bill of Complaint be served upon them on or before the 1st day of August, 1956, or should any of them be non-residents of the State of Maryland, an Order of Publication be published in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 20th day of August, 1956.

It is thereupon this 17th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff, by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 17th day of August, 1956, give notice to the said absent defendants, Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby, warning them to be and appear in this Court in person or by solicitor, on or before the 1st day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

Delicate Warmth

for Delicate Sleep with Electric Heat

Electric heat for your home is the most wonderful development since the origin of the central heating system. Electric heat does away with the faults found in other methods of heating.

With electric radiant ceiling, baseboard, or panel heating you can get soothing, comforting warmth like sunshine, without disturbing drafts or air currents. You can get the exact temperature you want in any room. No longer is it necessary to overheat one room in order for another to be comfortable. For example the nursery or the livingroom can be warmer than the bedrooms. Unused rooms need not be heated. Whether you wish to heat only one room — or the entire house electric heat will do the job better.

Let us show you how you can get this most modern heating system for less money than you would pay for an ordinary system. Call our Electric Heating Specialist, your electric or heating contractor or your architect for more details on electric room or house heating.

WEDNESDAY, THE 1st DAY OF AUGUST, 1956

42—COWS AND HEIFERS—42

And young Bulls from top proven sires. Included in the lot are:

Sixteen Cows in heavy production now, due to freshen early winter;

Four Cows to freshen in August;

Five Cows to freshen in September;

Six Cows to freshen in October;

Four Cows to freshen in November;

Four Cows to freshen in December;

Four young Bulls, one of service age.

All heavy producers, good testers and young, none having had more than four calves, except two brood cows. Two 9 years old and milking in their prime. Papers available on all animals. T. B. and Bangs accredited. This entire herd has had a steady dairy milk check test of 3.8 percent to 4 percent.

THE HERD INCLUDES

- Four high producing daughters of Armac Sir George Chieftain Posch, a silver medal sire. One daughter was Grand Champion of the Somerset County Fair for two consecutive years.
- One 500 lb. daughter of Fairview Montvic Chieftain, who is a proven son of the great brood cow Montvic Rag Apple Colantha Abbekerk with a record of 1263 lbs. fat, 4.3 percent test.
- One daughter of Montvic Pathfinder Prizetaker, gold medal in the Round Oak herd at Purcellville, Va., whose dam had 780 lbs. fat, 4.1 percent test.
- Our latest herd sire, Round Oak Mont Marathon, was a double grandson of Montvic Pathfinder Prizetaker, gold medal, whose first 15 daughters averaged over 500 lbs. fat, 4 percent and over test, as first calf heifers.
- Thirteen daughters of top Western Pennsylvania A. B. C. bulls, all young and all good producers and testers.
- Four daughters of Segis Hartog Pilot, our former herd sire, whose sire is a proven grandson of Johanna Rag Apple Pabst. These cows all produced over 60 and up to 75 lbs. of milk with 4 percent and over in test.
- Eight first calf heifers of our recent herd sire, Round Oak Mont Marathorn. Some of these have produced over 50 lbs. of milk with tests running from 4 percent to 4.9 percent as first calf heifers.
- Three granddaughters of Montvic Pathfinder, on dam side from a son of Abegweit Milady, with a record of 1085 lbs. fat, 4.3 percent test.

Our herd is now bred to Hyatt Pure Admiral, a son of Lauxmont Admiral Lucifer, and a double grandson of Admiral Lauxmont, whose daughters hold national records. This bull has 80 A. B. C. daughters who are topping the eight top bulls in Western Pennsylvania A. B. C. for milk, with an average test of 3.7 percent and over.

Further information on each animal will be given on day of sale.

vs.

Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, 115 3rd. Street, Frederick, Maryland; James Taney and Carrie Taney, his wife, 212 High Street, Salem, Virginia; Frances H. James, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, 2109 Garrison Blvd., Baltimore, Maryland; James Hollifield, Address unknown.

No. 4651 Equity. In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Wilson L. Camden, late of Garrett County, Maryland, deceased, situate in the Town of Mountain Lake Park, Election District No. 16, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Wilson L. Camden.

The bill states:

That the said Wilson L. Camden was, during his lifetime, seized and possessed of Lots Nos. 1301, 1305, 1307 and 1303 and also one triangular Lot on the West side of O Street, all in Mountain Lake Park, improved by a two-story frame dwelling, and being the same which was conveyed to Mary M. Camden, wife of Wilson L. Camden, by deed from DeWarren H. Reynolds and wife, dated June 28, 1912, recorded in Liber E. Z. T. No. 67, folio 127, the said Mary M. Camden having died intestate on November 23, 1941 and the said Wilson L. Camden having inherited a one-third interest in said land as surviving spouse, the remaining two-thirds interest the said Wilson L. Camden having acquired by deed from Paul Murkland et al., the remaining heirs of Mary M. Camden, dated September 7, 1950, and recorded in Liber R. L. D. 161, folio 556, all references being to the Land Records of Garrett County; certified copies of both deeds are filed with the Bill; that while so seized and possessed of said real estate, the said Wilson L. Camden died on April 24, 1955, intestate, leaving surviving him as his only next of kin and heirs-at-law, five first cousins once removed, they being Camden Ramsburg, Jr., of 115 3rd. Street, Frederick, Maryland, whose wife is Ingebord Ramsburg; James Taney of 212 High Street, Salem, Virginia, whose wife is Carrie Taney; Samuel F. Hollifield, who has since departed this life, leaving as his only heir-at-law, his daughter, Frances H. James, widow, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, widower, 2109 Garrison Blvd., Baltimore, Maryland, and James Hollifield, whose last known address is Baltimore, Maryland, and whose present whereabouts and marital status are unknown; that all of said defendants are of full age; that Wilson L. Camden left a personal estate in the amount of $749.42 which amount, after payment of expenses of administration and inheritance taxes was sufficient to pay the complainant only $261.22 out of the total amount of his claim for services, $690.10, and is likewise insufficient to pay the claims for past due real estate taxes, medical and nursing services rendered the decedent as well as other creditors; that a certified copy of the "First and Final Accounting" and a copy of the "Passed Claims Docket" in the Estate of Wilson L. Camden, Orphans' Court for Garrett County, Estate No. 3073, is filed with said Bill.

The Bill then prays for a decree for the sale of said real estate for the payment of the claim of the complainant and the other unsatisfied creditors of Wilson L. Camden and for general relief.

It is thereupon this 3rd day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 3rd day of August, 1956, give notice to the said absent defendants, Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, James Taney and Carrie Taney, his wife, Frances H. James, widow, William J. Hollifield, James Hollifield and the heirs of Wilson L. Camden, warning them to be and appear in this Court in person or by solicitor, on or before the 18th day of August, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

SATURDAY, JULY 28, 1956

At the Hour of 2:00 o'Clock P. M., in front of the Post Office in the said town of Kitzmiller, we will offer for sale, at public auction, the following parcels of land, situate in said Town, to-wit:

1. Lot No. 33 as shown on the plat of the Town of Kitzmillersville, Maryland, recorded in Liber E.Z.T. No. 1, folio 53, one of the Plat Records of Garrett County, Maryland, said lot having a frontage on Main Street of 33 feet and on Union Street of 28 feet, and being the residue of the lot which was conveyed to The First National Bank of Kitzmillersville by deed from William H. Poole, et al, dated November 18, 1908, and recorded in Liber E.Z.T. No. 58, folio 253, one of the Land Records of Garrett County, Maryland, and being also one of the lots which were conveyed to these Trustees in the fourth item of the aforesaid deed from Viola M. Bray, et al.

2. Lot No. 32 as shown on said Plat of the Town of Kitzmillersville, having a frontage on Main Street of 47 feet and a depth of 132 feet, and being the same which was conveyed to said The First National Bank of Kitzmillersville by deed from Evaline F. Poole, dated July 29, 1927, and recorded in Liber E.Z.T. No. 95, folio 430, one of said Land Records of Garrett County, Maryland, and also conveyed unto these Trustees in said fourth item of the deed from Viola M. Bray, et al.

Lot No. 33 is improved by a two-story brick building, the first floor of which was formerly used and occupied as banking quarters by said The First National Bank of Kitzmillersville, and is now occupied as Post Office. There is an apartment of three rooms and bath on the second floor. Lot No. 32 is unimproved.

Said parcels of land will first be offered separately and the high bids upon the same will be held. They will then be combined and offered together, after which said properties will be sold either separately or together, dependent upon the manner in which the best price can be obtained and sale made. The Trustees reserve the right to reject any and all bids.

TERMS OF SALE: One-third cash on day of sale and balance within thirty days thereafter. Deeds will be executed and delivered immediately upon payment of the full purchase price.

Interested parties may obtain further information about these properties by applying to the Trustees at their respective offices in The First National Bank Building, Oakland, Maryland.

Walter W. Dawson,
Ernest Ray Jones,
Trustees.

No Use to Complain . .

There's no use complaining about the weather. We really can't do anything about it, and isn't it fortunate that we can't?

Let's take a look at a few of the advantages. Grass has never been greener at this season of the year. The lake has remained at a constant high level. The water table is up. Wells are full and overflowing. And we haven't had any cyclones or tornadoes.

We agree that such weather is particularly difficult for farmers and people with gardens. Some vegetables are rotting in the ground. Hay is overripe. Some grains need cutting and harvesting.

The weather is very unpleasant for our summer visitors, and for those of us at home who like to get out and cook our suppers, go swimming and picnic. It is hardly invigorating for our organized camps. In fact it is downright discouraging and exasperating.

We are thankful, that since such weather had to be, that it is pretty general throughout the area. There would be no end of griping if it rained here all the time and was sunny and hot in Baltimore, Pittsburgh and Washington. But it has been just as disagreeable within a hundred or two hundred mile radius. So nobody spends his time blaming it all on us, here on the mountain top.

But do you know that there are many places praying for rain. Some areas are so dry that there are wide cracks in the ground. Persons are compelled to carry water for miles. Fields are burning up for want of moisture. In other areas there are dust storms. Pepole in lots of places would give their very eye teeth to have just a small portion of our total rainfall.

We don't think such weather will go on and on without end, even though we confess that we have felt several times like it would.

We can be thankful for the one or two days each week in which no rain falls. And we can appreciate the fact that it is no worse.

We have had no floods. Enough food probably will still mature to feed us all adequately. As one person has said, "Just don't complain until we have had a tornado."

In the meantime, we must still depend upon God to work out all things in His good time. We have so many, many things for which to be thankful.

Missing Children Return Unharmed

The four missing children of Mr. and Mrs. Edward E. Maroney, of Baltimore, turned up unharmed Saturday after the youngsters found their way to the Ralph Lee farm near Aurora about 6:30 a. m. A search by the Oakland National Guard unit was called off after fifteen members of the company had gone to that area Saturday morning.

The youngsters had been visiting their maternal grandparents, Mr. and Mrs. Ira Bolyard, Aurora, and were camping on the farm. About 1 o'clock Friday afternoon they went fishing. When they did not return the grandparents enlisted neighbors in a search which failed to reveal any trace of them.

Unharmed and apparently none the worse for having spent the night in the open the four remained at the Lee farm until the Bolyards were notified that the children were safe. They were Patricia, 14; Tommy, 13; Billy, 10, and Mickey, 6.

The Maroney family had gone to Oakland for a visit when the father, a steel worker, was idled by the current strike, and the children had gone to the home of their grandparents to visit.

The family formerly lived in Oakland. Paternal grandfather is P. R. Maroney, Sixth street, Oakland.

Church School To Open Monday

Vacation church school for children of Oakland and vicinity will open Monday morning, July 30, in St. Mark's Lutheran church. Classes will begin at 9 o'clock each morning and close each day at 11:30.

The school will remain open for a two weeks' period, closing August 10. Classes will be conducted for children from three years of age through twelve.

One hundred ten pupils have signed during the pre-registration period. If for some unavoidable reason any child did not get to register prior to opening of school he may do so on the opening day, it was announced.

The course of study this year will be "The Bible and the Home." Each child will have his own workbook. Filmstrips will be used in the class rooms and creative activities such as building biblical homes will be a part of their study. No closing exercises are planned, as in former years, but a certificate for regular attendance will be given to children who attend all sessions at the conclusion of the school.

HOW IT'S DONE—Members of the Rural Women's Market Group discuss packaging and wrapping of produce for sale one day this week as they complete plans for their first Saturday in conducting a Rural Market at McHenry, starting August 4. The project will continue for five Saturdays. The program is part of a plan by the Rural Development committee of the county to give all farm women of the county an opportunity to sell their produce. In the photograph, left to right, are Mrs. Harold Bittinger, member of the committee; Miss Ethel Grove, home demonstration agent, and Miss Marie Bowman, another committee member.

Farm Picnic and Four-H Rally Day Set for Saturday

4-H Boys and Girls Have Various Events

Four-H boys and girls will be featured in various events at the annual farm picnic and rally day, scheduled for Saturday.

Four-H Boys

Highlighting the boys' work in rally day will be a 4-H Tractor Operators' contest, a 4-H dairy Calf show and a 4-H Sheep exhibit.

Twelve to fifteen 4-H boys will compete for top honors in the tractor operators' contest starting at 10:30 at the ball field. Guy Gienger, agricultural engineer, University of Maryland; W. S. Wilson, state 4-H leader, will be officials. The top boy will represent the county at the Maryland State fair in late August.

Fifteen to twenty 4-H calves will be exhibited and will be divided into classes according to age and breed. A grand champion for each breed will be selected. Boys will compete in the skills of fitting and showing their animal at 2 p. m. Robert Schabinger, Extension dairyman, will act as judge.

Three 4-H boys will exhibit around thirty head of sheep and will be judged according to breed and age at 11. Boyd Whittle, Animal Husbandry department, University of Maryland, will judge.

The Garrett County Older Youth group will sponsor a refreshment stand.

4-H Girls Activities

Four-H girls will specialize in demonstrations and a style revue. Demonstrations are scheduled to begin at 10:45. Team demonstrations will be given by Dorothy Glotfelty, Judy Buckel, Bittinger, on summer milk drinks; Kathy Yaste and Florence Emory, Bittinger, on glorified banana rice; Carolyn Spoerlein and Jane Hanst, Monte Vista, on spring salads.

Individual demonstrations will be given by Marie Bowman, Accident, on quick and easy snacks; Cynthia Nace, trimming and fastenings; Margaret White, on gathering; Nancy White, on washing a sweater; Nancy Bittinger, on pinning a pattern on material; Mary Ann Burgwald, on manicuring; Sandra Kay Martin, on straightening material, all of the Monte Vista club.

The County Style revue will be held at 3 o'clock. Entered in competition are Judy Buckel, Sandra Orr, Susan Bowman, Marie Bowman, Carolyn Spoerlein, Jane Hanst, Nancy White, Margaret White, Florence Emory, Patty Shawley, Mary Ann Burgwald, Ruth Ann Beitzel. From these entrants the winners will be selected to represent the county in the state style revue to be held during club week at the University of Maryland.

Judges: Mrs. Charles Wilt and Mrs. D. W. Klotz for clothing and style revue; Mrs. John Hershberger and Mrs. W. W. DeWitt, for foods; Mrs. Robert T. Hoffman and a home economist from Cumberland, on demonstrations; Mrs. John Lough and Miss Ethel Grove on home furnishing and home management.

Four-H leaders assisting with registration of exhibits will be Mrs. George Hanst, Miss Arlene George, Mrs. Lester Smith and Miss Jean Beachy.

Committee Arranges Full Day's Program

The Farmers' Picnic and 4-H Rally Day, to be held Saturday, July 28, at the Western Maryland 4-H center near Bittinger, has been planned for rest, play, learning, renewing friendships and making new ones, it was emphasized this week by Extension Service personnel.

Participating in the program will be members of the Garrett County Farm Bureau, Soil Conservation Service, Maryland Department of Forests and Parks, Maryland Game and Wildlife department, and the Agronomy department of the University of Maryland.

Emerson Bishoff, president of the Farm Bureau, is program chairman while Bill Stanton, Grantsville, will be master of ceremonies.

The program will include a 4-H tractor operator contest at 10:30; 4-H girls' demonstrations at 10:45, a 4-H sheep show at 11, a Farm Queen contest at 2:15 in charge of Mrs. O. C. Glotfelty, president of the Associated Women of the Farm Bureau; a 4-H dairy calf show at 2:30, and a 4-H dress revue at 3. In addition there will be games at 11:45 and 1:30 by the Associated Women in charge of Mrs. Kenneth Buckel and Mrs. James Glotfelty, a picnic dinner at noon, and a speaker from the State Farm Bureau at 1:45.

All exhibits will be on display following judging.

One Day Is Sunny

Just one day was sunny and warm during the past week and that day occurred yesterday. A resume of the balance of the week went something like this: Friday, cloudy in the morning, rain in the evening; Saturday, pretty in the morning and part of the afternoon, rain in the evening; Sunday started out pretty but rain in the afternoon and evening; Monday, rain in the morning, clearing later on; Tuesday, rainy, cold, stopping in afternoon.

There was some indication that we might get through another day without rain, but the forecast today was for cloudy weather.

Gets Call From Korea

Mrs. Fred Broadwater received a telephone call last Thursday evening about 5:30 o'clock from her husband, Sgt. Fred Broadwater, who is stationed in Inchon, Korea. The occasion was to talk to his daughter Diana, who was celebrating her birthday. Mrs. Broadwater was the former Joanne McRobie. Sgt. Broadwater, who has been in the service for five years, left last February for Korea and is stationed with a communications section of the army. He expects to be discharged in June, 1957.

Further Plans Made For Home Industries Series of Sales

Plans to develop home industries among the farm women of the county continued to be made this week as the group prepared for the opening Saturday's activities on August 4.

The committee was emphasizing that this is a rural women's market because any woman in the county has an opportunity to participate. Miss Ethel Grove, home demonstration agent, said the aim of the Rural Development Committee is to give all women the chance to take part.

In considering packaging of products for sale Miss Grove pointed out that the problem should not be a difficult one since there are freezing boxes, bags and wrapping of all kind available. Fresh garden produce is to be washed and ready for use. Baked goods are to have the variety name with a slice of the product in view to show the texture within.

The market will be located at McHenry in the Bowman Boat barn along route 219. It will be open from 9 a. m. to 3 p. m., on five Saturdays beginning August 4. Women planning to participate were urged to contact a member of the committee to tell what products she plans to offer for sale by Tuesday of the sale week. Each woman salesman will have her name in view for the customer to see and may take orders for the following Saturday.

Mrs. Gerald Glotfelty, McHenry, is chairman of the Rural Woman's Market and Mrs. Clark Schlossnagle, Hoyes, is co-chairman. Mrs. Schlossnagle is also the contact person in Accident and Friendsville areas. Other members and their areas are Miss Marie Bowman, McHenry; Mrs. Cecil Bittinger, Deer Park and Oakland; Mrs. Harold Bittinger, Sunnyside; Mrs. Leslie Guard, Friendsville; Miss Ida V. Engle, Mars Hill and New Germany; Mrs. Guy Stanton, Bittinger and Grantsville.

"Rescuers" Take Drill Seriously

An eight-man rescue squad from Kitzmiller went dashing over the mountains to Uniontown, Pa., last Saturday only to find their 51-mile trip was all a mistake.

They arrived in Uniontown to find that someone had taken seriously a practice civil defense message.

Maryland civil defense officials said the message, part of a nationwide civil defense exercise, called for a rescue squad to be sent to Uniontown. The exercise, however, was merely an "on-paper" drill.

However, the Kitzmiller squad was receiving congratulations this week from state civil defense officials for their promptness and dispatch.

To Continue Drive

Mrs. Paul B. Naylor and Mrs. I. R. Rudy, Jr., co-chairmen of the campaign to raise funds for the Maryland Association for Mental Health, announced this week that campaigning would continue in this area until the county goal is reached.

Mrs. Naylor pointed out that although America's mentally ill had been freed of their physical restraints, the job of fighting stigma, of educating the public, of improving hospital conditions and of providing funds for research must go on.

The story of France's crusader, Dr. Louis Pinel, who led the liberation of the mentally ill in Paris from their chains and shackles will be presented over CBS television Sunday, July 29, at 6 p. m., to more fully place the case for mental health before the public.

Fifth Member of Family In Service

JOSEPHINE PAUGH

Mr. and Mrs. Raymond Paugh, of Deer Park, have proved again that they are truly American parents. Their daughter, Josephine Paugh, recently became the fifth member and fourth daughter to serve in the United States army. One son, Keith, served a tour of duty.

Vivian R. Paugh Marshall, the first to enlist, served during the second World War for three years at Fort Oglethorpe, Ga. She attained the grade of private first class. Dixie Paugh Tennow completed her basic training at the First WAC Center, Fort Lee, Va. She served for two and one-half years at Fort Riley, Kansas, from where she was honorably discharged as a sergeant. The third daughter to enlist was specialist third class Shirley Paugh, now on duty at Fort Knox, Kentucky. She also received her basic training at Fort Lee, Va. Her first assignment after attending the army medical school at Fort Sam Houston, Texas, was Walter Reed hospital, Washington, D. C. In March of 1956, Specialist Paugh re-enlisted for a three-year period and is presently on duty at Fort Knox.

Pvt. Josephine Paugh, 1956 graduate of Southern High school, is in her second week of basic training at the new WAC center, Fort McClellan, Alabama. After basic training she will be assigned to one of the many army schools in the United States that prepares young women to serve in numerous career fields.

Checking The Records

County authorities were out this week making a check of the records of the cigaret dealers. There are 160 cigaret retailers in the county. Paul Fisher, sheriff, said this morning that only a few had been checked and that the work would be continued.

It was felt that a recent increase in the tax in West Virginia would have a tendency to boost sales in Maryland. The county collects an extra penny of tax on each pack of cigarets in order to boost the salary of school teachers.

Black Bear Seen

Black bears may be moving over into Maryland from West Virginia. At least one has crossed state lines, according to Paul Cullers, of Gormania, who reported seeing a huge black bear last week in the Table Rock area.

There is a closed season on black bear in the state of Maryland at the present time.

Firemen Are Called

Oakland firemen were called to Crellin last Friday afternoon about 2:30 o'clock when an automobile caught on fire from overheated brakes. The car was located in front of the former Willis Naill store. The blaze had already been extinguished when the fire truck arrived. Damage was slight.

'SO MANY TREES'—This is one comment the three International Farm Youth Exchange students had to say about Garrett County during their visit here last week. The students were interviewed by Miss Johanna Magaha, assistant home demonstration agent, and James McHenry, assistant county agricultural agent. The former gives an account of what she learned from these students in the article appearing below. In the photo, left to right are Ahmen Kazma, of Lebanon; Abdel Monheim El Awar, of Egypt; Miss Magaha, Mr. McHenry and Abel Mousa, of Jordan.

IFYE's Spend Week in County

BY JOHANNA MAGAHA
Ass't. Home Demonstration Agent

Maryland is privileged to be the host state to three International Farm Youth Exchange students: Abdel Monheim El Awar, Egypt; Abel Mousa, Jordan; and Ahmed Kazma, Lebanon. They have been living and working on farms in various parts of the state for three months; their visit has included the Eastern Shore, Southern Maryland and the North Central section. They spent last week in Garrett County attending the State Conservation Camp.

All of them are very interested in agriculture and 4-H work for young people. By just talking to them, one soon catches the enthusiasm they have for learning more about the American way of life. They not only learn, but at the same time they teach about their own respective countries. The Middle-East may just be a name, the countries of Egypt, Jordan and Lebanon, just spots on a map, but after talking to these exchange students, one realizes that their countries and their people are anxious to learn and progress in modern ways of agriculture. Representatives such as Messrs. El Awar, Mousa, and Kazma can do much to strengthen International Relations. They are members of a group of 15 boys and 2 girls, all from the Middle-East, spending time in the United States as IFYE's.

Abdel Monheim El Awar is an Agronomist from Egypt, holding a Bachelor of Science degree from the University of Cairo. While in the United States he is serving as the leader of the Middle-Eastern group. Maryland offered Mr. El Awar new experiences and a new climate. Rain, especially our famous "scattered showers and thunderstorms," was new. He commented that the Egyptian farmer does not depend on rain for agriculture, instead they must irrigate their farms since it rains only once or twice a year. Maryland soil is light and sandy; Egyptian soil is very fertile. Mr. El Awar remarked that the crops in Egypt produce

"Peg O' My Heart" Will Be Next Play

"Peg O' My Heart," by J. Hartley Manners, will be the fifth play to be offered by the summer theatre players at the Garrett County Playhouse at the former Arden Boat club at McHenry. This will be presented next Tuesday through Saturday, July 31 to August 4.

Starring in this production which is termed a famous and gay romantic comedy, will be Suzanne Oglesby, Leonard Drum, Helen Page Camp, Bonnie Barton, Bob Morris, D. G. Buckles and Tom Calkins.

The play, "My Three Angels," will be repeated tonight, tomorrow night and Saturday night. This play has brought three local actors into focus. They are Don Lamb, Aza Stanton and Tom Turney. Lamb had a minor role in "The Show-Off" two weeks ago but this is the first appearance for Stanton and Turney.

In the lobby this week are modern paintings of Les Haas, chairman of the Art Department of the University of New Mexico. Gene Yell, director, also reported that most of the Amish quilts and rugs on display last week were quickly spoken for during last week's exhibition.

This week's play will conclude the first half of the season. The remaining plays in addition to "Peg O' My Heart," will be "The Tender Trap," "Angel Street," and "Bell, Book and Candle."

Possibility Seen For Kiln Operation

A study of the possibility of establishing a lumber drying kiln is to be made in this county, it was announced this week by R. Thomas Thayer, district forester.

The Garrett Forest Conservancy Board, through the department of Forests and Parks has secured the services of Charles R. Lockard, chief of the forest utilization service from the Northeastern Forest Experiment Station in Upper Darby, Pa. Mr. Lockard, a dry kiln specialist, will be in the county August 7 through 9 to visit sawmill operators and discuss these possibilities.

There will be an open meeting at the William-James hotel Thursday, August 9, at 8 o'clock p. m., at which time Mr. Lockard will summarize his work and report his findings to the Forestry Board. Sawmill operators and other interested persons are invited and participate in the discussion.

Mr. Thayer said operators had expressed interest in a drying kiln inasmuch as material now has to be hauled to Uniontown or Elkins for processing.

Should such a project become a reality here, it was felt that the operation would bring employment to more people.

35th Annual Tennis Event Set To Begin Tuesday, July 31

The Mt. Lake Tennis club has prospects for the most successful Western Maryland Championship tournament in history. This possibility is the result of the largest entry list in years which keeps growing from day to day. The only uncertainty is the weather.

Mrs. Walter Pollard, member of the tournament committee, said that entries keep pouring in for both men's and women's singles events with chances that the list may top fifty or even seventy-five.

Additional entries received this week include Mr. and Mrs. Robert Burgess, Hyattsville; Fred Kellmeyer, Charles Entsinger, Asa Maness, Joe Bader, Blaine Fertig, Charleston, W. Va.; Mr. and Mrs. J. H. Parron, Elton Suter, Baltimore; Ed Alcorn, Pittsburgh; Charles Holland, Whitesville, W. Va.; Don Mercer and his father, Mr. and Mrs. Jean Loustan, Wheeling; Helen Daverer, Charleston; and Virginia Betz, sister of Pauline Betz, a former National and International champion, now in the professional ranks.

The tournament, the 35th annual event for this championshop, sanctioned by the U.S. Lawn Tennis association, will get under way on Tuesday morning, July 31. Drawings in the singles events are scheduled to be made on Monday evening at the Allegheny cottage, with Ralph Weber, tournament director, in charge.

The social committee has arranged a number of events, chief among them being the annual Tennis dance to be held at Mt. Lake hotel on Saturday evening, August 4. Johnny Costa, Pittsburgh television artist, and his orchestra, will furnish the music. There will also be an open house, a party at the Oakland Country club and a corn roast. Dancing Saturday night will begin at 9 o'clock.

Slayer Hunt Is Intensified By W. Va. Police

Bloodhounds Are Brought In For Murder Suspect Who Is Still At Large

Bloodhounds have been pressed into action in the intensified search for Wilson Cole, 44, who is suspected of killing Mrs. Lena Lewis, 41, of Deep Creek. Her body was found beaten and shot Monday evening on a farm about five miles southwest of Terra Alta.

West Virginia State Police and Preston county officers, in cooperation with Maryland State Police and Garrett county authorities, have been conducting the widespread search in the thickly wooded area of the murder scene since Monday evening.

Yesterday bloodhounds were brought in from the West Virginia State Penitentiary and were put on the trail by a penitentiary guard.

Preston County Prosecutor James T. Dailey, who is heading the 20-man posse along with Sheriff W. R. Schooley, said last night the search was continuing.

Cole, who worked at a country store operated by the victim on route 219, about seven miles north of Oakland at the intersection with the Swallow Falls road, is believed to be hiding in the rugged and heavily wooded mountains between Terra Alta and Rowlesburg, although he may have hopped a Baltimore and Ohio freight since the railroad runs close to the scene of the murder.

Troopers Join Search

Tfc. Glen D. Folk and Tfc. Robert D. Henline of the Maryland State Police joined the search yesterday when they were sent to Red Run to check out a lead that Cole was hiding out in that sector. However, they were unable to locate him.

Mrs. Lewis was badly beaten some time early Monday morning and then shot and killed near the farm home of Cole's son, Willard Cole, who lives in an isolated section about four miles off West Virginia route 7 from a point about a half mile east of the top of Caddell mountain.

Cole left a suicide note, was armed when he left his son's home but authorities do not believe he took

Oakland's Pony League All-Stars Are Eliminated

Oakland's Pony League All-stars were eliminated from the district league playoffs Saturday by dropping both ends of a double-header to the Fairmont stars at Spiker field in Oakland. The scores were 4 to 3 and 5 to 0.

Oakland grabbed a 3-2 lead in the third inning of the opener but the visitors scored a single tally in the fifth frame to knot the count and then pushed across the winning run in the sixth when pitcher Sam Glotfelty threw wild after a bunt and a throwing error which allowed the deciding run to score.

Both teams had five safeties in the first game with winning pitcher Jack Marrone clubbing a double and single. Oakland's hits, all singles, were shared by Pat Turney, Carrol Long, Jerry Wine, Harold Sharpless and Dick Stuck.

In the second game a pinch-hit single in the seventh inning by Ken Paugh was the only hit of the contest for Oakland. George Devers was the losing pitcher.

The Fairmont nine will meet Morgantown at Morgantown next Saturday in a doubleheader as the district playoffs move into the semi-final round.

A crowd of over 500 witnessed Saturday's game on a bright, sunny afternoon. Four Cumberland persons umpired.

Laborers Needed!

A call for laborers was issued yesterday by the Duvall Farms, located at Red House.

The grower of cool weather crops is calling for workers to aid in cutting cabbage and cauliflower. Steady employment is assured through October. The workers are wanted for piece work.

Persons interested may apply in person or apply through the State Employment Service.

As we said before—
It's a Great Time to Buy a Buick

We've been saying for some weeks now that you really ought to come see us for the buy of your life—and we're not fooling.

There's never been a better time to buy a new Buick than right now—and we list here 3 solid facts that make this gospel.

Fact No. 1: Since it's only July, you have a lot of wonderful driving weather ahead.

Fact No. 2: Your present car is at its peak worth right now.

Fact No. 3: Buick gives you more solid automobile for your money than ever before—as witness how Buick outsells every other car in America except two of the well-known *smaller* ones.

So why hold back another week, another day?

Why deny yourself the fun of bossing the mightiest Buick V8 yet?

Why pass up the world's most luxurious ride—and the magnificent ease of handling that goes with Buick's great new travel?

Most pointedly, why miss out on the most modern thing on wheels—Variable Pitch Dynaflow*...

Where the top inch of pedal travel gives you brand-new getaway, plus brand-new gas savings...

And where you can switch the pitch—like a pilot does—for a blazing new safety-surge of full power.

Like we say—these are the things that make the best Buick yet the best buy yet *right now.*

Come in today and let us show you what a great car this '56 Buick really is—and what a great time right now is to buy one.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

his own life. They found no clues in the woods.

The case had its beginning at 5:30 p. m., when Paul W. Fisher, sheriff, was notified by relatives that Mrs. Lewis had been missing since 11:30 p. m. Sunday when she left her store in a car in the company of Cole.

Fisher and Stephen R. Pagenhardt, state's attorney, went to the store where they were told by Robert Lewis, 20, and Linda May Lewis, 17, that Cole had returned to the store about 7 a. m. Monday to get some provisions, stating he planned to make a fishing trip to Canada. He told them their mother was visiting relatives in West Virginia. They became alarmed later in the day and contacted Fisher.

Drove to Preston County

Fisher and Pagenhardt, learning Mrs. Lewis and Cole reportedly had driven into Preston county over back roads by way of Browning Mill and Cranesville, contacted Preston county officials and arranged to meet them in Terra Alta.

It was while officials of the two counties were conferring in Terra Alta that Sheriff Schooley received a telephone call from his office notifying him that Cole's son had telephoned there to report the slaying of Mrs. Lewis. The entire party went to the Cole farm where they found Mrs. Lewis' body about 9:30. She had been badly beaten and shot through the head. Fisher said she apparently had been dead several hours.

Son Gives Account

Investigating officers received most of their information about the shooting from Cole's son. He gave this account:

Early Monday the father drove up to his son's farm home and his daughter-in-law saw a woman lying in the rear seat of the car. About 5 a. m. the father returned to the store near Sand Flat, gathered some articles and said he was going on a fishing trip to Canada. He returned to his son's home about 7 a. m. and was next seen standing on a nearby hill.

The son said he found Mrs. Lewis wandering in the woods near his home that afternoon, badly beaten and semi-conscious. The son drove back to his house and left her lying in the back seat of the car.

Young Cole's wife said she was out feeding live stock about 6 p. m. when she saw her father-in-law walk up to the car and shoot Mrs. Lewis twice. She said she completed her chores and went inside to find him drinking coffee in the kitchen.

Both the son and his wife told officers their father, who had a .22 calibre pistol in his possession, remained at the house until about 8 and then picked up some food and disappeared.

The younger Cole said he was afraid to notify authorities while his father remained at the house because he did not want to leave his wife and three children alone.

Body Found in Automobile

Authorities found Mrs. Lewis' body in the rear seat of young Cole's car where he had last seen her alive after finding her in the woods.

Dailey said the purported suicide note left by Wilson Cole was poorly written and seemed irrational. It said in part: "bury me at Dad's place."

Mrs. Lewis' mother, Mrs. Effie Everly Gauer, Terra Alta, said that Cole had expressed considerable displeasure last week because her daughter told him he would have to find another place to stay. Cole had been residing in the Lewis home and assisting in the operation of the store.

Officers said there were many angles in the case that are not clear and the movements of the principals remain confusing.

The victim is a widow and mother of four children, two of them at home.

Mrs. Lewis' body is at a Terra Alta funeral home. She was born on May 26, 1914, a daughter of Mrs. Effie Everly Gauer, Terra Alta, and the late Asa J. Messenger. Surviving are two sons, Everett, Keyser; Robert, at home; two daughters, Mrs. Olive Corliss, Deep Creek; and Linda, at home; also five sisters, Mrs. Clarice Burge, of Morgantown; Mrs. Virginia Carr, Mrs. Ruby Ayersman, St. Petersburgh, Fla.; Mrs. Iva Cain, Rowlesburg; Mrs. Mary Pritt, Canton, O, and four grandchildren.

Fishing Limited By Rainy Weather

Rain limited fishing during the past week, according to the weekly fishermen's news bulletin on Deep Creek Lake, released by Scott Kennedy, creel census taker and Sigurd Brantingson, regional fish culturist.

However, when weather permitted, the secret of using light tackle and fishing deep paid off in a few nice fish. They suggested trying the Glendale bridge at night and fishing about 20 to 25 feet deep.

Three of the four best catches of the week were reported as occurring at Glendale bridge. Mr. Lapinmaki, of Monessen, Pa., caught the largest small mouth bass, an 18-inch fish weighing three pounds. George Sanford, Philadelphia, Pa., caught a 16-inch rainbow trout weighing one pound. Frank Bunner, Parkersburg, caught a 19-inch chain pickerel weighing two pounds, while George Sanford, also Philadelphia, caught an 11-inch bluegill weighing three-fourths of a pound. Bunner made his catch in the McHenry inlet.

Plan Bible School

St. John's Evangelical Lutheran church at Red House will hold its annual Vacation Church school, July 30 to August 10. The school will be for children from three years old through the 10th grade in school.

Serving as teachers and officers: Mrs. Campbell Saunders and Miss Marilyn Sanders, nursery; Mrs. Ruth Janoske, Miss Joan Bachtel, Miss Almedia Hauser, kindergarten; Mrs. Wilda Sanders, Miss Mary Bachtel, Mrs. Jessie Bachtel, Miss Carolyn Bachtel, primary; Mrs. Lorene Dodge, Miss Carolyn Rolfe, Jeannette Sanders, Mrs. Mildred Shaffer, juniors; Mrs. Eugene Flinn, intermediate; Tom Mulvey, pianist; Baity Ridder, transportation; Mrs. Helen Renn, registrar; Mrs. Maude Mosser, refreshments. The church will provide transportation and those driving will include Millard Hayhurst, Ray Mosser, Baity Ridder, Mrs. Nada Nethken, Mrs. Webb Roth, Theodore Kight, Mrs. Campbell Saunders, Mrs. Robert Hoult, Rev. William Renn, Mrs. Robert Dodge, Mrs. Eugene Flinn.

One hundred thirty-four boys and girls are registered for the school.

Lions Club Meets

At a regular meeting of the Oakland-Mt. Lake Park Lions club on Monday evening, entertainment was furnished by three members of the Garrett County Playhouse. Miss Bonnie Barton, Miss Donnie Welch and Leonard Drum sang and played for the group.

Members of the club will meet with the Boy Scouts for their next meeting, which will be next Thursday afternoon and evening. The club sponsors the Oakland troop. Members of the club procured three tents from a New York firm which the scouts are using this year for their encampment. The tents were raised last week-end.

All-Day Meeting

The annual all-day meeting of the North Glade Methodist church will be held Sunday, July 29, beginning at 10 o'clock. Rev. Edwin Smith will speak at 11 o'clock. Dr. V. C. Cutright, district superintendent of the Methodist church, will speak in the afternoon.

The church which was built in 1893 has been completely redecorated and will be rededicated. There will be special singing. A basket dinner will be served at noon. All are welcome.

DIED

MRS. EMMA SHETLER MILLER

Mrs. Emma Shetler Miller, aged 46 years, died Tuesday, July 24, at Catlett, Va. She was a daughter of Levi L. and Martha Miller Shetler and was born in Holmes county, Ohio, December 11, 1909.

Her body is being brought on Thursday to the home of Mr. and Mrs. Noah Schrock and funeral services will be conducted on Friday morning at the Amish church near Gortner. Interment will be in the Slabach cemetery.

She is survived by her husband, Eli J. Miller, Catlett; one son, Joni E. Miller, Oakland; one sister, Mrs. Joe E. Miller, Apple Creek, Ohio; eight brothers, John, Middle Field, O.; Abraham, Plain City, O.; Jacob, Berne, Ind.; Mose and Valentine, both of Apple Creek; Benj., Noah and Lewis, all of Conowingo Valley, N. Y., and one grandchild.

MRS. EARL B. DOMAN

Mrs. Earl Doman, 37, wife of Earl Benton Doman, of Duquesne, Pa., died Tuesday night in Garrett County Memorial hospital in Oakland where she was admitted Sunday.

She had been visiting relatives in this area since June 8.

A native of Vindex, she was a daughter of Mrs. Stella Susan Sharpless Kent and the late John Kent. She was a member of the Assembly of God church at Duquesne.

Besides her husband she is survived by a daughter, Mary Elizabeth Doman, at home; two brothers, Ernest Kent, route 1, Swanton; and Lawrence Kent, Vindex; and three sisters, Mrs. Frances Paugh, Vindex; Mrs. Elsie Nelson and Mrs. Georgia Welsh, both of Shaw.

Funeral services will be conducted Friday afternoon at 3 o'clock from the Mt. Zion Methodist church by Rev. James Tichinell, pastor. Interment will be in the church cemetery.

GORTNER

Bible School closing exercises will be held on Friday evening.

Mr. and Mrs. Dale Sanders, Fairmont, visited his parents, Mr. and Mrs. Will Sanders.

Mr. and Mrs. Alfred Yoder, Jonas Petersheim and family were Sunday dinner guests of Mr. and Mrs. Henry Swartzentruber.

Visitors at S. W. Slabachs were Mr. and Mrs. Ray Yoder, Keyser Ridge; Mrs. Orpha Compton, Baltimore; Mrs. Philip Filsinger, Deer Park; Mrs. Adam Teets and Mrs. Robert Twigg, Flintstone; Irvin Smith and George Welling, of Oakland.

Mr. and Mrs. George Nestor, of McKeesport, Pa.; Mr. and Mrs. Norman Sines and son Norman, Baltimore, were guests of Mr. and Mrs. Cecil Snyder.

Joni Miller, Jr., was called to Catlett, Va., on Monday night on account of the serious illness of his mother, Mrs. Eli Miller, age 46. Mrs. Miller passed away on Tuesday morning an hour after he arrived. Joni Miller and Mrs. Atlee Hershberger, a brother and sister of Eli, and Mrs. Henry Petersheim and Mrs. Joni Miller, Jr., left on Tuesday evening for Catlett to attend Mrs. Miller's funeral there on Wednesday. Her body will be brought to the home of Mr. and Mrs. Noah Schrock on Thursday. Her funeral here will be conducted Friday morning from the Amish church with interment in the Slabach cemetery. Mrs. Miller is survived by her husband and son Joni and one granddaughter Dorothy Miller, a number of brothers and sisters of whom Moses Shetler, formerly of Pleasant Valley, was one.

Last Wednesday as Ross Lichty signaled to turn off Route 219 onto the Blue Ribbon road, a truck loaded with Pre-mix hit his pickup landing it in Simon Swartzentruber's nearby field. Ross and his sisters Mary and Mrs. Fannie Stutzman, who were riding in the cab, escaped with minor bruises. Ralph Lichty and Edward Moon, who were standing on the back of the truck, suffered lacerations and bruises. The trucks were slightly damaged.

more than the crops in Maryland. Crops grown in Egypt include cotton, corn, wheat, citrus fruits and garden vegetables. He thinks the Egyptian farmer is more secure than the American farmer. The American farmer is always complaining, but yet he can't figure what they have to complain about. Farmers here depend upon machinery, our big machinery is not suitable for use on the Egyption farm; true, the tractor is very helpful, but the combines and balers are out-of-place. Maryland introduced him to the tobacco plant; he saw it for the first time and helped with the planting, tipping and stripping of the tobacco.

Four-H Clubs are organized in Egypt for the young people, but in Mr. El Awar's words, "It's just a baby." He feels that 4-H is a very worthwhile project, it is doing its best to grow up. The government is helping through financial foundations. Camping such as 4-H'ers have here in Garrett County is unknown in Egypt. Mr. El Awar praised the camps and other 4-H state and county meetings for the part they play in helping youngsters grow and develop. He likes the way friendships are made and experiences shared. He has hopes that Egypt will someday develop such a camping program.

Abel Mousa began by saying, "Let me tell you the two reasons I came: First, to develop a good understanding between America and my country; second, to take ideas from American life home and to give ideas about my way of life and existence." What better reason could a young man from Jordan have? It is his hope to make his people and American closer, and to develop a better understanding between them. With a smile he tells that "life is about the same, the customs are a little different."

Mr. Mousa is a county agent; he has the diploma of Agriculture from the College of Agriculture in Jordan. He is very interested in Extension work here in the United States. Extension is just two years old in Jordan. He feels that he can help his country most by learning more about the Extension Service and how it operates. There are five county agents and six home demonstration agents in Jordan. The people realize the amount of help these workers can give, and because of this they have asked for more county and home agents.

Four-H clubs started one year ago under the supervision of the Extension Service. Mr. Mousa was very impressed with the 4-H camps and meetings he attended; they gave him more ideas on how to manage 4-H and other projects. He especially liked the way all Extension workers here in the States tried to create the self confidence independence, and the spirit of leadership in the individual boys and girls.

In listing the principal crops, he told the three types of land area in Jordan. On the plains or flat land they raise corn, wheat, barley, and watermelons. In the mountains; as high as 10,000 feet, grow olive trees. On the land 1,000-500 feet below sea level they raise cotton and vegetables. The Dead Sea gives a supply of minerals.

The diet of the people consists mainly of rice, lamb, or sheep and vegetables. He made a point to say that in Jordan they don't use the dessert as we do here in America.

"The life of a farmer is wonderful here. He works hard on the farm and in the home, and the women help, too," so stated Ahmed Kazma from Lebanon. Farms in Lebanon are organized like those here, only on a smaller scale. Lebanon is a small country with two ranges of mountains; the people use all the land available for growing crops. Vegetables are grown along the Mediterranean Coast in winter and in the mountains in summer. Citrus fruits are grown along the Mediterranean Coast and are exported to the United States and the other countries of the Middle East. The high mountains serve as a place to grow fruit trees; especially apples. They have the Stark and the Delicious, started from American stock.

Mr. Kazma, a school principal, told about their rather complicated system of education. The government has control over the public and the elementary schools. There is no compulsory education, and not enough public schools for everyone. Fifty percent of the students go to public school and fifty percent go to private schools. In addition to the public, elementary, and private schools, the churches conduct what is called Missionary schools. There are four universities in Lebanon; the American University, the French University, the Lebanese University and the Academy of Beaux Arts. In order to enter a university a student must pass through all school classes and some preparatory classes.

When speaking of the IFYE Program Mr. Kazma couldn't express how wonderful he thought it was. He likes Maryland so much that he is considering it as his "second country." He said, "A tourist could never learn or understand the people as an IFYE does." By living with families, going to church, meeting others, an IFYE really gets to know the American people.

These three IFYE students all agreed that the state of Maryland was very beautiful, and the hospitality just wonderful. Their comment on Garrett County, "so many trees." It was easy to see that Egypt, Jordan, and Lebanon will be hearing much about Maryland. We can be glad that our three IFYE friends have so many happy memories of their three months spent in our state.

Little Leaguers Are Defeated By Elkins

Oakland Little Leaguers lost to Elkins last evening on the Oakland field, the final score being 7 to 4.

With the score tied at 4-4 in the top of the sixth Elkins got three runs, one a homer by Simpson, plus a single, along with three errors committed by Oakland to give the visitors the district championship.

Oakland gathered five hits during the game, two of them being by Ronnie Wotring. One of those was a double that drove in two runs. Other Oakland hits were made by Lawton, Prince and Colaw. Colaw was the starting pitcher but he was relieved by Jim Finch in the top of the 5th. Elkins had six hits and two errors.

Oakland committed eight errors in the six-inning contest. Kitzmiller was the winning pitcher. F. Finch starred in the field for Oakland.

Playing for Oakland were Craig, Colaw, P. Welch, L. Gonder, A. Lawton, J. Getty, F. Finch, R. Savage, J. Frince, Wotring, Weimer and J. Finch.

The regular schedule will be resumed Friday evening at 5:30. Legion will play the Lions and Moose will play the K. of P.

Praises Hospital

Dear Sirs:

Here are a few words of praise for your wonderful hospital, if you care to print it for me.

I have just returned to my home in Imlaystown, N. J., after spending fourteen weeks in the Garrett County Memorial hospital where I had the best care in the world.

I want to thank the doctors, nurses and all the wonderful help there for making my stay a very pleasant one. It was like leaving home when I finally was able to leave. I love them all.

I also want to thank each of the ministers for their wonderful work and prayers that mean so much to all the patients.

Mrs. Florence Young

The Play Reviewed

"My Three Angels," Sam and Bella Spewack's delightful farce which shoots humorous, intermittent barbs at the nature of justice, certainly has justice administered to it this week by the cast of the Garrett County Playhouse. As if relieved that the first three demanding plays are out of the way, the cast romps through the comic situations with all the joy of a cool breeze invading the torrid air in Cayenne, French Guiana, scene of the plot. It's Christmas Eve, and prospects aren't so bright for Felix Ducotel, the trusting, easy-going proprietor of a general store. He is too lenient with credit, and the store is losing money. Worse yet, Cousin Henri Trochard, the tyrant running the business from France, is even now aboard ship in the local harbor and is impatient to begin checking Felix's muddled account books and taking inventory. Accompanying Henri is his nephew Paul, who has recently blocked the affections of Felix's daughter by becoming engaged to someone else. Enter the three "angels," in the persons of three convicted thieves and murderers. With one hilarious manipulation after another they solve all the problems—at least as far as the audience is concerned—though not from a moral standpoint, however. Nothing seems impossible for the "angels," and every fantastic idea becomes a plausible one under their guidance.

Between laughs the audience can sometimes hear the comment, "There isn't any justice!" a thought fortunately seldom stated in the lines, but brought out by the subdued irony of the play itself to linger as an irrelevant impression amid the wild humor. Dialogue, ranging from divine to vulgar, adds a lot to the action and helps keep the play moving so swiftly. And the good acting helps, too.

Convict Joseph has the best lines, and he is turned into an interesting, admirable, and very funny person by Tom Calkins' acting. Whether speaking as philosopher or crook, Calkins makes everything noble. He plays his part so skillfully that he seems to spellbind everyone when he talks; the cast drops any sense of tension and strain. Calkins' partners in crime, Leonard Drum and Robert Morris, playing Alfred and Jules, respectively, have less humorous speeches but keep things lively with some slapstick. Drum is best when he is gawking and leering, with his lower jaw seeming almost to drop off. Morris at times speaks as if he were reciting a grammar lesson, but his obvious enthusiasm in his part gives a buoyancy to the play.

Donald Lamb, as Felix, creates a mood of passiveness with his softspoken musing, his worried look, and his shuffling gait. Bonnie Barton, his wife, carries the expression of a woman tolerant of adversity, who knows that troubles will mend themselves. As Daughter Marie Louise, Suzanne Oglesby again portrays the "sweet young thing" and again plays the part sweetly and youngish.

Aza Stanton, as Villain Henri Trochard, gives an enjoyable performance, spraying sarcasm, rolling his eyes, and sagging his mouth in delightful partnership. Myron Herrick as Paul gives the apt impression of one who is cowed and timid. Helen Camp, reeling onstage as Mme. Parola, is able to draw many laughs with only a few speeches. Tom Turney, acting as the shopping lieutenant, merely has to be alternately disdainful or flabbergasted, and he succeeds.

The play, the acting, and the frugal setting promote a thorough yet carefree performance which calls for lots of laughter and does nothing to hinder it.—George Henry Hanst.

FRIENDSVILLE

Mr. and Mrs. R. W. Guard gave a birthday dinner in honor of Miss Rhoda Glover, who observed her 80th birthday. Present were Mr. and Mrs. T. G. Davis, Mr. and Mrs. Tommy Davis and son Charles and Kenny, all of Pittsburgh; Mr. and Mrs. Earl Statler, Mrs. Mildred Brown, Kingwood, W. Va.; Rodney Buckingham, Richard Evans, Bobby, David, Steve and Marty Guard, and the honoree, Miss Rhoda Glover. Other guests later were Mr. and Mrs. Leslie Guard, and son Gary and James Kirby.

Mrs. Lona Humberson spent a week in Cleveland, O., visiting her sons-in-law and daughters, Mr. and Mrs. E. J. Frantz and Mr. and Mrs. Everett Sellers. Her grandson, James Kirby, accompanied her home after visiting there for several weeks also.

Mr. and Mrs. Andy Kurtz and Denise Kirby spent several days with Mr. and Mrs. Ronald Guard and Mr. and Mrs. David Humberson.

Miss Mary Helen Humberson is visiting friends and relatives in Rockville.

Miss Linda Gail Bender is visiting Patty Friend in Accident.

CARD OF THANKS

We desire to express our sincere thanks and appreciation to all our friends and neighbors for their kindness and helpfulness during the illness and following the death of our mother, the late Mrs. Almira Roth Nicholson.

We also want to thank Rev. William Renn for his comforting words and all who gave flowers and contributed the use of their automobiles for the funeral service.

Cumberland Takes Pair From Oakland

Cumberland's defending champion American Legion tossers swept an important twin-bill with Oakland Sunday to tie Midland for first place in the Mountain District American Legion Junior baseball league. The scores were 5-1 and 15-2.

The twin victories gave Cumberland a 9-2 mark. Midland, winning over Proctor Kildow Post of Oakland 9-1 on Saturday, also has a 9-2 record.

Cumberland took a quick three-run lead in the opening game and went on to win 5-1 as Ronnie Winters and Ed McKenney pitched six-hit ball and blanked the home team until the last inning. Tasker and Al Sweitzer had two hits apiece for Oakland.

In the nightcap Cumberland got seven runs in the first inning to make things easy for the pitcher, Bob Paye, who coasted home with a five-hitter. Paye struck out 14. DeWitt had a pair of singles for the losers.

Oakland protested the second game in the sixth inning when Cumberland tallied six times because the Oakland coach said a substitute runner for the Cumberland team was not properly entered into the game.

The cost of living hit an all time high last month.

MARRIED

Sinclair-Heyer — Miss Janet Lee Heyer, daughter of Mr. and Mrs. Walter C. Heyer, Wheeling, W. Va., became the bride of Dr. William Paige Sinclair, son of Mr. and Mrs. Donald B. Sinclair, also of Wheeling, in an open church ceremony performed Saturday evening, July 21 in Vance Memorial Presbyterian church in that city. The Rev. Raymond F. Kent, of Bethlehem Presbyterian church, performed the candlelight double ring ceremony at 7:30 o'clock. Mrs. Donald Sheets was organist.

Given in marriage by her father, the bride wore a Mori Lee original waltz length gown of imported clipped chantilly lace and nylon tulle fashioned with lace fitted bodice with high lace neckline, then silk illusion extending to a low neckline. Tiny buttons fastened the gown in the back and the long lace sleeves were pointed. The bouffant skirt spread of lace to point into nylon tulle over celeste bridal satin and was propped with crinolines. Her fingertip veil was held in place by a crown clustered with pearls. She carried a colonial bouquet of white flowers.

Miss Ann Lee Lilly, Beckley, W. Va., was maid of honor and Mrs. W. Conrad Heyer, sister-in-law, was matron of honor. Attendants' dresses were alike except for color, green and lemon ice. They were designed by Waltz Time with fitted embroidered eyelet bodices and torso waistlines with nylon net from the waistline to form a large ruching of net which fell into the ballerina length skirts. They carried colonial bouquets of summer flowers.

Donald C. Sinclair was his brother's best man. Ushering were D. Conrad Heyer, Dr. Bernard Stubbs and Dr. David Lee Pickett.

Following the ceremony the reception was held in the church. Dr. and Mrs. Sinclair left for a wedding trip to the New England states and Canada. Upon returning they will reside at Shadow Knoll, Woodsdale.

Mrs. Sinclair was graduated from Wheeling High school and received her B.S. degree from West Virginia university. For the past four years she has been a teacher of health and physical education at Southern High school at Oakland. Dr. Sinclair was graduated from Wheeling High school and received his A.B. and B.S. degrees from West Virginia university and his M.D. from the Medical College of Virginia. He is a member of Phi Kappa Sigma, social fraternity, Phi Beta Pi, national medical honorary and Nelson No. 30 Masonic lodge. He is serving as a resident physician at the Ohio Valley General hospital.

Attending the wedding from this area were Mr. and Mrs. Carlton Hogue, Mr. and Mrs. James DeMoss, Mr. and Mrs. Paul Eary, Mr. and Mrs. Grover C. Stemple, Mrs. Russell Brown, Mrs A. G. Hesen and Robert Long.

Mrs. Heyer entertained the Oakland group and the immediate wedding party following the ceremony.

Will Wed Soon

Mr. and Mrs. Russell J. Mize, Sr., of Woodford Road, Vienna, Va., announce the engagement and approaching marriage of their daughter Hallie Sylvia, to Mr. James Dwight Snyder, son of Mr. and Mrs. Cecil F. Snyder, route 2, Oakland.

An open church wedding is planned for Sunday noon, August 12, at the Swallow Falls Dunkard Brethren church at Swallow Falls.

The bride-to-be attended McLean High school and plans to enter Southern High school as a senior this fall. The groom is a graduate of Southern High school, class of 1955. Mr. Snyder has been employed as substitute mail carrier and painter in Vienna, Va., since his graduation.

German Exchange Student Speaks At Rotary Meet

A 17-year-old German exchange student delivered a challenging talk before the members of the Oakland Rotary club at their regular weekly meeting last Friday evening at the William-James hotel.

She was Ingeborg Kolrep, from Hamburg, Germany. Miss Kolrep was among some thirty-five or more exchange students selected to come to America the past year and was the only one to be assigned to the State of West Virginia. Miss Kolrep spent the year at Terra Alta and was an eleventh grade student in Terra Alta High school during that time.

Having studied English in the German schools, Miss Kolrep spoke the language fluently and with good accent, according to the Rotarians who heard her. She told the Rotary audience that she found in America that it is what a person is and not what he has that counts, and stated that she felt America was a fine example for the whole world to follow. She was also impressed by the importance which most Americans attach to education and the effort that this country makes to provide equality of opportunity to prepare for living in a democracy.

She said she questioned in her own mind whether or not the youth of today appreciated the opportunities provided for them, but felt that the American education system was definitely superior to her own which emphasizes education for the few rather than education for all.

To be eligible for an exchange student one must pass a qualifying examination and then be approved by the State Department. Those accepted have their way paid for one year and are required to spend time studying American history and problems of American Democracy.

Miss Kolrep will return to Germany in the near future to resume her high school education in the city of Hamburg.

Historical Society Receives Memento of Local Interest

A memento of interesting local historic significance has been received by the Garrett County Historical Society, the donor being Totten A. Kimmel. This is an ornamental piece made from wood that was, during more than seventy years, in use an an under-water bearing for one of the two turbines utilizing power to drive the old grist mill at the foot of Water street in the town of Oakland.

Information concerning the old mill has been provided by Dennis Rasche, of Oakland, member of the Historical Society and student of local history.

This mill was the last of a succession of three that had stood on the site in continuous operation since the earliest was build in 1824. It was dismantled and razed in 1953 by its last owner, Michael V. Kildow.

Earlier mills depended for power on the picturesque but cumbrous overshot water wheel. About 1880 the last of the three was equipped with the more reliable and efficient turbines, and in addition an auxiliary steam power plant was installed for use during times when the water was at loy stage.

Nearly the entire weight of the heavy iron paddle wheel of the turbine was carried by a bearing under the vertical axis, this bearing being continually submerged. Iron, susceptible to rust, was unsuited for this kind of service. Also abrasion caused by sand and grit in the fast flowing water would have necessitated frequent replacement involving much labor and considerable cost as well as delays in the mill operation. Other rust-resistant metals such as copper, bronze, or brass would have deteriorated from abrasion more rapidly than iron.

Happily for the miller a material was obtainable that was well suited to his need—the wood of the Lignum Vitae, a tree not native to the United States but plentiful in Cuba, Jamaica, and San Domingo. Under water the wood becomes slippery, hence needs no lubrication. Also it resisted the abrasive action of grit for a very long time, and seemed impervious to water nearly indefinitely if kept continually submerged.

In New England where an ancient mill was being dismantled, the under-water lignum vitae bearing was found to be still useable after a century of wear and tear.

Of this wood, which is very hard and heavier than water, Mr. Kimmell in his home-craft workshop turned out an urn-shaped ornamental piece, beautifully finished and polished, a rich dark brown in color. Mounted on a base of three native Garrett County woods, walnut, cherry, and red cedar, the whole stands about nine inches in height.

The ornament may be seen by visitors to the Historical Society room in the Ruth Enlow Memorial Library in Oakland.

The donor, Mr. Kimmel, besides being a keen student of Garrett County history, had more than a casual interest in the ancient grist mill inasmuch as his grandfather, Hector Sinclair, operated it for a number of years from 1831 onward.

Two Day Regatta Is Set For Aug. 11-12

The Deep Creek Yacht club's annual two-day regatta will be held Saturday and Sunday, August 11 and 12 in the Turkey Neck area of Deep Creek Lake with between 30 and 40 sailing sloops expected to take part.

Fred D. Steiding, Cumberland, racing committee chairman, said that the winners in last year's three classes would be back to defend their championships.

George S. Stovey Brown, of Baltimore, sailing out of the Deep Creek club, copped the Maryland snipe championship in 1955 with Peter Nickles, representing the Columbia Yacht club of Washington finishing first in the second division.

Dr. Charles S. Mahan, of Morgantown, at the helm of Queen Mary II, copped the Maryland rebel title and William Savage, of Pittsburgh, sailing The Gordon, won the Deep Creek thistle championship. Both Dr. Mahan and Savage represent the Deep Creek club.

A series of three races will make up the regatta program in each division, with individual first, second and third place trophies being awarded in each event which has five or more entries. The club boasting winner of the Maryland snipe championship will retain the regatta's perpetual trophy for a year. A first place trophy also goes to the winning wet-sailed snipe.

Steiding said rules of the National Association of Yachts Racing Universal will govern all races and points will be scored according to the Snipe Class International Racing Association system.

The two-day affair is scheduled to open at 11 a. m., August 11, with the first rebel race, followed by the first thistle race at noon. Snipe activity begins at 1 p. m., with the second rebel race at 2, the second thistle at 3 and the second snipe at 4.

Final races are scheduled for Sunday, the snipes setting sail at 10, the thistles one hour later and the rebels at noon.

Mt. Top Gunners Beat Fort Hill Team

Mountain Top gunners edged Fort Hill and LaVale upset Hercules in the Western Maryland League's 11th rifle match fired Sunday evening. Fog and shifting winds made accurate gunnery difficult as Mountain Top took Fort Hill 1596-123x to 1595-119x on the Garrett county range.

Bob Cain's 400-31x possible topped the winners' list while Frank Simpson scored a 400-37x possible to head the losers. Simpson's target contained a tally of 100-10x on the first bullseye of the 100 yard stage. Only a few 10x scores are obtained in a season of league shooting.

The final match in the telescopic sight Dewar course series will be held next Sunday afternoon at Oakland and Cumberland ranges.

Scores for Mountain Top for the 50-yard and 100-yard targets: R. L. Cain, 200-16x, 200-15x, total 400-31x; A. A. Harvey, Jr., 199-16x, 200-16x, 399-32x; D. E. Helbig, 200-15x, 199-13x, 399-28x; M. M. McClintock, 199-17x, 199-15x, 398-32x; team total, 1596-123x.

Also firing were C. Miller, R. Sims, George Porter, P. Wiles and C. Calhoun.

Closing Exercises

The Deer Park Bible school which has been in session for the past two weeks, will conclude with a special exercise on Sunday evening at 8 o'clock in the Deer Park Methodist church, it was announced by Mrs. George Comp, director. Approximately 70 children were enrolled.

Boy Gets Wish And Then Some

Twelve-year-old Danny Thompson, of Elkhart, Ind., who raced in the Soap Box derby there last Saturday, wrote his Navy musician brother recently that he'd like to have him on the sidelines cheering.

Seaman Ennis G. Thompson showed the letter to fellow musicians at the Naval School of Music in Washington and as a result 35 members of the 90-member school motored there in seven automobiles to play for the event, taking their own leave time. Among the members was Fred Stemple, of Oakland, son of Mr. and Mrs. Donald Stemple, a student at the music school.

Mr. and Mrs. Stemple received a telephone call from Fred late Sunday night after Fred had returned to Washington, and he couldn't say enough about the royal treatment the band received at Elkhart. They were given lodging, meals, and a police escort wherever they wished to go. They weren't allowed to pay for anything but were guests of the city at all events.

The trip was 640 miles one way. They left the School of Music on Thursday. They appeared on a television show and then led the derby parade Saturday morning. They were escorted through the factory of the C. G. Conn instrument company, and extended many other courtesies.

Danny Thompson, in whose honor the band played, however, didn't get to hear it. He's a deaf mute.

New Committeeman Named for F. H. A.

John C. Beachy, of Swanton, is the new member of the Farmers Home Administration Garrett County Committee, B. Beeson Snyder, County Supervisor, announced this week.

Mr. Beachy's appointment became effective July 1. The committee on which he will serve determines the eligibility of local farmers who apply for Farmers Home Administration loans.

The new committeeman operates a dairy farm near Swanton. Mr. Beachy succeeds Hubert Friend, whose term expired this year. The other two members are Paul W. Welch, Route 2, Oakland, and Guy S. Stanton, Grantsville.

Each member is named for a 3-years term and one appointment expires each year. A member completing his 3-year term cannot succeed himself. At least two of the members must be farmers.

The committee works with the county supervisor in connection with all types of loans. These include farm operating loans and loans to buy, improve, or enlarge efficient family-type farms in this area. They also include loans to farmers or their nonprofit associations to establish and carry on approved soil and water conservation practices including improving permanent pastures, terracing, soil erosion measures, farmstead water systems, irrigation, drainage, and many other conservation practices.

Most of the soil and water conservation loans and loans to buy or improve farms are made from funds advanced by private lenders and insured by the agency. Some of these loans, however, and all loans for operating farms, are from annually appropriated funds.

No loan of any type can be approved for an applicant whose credit needs can be handled adequately by other credit sources, Mr. Snyder said.

Senate confirmed Paul G. Hoffman 64 to 22 as U.N. delegate.

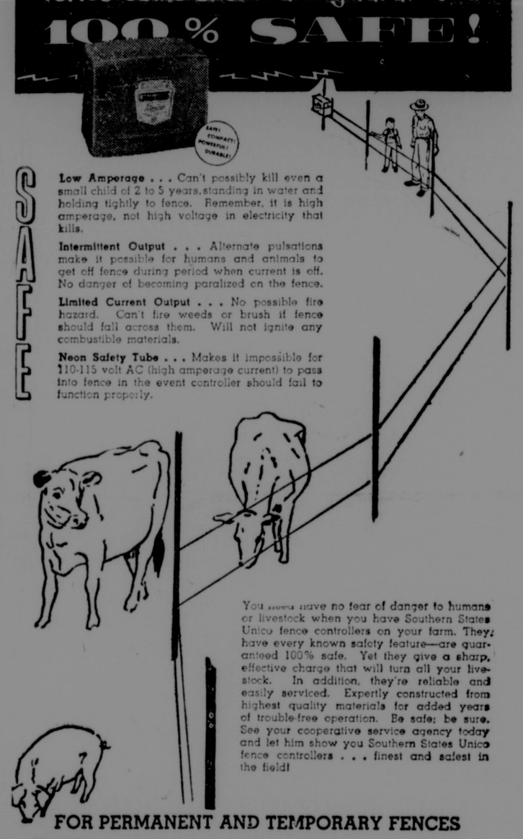
Here's why Southern States fence controllers are guaranteed 100% SAFE!


SAFE
Low Amperage . . . Can't possibly kill even a small child of 2 to 5 years, standing in water and holding tightly to fence. Remember, it is high amperage, not high voltage in electricity that kills.
Intermittent Output . . . Alternate pulsations make it possible for humans and animals to get off fence during period when current is off. No danger of becoming paralized on the fence.
Limited Current Output . . . No possible fire hazard. Can't fire weeds or brush if fence should fall across them. Will not ignite any combustible materials.
Neon Safety Tube . . . Makes it impossible for 110-115 volt AC (high amperage current) to pass into fence in the event controller should fail to function properly.
You need have no fear of danger to humans or livestock when you have Southern States Unico fence controllers on your farm. They have every known safety feature—are guaranteed 100% safe. Yet they give a sharp, effective charge that will turn all your livestock. In addition, they're reliable and easily serviced. Expertly constructed from highest quality materials for added years of trouble-free operation. Be safe; be sure. Rev. J. C. Skipper, *Pastor*

How different their transportation from ours! How different their clothing! And yet, their spirit, their motives, their purpose, their God were the same.

In a covered wagon on the open prairie, or in a modern car on a super deluxe highway, God is with his people, his unchanging love giving them strength.

His Church is unchanging too. For it taught the same truths, and proffered the same comforts to those pioneer men and women as it does today.

Yes, God is unchanging. The Church is unchanging. Only people, the hearts of people, are inconstant.

How about you? Don't you need a power and strength far greater than yourself? God is waiting, the Church is waiting, the people are waiting. Will you add your strength to theirs and help the Church meet the challenges of today?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Of Suffering

Lesson for July 29, 1956

WHAT they did in ancient times without the mimeograph machine it is hard to imagine. If a modern church executive said to his secretary, "Miss Jones, take a letter; get it out to all the Christians in Pontus, Galatia, Cappadocia, Asia and Bithynia," Miss Jones would hardly know what to do without a typewriter and carbon paper at the least. She might wonder, too, what Christians in places as out-of-the-way as Bithynia might have in common with Christians in Asia. However, when Simon Peter wrote his letter, he knew what all those Christians had in common. "Now for a little while (he meant, to the end of their lives) **you may have to suffer various trials . . .**" Trouble, trials, affliction, suffering—how many words there are for it, how many different kinds of it! St. Peter's letter, written so long ago in Greek, now in English has a fresh contemporary look about it. For trials and troubles are very ancient, but they are as new as the morning paper, they are as universal as the human race.

Dr. Foreman

Suffering and Prayer

Christians in particular are bothered, when they think about suffering—especially their own or that of other Christians—in two ways. What is the **use** of suffering? and, Why should **Christians** suffer? These are the problems which Peter rolls into one problem: What use is it to Christians, to suffer? He brushes off one kind of suffering—when one gets into trouble on account of one's own wrongdoing. That is no puzzle. The puzzle comes when the good man, the Christian suffers perhaps because he is a Christian and for no other reason. One use of suffering Peter remembered from his own experience. When he was in jail in Jerusalem, the church held a prayer-meeting for him. Somewhat to their astonishment, their prayer was answered. Can we suppose that Peter himself had not been praying? His trouble, in short, had brought both himself and his friends to their knees; it had made them acutely aware of their need of God, and God in turn had made them know his power. Some people make fun of "foxhole religion"; but isn't it better than none?

Genuine Faith

Faith that has never been tested can be real; but only God knows it. Faith tested by suffering, when it endures, demonstrates how real it is. A missionary in India was trying to talk to an Indian about Christ. The Indian, who had just lost a wife he deeply loved, cried, "You lead a happy life, everything comes your way. If you had to go through what I go through, you'd not talk about faith!" Within a few months the missionary too lost his wife by death. At the funeral he stood by the casket and said: "If the man is here who told me I had never been through what he went through, I want to talk with him after this. Now maybe he will believe me." To make the story short, the Indian did come to believe as a Christian.

Everybody Has a Heartache

Another use for suffering is that it can open the heart wide. It does not always do this. Suffering by itself has no magic. It is only when the sufferer reaches up in trust to God that anything like "magic" comes to pass. But when one who is afflicted trusts in God even then, he may not have his pain—physical, mental or spiritual, whatever it be—removed; but he will find that he has joined the great fraternity of pain. His heart, hitherto in-turned, now turns outward. He knows the password to every human heart. For every one has his own heartache, and those unacquainted with grief find no entrance. Your own heartache is the key to the hearts of all men everywhere. Suffering "as a Christian"; this above all, as Peter says, is a mark of brotherhood throughout the world. The minister in Mississippi who loses his pastorate because he says a word of sympathy for wronged Negroes; the Indian who is stoned from the village well because he has turned from Mohammed to Christ; the Spanish Christian who is not allowed to worship except in forms approved by the government; the Chinese Christian who is forced to march in a parade at the hour of church worship; do we not suffer with them? For they are our own.

The object of this suit is to procure the passage of a decree for the appointment of a receiver for the real estate in which Nathan Ernest Selby has an interest, situate in Election District No. 2, Garrett County, Maryland.

The bill states:

That Nathan Ernest Selby was formerly a resident of Election District No. 2, Garrett County, Maryland, and maintained a domicile therein; that the said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 117 acres, more or less, and being the same as conveyed by Nathan R. Selby et ux to said N. Ernest Selby by deed dated December 2nd, 1926, and recorded in Liber E. Z. T. No. 95, folio 110 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit A"; that said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 40 acres, more or less, and being the same as conveyed by James B. Frantz et ux, to said Ernest N. Selby and Lizzie M. Selby, his wife, by deed dated May 23, 1938, and recorded in Liber A. G. R. No. 117, filio 470 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit B"; that said Nathan Ernest Selby has disappeared and has been absent from his place of residence since on or about July 28, 1948; that although Elizabeth Marie Selby is married to Nathan Ernest Selby and has made diligent inquiry as to his whereabouts, she has not heard from the said defendant since the year 1950, when she received a card from the said defendant and cannot determine where he is residing or whether he is living or not; that in the event Nathan Ernest Selby is deceased, he would be survived by his wife, said Elizabeth Marie Selby, and the following children and heirs at law who would have an interest in the property described in paragraph two, viz: N. Ross Selby, a son, who intermarried with Pauline E. Selby; Lawrence E. Selby, a son, who intermarried with Esta Selby; Frederick Selby, a son, who intermarried with Betty Selby; Richard Selby, a son, who intermarried with Jean Rush Selby; Fern Selby Linninger, a daughter, who intermarried with James Linninger, all of whom reside in Garrett County, Maryland; Leona Selby Lefferts, a daughter, who intermarried with Carl Lefferts, who resides in Union County, New Jersey; Clyde Selby, a son, who intermarried with Jean Savage Selby, who resides in Baltimore City, Maryland; Glenn D. Selby, a son, who intermarried with Patricia Selby, who reside in Fairfax County, Virginia; Robert Selby, a son, who intermarried with Bessie Selby, who reside in Baltimore City, Maryland; Dorothy Selby Friend, a daughter, who intermarried with Walter Friend, who reside in Garrett County, Maryland, and all of whom are of full age; that should said Nathan Ernest Selby be deceased, the property described in paragraph three of Bill of Complaint would be vested completely in Elizabeth Marie Selby as the surviving tenant by the entirety; that Nathan Ernest Selby has not provided for the maintenance and support of Elizabeth Marie Selby since his disappearance on or about July 28th, 1948, and your oratrix is in need of medical attention and has no income or means of support other than her interest in the property and land described in Bill of Complaint; that State and County Taxes for years 1955 and 1956, on the described property are not paid and the oratrix does not have any means of paying the same.

The bill then prays for a finding of the disappearance and absence of the defendant, Nathan Ernest Selby; that a receiver be appointed to administer the said property as an equity receivership under the provisions of Section 300 (2) of Article 16 of the Annotated Code of Maryland (1951 Edition); that the children of the oratrix and Nathan Ernest Selby and their respective spouses be made parties to this suit; for such and further relief as her case may require, an order of publication against Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby.

The plaintiff then obtained an order on July 17, 1956, of the Circuit Court for Garrett County, Maryland, sitting in Equity, that the children of Elizabeth Marie Selby and Nathan Ernest Selby and their respective spouses be made parties of this cause of action unless cause to the contrary be shown on or before the 20th day of August 1956, provided a copy of Bill of Complaint be served upon them on or before the 1st day of August, 1956, or should any of them be non-residents of the State of Maryland, an Order of Publication be published in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 20th day of August, 1956.

It is thereupon this 17th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff, by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 17th day of August, 1956, give notice to the said absent defendants, Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby, warning them to be and appear in this Court in person or by solicitor, on or before the 1st day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

Happy to be Home, Couple Relates

Mr. and Mrs. H. M. Casteel, of Uniontown, Pa., have returned from a six weeks' vacation trip to England and the continent but admit they are "happy to be back home again."

Crossing the Atlantic on the Queen Mary the couple returned on the super G. Constellation.

The first four days were spent in London where Mr. Casteel was impressed with the friendliness of the people. The itinerary included Amsterdam, Brussels, Cologne, Frankfort, Heidelberg, Lucerne, the Swiss Alps, Berne, Florence, Milan, Venice, Rome, Genoa, Naples, the Isle of Capri, Pompeii, Salerno, Italian Riviera, French Riviera, Noca, Monaco, Versailles, and Paris.

Of all places visited Mr. Casteel said his favorites were Lucerne, the Swiss Alps and Rome. "As a business man I made a point of talking to businessmen in many of the cities. They generally agreed the economy of Europe is at a new high and never has been better. The countries are making a rapid recovery from the effects of the war thanks to the financial cooperation of the United States for which the people all express great gratitude," said Mr. Casteel, who is division manager of the Union Supply company in Uniontown. Mr. Casteel is a former Garrett countian, and a grandson of Mrs. T. W. Casteel, of Oakland.

Plan Special Event

Members of the Loyal Order of Moose No. 786, will meet at the Moose hall on Thursday evening, July 26, to make plans for a special event during the month of August. The meeting is set for 8 p. m., with the Women of the Moose organization also attending. Refreshments will be served.

West Germany gave approval to conscription law and announced it would resist any move to reduce Western troop strength.

WEDNESDAY, THE 1st DAY OF AUGUST, 1956

42—COWS AND HEIFERS—42

And young Bulls from top proven sires. Included in the lot are:

Sixteen Cows in heavy production now, due to freshen early winter;

Four Cows to freshen in August;

Five Cows to freshen in September;

Six Cows to freshen in October;

Four Cows to freshen in November;

Four Cows to freshen in December;

Four young Bulls, one of service age.

All heavy producers, good testers and young, none having had more than four calves, except two brood cows. Two 9 years old and milking in their prime. Papers available on all animals. T. B. and Bangs accredited. This entire herd has had a steady dairy milk check test of 3.8 percent to 4 percent.

THE HERD INCLUDES

- Four high producing daughters of Armac Sir George Chieftain Posch, a silver medal sire. One daughter was Grand Champion of the Somerset County Fair for two consecutive years.
- One 500 lb. daughter of Fairview Montvic Chieftain, who is a proven son of the great brood cow Montvic Rag Apple Colantha Abbekerk with a record of 1263 lbs. fat, 4.3 percent test.
- One daughter of Montvic Pathfinder Prizetaker, gold medal in the Round Oak herd at Purcellville, Va., whose dam had 780 lbs. fat, 4.1 percent test.
- Our latest herd sire, Round Oak Mont Marathon, was a double grandson of Montvic Pathfinder Prizetaker, gold medal, whose first 15 daughters averaged over 500 lbs. fat, 4 percent and over test, as first calf heifers.
- Thirteen daughters of top Western Pennsylvania A. B. C. bulls, all young and all good producers and testers.
- Four daughters of Segis Hartog Pilot, our former herd sire, whose sire is a proven grandson of Johanna Rag Apple Pabst. These cows all produced over 60 and up to 75 lbs. of milk with 4 percent and over in test.
- Eight first calf heifers of our recent herd sire, Round Oak Mont Marathorn. Some of these have produced over 50 lbs. of milk with tests running from 4 percent to 4.9 percent as first calf heifers.
- Three granddaughters of Montvic Pathfinder, on dam side from a son of Abegweit Milady, with a record of 1085 lbs. fat, 4.3 percent test.

Our herd is now bred to Hyatt Pure Admiral, a son of Lauxmont Admiral Lucifer, and a double grandson of Admiral Lauxmont, whose daughters hold national records. This bull has 80 A. B. C. daughters who are topping the eight top bulls in Western Pennsylvania A. B. C. for milk, with an average test of 3.7 percent and over.

Further information on each animal will be given on day of sale.

vs.
Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, 115 3rd. Street, Frederick, Maryland; James Taney and Carrie Taney, his wife, 212 High Street, Salem, Virginia; Frances H. James, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, 2109 Garrison Blvd., Baltimore, Maryland; James Hollifield, Address unknown.
No. 4651 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Wilson L. Camden, late of Garrett County, Maryland, deceased, situate in the Town of Mountain Lake Park, Election District No. 16, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Wilson L. Camden.

The bill states:

That the said Wilson L. Camden was, during his lifetime, seized and possessed of Lots Nos. 1301, 1305, 1307 and 1303 and also one triangular Lot on the West side of O Street, all in Mountain Lake Park, improved by a two-story frame dwelling, and being the same which was conveyed to Mary M. Camden, wife of Wilson L. Camden, by deed from DeWarren H. Reynolds and wife, dated June 28, 1912, recorded in Liber E. Z. T. No. 67, folio 127, the said Mary M. Camden having died intestate on November 23, 1941 and the said Wilson L. Camden having inherited a one-third interest in said land as surviving spouse, the remaining two-thirds interest the said Wilson L. Camden having acquired by deed from Paul Murkland et al., the remaining heirs of Mary M. Camden, dated September 7, 1950, and recorded in Liber R. L. D. 161, folio 556, all references being to the Land Records of Garrett County; certified copies of both deeds are filed with the Bill; that while so seized and possessed of said real estate, the said Wilson L. Camden died on April 24, 1955, intestate, leaving surviving him as his only next of kin and heirs-at-law, five first cousins once removed, they being Camden Ramsburg, Jr., of 115 3rd. Street, Frederick, Maryland, whose wife is Ingebord Ramsburg; James Taney of 212 High Street, Salem, Virginia, whose wife is Carrie Taney; Samuel F. Hollifield, who has since departed this life, leaving as his only heir-at-law, his daughter, Frances H. James, widow, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, widower, 2109 Garrison Blvd., Baltimore, Maryland, and James Hollifield, whose last known address is Baltimore, Maryland, and whose present whereabouts and marital status are unknown; that all of said defendants are of full age; that Wilson L. Camden left a personal estate in the amount of $749.42 which amount, after payment of expenses of administration and inheritance taxes was sufficient to pay the complainant only $261.22 out of the total amount of his claim for services, $690.10, and is likewise insufficient to pay the claims for past due real estate taxes, medical and nursing services rendered the decedent as well as other creditors; that a certified copy of the "First and Final Accounting" and a copy of the "Passed Claims Docket" in the Estate of Wilson L. Camden, Orphans' Court for Garrett County, Estate No. 3073, is filed with said Bill.

The Bill then prays for a decree for the sale of said real estate for the payment of the claim of the complainant and the other unsatisfied creditors of Wilson L. Camden and for general relief.

It is thereupon this 3rd day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 3rd day of August, 1956, give notice to the said absent defendants, Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, James Taney and Carrie Taney, his wife, Frances H. James, William J. Hollifield, James Hollifield and the heirs of Wilson L. Camden, warning them to be and appear in this Court in person or by solicitor, on or before the 18th day of August, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

TRUSTEES' SALE —OF— VALUABLE REAL ESTATE

Situate in the Town of Kitzmiller, in Garrett County, Maryland

As Trustees and Attorneys for the heirs of Lewis C. Bray, and devisees under the last will and testament of Richard B. Bray, both late of Garrett County, Maryland, and by virtue of the power vested in us by deed from Viola M. Bray, et al, heirs and devisees as aforesaid, dated January 7, 1953, and recorded in Liber R.L.D. No. 176, folio 407, one of the Land Records of Garrett County, Maryland, we hereby give notice that on

SATURDAY, JULY 28, 1956

At the Hour of 2:00 o'Clock P. M., in front of the Post Office in the said town of Kitzmiller, we will offer for sale, at public auction, the following parcels of land, situate in said Town, to-wit:

1. Lot No. 33 as shown on the plat of the Town of Kitzmillersville, Maryland, recorded in Liber E.Z.T. No. 1, folio 53, one of the Plat Records of Garrett County, Maryland, said lot having a frontage on Main Street of 33 feet and on Union Street of 28 feet, and being the residue of the lot which was conveyed to The First National Bank of Kitzmillersville by deed from William H. Poole, et al, dated November 18, 1908, and recorded in Liber E.Z.T. No. 58, folio 253, one of the Land Records of Garrett County, Maryland, and being also one of the lots which were conveyed to these Trustees in the fourth item of the aforesaid deed from Viola M. Bray, et al.

2. Lot No. 32 as shown on said Plat of the Town of Kitzmillersville, having a frontage on Main Street of 47 feet and a depth of 132 feet, and being the same which was conveyed to said The First National Bank of Kitzmillersville by deed from Evaline F. Poole, dated July 29, 1927, and recorded in Liber E.Z.T. No. 95, folio 430, one of said Land Records of Garrett County, Maryland, and also conveyed unto these Trustees in said fourth item of the deed from Viola M. Bray, et al.

Lot No. 33 is improved by a two-story brick building, the first floor of which was formerly used and occupied as banking quarters by said The First National Bank of Kitzmillersville, and is now occupied as Post Office. There is an apartment of three rooms and bath on the second floor. Lot No. 32 is unimproved.

Said parcels of land will first be offered separately and the high bids upon the same will be held. They will then be combined and offered together, after which said properties will be sold either separately or together, dependent upon the manner in which the best price can be obtained and sale made. The Trustees reserve the right to reject any and all bids.

TERMS OF SALE: One-third cash on day of sale and balance within thirty days thereafter. Deeds will be executed and delivered immediately upon payment of the full purchase price.

Interested parties may obtain further information about these properties by applying to the Trustees at their respective offices in The First National Bank Building, Oakland, Maryland.

IN MEMORIAM

In memory of our father, Henry D. Strawser, who passed away six years ago, July 12.

Six long years Dad since you left us
For that beautiful home above,
There to be with Jesus
Where all is peace and love.
As time goes on we miss you so,
Your happy songs, your helpful ways.
These are memories that will last;
We can't forget those happy days.
In our hearts these memories linger
Sweetly tender, fond and true.
There is not a day, dear father,
That we do not think of you.

THE REPUBLICAN

VOLUME 80. OAKLAND, GARRETT COUNTY, MD., AUGUST 2, 1956. PER COPY, 8c. NUMBER 23.

No Compromise . . . .

Dr. George S. Benson, director of the National Education program, is always a good person to fall back on for editorial opinion when nothing seems to be popping in Garrett county. We quote him this week.

"The miserable life being enforced upon the people behind the Iron Curtain by the present Communist leaders, and the true nature of those leaders, are clearly spotlighted by three events of the past few weeks: (1) The workers' revolt in Poland against unbearable circumstances; (2) The dramatic airliner escape to Western Germany of seven Hungarian citizens; and (3) The escape of Ion Opris, Romanian Olympic track star, while participating in a track meet in London.

"Dramatic escapes from behind the Iron Curtain have been constantly occurring and there have been untold instances of spontaneous revolts, but these recent events are significant because they come at a time when Khrushchev, Bulganin and their cohorts are trying to convince the world that they are clean-cut, decent, peace-loving, humanitarian political office-holders spreading freedom, good cheer and plenty throughout the Communist empire.

"Even more significant is the fact that these incidents of terror under brutal dictatorship have occurred while the

Jury Finds Cole Took Own Life

Officers Thought They Had Killed Suspect In Gun Battle Thursday

A coroner's jury last Friday issued a verdict of suicide in the death of Wilson Cole, 44, who had been hunted for three days following the murder of Mrs. Lena Lewis, 41, of Deep Creek.

It had at first been surmised that Cole was shot to death by a law enforcement officer after he was trapped and opened fire on members of a searching party last Thursday night in the B. and O. Railroad yards in Tunnelton, W. Va.

An autopsy was performed on Cole last Friday afternoon at Tunnelton by Dr. M. L. Hobbs, pathologist at West Virginia university.

Later, at the coroner's inquest at the city hall in Tunnelton, Dr. Hobbs testified that he found considerable searing around the entrance to the wound in Cole's head. He said it had been caused by a self-inflicted shot and not by the officer who was some distance from Cole.

Preston County Prosecutor James T. Dailey said one round had been fired from the .32 calibre pistol found on Cole by Trooper W. C. Sparks, of Kingwood, and Wayne Stalnaker, conservation officer, members of the searching party.

Some 20 rounds of live ammunition, including five rounds remaining in the pistol, also were found on Cole.

F. W. Pritt, coroner at Kingwood, and citizens of Tunnelton who were summoned to the scene short-

Congressman Hyde Maps Campaign Plan

Congressman DeWitt S. Hyde outlined his plans for his coming campaign for re-election at a meeting of several of the Republican leaders of the county Monday night at the William-James hotel.

Congressman Hyde is planning to be in the county from Wednesday, September 5 through Monday, September 10, to make a thorough tour of the area to meet as many voters as he can and to discuss issues of the campaign.

He also planned to attend a meeting of the Deep Creek Lake Property Owners August 25 and 26 at the Lake.

After a week spent in each of the five counties of his election district, Congressman Hyde also will spend additional time in the county prior to the general election in November.

The Republican State Central committee members Monday night said that the Republican women of the county were making plans for a dinner and rally, similar to the one held four years ago. The date has not been decided but it probably will be held at Northern High School.

Mr. Hyde left for Cumberland after Monday night's session and planned to meet with the State Central committee of Allegany county to lay plans for his activities in that county.

Welfare Officials To Visit Camp Sites

Five state welfare officials are in Western Maryland today to inspect the state's first rehabilitation camp for delinquent boys at Green Ridge State forest in Allegany county and to examine two sites for prospective camps in this county.

Thomas J. S. Waxter, director of the State Department of Public Welfare, said the General Assembly had appropriated $100,000 for the organization of two more rehabilitation camps.

The Welfare Department is interested in inspecting prospective camp sites throughout the state before making a decision on the definite locations. Waxter said before any decision on location of camps in this county is made, the department would first confer with the County Commissioners.

Both Garrett county sites were former CCC camps during depression days. One is located west of Lonaconing and the other is in the Savage River State forest and not far from New Germany.

Members of the State Board of Public Welfare who will make the visit are W. Thomas Kemp, Baltimore; Dr. Kenneth Jones, Cambridge; Dr. Sanford V. Larkey, Johns Hopkins hospital, Baltimore; and Joseph Meyerhoff, Baltimore builder. State Forester H. C. Buckingham and District Forester William H. Johnson will meet with the state welfare officials.

Local 4-H'ers To Attend Maryland Club Week

Maryland 4-H Club Week will be held at the University of Maryland, College Park, next week, August 6 to 11. The program is built on the theme, "Live Today and Build for Tomorrow," and includes assembly programs, how to do it demonstrations in homemaking and agriculture, discussion groups and evening recreation periods.

Registered to attend from here are Marie Bowman, Susan Bowman, Charles Wilt, Jr., all of Accident; Judy Buckel, Ralph Buckel, Jr., Kathy Yaste, Florence Emory, of Bittinger. Also attending will be Mrs. Curtis V. DeVelbiss, local leader, Miss Johanna Magaha, assistant home demonstration agent, and James A. McHenry, assistant county agent.

Around 1200 boys and girls from over the state are expected.

Loch Lynn Girl Wins Farm Queen Title Saturday

Winners Of Other Events At Annual Farm Picnic Are Listed

Miss Betty Bittinger, 17, daughter of Mr. and Mrs. Lenwood Bittinger, of Loch Lynn Heights, was crowned 1956 Farm Queen of Garrett County at the annual farm picnic and 4-H rally day at the Western Maryland 4-H center near Bittinger last Saturday. She was crowned by Miss Thelma Hanlin, of Accident, last year's queen.

Miss Bittinger was graduated from Southern High school, Oakland, and is a secretary in the Extension office in Oakland. She will compete in the state contest at the Timonium State Fair on August 29 against representatives from the other twenty-two counties. She also will attend the Cumberland fair and meet with the Associated Women in the fall.

Other contestants were Miss Marie Bowman, who received second place; Miss Juanita Buckel, Miss Mary Ellen Speicher, Miss Dorothy Glotfelty.

The contest was sponsored by the Associated Women of the Farm Bureau which is headed by Mrs. O. C. Glotfelty.

Calf Show Winners

Jane Riley, of Gortner, John Harvey, of White Church and John Wildesen, Ryan's Glade, showed the champion Holstein, Guernsey and Jersey calves at the annual rally day at the Western Maryland 4-H center last Saturday.

Miss Riley, daughter of Mr. and Mrs. Elwood Riley, showed a junior yearling Holstein. Harvey, son of Mr. and Mrs. Grant Harvey, showed a senior yearling Guernsey. The champion Jersey was shown by John Wildesen, Ryan's Glade section, son of Mr. and Mrs. William Wildesen. John showed a senior heifer calf.

Sheep Exhibited

Thirty head of sheep were exhibited by Thomas and Stewart Stanton, of Grantsville; Arthur Fitzwater, Jr., North Glade; and John Wildesen, Ryan's Glade. The top Suffolk Ewe and Ram went to Wildesen. The champion Hampshire Ewe and Ram went to Thomas and Stewart Stanton, jointly.

Top Tractor Operator

Kenneth Green, son of Mr. and Mrs. Lester Green, of the North Glade section, won the tractor operator contest conducted last Saturday. Kenneth is 18 years old and drove a Farmall 300.

The contest was scored on a points-off basis and Kenneth had the lowest score of 351 points.

He will represent the county at the 4-H Tractor Operators' contest at the Maryland state fair at Timonium on Saturday, September 1.

Second place in Saturday's contest went to David Otto and third place went to Ray Beitzel.

Complete Plans For Marketing Program

Final plans for the booths and market for the Rural Women's Market which will open Saturday, August 4, at 9 o'clock, will be completed at a meeting of the Rural Women's Market committee this evening at the market building at McHenry. The time is 7:30.

The market will be operated as a super market with a cashier, with each seller giving the patron a slip with the purchases and the prices. Sellers are expected to arrive an hour ahead of opening time in order to get their booths ready.

A group of women met this week and painted white the part of the Bowman's Boat barn which is to be used for the next five Saturdays.

The market is an outgrowth of one committee of the Rural Development program for the county. The program is being set up to assist people to increase their income by studying and planning methods to use what is available. The committee has asked interested persons to sell produce grown or made in the county. They are to contact committee members when they desire a booth. They are to name the products they plan to sell by Tuesday of each sale week. Produce will be packaged with variety name and texture. Committee members were named last week.

Women will have an opportunity to sell their specialties in food, crafts, and produce from their gardens.

A QUEEN IS CROWNED—Last year's Garrett County Farm Queen, Miss Thelma Hanlin, of Accident, places the crown on this year's winner, Miss Betty Bittinger, 17, of Loch Lynn Heights. The crowning took place at the Farmers' Picnic last Saturday.

Rally Day Blue Ribbon Winners Are Announced

Blue ribbon winners at the annual 4-H club rally day last Saturday were announced by Miss Johana Magaha, assistant home demonstration agent.

Style Winner

Susan Bowman, Accident 4-H club, was judged grand champion in the style revue. She modeled a baby blue all wool suit, featuring an easy fitting jacket and a slim skirt. Miss Magaha declared this outfit could well merit the pages of Vogue magazine, it was so professional looking.

Judy Buckel, Bittinger, and Marie Bowman, Accident, were runners-up. Miss Buckel showed a dress ensemble made of a light pink cotton print accented by a waist length jacket of deep pink. Miss Bowman appeared in an Oriental sheath dress of pink print rayon cotton pongee which may be worn with or without a reversible matching stole.

The three girls will represent Garrett county in the state style revue to be held during 4-H club week.

"The Tender Trap" Will Be Next Play

"The Tender Trap," by Max Shuman and Robert Paul Smith, listed as a hilarious Aladdin's dream of a bachelor's life in a big city, will be the sixth play to be offered by the summer theatre players at the Garrett County Playhouse at the former Arden Boat club at McHenry. This will be presented next Tuesday through Saturday, August 7 to August 11.

Taking the major female role will be Bonnie Barton, who has taken part in every play thus far this summer. Leading male roles will be filled by Bob Morris and D. G. Buckles. Also participating in the supporting cast will be Donnie Welch, Suzanne Oglesby and Leonard Drum.

The play, "Peg O' My Heart," will be repeated tonight, tomorrow night and Saturday night. It is a romantic comedy which has enjoyed one of the most spectacular successes in the annals of the American stage. Starring the late Laurette Taylor in its original production it was performed in the United States and England 1,099 times. Since then it has been produced in nearly every country in the world.

Attendance last week topped the seven hundred mark and indications were that the total this week would surpass this figure.

Boat Is Stolen

Carlton Squires, of Bentleyville, Pa., who has property on Deep Creek Lake, reported his boat stolen either Friday night, July 20, or early on the morning of July 21.

Corporal Sam Conrad, of the State Police, said the boat was a 19-foot Chris-Craft, with an inboard motor, a white hull, trimmed in red.

The boat was anchored close to the Deep Creek bridge.

Conrad said there was a brisk storm early Saturday morning with high waves and that it was possible that the boat had broken loose from its moorings and had been sunk. No trace of the boat has been found.

Gas Production Drops Slightly

County Commissioners Get Check For $15,108.70 As Share Of Receipts

Natural gas production in the Mt. Lake Park, Gortner, Red House and Accident areas over the past three months ending June 30, has shown a slight decrease but the total amount continued to remain far above some of the reports of the past three or four years. The report was received this week by the County Commissioners' office.

The number of cubic feet produced in the 90-day period totaled 885,467,000 with the marketable gas valued at $215,838.57.

The Cumberland and Allegheny Gas company sent a check for $15,018.70 as the county's total from the seven percent tax on the marketable gas. This was $2,647.40 less than for the previous period, but almost a thousand dollars higher than the one received six months ago and is still one of the high ones of the entire period.

The breakdown of this latest tax showed $6,043.48 as the purchaser's proportion (2.8 percent) and $9,065.22 as the producer's proportion (4.2) percent.

Production from the thirty producing wells during the months of April, May and June totaled almost ten million cubic feet per day with the B. Miller well being responsible for more than four and one-half million cubic feet per day. Another Miller well, located in the Red House area showed production of more than 100 million while the Collier well showed 130 million, the Arnold well at Red House, over 84 million, the N. K. Welch well over 26 million, Hamilton well over 33 million, the Swartzentruber well over 23 million and the McCullough well over 14 million.

The market value of $215,838.57, although less than for the preceding three months period, compared with the preceding quarter of $204,349.02.

Mt. Lake Park will receive a portion of the tax through the County Commissioners from gas produced within the corporate limits of the town.

Since the first check for the tax on the marketable gas was received by the commissioners in July of 1951, the county's governing body has received $201,879.35 which has been used to help pay off the school bond indebtedness. Any amount in excess of $50,000 for the year will go toward the expenses of the Garrett County Memorial hospital, and H. D. Swartzentruber, president of the County Commissioners, was confident that this year's total for the four quarters would exceed $50,000.

The complete report of the production for the ninety-day period is shown in tabular form in today's issue.

Sure Was Wet!

Sure was wet during the past four months' period, from April 1 to July 31. But no record was set, according to records from Ralph E. Weber, veteran weather man, south of town.

Mr. Weber took as his guidepost the records of 1948 which was the wettest year on record. From April to July, inclusive, that year there were sixty-five days of rainfall with the total amount being 26.68 inches. This year during the same period there were more days of rain, 69 days in fact, but the total amount was just 23.61 inches, four inches less than in 1948.

That the rainfall has been quite plentiful can be proved by the high level of the lake, even though the Pennsylvania Electric company has been using the water seven hours a day, every day except Saturday and Sunday. The lake has dropped about two feet this week.

One cool period has been recorded during the past week when the temperature in the early morning dropped to 45 and 46 degrees. These two readings were recorded on July 21 and July 30.

A resume of the week's weather showed the following, a sharp thunder storm early Friday morning, then clearing later; rain Saturday morning, then clearing; Sunday some rain but clearing later and cold Sunday night; Monday clear and warmer. Tuesday was cloudy, but clearing later. Wednesday was overcast with slight rain coming in the evening. Thursday morning was hazy with a sprinkle of rain in the air.

Portrait of County Agent Presented To W. Md. 4-H Center

John H. Carter, county agricultural agent, had the unusual privilege of receiving a portrait of himself at a special ceremony at the annual Farm picnic and 4-H rally day last Saturday at the Western Maryland 4-H center. The portrait was not for him, however, but is to be placed in the lodge hall of the 4-H center.

The portrait is 12 by 18 inches in size and was prepared by the publicity department of the University of Maryland. The presentation was made by a committee headed by H. Robert DeWitt, and including Merle Garletts, local leader of the Asher Glade 4-H club; Mrs. Lester Smith, local leader of the Bittinger Girls' 4-H club; Marie Bowman, junior leader of the Accident club; and John Wildesen, a member of the Ryan's Glade 4-H club.

The picture was presented in recognition of Mr. Carter's efforts in obtaining the area for 4-H club work and for his administration of the area over the years. On back of the portrait are the words, "for Vision and Diligence."

Mr. Carter began work as a county agent here in 1929 and has been active since that time in county agent and 4-H club work.

Bargain Jamboree Is Set for Week-end

Many merchants of Oakland have joined efforts for a bargain jamboree, which will be conducted this week-end, Thursday, Friday and Saturday, August 2, 3 and 4.

Participating stores include Youthland, Brownings, Inc., Oakland Hardware and Furniture Company, Ray Teets garage, Treacy's, Wakely's Hardware, Smouse's, Oakland Pharmacy, Rudy's, J. W. Jackson company, Oakland Bargain Center, Ralph Pritts garage, Englander Pharmacy, The Fair and the H-P Stores.

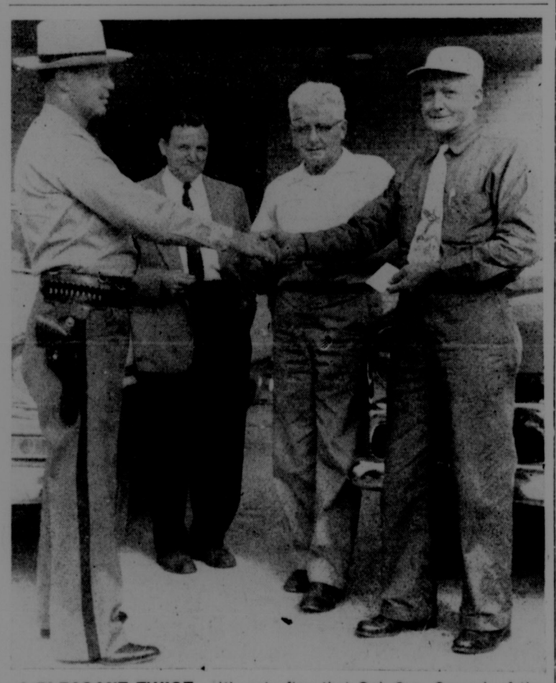
Over six thousand circulars have been printed and distributed listing the various bargains offered by the participating stores.

The stores are featuring extra coupon bargains.

Races To Continue

Stock car races at the Deep Creek Speedway at McHenry will continue this Sunday with the promise of 25 cars in competition. Races begin at 2 o'clock.

Feature of the program this Sunday will be the return of the midget car races, operated by drivers from seven to ten years of age. The program will include six races plus the midget races.



A PLEASANT TWIST—It's not often that Cpl. Sam Conrad, of the Maryland State Police, hands a "ticket" to a "safe" driver, but here he is on Tuesday morning presenting Wade Mason with reccgnition for 25 years of accident-free driving. Mason, a rural mail carrier working out of the Oakland postoffice, shared honors with another carrier, William Eggers, to his left, who received an eight-year award. Postmaster Donald Browning views the scene from the background.

Rural Mail Carriers Make Remarkable Safety Record

A remarkable safety record piled up by two rural mail carriers was officially recognized Tuesday morning of this week. Wade H. Mason and William E. Eggers, of the Oakland postoffice, were presented long-time safety awards on behalf of the National Safety Council.

The presentation was made by Cpl. Sam Conrad, of the Maryland State Police, just before the two began their regular rounds on Routes 1 and 2.

Mason's record is 25 years of accident-free driving. Actually, he has been serving rural mail patrons from the local office since 1913, and during that time has amassed more than 700,000 miles of official travel.

Eggers joined the postoffice staff in 1924 and has probably driven more than half a million miles in the performance of his duty. His card recognized eight years free from accidents.

The award would have been for a longer period except for one minor mishap a number of years ago. According to Eggers, it occurred during a slippery, winter day on one of the back roads he travels. "The road was pretty well rutted and slick," he said, "and it couldn't be helped. It so happened the fellow approaching me was in the same rut, and I couldn't stop and he couldn't get out of the rut. Could've happened to anybody."

Donald M. Browning, postmaster, said the requirements for receiving National Safety Council awards

Buick CENTURY
6-Passenger 4-Door Riviera

You can be years ahead right now!

(It's a great time to buy a Buick!)

WANT TO KNOW how to beat the calendar?

Then come drive a 1956 Buick—*and get something you'll get nowhere else.*

It's a new kind of blazing performance that breaks with the past and brings you *today* what other cars may offer in the future.

Only Buick, of all the world's automobiles, has Variable Pitch Dynaflow*—the one transmission which takes its cue from the variable pitch propellers of modern aircraft.

Only here can you switch the pitch by flooring the pedal for a soaring burst of full power when safety demands it.

And only here can you have such years-ahead performance with the smart new beauty of Buick's sweep-ahead styling—with the new sweetness of Buick's great new ride—with the superb new surety of Buick's precise new handling.

What does this add up to for *you*? Just this:

You couldn't pick a better time than *right now* to make a great buy on this great Buick. Your car is at its peak. And our prices are sweet enough to help keep Buick outselling all other cars in America except two.

So drop in on us soon—and we'll start things rolling for you in a big way.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

New Water Heating Rate Offered by Power Company

Residential customers of the West Maryland Power company in the Oakland area will be offered a new low water-heating rate under a revised schedule filed last week with the Maryland Public Service Commission.

Don B. Potter, president of the local utility company and its "parent" organization, Monongahela Power Company, said that the new rate, which provides 300 kilowatt hours of electricity for water-heating purposes at a new low rate of one cent per kilowatt hour, represents definite benefits to those customers who wish to take advantage of it.

For those now using electric water heaters, it will mean a reduction in bi-monthly electric bills. For those who install electric water heaters, it will mean that the heater can be operated for slightly more than half what it now costs.

Potter points out that the new rate block would be a "floating block," applying after 200 kilowatt hours have been used at standard rates. The new rate compares with the standard bottom block of 1¾ cents and represents a savings of $2.25 for the water heater using an average of 300 kilowatt hours per month.

The new rate, which cannot become effective until 30 days after filing with the commission, will be optional with the customer who, to qualify, must use an electric water heater that meets certain requirements. It must supply all of the hot water of the residence. Once it is in effect, customers will be notified and given opportunity to apply for it.

A similar revision for customers in the Kitzmiller area, on the east side of Backbone mountain, also has been filed. For those customers whose rate schedule now carries a bottom block of two cents, the new water-heating rate will be 1¾ cents.

Two Meetings Set For Discussion of Farm Water Problem

Farm water problems and questions on the Farming for Better Living program in the county will be discussed at two meetings arranged by the Farming for Better Living council, W. Dwight Stover, chairman, announced.

The seventy-five farm families enrolled in the program are invited to attend and bring interested neighbors.

The meeting for the southern part of the county will be held August 14, while the one for the Northern part of the county will be held on August 15. Meeting places will be announced.

Edward Shroyer, chemist for the water department at Fairmont, W. Va., for 20 years, will discuss water treatment problems on farms. Minerals, flavors and odors in water can often be removed and Mr. Shroyer will explain how it can be done, Stover said.

John H. Carter, county agent, Miss Ethel Grove, home demonstration agent; James L. Copeman, agricultural counsellor, Monongahela Power company; and L. Bush Swisher, area FFBL council director, will assist with the program.

A demonstration of a modern farm water system will be given by Mr. Copeman who will lead a discussion of the uses of water and the problems of distributing it on the farm.

An explanation of the FFBL project booklet will be given. Farm families are being urged to bring their FFBL booklets to the meeting.

Named Outstanding Service Man In South Carolina

John J. Hayhurst was named outstanding member of the third platoon of his training regiment at Fort Jackson, S. C., at recent ceremonies, his parents, at Table Rock, have been informed.

Hayhurst enlisted in the six months' active reserve and was discharged August 1 from Fort Jackson, S. C., where he was stationed for the full six months.

His letter of commendation contained the following: "I would like to cite you as the outstanding member of the third platoon, Co. D, 12th battalion, 3rd training regiment and commend you for superior performance of duty. You have indeed been most active and have shown fine attributes during your training period. I would like to make note of your high sense of loyalty and desire to accomplish only the best. Among the members of your platoon you have been singled out as an individual with much initiative, alertness and leadership qualities. These and other qualities have accounted for your fine performance of duty."

The commendation was signed by the commanding officer of the unit.

Information Concerning "E" Bonds Publicized

Information concerning series E and series H U.S. Savings bonds is being published in this week's issue.

The notice about series E bonds stresses that matured bonds may be at the option of the owner, up to 10 years beyond maturity with 3 percent interest compounded semi-annually.

Thomas S. Winder, area manager, who was in Oakland recently, stated there were still a number of people who were unaware of the fact that Series E bonds continue to bear interest for an additional ten years after original maturity, and that if the people who own matured bonds are not in need of funds, that it would be unwise for them to redeem them at the time of the maturity period.

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Copyright by The Baltimore Sun and reprinted in The Republican by permission

Adlai Will Find A Way

Not since his primary victories in Florida and California has there been much real doubt of Mr. Adlai Stevenson's renomination for President by the Democratic convention in Chicago, which will meet in a couple of weeks. Possibly the nomination may come on the first ballot; almost certainly on the second. Considering this it is interesting to note the absence of any particular increase of enthusiasm for him among the voters as a whole compared to 1952.

There are a number of reasons for this. He will, of course, have the support of his chief nomination rivals, to wit, Governor Harriman, Senator Kefauver and Senator Symington. Also, ex-President Truman will be more or less hotly behind him. They will advocate his election, as they would that of any Democrat nominated and not because of any individual personal or political devotion to him. They are for him because it is essential for them to maintain their party regularity and not because they either want him to or believe he is going to win. On the contrary, most of the leading Democratic politicians (excepting always the egg-headed group of journalists, labor bosses and far left New and Fair Dealers who so vociferously boosted him in 1952) feel that Mr. Stevenson has not added an ounce to his weight as a candidate in the last four years.

Of course, he needs a good deal more than that and, with luck, he might get it. Alert and plausible, he may be able to solve some of the more difficult problems of his party in the framing of the so-called "civil rights" plank in the party platform. On this issue which, emotionally and politically, is by far the most vital with which the convention will have to deal, the party danger is obvious. For sixteen years, the Democratic management cynically and successfully, has played both ends against the middle. By the exercise of an extraordinary degree of hypocrisy and deceit it has managed to gain the vote of the Negroes in some ten or twelve North and border states and at the same time hold the support of the white Democrats of the South.

Without wholehearted support of these two great voting groups no Democrat would stand a chance of winning the presidency this time. It is not denied that the Democrats lost votes among both of these groups in 1950 and 1952. This accounts for the strenuous efforts now being made by Democratic leaders to hold them intact. Last week a meeting of some 60-odd "Democratic Negro leaders" was held in Chicago at which President Eisenhower was denounced for "lack of leadership" in enforcing the Supreme Court's anti-segregation decision in the public schools. They also announced six or seven steps which they insisted the Federal Government must take—or must pledge itself to take. While this pronouncement was aimed against Mr. Eisenhower, it really appalled the Democrats and is particularly annoying to the close friends of Mr. Stevenson who thought the way out for him would be a simple approval and adoption of the civil-rights plank of the last convention.

But that idea clearly is not going to work. The demands of the "Negro Democrats" in Chicago go way beyond both the 1952 convention plank and anything Mr. Stevenson has said on the subject. His "moderation" on this issue is no more pleasing to them than that of Mr. Eisenhower. It is generally regarded as sidestepping and evasive. Notwithstanding the wishful thinking of Chairman Butler and others of being able to "four-flush" once more on this extremely vital question there is bound to be a party split when the time comes to adopt the platform. Oily and acrobatic as the good Adlai is, there seems no way in which he can handle this problem without offending one side or the other.

Just rewriting the 1952 plank will certainly not do. That perhaps was all right at the time but it does not take account of the situation created by the court decision. In brief, something much less equivocal is needed. It is, say Mr. Stevenson's admirers, a pretty tough spot to be in but "Adlai will find a way out." They particularly wish they did not have to act first. Early in the week the Democratic strategists were greatly encouraged by the attack on Vice President Nixon by the politically impotent and frustrated Mr. Harold Stassen. This undoubtedly was helpful to the opponents of Mr. Eisenhower, who regard Mr. Nixon as an asset to their cause. It seemed to be a break for their side. But within 24 hours the Stassen suggestion was blown to pieces by the declaration of Governor Herter of his intention to put Mr. Nixon in nomination at the convention, and by the generally unfavorable reaction among the Republican leaders, and in the independent press as a whole—that it was a mischievous and unimportant maneuver which would not materially change the situation. Of course, every effort will be made by the Democratic publicity agencies to capitalize on it.

Listen Americans!

BY GEORGE S. BENSON
President of Harding College

The citizens of this nation perhaps could better afford to be lethargic and apathetic concerning the safeguarding of our governmental and economic system were it not for the fact that a world-wide menace has now grown to such proportions that it threatens our very existence. This evil force is world Communism. An apathetic attitude toward it could bring about the utter destruction of all that Christian civilizations holds to be worthwhile and decent.

The world-wide Communist conspiracy is aiming at world domination. The threat is so great that our government—itself slow to recognize the true nature of Communism—now is spending about $35 billion a year on a defense establishment geared to resist Communist military aggression when (and if) it comes. There are other measurements of the Communist threat.

In 1945 the Communists controlled over 10 per cent of the world's population. Today they control more than 40 percent. During the past 12 years the Communist International conspiracy has been taking over the territory of the world at the rate of 1,000 square miles a day—and the free world has yet to take back a single square mile of conquered territory. They may well control 60 per cent of the population of the world within three to five years.

When you study a map of the world, and are acquainted with the facts of Communist infiltration and Communist power in the various nations outside the Iron Curtain, you can readily see that the chances for still greater expansion of the Red empire are bright indeed—for the Kremlin Red bosses in Moscow. At least a dozen nations are in extreme jeopardy of falling into the full grip of the Communist masters.

Their timetable calls for the conquest of Asia first, then Africa, then Europe, and then the American hemisphere. They are just as confident that they're going to succeed in taking it all over as they are that the sun will keep rising in the East. The present peace front is just a part of the Red's global strategy.

It is so very important for every American to have a clear understanding of the nature of Communism. You can get a brief but sound education on the conspiracy by asking your Congressman to send you "The Communist Party of the United States of America—What it is, How it Works," a 100 page pamphlet compiled by the Senate Internal Security Sub-Committee. You may also obtain a free copy by writing The American Wage Earners Foundation, 30 North LaSalle Street, Chicago, Illinois.

No Compromise . . .

(Continued From Page One)

press of the world was filled with pictures of American Air Force General Nathan Twining drinking toasts and smiling comradely with the Red leaders at parties in Moscow.

"Hanson W. Baldwin, military journalist of the New York Times, was in Moscow to cover the Twining-Communist visit, Baldwin cabled to his paper: 'The voice of the United States Air Force Chief of Staff, recorded on tape, has been broadcast repeatedly over the Moscow radio and it is evident that this Communist capital of the world is doing all it can to foster the impression of a "tete-a-tete" between United States and Soviet leaders.'

"If we are to believe our eyes, Khrushchev, Bulganin and their Communist apparatus are operating a police state, with police terror as their club over enslaved millions. Ion Opris, the Romanian hurdler, is real. He took his life in his hands and escaped in London from his police state "chaperones.' The seven Hungarians who overpowered the Communist crew of a Budapest airliner and flew it into West Germany and freedom on July 13 are real people. The police state enslavement from which they fled is real. They gambled their lives to escape from the men with whom U. S. leaders are being photographed, beaming and drinking vodka.

"Two years ago I was in Washington when President Eisenhower made a great speech, thrilling to the whole world (except the Communist Party membership.) In effect, he said the U. S. A. was a friend and ally of all freedom-loving people on earth, and that she would never compromise with evil. Every American citizen should insist that this great pronouncement be re-established, undergirding our national morality and giving inspiration to the millions of miserable people under the yoke of Red tyranny."

Senate Cloakroom

By J. GLENN BEALL
United States Senator from Maryland

Two constituents who wanted to know my position on a certain piece of legislation recently wrote me a joint letter saying:

". . . for once, instead of writing us the usual brush-off letter that says nothing, won't you please tell us. . . . (etc.)"

Checking on my past correspondence with the letter-writers, I found that I had communicated with them on several bills which were pending at the time before committees, of which I am not a member.

Each time I explained the situation, adding that I would keep my constituents' view in mind when voting on the measures in their final form on the Senate floor.

Not "Brush-Off"

If my letters appeared to say "nothing," I am sorry, but actually there was little more I could have said.

I can state, however, that my answers were definitely not a "brush-off."

To show the reasons why I wrote to my fellow Marylanders as I did, I would like to explain the problem concerning pending bills which confronts all legislators.

Committee Consideration

The roots of the difficulty lie in the fact that the legislation which ultimately is presented to the full Senate is frequently quite different from the bill which was originally introduced.

Here's why.

When the sponsors of a new bill present their proposed law, it is immediately referred to a committee.

Most Senators serve on only two of the Senate's fifteen standing committees, so it is obvious that each legislator cannot have direct contact with all of the thousands of bills under committee consideration.

Amendments and Revisions

Sometimes bills pass through subcommittees and committees without change.

More frequently, the measures are amended or almost completely revised.

Finally, they are reported to the Senate floor, where all 96 members have an opportunity to make further changes.

The system operates efficiently, but it does have the effect of making many men extra careful of their remarks about matters which might change so radically.

This is due to the fact that although a Senator might be in agreement with the major portions of some new measure, he would eventually have to vote against it because of unacceptable amendments he had not foreseen.

I have always felt, therefore, that it would be misleading to make definite promises in connection with certain issues, and then be forced to reverse my announced position because of last-minute amendments which changed the character of the overall measure.

Furthermore, I have always tried to keep an open mind on the various issues which come before the Congress so that I could profit from any general debate which might precede final voting.

The Play Reviewed

At the risk of depreciating the worthy plaudits accorded to members of the Garrett County Playhouse thus far this season, it can be stated in all fairness that their production this week of "Peg O' My Heart" is the best yet.

A foundation for the outstanding production is the lighthearted plot, which sees the snooty Chichester family reluctantly and spitefully bringing a lower-class relative, Peg, into their home along with a thousand pounds, both at the stipulation of a deceased uncle. The family, having recently been ruined in a bank failure, wants the money but not Peg, who is treated like a "clod of earth." Of course, everything turns out all right, or the plot wouldn't be "lighthearted." What adds zest, though, is the clash of characters and the personality of Peg.

On top of this foundation of plot, the type of building depends upon the acting, and in this performance the building is a palace. Suzanne Oglesby's portrayal of Peg is nothing less than magnificent. Expressing a variety of emotions, she displays considerably more skill than at any time in the past two seasons, which is to say plenty. Her sparkling laughter, stunned look, roguish glance, defiant expression, and airy exuberance, all turned off and on repeatedly in response to the role, combine to show an adorable, spirited Peg.

By sheer acting ability, Leonard Drum, wonderfully made up, manages to turn pleasantries into uproarious comedy and steals several scenes in the process. With slanted eyebrows, slack jaw, and all sorts of appropriate facial expressions, he makes Alaric Chichester the personification of a wet noodle.

As Mrs. Chichester, Bonnie Barton is a perfect dowager, putting her best chin forward and cleverly showing outward propriety which only partly shelters a cruel, scheming mind. She maintains her strictness even through her stage exits, when she moves like a statue on casters.

Tom Calkins, playing Lawyer Montgomery Hawkes, contrives to make the old gentlemen more eccentric with constant sniffs and occasional wheezes and croaks, all of which create an appreciation for Calkins and his acting. The lawyer isn't important, anyway.

The remainder of the cast, performing deftly, tend to polish the acting of Miss Oglesby. Robert Morris (Jerry), fighting monotone, is best in the romantic scenes when he is frank and paternal, his husky voice soothing and smooth. Helen Page Camp, as Ethel Chichester, tones herself down somewhat and oozes boredom. Only her eyes show the stricken, faraway look which calls Ethel to break from her surroundings. D. G. Buckles, as Christion Brent, suitor to Ethel, injects the right amount of insincerity into his lines and well shows the character of a man who is always looking for a younger woman. Myron Herrick, the often-silent butler, looks wonderfully askance and outraged at all violations of protocol.

The overall production shows a generous supply of one thing—talent.

Hyndman Wins Over Grantsville

Hyndman broke its tie for fifth place with Grantsville on Saturday in the Pen-Mar league and defeated Grantsville 9 to 2 at Hyndman.

Hyndman bunched seven of its 11 hits in the third inning for six tallies as 11 batsmen went to the plate against two Grantsville pitchers. Bob Connolly and Larry Thompson shared four safeties for the Grantsville team.

In Sunday's games, Grantsville edged Flintstone 6 to 5 in ten innings at Grantsville.

Joe Wengerd singled home Les Hunter in the 10th inning to give relief pitcher Earl Gracie the decision over Donnie Lease of Flintstone. Flintstone knotted the count in the top of the ninth on a timely single by Dwight Morris who collected three of Flintstone's six singles.

Junie Perry smashed a homer and triple, Bob Lyons a three-bagger and single, Pinky Thompson a double and single and Johnny Keister and Rudy Telek a pair of singles each for the Garrett countians.

THE AMERICAN WAY

BOSS PUBLIC

(By George Peck, Chairman of the Laymen's National Committee, sponsor of National Sunday School and Bible Weeks.)

In the final analysis, Mr. John Q. Public is the boss. This columnist has not hesitated from time to time over the years to criticize certain actions of certain businesses and businessmen. While championing the cause of our American Capitalistic System of Free Enterprise, I have not been blind to the fact that certain injustices have been committed. It is an indisputable fact that, after all, businessmen are simply human beings and it is inevitable that some have not been without sin. But, because of this, businessmen as a whole should not be condemned, no more than should the Christian churches because an occasional minister or priest fails to live up to the high standards of his noble calling.

Businessmen who, in the past, resorted to unfair practices, in the long run, automatically eliminated themselves from the business picture. It did not require the passage of legislation to attain that salutary result—Boss Public took care of it. Those few businessmen who now are not playing the game according to the rules set up by society, eventually will be expelled from the business arena. Further, those who, in the future, selfishly disregard the rights of others, also will fall by the wayside. As in the past Boss Public will see to that.

But as time goes on more and more businessmen are coming to realize that it is good business to deal the cards off the top of the deck—that honesty and fairness are essentials to permanent success—that Boss Public must be obeyed. And honest, fair businessmen more and more decry the small minority of dishonest ones among them, and are doing all in their power to expose and expel these parasites from the realm of business. Thus, business as a whole, and without outside regulation, with an assist from Boss Public, purges itself and moves closer and closer to a more idealistic condition.

Some fifteen years ago, an outstanding American business leader who came from the corn fields of Iowa, gave public recognition to this Boss Public. In a speech made before the Seventh International Management Congress at Washington, D. C., this ex-Iowan, Lewis H. Brown, then President of the Johns-Manville Corporation, had this to say in part:

"We who are responsible for the management of business in supplying the needs of the public for goods and services and who recognize our obligations to stockholders and employees believe:

"That we should constantly seek to provide better values at lower costs so that more people can enjoy more of the world's goods; that we should strive to develop the efficiency of industry so as to earn a fair return for the investing public and provide the highest possible reward for the productivity of labor; that we should stimulate the genius of science and utilize the methods of research to improve old products and create new ones so as to continuously provide new fields of employment; that management should encourage fair trade practices in business which, whether affected by competition or cooperation, will be so shaped as to be to the best interest of our customers and of society as a whole; that it is management's duty to be alert to its own shortcomings, to the need for improvement, and to the new requirements of society, while always recognizing the responsibility of its trusteeship; that business in this country has never been what it could be and never what it yet will be; that business, labor, government and agriculture working hand in hand can provide jobs and the opportunity for all to work for security without the loss of our liberty and rights as free men."

The 15 years that have elapsed since Mr. Brown enunciated his splendid, aptly-phrased "Creed of Management" have seen America engage in two wars and go through two post-war periods of adjustment. Business has gone on to higher peaks, policed by itself, with Boss Public as judge and jury relegating to the sidelines, the occasional businessman who has refused to keep in step.

MEMO TO ADVERTISERS

AUDITED PAID CIRCULATION ABC

for advertising, too!

What a fix we'd all be in without those standards of measurement for the goods you buy and sell. Imagine the confusion, waste and doubt in business transactions if we didn't have accepted standards of weights and measures—known values.

We believe it is just as necessary for *us* to tell you what you get for your advertising dollars, in terms of known circulation value, as it is for you to do business with *your* customers on the basis of recognized standards. That's why this newspaper is a member of the Audit Bureau of Circulations.

WHAT IS THE A.B.C.? The Bureau is a cooperative and nonprofit association of 3450 publishers, advertising agencies and advertisers in the United States and Canada. Organized in 1914, A.B.C. brought order out of advertising chaos by establishing a definition for paid circulation, rules and standards for measuring, auditing and reporting the circulations of newspapers and periodicals.

WHAT A.B.C. DOES FOR YOU. At regular intervals one of the Bureau's large staff of experienced circulation auditors comes to our office and makes a thorough audit of our circulation records. He has access to all of our books and records to obtain the FACTS that tell you what you get for your money when you advertise in this newspaper.

WHAT A.B.C. REPORTS TELL YOU. The circulation FACTS obtained by the A.B.C. auditor are condensed in easy to read A.B.C. reports which tell you: How much circulation we have; where the circulation goes; how it was sold and many other FACTS about the audience we provide for your sales messages. Make your advertising investments on the basis of this audited information. Ask for a copy of our A.B.C. report.

Pattern Body Sizes Now Standardized

The next time the homemaker flips the pages of a pattern book to find "just the right" pattern, she should take heed. She will notice that all the major pattern companies have adopted a new standard of measurements.

This new standard of measurements is presented in chart form in the pattern catalogs, says Lavonia Hilbert, University of Maryland extension clothing specialist. The standard has been approved by the Measurement Standard committee of the pattern industry.

Miss Hilbert states that not all patterns in the catalogs show the new measurements, but many of them do—and the new ones added each month will show the new measurements. The measurements given are body measurements—not garment measurements. This means that these are the measurements you take on your own body. In addition to the body measurement, the finished garment always has some "ease" allowed. This is so that the garment may be worn comfortably, the specialist adds.

After reading the new chart in the catalogs—this is the way to use it:

First, be sure you know what your correct measurements are. When in doubt, take measurements.

Then, find your measurements on the chart and buy the size pattern that corresponds to your measurements. If you are chosing a dress, blouse, suit, or coat pattern, your bust measurement will determine the size you need.

If it is a separate skirt, slacks or shorts you want to make, your waist measurement will determine your pattern size. There's one exception: If your hips are larger than shown for that size, select your pattern size by hip measurement (skirt, slacks or shorts only).

Once you have found your proper size on the catalog chart, that is the size you should buy in any and all of the patterns shown in the catalog, says the clothing specialist.

Your new clothes you make will look better than ever, claims Miss Hilbert. If you take your measurements correctly, and choose your correct pattern size, you're ready to cut and sew!

Welfare Expense In June Is $25,202.38

A slight decrease was noted in County Welfare expenditure for June over the previous month with seven hundred twenty-four persons receiving $25,202.38 through the Garrett County Welfare Board. Figures were released by Thomas J. S. Waxter, director of the State Department of Public Welfare. The total did not include costs of administration.

The report showed the total was five more than the number receiving assistance during May but that the total amount was $45.12 less than the total for the previous month.

Largest percentage of the total expenditure for June went to Dependent Children where 364 children in 119 families received $10,024.11, an average of $84.24 per family. There were six new applications with four cases being added and four cases canceled.

Two hundred eighteen persons received $8,844.30 under Old Age Assistance, an average of $40.57 each. There were five new applications with two cases being added and three canceled.

Five blind persons received $279.75. One hundred one persons listed as permanently and totally disabled received $4,452.35, an average of $44.08. There were two new applications in this category with one case added.

Sixteen persons listed under general public assistance received $626.87, an average of $39.18. There were four new applications with one case being added and ten cases canceled. Twenty children listed under foster home care received $975, an average of $48.75.

Throughout the state the total payments for June amounted to $1,709,967, which compared to $1,718,637 for the previous month and $1,659,815 for June a year ago.

Brethren Camping Season Underway

The Church of the Brethren camping season opened at Camp Galilee, near Terra Alta, W. Va., on Sunday, July 29, with a camping program for 9-10 year old Junior boys and girls directed by Miss Blanche Hinkle, of Old Fields, W. Va. Some 300 children and youth were expected to enroll in the four camp sessions this season.

The church camping season has been lengthened to four weeks this year to provide for the increasing attendance of campers from all parts of northern West Virginia and western Maryland. Each of the sessions opens on Sunday at 2:30 p. m., with registration and closes the following Sunday with the noon meal.

Rev. Paul Crumley, Eglon, W. Va., will direct the session for advanced Juniors (11-12 yr. olds) beginning August 5. Junior Hi camp, directed by Mr. William Ludwick, Keyser, W. Va., is slated for the week beginning August 12. Rev. Owen Stultz, New Creek, W. Va., will direct the Youth Camp starting August 19.

The Camping facilities at Camp Galilee include a 35-acre lake for boating, swimming, and fishing as well as a well-equipped playground and a large wooded area for hiking and nature exploration. Eleven cabins dot the area surrounding the administration-dining hall building.

The staffs for the church camps will include personnel from Maryland, Virginia, North Carolina, West Virginia, and Pennsylvania as well as Mr and Mrs. Rolland Flory, agricultural missionaries to Ecquador.

In addition to the Brethren-sponsored camps, Camp Galilee is host each summer to other denominational camping grounds as well as a 5-week private boys' camp which is now in progress with some 130 boys.

Since 1939 Camp Galilee has been owned and operated by the Church of the Brethren in the First West Virginia and Western Maryland Districts. Mr. J. P. Judy, Keyser, W. Va., is the summer manager appointed by the governing Trustee board.

Auxiliary Members Complete Inhalator-First Aid Course

A movie entitled "New Methods of Artificial Respiration," was shown last Friday in the town hall at Deer Park as part of a program in which certificates were given to eleven members of the Ladies' Auxiliary to the Deer Park Community Volunteer Fire department upon completion of a 24-hour course in first aid and inhalator training. H. B. Buckley, Kitzmiller, district mine inspector, was the instructor.

Jay Davis, of the U. S. Bureau of Mines, and Thomas B. Powell, Maryland Bureau of Mines, gave the ladies an examination at the conclusion of the course. The certificates of first aid training and arm patches were given by both the U. S. Bureau of Mines and the American Red Cross.

Receiving certificates were Flora Haines, Emma Uhl, Lorena Smith, Helena Thrasher, Mina Rhodes, Rachel Walter, Betty O'Brien, Josephine Marley, Frances Comp, Pleasant Thrasher and Corann Clatterbuck.

Refreshments were served at the close of the meeting.

An inhalator has been obtained from the Red Cross for use in the Deer Park community and the members of the auxiliary have been trained in its use. Many of the Deer Park firemen also have been trained in first aid and use of the inhalator. Both groups also have trained in the use of a penolator.

The Deer Park fire department was called early Sunday to use the inhalator on Mrs. Susan Alexander, a patient in Walter Reed hospital, Washington, who was visiting at the home of Mr. and Mrs. E. C. Clatterbuck. Mr. and Mrs. Carl Thrasher answered the call.

Garrett County Blood Donations Rate High

Garrett county's contribution in the blood program of the American Red Cross rates high, in comparison to those of other areas.

For the fiscal year ended June 30 Garrett county had a quota of 409 and ranked seventh among the 30 chapters.

There were 458 pints processed during six visits in this county, the figure amounting to 112 percent of its quota.

There were 425 pints of blood provided for Garrett County Memorial hospital and of this amount, 264 pints were used. The hospital was also issued 48 units of serum albumin and 32 pints of blood were sent to out-of region institutions for Garrett county residents.

Allegany county's chapter was rated 11th with the quota there being 2,679 pints with 2,535 being collected.

On the 26th a son to Mr. and Mrs. Charles Leo Stem, Oak street, Oakland.

On the 27th a son to Mr. and Mrs. Paul M. George, Swanton.

On the 29th a daughter to Mr. and Mrs. Harold Lester Brant, Crellin.

On the 30th a son to Mr. and Mrs. Forrest DeNeal Dean, Fourth street, Oakland.

During the week the hospital admitted 40 patients and discharged 34. Census this morning was 37.

DIED

MRS. DENNIS BRENNEMAN

Mrs. Mary L. Brenneman, 66, wife of the late Dennis Brenneman, died Friday night, July 20, in the Meyersdale Community hospital, Meyersdale, Pa. She was born in Bittinger, December 18, 1889, and was a daughter of the late Andrew and Lucinda Brenneman Oester. Her husband preceded her in death 21 years ago. A daughter, Althea, also died five years ago.

Surviving are seven sons, Stanley and Ralph, at home; Oney, Meyersdale, Pa.; Roy, Franklin, Tennessee; Marvin, Reisterstown; Olen, Grantsville; Rex, Amarillo, Texas; five daughters, Mrs. Dorothy Shade, of Reisterstown; Mrs. Hazel Friend, Friendsville; May, Otis and Mrs. Nona Meyers, at home; also two brothers, Clarence Oester, of Bittinger; Columbus, Washington, D. C.; a sister, Mrs. Joel Brenneman, of Gambrills; also 18 grandchildren.

She became a member of the Emmanuel Lutheran church of Bittinger at an early age and remained a faithful member until death.

Funeral services were conducted Tuesday afternoon at 2:30 o'clock from the Lutheran church at Bittinger, with Rev. James Allan, pastor, officiating. Interment was in the church cemetery.

Ten Jehovah's Witnesses Return From Meeting

Ten members of the Oakland congregation of Jehovah's Witnesses have returned from meeting at Pittsburgh on July 22 and 23. They were among the 15,000 from seventeen states assembled for the training program.

Speakers stressed fulfilling requirements and obligations of the ministry and warning was given to avoid the pitfalls of the materialistic way of life present in the world today. The assembly adopted a petition to Premier Bulganin of Russia asking for release of the thousands of Witnesses imprisoned in that country. It also sought permission to organize Christian congregations in Russia.

A mass baptism of 305 new ministers took place Saturday at a Pittsburgh pool.

Hardesty Reunion

The annual reunion of relatives of the late L. W. Hardesty will be held in Cathedral Park near Aurora, W. Va., on Sunday August 12. Friends and relatives are welcome.

Games Continue in Little League Play

Legion, K. of P., and Lions club won victories in games played during the past week in the Little League competition.

Friday the Legion beat the Lions 11 to 6, while the K. of P. won over the Moose 7 to 4.

Battery for Legion was Craig and Savage, F. Finch. For the Lions, Smith and Cerne, Adams, Mosser, Craig, F. Finch, Savage, J. Finch, Beckman, Colaw and Callis got hits.

In the second game Prince went the distance for the K. of P. Wotring was tagged with the loss. Getty, Welch and Kloepfel got hits for the K. of P., while Weimer and Gnegy had the only hits for the Moose.

On Tuesday evening the Lions downed the K. of P. 14 to 2, while the Legion won over the Moose 4 to 2 in a game called in the fourth inning on account of darkness.

Colaw was the winning pitcher for Lions. Lawton got a double and Porter a single for the K. of P. Colaw got a double, Arnold a double and Fike a single for the Lions. In the second game Weimer, Gnegy, Orr and Vetter shared the hits for the losers. Jim Finch went the distance as pitcher. He got three hits, a double and two singles. Craig, F. Finch, Ellis, Lohr and Savage also got hits.

Moose now leads with a 6-3 record, while Legion is next with 5 and 3. K. of P. is next with three wins and four losses, while Lions has three wins and five losses.

On Friday, August 3, the K. of P. will meet the Legion starting at 6:15. On August 7 the K. of P. will play the Lions, also at 6:15. These games were postponed ones.

Farmers Entitled to Gasoline Tax Refund

Farmers are entitled to claim a refund of the Federal tax on all gasoline bought and used for farming during the 6-month period, January 1 through June 30, George Stevens, University of Maryland agricultural economist reminds Maryland farmers.

Any owner, tenant, or farm operator who buys gasoline for use on a farm may file a claim, says Stevens. A farmer may also request a refund of the tax on any gasoline used on his farm by a custom operator or a neighbor in connection with cultivating the soil, or raising or harvesting a crop.

Under the law enacted April 2 the amount claimable this year is 2 cents on each gallon of gasoline purchased and used on a farm for farming purposes during the first six months of 1956. In future years claims will be filed for a full 12-month period from July 1 through June 30.

Claims must be filed on Internal Revenue Service Form 2240. This form can be obtained from county agents or District Directors of Internal Revenue. Date for filing for this year's refund is after June 30, but not later than October 1. The law does not permit payment of claims filed late.

Refund claims must not be made for gasoline used off the farm, according to Stevens, or for gasoline used for other than actual farming purposes, as described in Form 2240. This applies to gasoline used on the highway, for personal use such as mowing the lawn, or for processing, packaging, freezing, or canning operations. Sufficient records should be kept to enable the Internal Revenue Service to verify the accuracy of the refund claimed.

People Are Confirmed

The Rt. Rev. Noble C. Powell, D.D., bishop of the Episcopal Diocese of Maryland, confirmed the following on his annual visitation to Oakland on July 29: Roy Dale Dean, Jr., John Allen Dean, John William Hart, William Grant Mousche, Mary Virginia Hart, Helen Lucile Hinebaugh, Fannie Ward Hinebaugh, Gertrude Josephine Dean, Beverly Ann Dean, Delores Jean Cogley, Barbara Marie Poling, Olive Susan Naylor, Sylvia Joann Halsey, Bessie Frances Cuppett, Joann Margaret Stump.

"Our Growing Edge"

MRS. MARTHA GLOTFELTY

Resources for Growth

With the valuable lessons we learn from the past, we see that we have many opportunities for progress in the future. Here in Garrett County, as in other places, we have many and varied resources.

Our people are intelligent, hard working and eager for progress. People themselves are always the most basic factor in progress and growth. It is within ourselves we find the need and wish to improve ourselves, our county and indeed our world.

I would like to look at the many avenues through which we may do this. Let's begin with ourselves, and start in our own homes. There is not a one of us who could not improve their relationships there. We could lift and elevate our conversations, we could deepen and strengthen the bonds of love, warmth, and understanding that make a home what it should be. Here it is our children learn their most important lessons: courtesy, respect for authority, love and understanding. All of us could spend more time with our children than we do.

In our churches we have such a vast opportunity for growth it could not be measured. Here we learn about life itself, its meaning, its destiny, for here we learn about God. We read and study of a great company of believers, past and present who bring to the world the plus qualities only Christian people know. Here, we have an opportunity to help people all over the world, making us the world-minded people we should be.

In our public schools we have great resources for growth. Adult education classes can teach us new skills from driver education to learning how to make a neat looking suit. More people should take advantage of these opportunities.

In our farming operations there are great resources for growth. Our Agricultural Colleges carry on continuous research to find better and improved methods for feeding live stock, making the best possible use of labor and machinery and in building good buildings, etc. The farmer can be constantly learning new and better ways of doing things. I think our Extension Service, our 4-H clubs offer challenges and mediums of growth for our young people.

Next week I would like to speak of some of our other resources as I see them.

Attending Co-Op Institute

H. M. McDonald, state supervisor of vocational agriculture, has placed Marvin Callis, vo-ag instructor at Northern High school, in charge of the Maryland FFA delegation attending the American Institute of Cooperatives, at Raleigh, N. C.

The convention program which began Sunday, concludes today. It featured lectures, demonstrations and discussions.

Gary Fratz, secretary to the Maryland FFA association, was selected to represent Allegany and Garrett counties and will report to the various FFA chapters on the activities of the institute.

A bill to increase postal rates was ditched until next year.

Tennis Tourney Gets Good Start

Has One Of Largest Entry Lists In Years—Favored Players Top Openers

With forty-four men entered in the men's singles event and fifteen women entered in the women's singles, the Western Maryland tennis championships started off this week with one of the best tournaments in the thirty-five years of its existence.

Not only were there many more entries than for the past several years but the contestants were considered of a high ranking, with a number of them having ranking in the Middle Atlantic area.

Favored players won their opening round matches and advanced to the third round in the men's singles events. All seeded players except Fred McNair, of Washington, seeded No. 1 in the tournament, won their events and McNair had yet to meet his first opponent. John Harris, Washington, No. 5, defeated Ronald Ryan, of Wheeling, 6-1, 3-6, 6-0. Doyle Royal, Bethesda, No. 4, defeated Robert Burgess, Hyattsville, 6-4, 6-0. Larry Middlekamp, Washington, No. 8, defeated DeWitt Miller, Hagerstown, 6-2, 6-0. Phil Neff, Washington, No. 2, and defending champion, won over Elton Suter, Baltimore, 6-0, 6-1; Henry Foss, Chevy Chase, No. 6, defeated David Miller, Hagerstown, 6-0, 6-3; Frank Hartz, Richmond, Va., No. 3, defeated John Dorsey, Keyser, 6-2, 6-4; Alex Keiles, No. 7, Washington, defeated Charles Holland, Charleston, 8-6, 4-6, 6-4.

In the Women's singles event, Nancy Corse, Bethesda, seeded No. 2, won two matches yesterday, defeating Betty Weber, Charleston, 6-0, 6-1, and Pat Thomas, Washington, 6-0, 6-0. Pat Reeves, Wheeling, Mary Ewing, Wheeling and Virginia Betz, Long Beach, Cal., have won their opening matches.

Contestants were able to complete two full days of play but were halted yesterday evening by a light rain. They were hopeful that the weather would remain fair for the balance of the week.

Many matches remain to be played. Events in men's and women's doubles and mixed doubles were slated to get under way today. They were making use of the Ralph Weber court as well as the three courts of the Mt. Lake Park Tennis club in an effort to complete all events by Saturday evening.

Semi-finals events are scheduled for Friday with the finals event on Saturday afternoon.

Mt. Lake Tennis club officials were crediting Alex Keiles with being the push behind the scenes which had revived the tournament to one of its most successful events in years. Keiles, who has been a regular tennis contestant here for years, spent many hours during the past winter and spring months in talking up the event, and the results were a revelation to many.

Monday night the tennis contestants were guests of the Garrett County Summer playhouse at McHenry. An open house was also held at the Allegheny House. A party is scheduled for the Oakland Country club and a corn roast is planned. The annual Tennis dance will be held Saturday evening at the Mt. Lake hotel with Johnny Costa and his orchestra, of Pittsburgh, furnishing the music. This dance is open to the general public.

MAKE NICE CATCH—Mr. and Mrs. Max H. Hofmann, of Mt. Lebanon, Pittsburgh, Pa., were among the numerous fishermen at Deep Creek Lake this year who had more than the usual success. While guests at Nemacolin Lodge, near the Glendale Bridge on July 28, they caught a 12-inch small mouth bass, a 13-inch large mouth bass, seven yellow perch of decent size, and two crappie. The catch was made off Beckman's Point.

Jury Finds Cole

(Continued From Page One)

ly after the shooting, heard Dr. Hobbs' testimony.

Dailey sail Cpl. W. L. Pike, in charge of the West Virginia State Police detachment at Kingwood, and Preston county sheriff, W. R. Schooley, went to Charleston for further confirmation of the cause of both deaths. They took with them the pistol found on Cole, the slug removed from his head and the slug removed from the head of Mrs. Lewis.

They were to determine if the slugs which killed Mrs. Lewis and Cole were from the same gun. At first it was believed that Mrs. Lewis had been shot with a .22 calibre revolver Monday.

When Cole fired the one round after he had been spotted under one of the coal hoppers by law enforcement officers, they thought he was firing at them and they opened fire in return.

Cole was being sought in the murder of Mrs. Lewis, who was badly beaten and shot Monday, July 23, on an isolated farm about five miles southwest of Terra Alta. The shooting of Cole which ended a four-day search, occurred about 300 yards east of the railroad station at 10:15 p. m. His body was found slumped on the ground with a pistol still grasped in his hand.

Cole had been seen twice earlier Thursday and police at one time had fired warning shots at him but he eluded the posse. Officers were notified that Cole had been seen at the home of a brother, James Cole, four miles southwest of Kingwood. As members of the search party neared the farmhouse Cole ran from the building, headed through some brush and dropped out of sight. Warning shots fired into the air failed to stop him. Later he was seen in Tunnelton. The bloodhounds picked up his trail but lost it. He was finally trapped near the station.

By the time Cole was killed the searching party had grown to about 40 persons.

Prosecutor Dailey said Cole had been a mental patient at Weston State hospital at one time. Records there, the official said, described the man as "schizophrenic, paranoid variety, with homicidal tendencies."

Rotary Wins As Don Stemple Hits Two Home Runs

Don Stemple slammed two homers and a single and Harold Lear tossed five-hit ball yesterday as the Rotary club handed the first place Moose team its initial defeat of the second half race in the Oakland Pony Baseball league. The score was 7 to 5.

Dick Stuck, Moose pitcher, also suffered his first loss after bagging six in a row. Bill Kelley paced the Moose with a double and single.

The win put the Rotarians a half game in the rear of the leaders. The Moose team has two more games on its schedule and the Rotary club one.

In a Monday contest Rotary defeated the Woodmen 10 to 5 Joe Sanders was the winner and Sam Glotfelty the loser.

It Runs Through My Mind

BY POLLY J. HANST

Top Performer

It would hardly be necessary for me to say that there's nothing quite like 4-H club work for boys and girls. I'm so saturated with the idea that my only fear is boring the uninterested.

After looking at exhibits and watching demonstrations at Rally Day I marvel at what young girls can do.

But the top performer of the day was a girl grown up. One who has a large family, a family that is successful. That gal is Mrs. O. C. Glotfelty. Having seen her many times performing as a mother of active children such as serving food over a counter at a Luther League rally, or talking domestic talk when we stop to pick up a turkey or sitting in on a meeting where she is needed for judgment and common sense, I had her catalogued as a good mother and a fine person.

It was indeed a surprise to find her most adept as master of ceremonies for the Farm Queen show. She handled a microphone and ad libbed as smoothly as if that had been her profession. She was alive, spirited and all together charming in front of an audience.

While it's not for me to hand out ribbons—just bouquets—but if it were, Mrs. Glotfelty would have a purple one. Just in case you're not familiar with awards, the purple is the grand champion.

The Wetter the Better

Some people say this has been a wet summer. Too wet to cut hay, or if it gets cut they can't get it in. Two wet for peas for they rot at the stem. Too wet for potatoes for they're getting the blight. Too wet for squash, for they rot as they set on.

But all in all it has been the most terrific growing season I have ever seen—or else my husband can make anything grow. He cut his own tomato stakes and now they're growing new leaves!

Did You Know?

That Leonard Drum has written ballads and loves to sing crazy songs to his own accompaniment?

That Bonnie Barton plays a guitar and sings ballads, which I've been told are top quality. While her acting is superb in the roles of older women, in her own flesh and blood she is warm, lively and beautiful?

That Helen Page Camp had her own one woman show last winter, giving monologues? Her Mamma is just like the rest of us Mammas. She hangs on to the newspaper articles that mention her daughter.

That Myron Herrick, a boy from Maine who attends the University of New Mexico, wants to be a playwright and has already written one play and has seen it produced?

That D. G. Buckles dreams up plots for plays and stories and bubbles over with the ideas?

That the players watch Suzanne Oglesby's diet for her. They don't want her to get the dumpy look (we had noticed that this past year she had lost what she had which no woman wants to have.)

That Donnie Welch has a waist measurement of 21 inches and that she is the envy of the younger set?

That Tom Calkins has his master's degree and is a school teacher? And if I can read between the lines he would be a very understanding one, putting his heart in that job as well as this one.

That Robert Morris is as comfortable to have around as Wayne, Fred, Tom, Bob or Jim—the kind of boy you'd like to have drop in without knocking, the kind to whom you can say, "make yourself a cup or coffee—or find yourself something to eat."

Then when Gene Yell says "It's time to go home," that the players "obey" instantly without any bickering, stalling—nothing but a get up and move. You don't suppose he could have a class for young parents teaching them how to dramatize two words—DO and GO. Boy, how that would help parenthood!

After coming home from "Peg O' My Heart," it occurred to me for the first time that we might be seeing some of these players in the big lights some of these days.

The Wrong Play

Just before one turns off the county road to go to the Summer Theatre barn there's a post carrying the sign about the playhouse. Just beneath it is a name sign, "The Ludwigs," like the dozens we have on the lake indicating that such and such a family lives on this road.

A couple seated themselves in the theater and began looking at the program. "My Three Angels" is the name of this play," remarked the gentleman. "I though it was the gentleman. "I thought it was week."

A pause.

"Peg O' My Heart" is playing next week. Just where do The Ludwigs come in?"

By now we'd all like to see the Ludwigs.

Injured In Wreck

Roy Lichty, age 20, son of Mr. and Mrs. Roy Lichty, former residents of Loch Lynn Heights, was critically injured in an automobile wreck last Saturday morning near Bellefonte, Pa.

He is a hospital patient there with a broken back, one of his legs broken in three places, a broken arm and a deep gash in the back of his head. Lichty was asleep in the back of the automobile when it went over a cliff and fell about twenty feet. The driver was killed. The accident was not discovered for about an hour.

The Lichtys have resided in the Bellefonte area for the past four or five years.

Harold Stassen was given month from White House job to swerve GOP vice presidential nomination from Nixon if he could.

AURORA-EGLON

Mrs. D. B. Spaid is ill of a heart ailment and confined to her bed at her home near Eglon. Her sister, Miss Allie Fike, Morgantown, is visiting in the home this week.

Word was received here that Julius Arnold who has been a patient in a nursing home in Oakland for a few weeks, suffered a heart attack last week.

Funeral rites were conducted on Thursday at the Aurora Methodist church for Hugh F. Deakins, who passed away suddenly July 25 at his home at Aurora. The body was taken Friday to the Arlington National cemetery for burial.

A number of relatives from this area attended last rites this afternoon at Meyersdale, Pa., for Mrs. Matilda Fike Vaught Thomas, 95, who passed away July 28 in Green Castle, Pa. She was a former resident of Cash Valley. Burial was made at Meyersdale.

Relatives here were notified of the sudden death of William Waibert, of Cresaptown. His mother was the former Miss Ella Snyder of this area.

Mrs. Claud Pennington, of Cash Valley, is a surgical patient in the Garrett County Memorial hospital.

Word was received here of the birth of a daughter July 21 to Mr. and Mrs. Harley Donham, Frankford, W. Va. This is their first child and has been named Sandra Kaye. The mother is a daughter of Mrs. Mae Beckman and the late Kenneth Beckman of Eglon. The father, a teacher, is a son of Mr. and Mrs. Walter Donham, near Aurora.

Mrs. A. Fansler Townson, Huntington, is visiting at the home of Mrs. Alletta Mayer, at Rock Inn, Aurora.

Mrs. Jesse Gnegy, Sr., is ill at her home near Eglon.

Guests in the Grant Loughrie home the past week were their son-in-law and daughter, Mr. and Mrs. Fred Linger and son Freddie, Baltimore.

Isaac Watring, 94, known as "uncle Ike," underwent surgery last week at the Garrett County Memorial hospital for a fractured leg which he suffered a few weeks ago. Despite his advanced age his condition appears remarkably good.

Hilda Myers, of New Jersey, who is much improved from an illness, is visiting at the homes of her brothers, Dale and Dent Myers, and families, Aurora.

Mrs. Carrie Painter, Aurora, was pleasantly surprised July 26 when fifteen guests from Grafton came to her home with a covered dish dinner, in honor of her 87th birthday anniversary. Among the guests was a cousin, Mrs. Minnie Thomas who remained over the week-end. The following day twenty-three guests from Aurora repeated the surprise. In all, three birthday cakes were presented.

Mr. and Mrs. Coy Allen and family, of Shinnston, were Sunday guests of Mrs. Allen's father and step-mother, Mr. and Mrs. A. W. Fike, Eglon.

Mrs. Odessa Stemple Shaffer, of Texas, is visiting relatives in Aurora.

Mr. and Mrs. John Harsh, Eglon, returned this week from a motor trip to the State of Michigan.

A penny supper, sponsored by the Odd Fellows and Rebekahs, will be held at the Aurora Community building Saturday evening, August 11, beginning at five o'clock, eastern standard time. The public is invited.

Fall Meeting Of River Group To Be Held at Oakland

The fall meeting of the Interstate Commission on the Potomac River Basin will be held September 20 and 21 in Oakland.

Conservation of recreation and wildlife assets of the Potomac River basin has been chosen as the theme for the meeting which will be held in the William-James hotel.

Officials are planning an informal dinner and get-together at the hotel on the night of September 19. The meeting would open September 20 at 9:15 a. m. with the keynote address by Ernest F. Swift, executive director of the National Wildlife Federation.

Brief reports on current recreational assets and programs in each of the Potomac Basin states will follow.

In the afternoon Joseph F. Kaylor, director of the Maryland Department of Forests and Parks, will lead the delegates on a tour of the area. Included will be visits to Deep Creek Lake, the Savage River dam and the Savage River State forest.

From there the delegates will be taken to Swallow Falls and to the Herrington Manor Recreation area for a barbecue. Arrangements have been made with the Red Cross for canoeing demonstrations at the Manor swimming area.

That night they will see the prize winning film, "The Black Duck Story," produced by the Maryland Game and Inland Fish Commission.

Friday's schedule will include a panel discussion led by Edward A. Ackerman, director of the Water Resources Program for Resources for the Future, Inc. On the panel will be representatives of wildlife and recreation interests in the Potomac basin, plus a representative of the Corps of Engineers.

Discussed will be methods of coordinating wildlife and recreational programs into the over-all development of the river basin. Friday's program will also include a report by Bernard Frank, chairman of the commission on wildlife and recreation committee.

Two More Teachers Named

MRS. MARY STOWELL

MISS SHARRON YOUNG

Two more teachers were named recently to teach in Garrett county schools during the coming year. They are Mrs. Mary Phyllis Stowell and Miss Sharron Young.

Mrs. Stowell will teach at Northern High school after having taught four years in Montgomery county and one year in Harford county.

Mrs. Stowell is a graduate of Fort Hill High school, Frostburg State Teachers college and has done graduate work at the University of Maryland. She will teach Junior High core and Girls' Physical Education at the Cove school.

Miss Young has accepted the position of Girls' Physical Education instructor at Southern High school, Oakland, to replace Miss Janet Heyer who resigned to get married.

Miss Young was graduated from Keyser High school, attended Potomac State college and received her B.S. degree from the University of West Virginia last June. While in college she was a member of Sigma Iota Chi sorority and Dolphin Swimming society.

Warnick Is Named Forest Supervisor

Wilson R. Warnick, 32, of near Lonaconing, has been appointed forest supervisor, grade 2, effective July 25.

William H. Johnson, district forester, said that Warnick, a native of this county, would be in charge of the Big Run recreation area in the Savage River State forest.

He competed with about six others in a Civil Service examination given by the Commissioner of Personnel for the State of Maryland and placed first in the test.

Warnick is a veteran of World War II. Prior to his new appointment he was a towerman at the High Rock tower on Savage mountain for a period of years and also was a laborer in the New Germany recreation area.

Plans are under way to rebuild a number of cottages already located in the Big Run recreation area. The state has allocated funds for the installation of a water system and plans also call for the construction of a sewage disposal unit there.

Big Run recreation area is located at the head of the Savage river lake.

Johana Harris To Give Benefit Recital

Johana Harris, known as America's most gifted woman pianist, will present a recital in the gymnasium of Southern High school, Oakland, on Friday evening, August 31, at 8 o'clock, it was announced this week by Rev. John J. Atwell, civic affairs chairman of Oakland Lodge No. 786, Loyal Order of Moose.

The concert will be under the auspices of this committee of the Moose and officers of the lodge are serving as members of a general committee. Rev. Atwell said the Baldwin Piano company had arranged to place a concert grand piano in the school for the occasion.

The recital will provide selections ranging in taste from the classics to the popular.

Johana Harris is internationally known as a virtuoso pianist and makes records for Victor and Columbia. She is the wife of Roy Harris, one of America's top-ranking composers. Mr. and Mrs. Harris and their children spent a few days at the Mountain Lake hotel in August, 1954, and at that time Mrs. Harris stated she would like to play a benefit recital for a local organization. Mrs. Harris, with three of her four children, will be guests at the Mt. Lake hotel for a week prior to the recital.

Charles O'Connell, musical director of RCA Victor recordings had the following to say of Mrs. Harris: "I have long entertained the highest admiration for Johana Harris' gifts as a pianist and schoiar. Because I regard her so highly I brought about her engagement as a Red Seal artist by Victor several years ago, and the Company has had every reason to be pleased with the arrangement. Not only is Johana Harris a virtuoso of formidable attainments, but her informed interest in her recording work and her understanding of the requirements of the microphone work have led to the production of records that are highly unusual musically and technically."

Discussion Group Meets

Farm Bureau Discussion group Number 9 met recently at the home of Mr. and Mrs. Robert Glotfelty with six couples attending. James Opel led the topic, "Do You Play Russian Roulette on Your Farm," the aim being to make people more aware of everyday carelessness.

A quiz was conducted pertaining to the home, farm and farm use that could be dangerous or cause serious trouble. Average score for the quiz showed the group "on a banana peel." Wives double checked husbands' answers and vice-versa.

The group felt that safety was a habit in most cases but there were times when carelessness and being in a hurry cause serious accidents. Members felt the topic had helped in making the group more safety-conscious.

Some slogans suggested by Mrs. Kenneth Buckel were "Improve Conditions; Minimize Accidents," and "Be Safety-conscious, Not Unconscious."

The group planned a trip on August 12 to some caverns near Mann's Choice, Pa. The August meeting will be held at the home of Mr. and Mrs. James Glotfelty with Robert Buckel leader of the topic, "Let's Tell the True Farm Story."

Attend Baptism

Mr. and Mrs. Carl W. Gosnell and their seven-weeks-old son were guests of Mark H. Moon this past week-end. While here their son was baptized Carl Warren Gosnell, Jr., by Rev. W. S. Patterson, in St. Paul's Methodist church in Oakland.

Mrs. Gosnell, the former Louise Spoerlein, was the first baby Rev. Patterson baptized in the new Methodist church just twenty years ago.

Attending the baptismal party during the church service Sunday were the baby's grandfather, John Earle Spoerlein and his wife and sons, the great grandparents, Mark H. Moon, Mr. and Mrs. W. E. Spoerlein. In attendance also were the paternal grandmother, Mrs. Jane Bixler, great grandmother, Mrs. Florence Rathbun; and also his cousins, Mr. and Mrs. Robert Davis and children, of North Carolina.

Pfc. Charles W. Upperman, Jr., whose parents live in Bloomington, is a scout driver in Company E of the 3d Armored Cavalry Regiment in Bamberg, Germany.

Upperman entered the Army in December, 1954, and received basic training at Fort Gordon, Ga. He arrived overseas in August, 1955.

The 18-year-old soldier attended Bruce High School in Westernport.

Howard Sweitzer Weds Rita Holler

Miss Rita Louise Holler, daughter of Mr. and Mrs. Burlin C. Holler, Oakland, Route 1, became the bride of Howard Neil Sweitzer, son of Mr. and Mrs. Lester Sweitzer, Swanton.

The double ring ceremony was solemnized before an altar of mountain laurel, in the Crellin Union church, Sunday, July 22, at 9 p. m., by the Rev. Don L. Jackson, Methodist minister, brother-in-law of the bride. Vases of laurel and candelabra of lighted tapers decorated the church.

Miss Janet Leighton, of Oakland, was the bride's maid of honor, while Miss Henrietta Wilt, Crellin, and Miss Ada Jackson, of Gortner, were bridesmaids. Lois Sweitzer, sister of the groom, was flower girl and Larry Holler served as his sister's ring bearer. Donald Sweitzer, of Swanton, was best man. Ushers were Jerry Lee Meyers and Melvin Eugene Sweitzer, brother of the groom.

A program of nuptial music was played by Mrs. Floyd Carskadon. Frank DeWitt, Oakland, sang "I Love You Truly" and "Because," accompanied by Miss Shirley Calhoun, Oakland. Following the ceremony, while the couple knelt at the altar, Mr. DeWitt sang "The Lord's Prayer."

The bride, given in marriage by her father, wore a white ballerina length gown, fashioned of bridal nylon brocade. Her shoulder length veil of French illusion tulle was fastened to a head band of matching brocade and seed pearls. She carried a white Bible, topped with white carnations, baby breath and satin streamers tied in love knots. Her bridal attire was fashioned by her aunt, Mrs. Rex Wiles.

Miss Janet Leighton, maid of honor, wore a blue gown of tiers of Val lace over taffeta, and carried a nose-gay of carnations. Her attendants wore gowns of mint green and yellow net over taffeta and carried nose-gays of carnations. The flower girl wore a gown of pink and carried a lace basket of assorted daisies.

The bride's mother was attired in a white linen dress with navy accessories and with it she wore a corsage of pink rose buds. The groom's mother chose a blue lace dress with white accessories and wore a corsage of pink rose buds.

A reception was held at the home of Mr. and Mrs. Rex Wiles. The table was decorated with candles, white carnations and a four tiered wedding cake, topped with a miniature bride and groom. Mrs. Wiles presided at the punch bowl and Mrs. Arthur Rhodes served the wedding cake.

The bride's going away costume was a pink dress with white accessories and she wore a corsage of white carnations. Mr. and Mrs. Sweitzer will reside at Swanton.

IN MEMORIAN

In loving memory of our darling daughter, Judy Ann Paugh, who passed away one year ago, August 4, 1955.

Do not ask us if we miss her,
There is such a vacant place.
Oh how often we hear her laughter,
See her pretty smiling face.
Lonely hours, days of sadness,
Tears of silence often flow;
Memory keeps her near us,
God knows how much we loved her so.

Don't cry, little man, don't cry...

This unhappy little fellow is learning an important lesson — tears do not solve problems.

Life brings many difficulties to the average person, often heavy burdens of responsiblity, grief, and pain that must be met without compromise.

But there is a wise solution for all of us if we fortify ourselves with qualities that will give courage, faith, and hope in the face of all trouble.

In hours of stress and anxiety, the Christian religion is a rock of refuge. In the Church you will find spiritual strength, guidance, and enduring comfort. Go to God's House and put your trust in Him.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MARRIED

Schenck-Patterson — Announcement was made recently of the marriage of Miss Mary Joan Patterson, daughter of Rev. and Mrs. Winfield S. Patterson, of Oakland, to William R. Schenck, son of Mr. and Mrs. Milton E. Schenck, which took place on Saturday afternoon, June 16, in St. Paul's Methodist church, Oakland.

The ceremony was performed by the bride's father. Mrs. Jay Bell, of Crellin, sang Grieg's "I Love Thee," "Through the Years," and "The Lord's Prayer." At the close of the ceremony she sang "Oh Perfect Love." Mrs. Merritt Feather was organist.

The bride was given in marriage by her uncle, Rev. William W. Patterson, of LaVale. She wore a gown of imported white lace and ice blue nylon tulle and made with a fitted bodice, long sleeves and a full skirt. Her veil of tulle was attached to a tiny scalloped lace cap which was outlined with seed pearls. She carried a cascade bouquet of white carnations and ragged robins.

Mrs. Joseph R. Patterson, sister-in-law of the bride, was matron of honor. She wore a ballerina length dress of white embroidered eyelet over cotillion blue taffeta, fashioned on princess line with a scoop neckline, cap sleeves and skirt draped in the back with a large taffeta bow. She wore short white gloves and a large picture hat of cotillion blue, which matched her dress.

The bridesmaid was Miss Elsa Dannenberg, New York City. She wore a ballerina length dress of white embroidered eyelet over corn flower blue fashioned on princess line with a scoop neckline, cap sleeves and a skirt draped in the back with large taffeta bow. She wore short white gloves and a large corn flower blue picture hat matching her dress. Both Mrs. Patterson and Miss Dannenberg carried baskets of spring flowers.

The bride's mother wore a navy blue dress with pink and navy accessories. Her corsage was of pink roses. Mrs. Milton E. Schenck, mother of the groom, wore a powder blue lace dress with matching accessories and a corsage of white roses.

Milton E. Schenck was his son's best man. Ushers were Edgar Van Benschoten and William Bock, of Dunellen, N. J.

A reception was held following the ceremony in the church social rooms. Following a wedding trip to Cape Cod, Mass., the couple now reside in Westfield, N. J.

Among the out of town guests in addition to those in the wedding party were Miss Carol Schenck, Mrs. Winifred Skinner, Edward Gay, Dunellen; Mr. and Mrs. C. E. Patterson, LaVale; Mrs. R. C. Brown, Mrs P. E Chamberlain, Miss Mary Ann Chamberlain, Mr. and Mrs. David Chigos, Buckhannon, W. Va.; Dr. and Mrs. V. C. Cutright, Romney, W. Va

In Two Ways

Lesson for August 5, 1956

THE United States now has more drug addicts than all other western nations combined—sixty thousand. In the past three years the Federal Bureau of Narcotics has compiled a list of names and addresses of 30,000 known addicts, and the list is growing at the rate of a thousand every month. These and other facts were brought to light last January by a Senate Judiciary Subcommittee after seven months seeking the facts. Illegal dope traffic, they found out, has trebled since World War II. Whereas at the war's end there was one addict to every 10,000 persons, now there is one to every 3,000. Approximately 50% of all crime in our cities, and 25% of all crime in the nation at large, is traceable to drug addiction.

Dr. Foreman

How Does It Start?

The narcotics evil, like the alcohol evil, like most social sores, begins with the young people. If for one generation you could bring up children and young people with no knowledge of such things and no temptation to indulge, you would have dealt a heavy blow to those who traffic in these things. Nobody, no healthy boy or girl certainly, wants to be the sort of wretch Frank Sinatra played in "The Man with the Golden Arm," or the kind of persons you may find in the hospitals that try to do something with narcotics victims. But young people the traffic must have. Thirteen per cent of all dope addicts in the country are under 21. (These figures from TIME magazine for last Jan. 16.) Now, how does a boy or girl get started on the dope habit? How do they get started drinking? The other night a boy in his second stolen car for that night knocked in two store fronts and woke up in the hospital. His girl friend woke up next morning in jail. Both were about sixteen, both had been drinking—beer, she said. The question is, Why do they do it? What starts them off?

Letting Yourself Go

One answer given by young people themselves is that they are after thrills, "a kick." Just being young is not thrill enough, they have to jazz it up with alcohol or narcotics. Let yourself go! they say to themselves. Go on, faster, faster; when all the thrill nature provides are stale, then go after the artificial jolts you can get from a bottle or a hypodermic syringe. This is not all the fault of young people. Older people often lead them astray. Even teachers may do it, for there is a philosophy of education that says, in effect, that a child must never be made to do what he doesn't want to do. "What I want" is supposed to be the key to happiness. Now this is precisely the opposite of the Christian way of living. Self-control, **not** letting yourself go, is always a mark of the Christian life in every New Testament description of it. Life without inner control is not only a weak life, it is headed for a crash.

Who's to Blame?

Sometimes the blame for young people's downfall is not to be laid at the door of the traffickers in drugs. Parents themselves who have never said "No" may be to blame. Some years ago a school for girls received this letter from a wealthy woman: "My daughter has always been spoiled and given as much money as she could spend. She is sixteen years old and I'm afraid has the wrong view of life . . . I don't think her companions are just the right sort either . . . I shall try very hard to have her wardrobe proper although it will be extremely difficult because she has always had very expensive and extremely fancy clothes. . . . Please advise as to what subjects she had better take up. If either Latin or domestic science can be taken I prefer D.S. because she knows very little about cooking. I am very glad the girls are requested to keep their rooms in order . . . It is my wish that my daughter becomes what a real American girl should be, a perfect wife and mother, and under your care I hope she will come home to us a different girl." Do you think she did? Do you think she could have? If you had been in charge of that school, would you have accepted this girl? If she finally turned out to be an alcoholic or a narcotic drug addict, whose fault would it have been? The Christian Way is the harder road—till you get to the end!

No Nagging Backache Means a Good Night's Sleep

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation ...with that restless, uncomfortable feeling.

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys — tending to increase the output of the 15 miles of kidney tubes.

So if nagging backache makes you feel dragged-out, miserable, with restless, sleepless nights, don't wait, try Doan's Pills, get the same happy relief millions have enjoyed for over 60 years. Ask for new, large, economy size and save money. Get Doan's Pills today!

More Success By Fishing Deep

Fishing success declined during the past week, according to Scott Kennedy, creel census taker, and Sigurd Brantingson, regional fish culturist, who have been issuing a weekly fishermen's news bulletin of Deep Creek Lake. They point out that a few good catches are still being made by fishing deep.

J. R. Klimo, of Pittsburgh, caught a 27-inch northern pike on July 22 at Penn Point. Marie Grimes, of Baltimore, caught a small mouth bass 19½ inches long and weighing three pounds, on July 26th at Shingle camp, in fifteen feet of water. Fred Friend, of Deep Creek Lake, had the biggest large mouth bass of the week. It was 20 inches in length and weighed four and three-fourths pounds. It was caught in the Green Glade section.

Observe Golden Wedding

Mr. and Mrs. H. W. Forman, of Aurora, W. Va., celebrated their 50th wedding anniversary on Sunday, July 22, at their home.

Approximately 75 guests attended.

Mr. and Mrs. Forman were married July 22, 1906, by the Rev. W. H. Berry, Lutheran minister at Aurora. Anna Wotring was her sister's bridesmaid and Harley Forman served as his brother's best man.

Mr. and Mrs. Forman resided at Amboy, W. Va., for six years, then moved to a farm at Aurora where they have lived since. Mr. Forman taught school for 14 years. He served several years as member of the Board of Education. He was selected as Buckwheat King for the buckwheat Festival for the years 1953 and 1954.

The Formans had five children, Mrs. Violet Bowser, Oakland; Mrs. Mellie Friend, College Park; Mrs. Eileen Slaubaugh, Beltsville; Mrs. Dove Stemple, Aurora; and Ralph Forman, deceased. They have six grandchildren.

The Polish Uprising

Food, the staff of life—or more precisely, the lack of it—was the springboard for the recent insurrection at Poznan, Poland. The inadequacy of food is a problem which has long plagued the Communist world. Until food supplies can meet the needs—something more than a meager bill of fare—of the Iron Curtain, the Kremlin manipulators face a major dilemma. The history of communism is filled with instances of agricultural innovations. The now forgotten Russian five year plans to the contrary, these experiments have not brought the desired measure of stability and sufficiency.

Probably the most notorious illustration of the manner in which the Soviets have in the past handled this problem of inadequacy was the "man-made famine" engineered in the Ukraine during 1932-33, to force collectivization (state control) on the Ukranian farmers. It is difficult to estimate the number who starved as a result of this famine, but it was between 4.8 and 6 million people.

A unique solution indeed to a difficult problem — destroy the people and the dilemma takes care of itself. The mastermind of this diabolic "famine" of 1932-33 became known as the "hangman of the Ukraine." He is the same Khrushchev who today masterminds the international communist conspiracy, and who today endeavors to persuade the free world that he is a person of good will. From late reports apparently only vast quantities of vodka will still Khruschev's persistent nightmares of these mass murders.

It has been suggested that the Poznan uprising was similarly engineered to accomplish some devious communist purpose. Certainly such a presumption would be in keeping with the duplicity of this foul conspiracy. But, it might be more logical to assume that this was symbolic of a growing unrest among all oppressed people behind the Iron Curtain. It might conceivably trigger a renewed groundswell of hope for the liberation of these enslaved nations. To that worthy end, our Government and our allies must stand firmly with the courageous people of Poland.

Anthony T. Bouscaren, Director of the Political Science Department of Marquette University, reflects public opinion on this issue when he says:

"Our foreign policy theme must be liberation from communist tyranny, and opposition to a world half slave and half free. If the peoples behind the Iron and Bamboo Curtains know for a certainty that we stand on their side, without compromise, the forces which caused Khrushchev to denounce Stalin will grow, and revolts on the East German (and now Polish) pattern will become a possibility. And this time we must be prepared to act."

MARRIED

Renn-Bosley— Miss Shirley Ann Bosley, daughter of Mr. and Mrs. Evers O. Bosley, Gormania, W. Va., and William Renn, son of Mrs. Harry L. Rubenstein, Mt. Lake Park, and Roscoe Renn, Bayard, W. Va., were married Saturday, July 14, in the Presbyterian church at Gormania. The double ring ceremony was performed by Rev. James O. Yount, pastor.

The altar was decorated with candelabra, assorted flowers and the open Bible.

Preceding the service, organ selections were played by Miss Nancy McGihoney, of Flemingsburg, Ky. Miss Jenny Lynn Shaffer, Bayard, sang, "Because," "I Love Thee," and "O Perfect Love."

Miss Ann Dilgard, Oakland, an aunt of the bride, sang, "The Lord's Prayer," while the couple knelt at the altar.

The bride, given in marriage by her father, wore a floor length gown of white nylon embroidery over taffeta with a three quarter length sleeved jacket. A tiara of seed pearls held the finger-tip veil. She carried a white Bible with a white orchid and a shower of white satin streamers with sweetheart roses.

Mrs. Lois Seal, Baltimore, sister of the bride, served as matron of honor. She wore a floor length gown of pastel green organdy with matching net tiara. She carried a colonial nosegay of carnations and pink roses.

The bridesmaids, Elizabeth Dilgard, Gormania; Joan Menke, Cumberland, and Joan Weatherholt, of Baltimore, were attired in floor length gowns of orchid organdy, fashioned in the style of the matron of honor's gown, and matching net tiaras. They carried colonial nosegays of carnations and yellow roses.

The flower girl, Donna Sue Bosley, niece of the bride wore a pastel green organdy gown and carried a colonial nosegay of pink carnations.

David Rubenstein, brother of the groom served as ring bearer.

Kenneth V. Bosley, of Baltimore, brother of the bride, was best man. Donald Williams, of Morgantown; George Durst, Washington, and Philip Shutz, Bridgeport, W. Va., served as ushers.

Mrs. Bosley, mother of the bride, was dressed in rose flowered nylon with silver background, white accessories and her corsage was of pink rose buds. Mrs. Rubenstein's dress was of yellow crepe with navy blue and white accessories. Her corsage was of yellow rose buds.

A reception was held in the home of Mr. and Mrs. Blaine Durst. The decorations were white wedding bells with white satin streamers.

The bride was graduated from Bayard High school in 1952, attended Potomac State, Keyser, W. Va., and West Virginia University. She was graduated this spring with a degree in music. She is presently doing graduate work at the University and will teach in Bayard High school this fall.

The groom was graduated from Thomas High school in 1949 and attended Berea College, Kentucky, the following year. He spent four years with the U. S. Air Force and re-entered West Virginia University. At present he is employed by Christopher Coal company, Morgantown, W. Va. He will return to the university this fall to complete his degree in engineering.

Guests from a distance included Mrs. Ruby Rubenstein, Mrs. Kenneth Rubenstein, Molly and Lila Schilansky, Mary Ann Congley, Mrs. Jack Leshin and sons, of Storm, W. Va.; Mr. and Mrs. George Harding and daughter, Elk Garden, W. Va.; Mrs. Edith Bosley, Maysville, W. Va.; Miss Barbara Bobo, Washington; Mr. and Mrs. Harry Rubenstein, son and daughter, Mt. Lake Park; Mrs. Peter Huffman, Dayton, O.; Mrs. Calvin Sherman, Warren, O.; Mr. and Mrs. Donald Williams, Morgantown, W. Va.

Floods along tributaries of Potomac River closed highways and halted trains in Maryland last Friday.

MRS. BENEDICT C. KOWALCZYK

The bride is the former Bertha Jean Friend, daughter of Mrs. Arch Chase Friend and the late Mr. Friend, of Friendsville, who was married June 2, 1956, at the Holy Rosary Church of Baltimore, to Mr. Benedict Cosimir Kowalczyk, son of Mr. and Mrs. Benedict Kowalczyk, of Baltimore.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to all our friends and neighbors for their kindness and helpfulness following the death of our mother, the late Mrs. Dennis Brenneman.

We wish to thank all who gave flowers and contributed the use of their automobiles for the funeral service.

Sons and Daughters

IN MEMORIAN

In memory of Juniper S. Teats, who passed away August 7, 1955.
How I miss you, darling husband,
No one knows the pain I've suffered
Since I lost you, life will never be the same.
In my heart your memory lingers,
sweetly tender, fond and true.
There is not a day, Dear, that I do not think of you.
Your departure was so sudden,
that it almost broke my heart.
I could hardly believe it, Dear, you and I would have to part.
The world is just as dark and lonely for your memory never fades.
I miss you now as I did, one year ago today.

Sadly missed by his Wife,
Son and Family

—Adv. 23-1t.

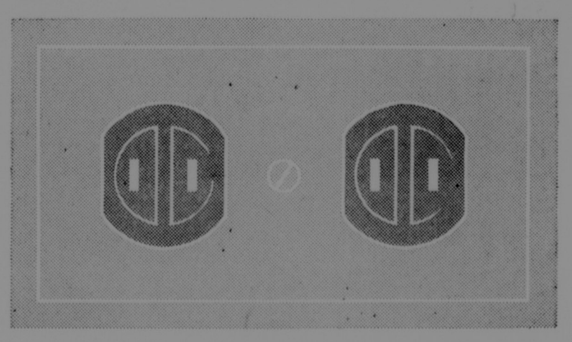
Electric Companies to double supply of electricity by 1965



When you buy another appliance, or your family increases, you need more electricity. And it's always ready and waiting at the end of the wire.

That's because America's more than 400 independent electric light and power companies can plan and build ahead for your future needs. They don't have to wait for an act of Congress or for tax money from the Treasury.

Right now, these companies are building dams and power plants and such at the rate of more than $2 billion a year with money from millions of investors. This is one of the important reasons why you get the best and the most electric service from independent companies like this one.

Number 4660 Equity, in the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Rosie Shreve, late of Garrett County, Maryland, deceased, situate in Election District No. 8, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Rosie Shreve.

The bill states:

That the said Rosie Shreve, late of Garrett County, Maryland, deceased, was during her lifetime seized and possessed of a certain parcel of land situate in Election District No. 8, Garrett County, Maryland, containing 68 acres, more or less, excepting all coal, and being the same which was conveyed by Elliott C. Harvey et ux to Rosie Shreve, by deed dated August 4th, 1923, and recorded in Liber E.Z.T. No. 86, folio 34 etc., one of the Land Records of Garrett County, Maryland, a certified copy of which said deed is filed therein marked "Plaintiff's Exhibit A"; that while so seized and possessed of said real estate, said Rosie Shreve departed this life intestate on June 17th, 1955, leaving surviving her as next of kin the following heirs at law, to whom the said real estate descended, viz: Melvin Shreve, a son, intermarried with Gracie Shreve; Otis Shreve, a son, intermarried with Virginia Shreve, all of Garrett County, Maryland; Benjamin Shreve, a son, single, of Prince George's County, Maryland; Arnold Shreve, a son, single, of Grant County, West Virginia; Audrey Shreve Riley, a daughter, intermarried with Junior Riley, of Preston County, West Virginia; Salem Shreve, Jr., a son, intermarried with Laura Shreve, of Garrett County, Maryland; Oliver Shreve, a son, intermarried with Carlene Shreve, of Bibb County, Georgia; Lonnie Shreve, a son, who intermarried with Ocie Shreve, of Preston County, West Virginia; the children and heirs at law of Bessie Shreve Kesner, a daughter, who was survived by her husband but who predeceased her mother, said Rosie Shreve, viz: Lila Arbutus Kesner, a daughter, single, of Baltimore City, Maryland; William Kesner, a son, single, whose whereabouts are unknown; the children and heirs at law of Ernest Shreve, a son, who is survived by his wife but who predeceased his mother, said Rosie Shreve, viz: Wilma Shreve Friend, intermarried with Stanley B. Friend, of Garrett County, Maryland; Helen Shreve Ackerman, intermarried with Ernest W. Ackerman, of Hamilton County, Ohio, all of whom are of full age; Ervin Franklin Shreve, single, an infant, of Lorraine County, Ohio; Barbara Shreve Snyder, an infant, intermarried with Everett R. Snyder, of full age, of Preston County, West Virginia; Floyd Wayne Shreve, single, an infant; Samuel Ernest Shreve, single, an infant, both of Garrett County, Maryland; it is not known to your orator whether the said Rosie Shreve left any other heirs, who, if living, would be a proper party to this cause of action; that Rosie Shreve did not leave any personal estate and there has been no administration, but the estate of Rosie Shreve is indebted unto the Garrett County Welfare Board in the amount of $1,525.40, which will appear by reference to the stated thereto attached marked "Plaintiff's Exhibit B."

The bill then prays for a decree for the sale of said real estate for the payment of the claims of The Garrett County Welfare Board and those other unsatisfied creditors of said Rosie Shreve and for general relief, and for an Order of Publication against the said Arnold Shreve, whose address is Gormania, West Virginia; Audrey Shreve Riley and Junior Riley, her husband, whose address is Newburg, West Virginia; Oliver Shreve and Carlene Shreve, his wife, whose address is 3835 Antioch Road, Macon, Georgia; Lonnie Shreve and Ocie Shreve, his wife, whose address is Terra Alta, West Virginia; William Kesner, whose whereabouts are unknown; Helen Shreve Ackerman and Ernest W. Ackerman, her husband, whose address is Madeira, Ohio; Ervin Franklin Shreve, infant, whose address is Wellington, Ohio; Barbara Ellen Snyder, infant, and Everett R. Snyder, her husband, whose address is Eglon, West Virginia, all of whom are non-resident defendants and against all other heirs of said Rosie Shreve, giving them notice of the object and substances of this bill of complaint and warning them to be and appear in this court on some certain day to be named therein, either in person or by solicitor, and show cause, if any they have, why the prayers of said bill of complaint should not be granted your orator as prayed.

It is thereupon this 27th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 31st day of August, 1956, give notice to the said absent defendants, Arnold Shreve, Aubrey Shreve Riley and Junior Riley, her husband; Oliver Shreve and Carlene Shreve, his wife; Lonnie Shreve and Ocie Shreve, his wife; William Kesner, Helen Shreve Ackerman and Ernest W. Ackerman, her husband; Ervin Franklin Shreve, Barbara Ellen Snyder and Everett R. Snyder, her husband; and all other heirs of Rosie Shreve, warning them to be and appear in this Court in person or by solicitor, on or before the 15th day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

No. 4651 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Wilson L. Camden, late of Garrett County, Maryland, deceased, situate in the Town of Mountain Lake Park, Election District No. 16, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Wilson L. Camden.

The bill states:

That the said Wilson L. Camden was, during his lifetime, seized and possessed of Lots Nos. 1301, 1305, 1307 and 1303 and also one triangular Lot on the West side of O Street, all in Mountain Lake Park, improved by a two-story frame dwelling, and being the same which was conveyed to Mary M. Camden, wife of Wilson L. Camden, by deed from DeWarren H. Reynolds and wife, dated June 28, 1912, recorded in Liber E. Z. T. No. 67, folio 127, the said Mary M. Camden having died intestate on November 23, 1941 and the said Wilson L. Camden having inherited a one-third interest in said land as surviving spouse, the remaining two-thirds interest the said Wilson L. Camden having acquired by deed from Paul Murkland et al., the remaining heirs of Mary M. Camden, dated September 7, 1950, and recorded in Liber R. L. D. 161, folio 556, all references being to the Land Records of Garrett County; certified copies of both deeds are filed with the Bill; that while so seized and possessed of said real estate, the said Wilson L. Camden died on April 24, 1955, intestate, leaving surviving him as his only next of kin and heirs-at-law, five first cousins once removed, they being Camden Ramsburg, Jr., of 115 3rd. Street, Frederick, Maryland, whose wife is Ingebord Ramsburg; James Taney of 212 High Street, Salem, Virginia, whose wife is Carrie Taney; Samuel F. Hollifield, who has since departed this life, leaving as his only heir-at-law, his daughter, Frances H. James, widow, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, widower, 2109 Garrison Blvd., Baltimore, Maryland, and James Hollifield, whose last known address is Baltimore, Maryland, and whose present whereabouts and marital status are unknown; that all of said defendants are of full age; that Wilson L. Camden left a personal estate in the amount of $749.42 which amount, after payment of expenses of administration and inheritance taxes was sufficient to pay the complainant only $261.22 out of the total amount of his claim for services, $690.10, and is likewise insufficient to pay the claims for past due real estate taxes, medical and nursing services rendered the decedent as well as other creditors; that a certified copy of the "First and Final Accounting" and a copy of the "Passed Claims Docket" in the Estate of Wilson L. Camden, Orphans' Court for Garrett County, Estate No. 3073, is filed with said Bill.

The Bill then prays for a decree for the sale of said real estate for the payment of the claim of the complainant and the other unsatisfied creditors of Wilson L. Camden and for general relief.

It is thereupon this 3rd day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 3rd day of August, 1956, give notice to the said absent defendants, Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, James Taney and Carrie Taney, his wife, Frances H. James, William J. Hollifield, James Hollifield and the heirs of Wilson L. Camden, warning them to be and appear in this Court in person or by solicitor, on or before the 18th day of August, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

No. 4655 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the appointment of a receiver for the real estate in which Nathan Ernest Selby has an interest, situate in Election District No. 2, Garrett County, Maryland.

The bill states:

That Nathan Ernest Selby was formerly a resident of Election District No. 2, Garrett County, Maryland, and maintained a domicile therein; that the said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 117 acres, more or less, and being the same as conveyed by Nathan R. Selby et ux to said N. Ernest Selby by deed dated December 2nd, 1926, and recorded in Liber E. Z. T. No. 95, folio 110 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit A"; that said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 40 acres, more or less, and being the same as conveyed by James B. Frantz et ux, to said Ernest N. Selby and Lizzie M. Selby, his wife, by deed dated May 23, 1938, and recorded in Liber A. G. R. No. 117, filio 470 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit B"; that said Nathan Ernest Selby has disappeared and has been absent from his place of residence since on or about July 28, 1948; that although Elizabeth Marie Selby is married to Nathan Ernest Selby and has made diligent inquiry as to his whereabouts, she has not heard from the said defendant since the year 1950, when she received a card from the said defendant and cannot determine where he is residing or whether he is living or not; that in the event Nathan Ernest Selby is deceased, he would be survived by his wife, said Elizabeth Marie Selby, and the following children and heirs at law who would have an interest in the property described in paragraph two, viz: N. Ross Selby, a son, who intermarried with Pauline E. Selby; Lawrence E. Selby, a son, who intermarried with Esta Selby; Frederick Selby, a son, who intermarried with Betty Selby; Richard Selby, a son, who intermarried with Jean Rush Selby; Fern Selby Linninger, a daughter, who intermarried with James Linninger, all of whom reside in Garrett County, Maryland; Leona Selby Lefferts, a daughter, who intermarried with Carl Lefferts, who resides in Union County, New Jersey; Clyde Selby, a son, who intermarried with Jean Savage Selby, who resides in Baltimore City, Maryland; Glenn D. Selby, a son, who intermarried with Patricia Selby, who reside in Fairfax County, Virginia; Robert Selby, a son, who intermarried with Bessie Selby, who reside in Baltimore City, Maryland; Dorothy Selby Friend, a daughter, who intermarried with Walter Friend, who reside in Garrett County, Maryland, and all of whom are of full age; that should said Nathan Ernest Selby be deceased, the property described in paragraph three of Bill of Complaint would be vested completely in Elizabeth Marie Selby as the surviving tenant by the entirety; that Nathan Ernest Selby has not provided for the maintenance and support of Elizabeth Marie Selby since his disappearance on or about July 28th, 1948, and your oratrix is in need of medical attention and has no income or means of support other than her interest in the property and land described in Bill of Complaint; that State and County Taxes for years 1955 and 1956, on the described property are not paid and the oratrix does not have any means of paying the same.

The bill then prays for a finding of the disappearance and absence of the defendant, Nathan Ernest Selby; that a receiver be appointed to administer the said property as an equity receivership under the provisions of Section 300 (2) of Article 16 of the Annotated Code of Maryland (1951 Edition); that the children of the oratrix and Nathan Ernest Selby and their respective spouses be made parties to this suit; for such and further relief as her case may require, an order of publication against Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby.

The plaintiff then obtained an order on July 17, 1956, of the Circuit Court for Garrett County, Maryland, sitting in Equity, that the children of Elizabeth Marie Selby and Nathan Ernest Selby and their respective spouses be made parties of this cause of action unless cause to the contrary be shown on or before the 20th day of August 1956, provided a copy of Bill of Complaint be served upon them on or before the 1st day of August, 1956, or should any of them be non-residents of the State of Maryland, an Order of Publication be published in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 20th day of August, 1956.

It is thereupon this 17th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff, by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 17th day of August, 1956, give notice to the said absent defendants, Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby, warning them to be and appear in this Court in person or by solicitor, on or before the 1st day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

Henry Schmidt Rites

Funeral services for Henry A. Schmidt, of Altamont, were held last Friday afternoon from the Mt. Bethel church with Rev. Homer Shaffer, of Crellin, in charge, assisted by Rev. Blair Burr, of Mt. Lake Park. The sermon was preached by Rev. George Simpson, of Elkins, W. Va.

Four nephews, Walter, Albert, Edward and Karl Kahl, and two grandsons, Luther and Arthur Walter, acted as pallbearers. Honorary pallbearers were M. W. Laffey, of Piedmont, W. Va.; G. O. Sweitzer, Fairmont, W. Va.; F. A. Gates, of Cresaptown; and C. D. Rasche, of Oakland.

Among those attending from a distance were Mr. and Mrs. Zeno Upole, Pittsburgh, Pa.; Mr. and Mrs. Luther Walter, Baltimore; Mr. and Mrs. Clarence Tasker, Fairmont; Mr. and Mrs. Herman Walter, Baltimore; Ruby Kay Rasker, of Washington, D. C.; Mrs. Nellie Harvey, Cedar Falls, Iowa; Mr. and Mrs. Phil Lowe, Wilmington, Del.; Mrs. John Gross, College Park; Mrs. Denzil Poling, Washington; Walter Kahl, Pittsburgh; Robert Schmidt, of LaCrosse, Wisconsin.

Interment was in the Deer Park cemetery.

CARD OF THANKS

Words are inadequate to express our deep appreciation for the many expressions of love and helpfulness during the illness and following the death of our father, the late Henry A. Schmidt.

To doctors, nurses, ministers, neighbors, friends, and all who helped in any way we say a heartfelt "Thank You."

Congressman De Witt S. Hyde - 6th District, Maryland

Even in the rush to adjourn it is worthwhile to pause and remember the nature of our government. We, both as citizens and as members of the federal government, tend at times to overlook the essential nature of our government—that it is composed of three separate and independent branches.

The constitutional grant of powers to the Congress mark the limits within which, with few exceptions, all the branches of the government must move in the discharge of their respective duties. But here the power and the authority of a member of Congress ends. A Senator or Representative has no legal authority in the administration of the laws.

It is important to remember that the Constitution specifically states that the power and authority of the government comes directly from "we the people." And in the granting of power to the national government, the people retained certain basic rights. History records many incidents where a people have voted away protection of these basic rights without hesitation, yet they would bitterly have fought anyone who attempted to take away these rights by edict or force.

The people must be careful that in their efforts to correct some apparent injustices they do not vote away more freedom, or rights, than they preserve.

In the closing days of this Congress many items of general interest to the Sixth District are ready for final consideration. Among them are the Social Security amendments, improvement in both federal employee and railroad retirement legislation, a new dental research center at Bethesda's National Institute of Health; also, the measure which would eliminate the 10% tax on admissions of $1 or less; the last of the supplemental appropriations bills which contains funds for projects under the Water Pollution Act.

On My Calendar: Business of the House permitting, I plan to attend and to speak at the Montgomery County Post, Veterans of Foreign Wars, installation of officers on Saturday, July 28, at the Bethesda Women's Club.

World War II GI bill that gave training to veterans, ended July 25.

CARD OF THANKS

We desire to express our sincere thanks and appreciation to all our friends and neighbors for their kindness and helpfulness during the illness and following the death of our husband and father, the late Marshall Friend.

We also want to thank Rev. Carroll Skipper and Rev. Gail Hixon for their comforting words, and all who gave flowers and contributed the use of their automobiles for the funeral service.

Tempered nylon is the strongest cord ever developed for tire bodies—pound for pound, stronger than steel.

Gates *pioneered* in the tempering of Nylon for tire cord use.

Now—to put greater safety within the reach of thousands more drivers—Gates presents the Gates Air-Float Deluxe, a top quality all-nylon cord tire with cold rubber tread *at the price of rayon cord tires*

For the first time—the far greater safety of NYLON is brought within pocket-book reach of nearly every car owner.

Commercial airline planes land on NYLON cord tires

Every minute, every day, giant airliners all over the world land and take off on *nylon* cord tires—proof that nylon provides greater safety than any tire cord yet developed.

You are far safer on NYLON

Even the severest impacts—hitting fallen rocks, bricks, curbs and chuck holes at high speed—have failed to blow out Gates Nylon Cord Tires. THAT is the kind of protection you get with Gates all-new, 1956 tire—Gates Air-Float Deluxe.

Now is the time to equip your car for greater driving safety . . . for a long, long time ahead.

NYLON RESISTS IMPACTS of all kinds... actually it is 2½ to 3 times more resistant to bruises and bruise-blowouts from shocks like these...

Ray of Sunshine . . .

There's a ray of sunshine this week which has nothing to do with the weather. This ray of sunshine has to do with the economic future of Garrett county.

Although it is a little too early to shout with joy, we can at least register a broad grin. For Oakland is about to get a poultry processing plant that will employ up to 100 persons, that will bring in annually a payroll of perhaps $200,000, in addition to an original investment of about $300,000 in construction of the building.

The real honest to goodness announcement of the company is lacking, but only because a few minor details have not yet been worked out, the concern is unwilling to lay claim to anything that is not actually in the bag and down on paper in black and white.

What makes this concern appear the more valid and down to earth type is the fact that it is not asking for anything. True, the ground was confributed through the generosity of Carl and John McIntire, former Oakland residents, but otherwise the building will be financed by the company and it is asking no special concessions. Many times the fly-by-night industries gouge the life out of a town before they promise to locate there, and then there is danger that even after all stipulations are met, the company will move out within a period of six months.

But this concern that is preparing to move into this area is far from that type. It is part of a concern that has opertions in several states and it bears its full share of the load.

Just what a steady payroll of one hundred persons in the town of Oakland will do for its economy, we are unable to visualize at the moment, but it is bound to be tremendous.

Still, we cannot lose sight of the fact that our basic economies are still agriculture and recreation, and anything that is done to increase the valuation of property along these lines must not be pushed aside. Roads around the lake, for instance, will provide a substantial return on the investment. Every cottage that is built on the lake provides an increase to our assessable basis.

So all of these things must be considered in our overall economy. We look forward with very great pleasure to the completion of our first major industry here. But we want also to keep in mind our other assets and not allow them to be by-passed or forgotten. All can work together for increased prosperity for the mountain top.

WHAT'S IN A NAME?—In this case, the names of H. D. Swartzentruber and Joseph Welch are worth half a million dollars. Swartzentruber, foreground, president of the Board of County Commissioners, and Welch, county treasurer, are shown this week, pen in hand, validating the bond issue to be used for construction of two elementary schools. The bonds shown here will be turned over to a group of Baltimore investment bankers which purchased the $500,000 issue.

Another Oakland Flood Is Averted

High Water Causes Anxious Moments For Local Business People

The raising of the level of Fourth street, to permit the formation of a backwater, was credited with again averting a flood in the town of Oakland on Sunday evening.

Within a twenty-four hour period, 3.7 inches of rain fell in the Oakland area and created many anxious moments, particularly for the business people of the town. The water rose to a point where Third street was being flooded when the Oakland firemen were called to assist merchants when it was felt that a flood was inevitable. However, the water remained at that level and then gradually began to recede.

A new threat was presented the next morning when the Little Youghiogheny river rose to flood stage and started backing waters from Wilson creek into the town. However, this threat did not materialize either and the only damage to the area was a number of flooded cellars.

The storm on Sunday evening was one of the most severe seen here in a long time and was so intense that motorists were compelled to wait until the storm was over before proceeding. Hail as large as marbles and bigger fell in the Deep Creek Lake area and the torrential downpour in that section increased the height of the lake until it was three tenths of a foot from going over the spillway. Only once before since the completion of the dam, has water ever gone over the spillway, as it is the policy of the Pennsylvania Electric company to see that no water is wasted. All goes through the tunnel to the power house and is thus

Turkey Festival Is Well Attended

About seven hundred persons attended the third annual turkey festival dinner at Northern High school last Saturday evening.

Sponsored by the Garrett County Turkey Growers and their wives, the affair was attended by persons from points in Maryland, Pennsylvania, West Virginia, Ohio, Virginia, Delaware and Washington, D. C.

Assisting the turkey growers were Mrs. McIlwee, Cumberland; Mrs. Edgar, Grantsville; Mrs. Ringer, of Cove and others. Dinner was served cafeteria style with 4-H girls assisting. Music was furnished by record player and the Bittinger Mountainairs.

Fresh, frozen and smoked turkeys were on display and sold. George Beal, Markleton, Pa., was awarded the door prize of a fresh frozen turkey.

Football Practice To Get Under Way Aug 15 at Southern

Richard Travis, new football coach at Southern High school, today issued a call for all boys in grades nine through twelve, who are interested in football, to report to the Southern gym at 9 a. m., Wednesday, August 15.

Coach Travis indicated that each boy should bring a towel, gym shorts, tennis or football shoes to this first practice. He also stated that the boys should begin getting ready for practice by following the exercises given to them by their former coach, James DeMoss, who resigned to accept a position in Montgomery county.

Two practices will be held daily until the beginning of school. Morning practice will last from 9 o'clock to 12 o'clock. The afternoon sessions will get underway at 2 p. m. and finish at 5 p. m.

The first morning meeting will be primarily one of organization. Policies governing athletics at Southern will be outlined. A new insurance policy which will pay all expenses to $2500 will be explained. A physical examination, which is a basic requirement before any student can participate in sports at the local school, will also be given that morning.

Both Mr. Travis and Kenneth Johns, principal, stated that as many boys as possible should turn out. If a sufficient number of boys report, efforts will be made to form a Junior Varsity squad which would play two or three games during the coming season.

Assisting Mr. Travis will be Carlton Hogue and Carl Schoonover, physical education instructors, who assisted DeMoss last year.

Football practice at Northern High school, at Cove, also will start on Wednesday, August 15, at 9 a. m., it has been announced. Dr. Arthur Jones, county health officer, will be there to give physical examinations.

All boys interested in participating in the sport are urged to report at that time.

School Bus Inspection Set For August 20-21

The first annual school bus inspection was set for Monday and Tuesday, August 20 and 21 by Willard L. Hawkins, county superintendent of schools.

Monday, August 20, Grantsville, 9 to 11 a. m.; Friendsville, 12 to 12:30 p. m., and Accident Elementary, 1 to 2 p. m.

Tuesday, August 21, Oakland, at Southern High, 8:30 to 11 a. m.; Rohrbaugh's Filling station, 12:30 to 1; Bloomington school, 1:30 to 2.

Bus operators were being asked to have their equipment at one of the inspection centers. All buses are to have buzzer equipment installed prior to the inspection.

Watershed Project Result Uncertain

The Little Youghiogheny watershed project has come to an uncertain ending, according to word received from Congressman DeWitt S. Hyde, by the Mayor and Town Council of Oakland.

Congress required that the project be submitted fifteen days prior to adjournment, in order to make it legal. Providing there was no objection the project would then have automatically become effective.

But the project was not entered on the journal until July 16 in one division of Congress and July 17, in the other, which meant that the fifteen-day waiting period could not be completed before Congress adjourned.

However, Mr. Hyde said a watershed bill, H.R. 8750, was passed, a section of which would eliminate the fifteen-day waiting period. If the president signs the bill the watershed program will be saved.

However, the Department of Agriculture has rendered an adverse report on the legislation, he said, and its final outcome is uncertain.

The original watershed project was one entered into jointly by the Mayor and Town Council of Oakland and the County Commissioners, for the construction of several small dams on the Little Youghiogheny river and its tributaries, to prevent floods in the business district of Oakland. The two agencies had agreed to provide $40,000 toward the total cost and the federal government was to provide the balance of several hundred thousand dollars.

Rocca Certain To Appear Here Aug. 22

Wrestling enthusiasts were being assured here this week that Antonino Rocca, well known television wrestler, of national prominence, would be on hand for the show at the Deep Creek Speedway at McHenry, August 22, unless he had a broken leg or was so ill he couldn't walk.

This assurance was being given out by Phil Zacko, representative of Ed Conto's office, and under authority of the Maryland State Athletic commission, who was in Oakland early this week making final arrangements for the show.

He said he had heard expressions of doubt as to whether or not Rocca actually would show up. "People can't figure," he said, "why a personage so well known as Rocca would want to perform in a small town." Zacko pointed out that Rocca had a liking for small communities and would rather wrestle there than in big auditoriums.

Zack said he had Rocca under contract and most certainly would make his appearance at McHenry on the scheduled performance date.

He is set to wrestle "Wild Man Fargo" in the main attraction. Supporting the match will be two of the top lady wrestlers, Slave Girl Moolah and Pat Sherry which will be a best two out of three falls. Also on the program will be Harry Lewis vs. Bolo Hakwa, and Buddy Lee vs. Zebra Kid.

Reserved seats are $2.50. General admission is $1.50 with children under twelve being admitted for fifty cents.

"Angel Street" Is Next Play Offering

"Angel Street," by Patrick Hamilton, listed as a psychological and spine-tingling drama, will be the seventh play to be offered by the summer theatre players at the Garrett County Playhouse at the former Arden Boat club at McHenry. This will be presented next Tuesday through Saturday, August 14 to 18.

The cast for this play is limited to five with Helen Page Camp taking a serious female role. She will be supported by Leonard Drum, Suzanne Oglesby, Bonnie Barton and Tom Calkins.

The play, "The Tender Trap," will be repeated tonight, tomorrow night and Saturday night. The shows were attracting the usual number of patrons with 127 present the first night. Last week's performance was topped by an attendance of 224 on Saturday night which gave a week's total of 756. This number was expected to be surpassed this week.

The art exhibits in the lobby were continued this week with a selection of "monoprints" loaned by Prof. Alex Mesley, chairman of the Department of Art Education, University of New Mexico.

Noted Pianist Has Exceptional Career

Johana Harris, pianist, who will give a benefit performance in Southern High school gymnasium at Oakland, on Friday, August 31, has had a phenomenal career.

She began giving concerts at the age of six, at ten was graduated from the Canadian Conservatory of Music, and admitted to the Julliard graduate school at 12. At fifteen she was the youngest teacher in Juilliard history.

At seventeen she was featured on CBS Sunday night programs and at twenty won a scholarship to Hochschule, in Berlin, Germany.

At forty-three she comes to the area with over thirty-five years of concert, broadcasting and recording experience. She married the American composer, Roy Harris and is the mother of four children.

In describing her accomplishments, Rev. John J. Atwell, chairman of the Moose committee which is sponsoring the event, had the following to say: "Beginning as a virtuoso of the Romantics she has seen the tastes of the musical world deepen toward the Classics and broaden towards the moderns and she has matured with them. During her teens this pianist became absorbed with the beauties of chamber music. As accompanist for the master classes of Leopold Auer and Paul Kochanski she learned secrets of phrasing which were to make her famous as master of tone color. During the past twenty years she has become an outstanding interpreter of contemporary music which is an important part of her daily life. She has mastered the works written by Beethoven, Mozart, Chopin and Schumann. On short notice she can select from her reservoir of memorized music a program to suit the most sophisticated or naive audience."

The concert is under the auspices of the Civic Affairs committee of the Loyal Order of Moose.

Senator Friend Posts $1,000 Bond After Altercation

Warrant Sworn Out By County Roads Engineer Following Assault Saturday

State Senator Clifford Friend on Monday posted bond of $1,000 after he was charged with simple assault and battery following an altercation Saturday in which William Webb DeWitt, county roads engineer, was injured.

Stephen R. Pagenhardt, state's attorney, said that the warrant was sworn out by DeWitt and that the senator is scheduled to be given a hearing on August 13 before Trial Magistrate William O. Bitzer. At a preliminary hearing before Bitzer on Monday the bond was set, and going his bond were William Gibson, Cheston H. Browning and Kermit Glotfelty.

Mr. DeWitt was treated at Garrett County Memorial hospital in Oakland for a jaw injury. X-rays were taken to determine the extent of the injury. A local physician stated the X-rays showed the jaw had been broken.

Senator Talks Freely

Contacted at his home in Friendsville Senator Friend talked freely to a Cumberland newspaper reporter concerning his part in the matter. He said that he had engaged DeWitt in a discussion of a new road being built between Red Run and U.S. 219, near the Deep Creek bridge. The senator said he had been told the road, about five miles in length, was being constructed at a cost of about $300,000. Senator Friend said he told DeWitt that he thought construction of a roadway which would only benefit private property owners of lake frontage would cause the balance of the county roads system to suffer.

Later the Senator admitted that after talking with the County Commissioners that the $300,000 figure should have been reduced to $100,000.

The senator said that DeWitt called him several names and at that point "I struck him a light blow on the face." The senator admitted that DeWitt fell to the ground. He also said that he then walked away.

Sheriff Paul Fisher said he received a call from the hospital after DeWitt was brought to the institution. The sheriff said that DeWitt had been treated and discharged before he arrived at the hospital.

Dr. Kercheval Heads Buckwheat Festival

The Preston County Buckwheat festival will be held in Kingwood, W. Va., on September 27, 28 and 29, under sponsorship of the Kingwood Volunteer Fire Department.

Dr. P. E. Kercheval is the general chairman. He has been practicing dentistry in Kingwood since October, 1921.

Parks Commission Will Meet Here August 19-20

The Commission of Forests and Parks will have its regular meeting in Oakland on Sunday and Monday, August 19 and 20, at the William-James hotel.

Here for the meeting will be the members of the commission which include R. Brooke Maxwell, chairman; Paul B. Naylor, J. Wilson Lord, H. Lee Hoffman, Willis T. Hancock; also H. C. Buckingham, state forester; Joseph H. Kaylor, director of the Department of Forests and Parks; William A. Parr, superintendent of state parks, and two secretaries. Mr. Hancock, of Salisbury, is the new member of the commission, having been named to replace J. Miles Lankford, who died.

Improving After Accident

Earl Enlow, aged 67, was improving at the hospital yesterday following injuries sustained last Saturday while he was assisting Dr. F. D. Custer take down his radio antenna.

The antenna fell, striking Mr. Enlow on the head and arms, and he sustained a skull fracture, a broken right arm and a broken left arm. He remains a patient at the Garrett County Memorial hospital.

Sterling Processing Plant Will Be Located In Oakland Area

Official Statement Withheld By Company Until Final Details Are Worked Out; Will Be $300,000 Investment, Employing One Hundred

That the Sterling Processing Corporation would build a chicken and turkey processing plant just outside of Oakland, was announced this week by a local committee that had been working on the project for the past several weeks. Official announcement from the company was withheld, however, until all negotiations were definite and complete, which was expected to take another few weeks.

The new plant, Oakland's first major industrial installation, will bring employment for eighty to one hundred local residents and will substantially increase the number of contract chicken raisers in the tri-state area.

Construction of the new plant was scheduled to get underway in the very near future with partial operation expected for November 1. Well drillers are now at work on the property.

Five to six million chickens and turkeys will be processed by the new Sterling corporation plant of which some two and one-half million will be raised in the tri-state area under the increased operations with area raisers.

The new plant, which will be located just west of Oakland, across the railroad tracks from the Standard Oil company, will be erected on land provided to the new area enterprise by John and Carl McIntire, of Washington, formerly of Oakland.

The plant will be modern in design, built of concrete and steel, and will be 100 by 200 feet in size. It, along with processing facilities, will bring an investment of more than $300,000 to the Oakland area.

Employes of the new plant, most of whom will be hired locally, will be sixty percent female and forty percent male. A. D. Summers, J. E. Combs, and John Hardesty, all of Morgantown, have been carrying on negotiations for the plant for several weeks and are still at work on clearing up minor details of the program.

The employes will bring a payroll of between $160,000 to $200,000 to the Oakland area.

There are two affiliated concerns with the company, the Preston Poultry and Feed Corporation, and the Preston Feed corporation. The first has its own farms and is raising annually one million broilers and about 80,000 turkeys in the Masontown and Arthurdale, W. Va. areas. The second is contracting the raising of birds in the Petersburg, Mt. Storm and Oakland areas and is raising annually 800,000 chickens and 25,000 turkeys.

The company is within the frame-

Women's Market Reports on First Saturday Business

The first Saturday selling experience of the Rural Women's Marketing committee, was considered fairly successful by the participants.

Twelve women sold products of their own and in a few cases this included neighbors' items. There were 355 sales with total business of $228.04. Miss Ethel Grove, home demonstration agent, said many buyers complimented the group, the attractive packaging and the variety of products on sale.

Products on the market included garden fresh vegetables, peas, yellow and green string beans, squash, potatoes, cucumbers, corn, red raspberries, eggs, broilers, plate lunches, potato salad, jellied fruit, vegetable salads, turkeys, maple products, cakes, cookies, doughnuts, candy, rolls, shell craft, jellies, preserves, fire wood, woven rugs, and clean ironed feed sacks.

The second effort for the farm women will be this Saturday, from 9 to 3, in the Bowman boat barn at McHenry. Saturday sales will be continued through September 1. Those interested in joining the group are expected to tell a committee woman by Tuesday as to what they expect to sell.

Committee women include Miss Marie Bowman, McHenry; Mrs. Cecil Bittinger, Mrs. Harold Bittinger, Oakland; Miss Ida V. Engle, Mars Hill; Mrs. Leslie Guard, Friendsville; Mrs. Merrill Johnson, Gormania; Mrs. Clark Schlossnagle, near Hoyes; Mrs. Guy Stanton, Bittinger; Mrs. William Wildesen, Gormania.

Eisenhower appointed Dr. Leroy E. Burney to be Surgeon General of Public Health Service.

Hummel Is Winner of Oratory Contest

John Hummel, of New Germany, won the interstate F.F.A. public speaking contest held Tuesday night at an inter-city Rotary club meeting at Northern High school. He competed against contestants from Delaware and West Virginia.

His topic was "A Look at Artificial Breeding of Dairy Cattle," and his advisers were Lawrence Faith and Marvin Callis, vo-ag instructors at Northern High school.

West Virginia's representative was Glenn Whisler, Jr., University High, Morgantown, who spoke on "Farm Safety on the March." Delaware's representative was Allen Culver, of Laurel, and he spoke on "The Need for Soil Conservation."

Hummel had previously won a state-wide contest at College Park. At that time he was awarded $100 from the Future Farmer Foundation and the privilege of representing the state in the tri-state contest. He will now represent the tri-state in the Eastern States agricultural exposition at Springfield, Mass., in September.

John is an honor student at Northern High school.

Judges for the affair were George Mullan, Potomac Edison, Hagerstown; Ralph R. Webster, Allegany county superintendent of schools, Cumberland; John Dunn, representative of Frostburg State Teachers college; George Paxton, representative of Somerset County School Board, Meyersdale.

Allen Colebank, national FFA vice-president, gave the Rotarians a sketch of the history of FFA and revealed that 282 business organizations were interested in and donating to the Future Farmer Foundation.

About 110 members of the Oakland, Friendsville and Grantsville Rotary clubs attended the intercity gathering, held in the cafeteria of Northern High. Ross Speicher, president of the Grantsville club, was master of ceremonies.

Paul Muha, principal at Northern, explained the contest and introduced the contestants. Heading the Oakland group was Willard Hawkins, while Ralph Swauger, president, headed the Friendsville group. Rev. Edgar Suite, secretary of the Grantsville Rotary club introduced guests, Dr. S. E. Wicker, Lewistown, Pa.; Dr. Wilbur B. Mehring, Silver Spring; Rev. Sammy Sigler, DuBois, Pa.; Walter Kline, Frostburg.

May Lose Sight Of Eye

Glenn Dixon, about 33, may lose the sight of his right eye as the result of an accident at the Hawkinson Tread Service in Oakland Tuesday night about 9 o'clock.

The accident occurred when an air line broke and he was struck in the eye. He was rushed to Morgantown, W. Va., where he underwent an operation in a hospital there about 2 o'clock yesterday morning, but no definite report had been received as to the outcome.

Dixon is an employe of the Oakland Coca-Cola Bottling company and does part-time work for Hawkinson Tread.

Street Carnival Planned At Deer Park

The Deer Park firemen are planning a street carnival for August 15, 16, 17 and 18, at the firemen's lot in Deer Park.

Proceeds will go for the benefit of the Deer Park Community Volunteer Fire department. A parade is scheduled for Thursday evening, August 16, at 7 o'clock. There will be rides, concessions and other attractions.

To Attend Program

The Oakland congregation of Jehovah's Witnesses made preliminary plans this week to attend a three-day training session at New Eagle,. Pa

The object of the program, according to J. W. Weber, presiding minister of the group, is to equip every one in the practical use of the Bible as a means of fortifying the spiritual morale of people in this community.

S-Sgt. McKeon was ordered discharged in disgrace from Marine corps for death march that cost six recruits lives. He also got nine months in prison.

Training Camps In County Approved

The State Board of Welfare last Saturday approved location of two new forestry work camps west of Lonaconing and New Germany. Both camps, authorized by the 1956 General Assembly, will be on the sites of former CCC camps and both camps are located in Garrett county.

Since sewerage systems, wells and access roads exist at both locations, it was estimated that the two camps could be built and equipped for around $50,000. The camp near Lonaconing is expected to be in operation next April and the New Germany one next July.

Boys from the State's training schools will be sent to the camps to work under supervision of representatives of the Department of Forests and Parks five days a week. They will be paid 50 cents a day.

Thomas J. S. Waxter, director of the State Department of Welfare, said that 118 boys had worked at the Green ridge camp in Allegany county since it was opened a year ago. There are 31 boys there at present, and a staff of six.

The location of the camps in this area will make possible a useful forestry program, and economic conditions are such that there is greater chance of finding the necessary local staff there than in other parts of the state, it was pointed out. They also stated greater economy could be attained in staffing and equipping the three camps.

Little League Playoff Set For Friday Evening

The teams representing the Knights of Pythias and the Loyal Order of Moose in the Oakland Little League will have a playoff match tomorrow evening on the Little League field on Dennett road at 6:15.

These two teams earned the right to the playoff by winning the first and second half schedules of the regular season. The K. of P. won the first half with an 8-1 record while the Moose had a 6-3 record for the second half.

The K. of P. team, managed by John Criss, assisted by Ray McManis, will probably start John Prince at pitcher with Bennett catching. For the Moose the pitcher is expected to be either Wotring or Gonder with Weimer behind the plate. The Moose team is managed by George Stewart with Boots Wolfe assisting.

Last Friday the K. of P. topped the Legion 10 to 7, with Lawton as the winning pitcher. Jim Finch, Arnold, Frank Finch, Savage, Dintaman and Thayer got hits for the Legion while Foley and McManis had two, Kloepfel one and Lawton one for the K. of P.

On Tuesday the K. of P. team won over the Lions 8 to 6 with Getty the winning pitcher.

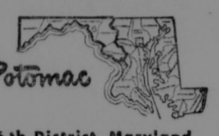
All twelve-year-old players are urged to be present for Friday's game to receive their Little League graduation certificates. In case of unfit grounds the game will be scheduled for Monday, August 13.

Bruised In Wreck

Capt. Arthur Calhoun and W. O. John Schaeffer, of the local national guard unit, were bruised and scratched but not seriously hurt while enroute to their encampment at Indiantown Gap, Pa., July 28.

The two were traveling in a jeep which collided with a tractor trailer. They were hospitalized at the camp on Sunday, July 29, but released.

Along The Potomac



Congressman DeWitt S. Hyde - 6th District, Maryland

Flood insurance is now the practical ally of flood prevention and control in the battle to minimize the devastating impact of floods. I believe that the Congress, in enacting a federal flood insurance program, has taken a laudable step forward in the difficult field of disaster insurance.

Congress has defined the term "flood" to permit insurance coverage for both coastal and inland areas. For us in Western Maryland the most important definition is that "flood" means "deluge, or the water component of any hurricane or other severe storm, (or) surface landslide due to excess moisture."

The Act provides for a federal insurance administration within the Housing and Home Finance Agency. It authorizes the new agency to reinsure policies written by private companies and to issue direct flood insurance. The insured would pay at least 60% of the estimated full premium on commercial property and the federal government would pay the balance. On policies covering private homes, if the Administrator so determines, the government could pay more than 40% of the premium.

Insurance available for one person is limited to $250,000 and the maximum coverage on a home is $10,000. Total risk to the government is set at $3 billion, but this might be raised to $5 billion with the approval of the President.

The Act also provides for loans to assist in the repair of flood-damage. These would be available to those who signed special flood-loan contracts in advance with the government. Loans would be limited to $250,000 per person.

A feature of the insurance program is the application of the loss deductible principle we know so well in automobile insurance. The deductible loss clause in insurance policies applies to the first $100 of a claim plus 5% of the remainder; in loan contracts it is in the amount of $500.

The Administrator is required to make a continuing study of the feasibility of having private insurance companies take over the insurance program, either with or without federal financial support.

ON MY CALENDAR: I plan to spend the greater part of the week in the 6th Maryland District. On Wednesday, August 8, I will speak to the Georgetown Kiwanis Club at the weekly luncheon.

One Man Looks At God

(By Charles W. Carlson, Pastor, St. Mark's Evangelical Lutheran Church, Oakland Maryland.)

As we continue the series interrupted by my vacation, this week we consider the seventh commandment: "You shall not steal." To help in the interpretation of this commandment, I refer to the "Small Catechism," where Dr. Martin Luther explains this commandment thus: "We should fear and love God so that we do not rob our neighbor of his property or money, nor bring them into our possession by unfair dealing or fraud, but help him to improve and protect his property and living."

As we look at this commandment, we must first of all realize that God is actually the owner of all things, as is so clearly illustrated by Paul's statement in I Corinthians 10:26, "The Earth is the Lord's and the fullness thereof. . . ' We did not invent this world, it is all God's handiwork, and the way we should use it is clearly set forth in Genesis 1:28 where He instructs Adam and Eve: "Be fruitful and multiply, and replenish the earth, and subdue it; have dominion over the fish of the sea, and over the birds of the heavens, and over every living thing that moves upon the earth." Therefore, since this is God's world, we should use the things of this world in accordance with the way He has set down for them to be used.

This seems to be an obvious way to look at life, yet it is all too often forgotten in the dealings of men. How ridiculous it would seem to most automobile dealers to try to help their competition—or how stupid most union leaders would think it would be to give their employer a little more than they were actually paying for.—When we face facts, we must realize that a large portion of the people in our society live by the rule "dog eat dog," when it comes to business. For a business man to want to help his competition to "improve and protect his property and living" would seem to most to be a crazy way to live. Far better seems the goal of making as much money for oneself, and let the other fellow look out for himself. But the plain and simple fact of God's creation is that it was founded purely on love for us; He gives all of the time, to those who deserve and to those who do not. If we hope to amount to anything in His Kingdom, our lives must be governed accordingly.

One of the most horrible features of our economy is the welfare state, where a man gets the idea in his head that he does not have to work for a living, the welfare board will take care of him. It is one thing for a man to be unable to work, because of circumstances beyond his control, but it is quite another for a man to be too lazy and worthless to earn an honest living. It is good, honest, hard work that makes progress and civilization possible. Some of the perpetual welfare cases in our county and for that matter throughout the rest of our country should read with meaning the advice of Paul to the Christians in Thessalonica, where he says simply, "If anyone will not work, neither let him eat." (II Thess.: 3:10). The sinfulness of the human heart has derived many ways to get money and property without deserving it: underpaying workers, "feather-bedding," "Pork Barrel legislation" in both state and national congresses, gambling, and many other forms are used by those who may be shrewd in the "ways of the world," but have not yet discovered the law of God in their lives.

All of these problems can be solved by the realization that God intended for a man to work for his honest living, using the things that He put here for our benefit to improve our lives—and in all dealings with our neighbors, allow the example of His perfect, unselfish love for all men to be our guide.

AURORA-EGLON

Word was received here that John J. Rembold, of Mt. Lake, is being treated at a Morgantown hospital for injuries he received when he fell from a roof. The Rembolds were former residents of Eglon.

Adrian Harsh returned Tuesday to the home of his parents, Mr. and Mrs. Harold Harsh, Stempie Ridge, from the Garrett County Memorial hospital where he was a patient for a few days.

Sfc. Dale Knotts, accompanied by his wife and five children, left the home of Mrs. Knotts' foster father, Ira M. Harsh, Eglon, Monday, for Fayettsville, N. C., where they have rented a home. The former is stationed at Ft. Bragg. Mrs. Gertrude Snyder, sister to Mr. Harsh, is remaining with him at present.

Mrs. Myrtle Winters, Eglon, was taken Monday evening to the Garrett County Memorial hospital for treatment.

Among the guests at the Alfred Wotring home Sunday was an aged aunt, Mrs. Mattie Chidester, 90; her daughter, Mrs. Gladys Fisher; Mr. and Mrs. Wayne Gift and son, all of Piedmont.

MOUNTAIN LAKE PARK

Plenty of Zip at a pip of a price

(It's a great time to buy a Buick!)

SERIOUSLY—where else can you get so much snap and ginger at such a peach of a price?

Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—at a figure that's pretty close to what they're asking for similar models of the well-known smaller cars?

Nowhere else that we know of—*which is one big reason why Buick outsells all others cars in America except two of those smaller cars.*

BUT RIGHT ALONG with low price is something else behind Buick's big success: Buick is a lot more automobile for the money.

It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability.

And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflow.* It's the only transmission in the world with the cruising thrift and the switch-pitch safety-surge taken from the modern plane's propeller.

SO WHY WAIT any longer—when the time to take action is *now*, so you can start enjoying all the golden months of summer and fall in a new '56 Buick?

Now—when Buick prices are as low as—perhaps *lower* than—they'll ever be again.

Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance.

Come see us—and look into the car that puts you years ahead *right now.*

Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

turned into electrical energy.

An unusually heavy downpour around Loch Lynn caused streets to flood there and put water in the basement of the U. B. church, and in the school house.

Mrs. Eva Butcher had a series of unusual experiences. Her automobile was struck by lightning as it was parked along the highway at Deep Creek Lake but apparently caused only slight damage. Upon returning home she found lightning had struck her house and burned out an electric clock. The following morning she discovered her kitchen roof was leaking freely.

Waters from the flooding Little Youghiogheny river covered U. S. route 219, at Weber's Crossing, and other streams flooded highways to some extent. Water from Bradley's Run, west of town, covered the Swallow Falls highway for a part of Monday.

High water also was reported at Gormania and Kitzmiller, on the Potomac river.

A run-down of the weather of the week: Rain on Thursday evening; Friday, clear most of the day and warm; Saturday, some sprinkles followed by rain Saturday evening; Sunday, a sharp thunder storm in the early morning and much rain later Sunday evening; Monday, continued rain, then clearing for a time, then more rain; Tuesday, rainy; Wednesday, sunny for the most part.

Pollution Abatement In Potomac River Purpose of Meeting

DeWitt S. Hyde, congressman from this district, has announced that at his request Maryland's Governor Theodore R. McKeldin has initiated a governor's conference on pollution abatement in the Potomac River basin.

Governors of the states signatory to the compact setting up to interstate commission on the Potomac River, Maryland, Virginia, Pennsylvania, West Virginia and the commissioners of the district of Columbia, will be invited to discuss broadening the interstate compact to give the commission authority to control and regulate as well as plan and recommend.

Governor McKeldin has asked Governor William C. Marland of West Virginia, and Governor Thomas B. Stanley of Virginia to meet with him during the southern Governor's conference at White Sulphur Springs, on September 11. He suggests Governor George M. Leader of Pennsylvania, one of the D. C. commissioners and Rep. Hyde also be present at the discussions. In his contacts with Governor McKeldin, Rep. Hyde pointed out that Congressional authority for the interstate compact includes "control and regulation."

The States, however, in setting up the commission, granted it only authority to plan, recommend and make reports. Hyde, in writing the governor, said: "I am convinced that we shall not realize the full potentials of the Potomac River basin nor obtain adequate pollution control until we have an authority with powers to regulate and control similar to other river authorities throughout the country. One of the most important problems of the people of Western Maryland and neighboring states is the adequate development of the Potomac river basin for industrial, agricultural, recreational and municipal purposes. This development involves control of pollution, conservation measures and construction of dams."

Steps to Control Tomato Diseases

Wet weather and unseasonable temperatures have been good for growth of tomatoes and late potatoes. This same weather has also been good for early and late blight of these crops, reports Dr. L. O. Weaver, University of Maryland extension plant pathologist.

Early blight on tomatoes is already well established in many fields. As the disease spreads, the leaves turn yellow and fall from the vines. Other symptoms of early blight are poor color and quality of the fruit, sun scald and reduced yields.

The plant pathologist recommends the use of fungicidal sprays and dusts to prevent early and late blight anthracnose, and grey leaf spot. University of Maryland Extension Fact Sheet 27, "Field Control of Tomato Diseases and Insects," gives spraying and dusting recommendations. The Fact Sheet suggests zineb (Dithane or Parzate) or Maneb (Manzate) in the ratio of two pounds of chemical to 100 gallons of water. Applications of these fungicides should be repeated until a crop is assured. Sprays containing copper will prevent late blight and other leaf diseases but are weak for anthracnose control.

DEER PARK

The Woodmen's Society of Christian Service met at the church basement Thursday evening with Mrs. Mabel Timmerman in charge of devotions. Mrs. Flora Haines conducted the business meeting. It was decided by the group to purchase a folding table for the church basement. Mrs. Laura Flanigan and Miss Lola King were hostesses.

Mr. and Mrs. D. W. Loomis and son Donald, Chapel Hill, N. C., are visiting Mrs. Loomis' mother, Mrs. E. L. Young.

Home gardners should spray or dust tomatoes and potatoes with general-purpose sprays containing effective fungicides such as zineb and copper.

Rains which cause heavy foliage and wet soil favor soil rots or fruit rots from fungi in the soil. Picking of early ripening fruits, especially those touching the soil will reduce losses.

Sen. John Marshall Butler

Two birds with One Stone

Yesterday's newspapers, in reporting on Russian affairs, blazoned front-page headlines such as these: "Khrushchev Sees New Soviet Gains"—"Bulganin Admits Unrest in Satellite Countries"—Bulganin, in Warsaw, Assails 'Vacillation' in Soviet Ranks." Each of these articles spring from comments by the two Soviet leaders, and it would certainly seem that these mouthpieces for communism are engaged in an annoying sally of double talk. Through the years, similar contradictions have been voiced to achieve some timely objective in advancing the cause of world-wide communism. There is much reason to suspect the same devious purpose in these latest instances.

In denouncing and "down-grading" Stalin—a long-time communist idol, the Kremlin masters in the judgment of many seek "to kill two birds with one stone." First, all blame for unhappiness of life behind the Iron Curtain is laid firmly at the feet of the dead Stalin. And, secondly, by carefully cultivating the illusion that the Soviet Union cherishes peace, these same dictators hope to convince the free world of the absurdity of further expenditures for armaments. When viewed in these terms, all mystery is shorn from the actions of the communist regime during the past year.

Said another way, the communist policy has returned to the popular-front device, fashionable during the 1932-1952 period in this country, of wooing and winning the cooperation of humanitarian and democratic organizations throughout the world. People of good-will are now asked to believe that communism, without Stalin, offers the only hope for a peaceful and ideal way of life. In all of this, with typical propaganda deceit and thoroughness, freedom, justice and universal welfare are the major themes. But, the lasting historical fact is that communism, with or without Stalin, is still tyranny. And this tyrannical oppression of the Soviet Union extends to 11 satellite states and some 700 million enslaved persons, with what could hardly be described as durable control—witness the recent uprisings in East Germany, Poland, Hungary and elsewhere.

Transparency of these efforts "to kill two birds" is indicative in the reality that Khrushchev, while denouncing Stalin, has persistently refrained from attacking the doctrines of communism. The political philosophy of the Soviet Union is still, as always, based on Godless Communism, one of the most impelling objectives of which is the destruction of all capitalistic nations like the United States.

Senator Friend

(Continued from Page One)

representative that the name-calling occurred only after Senator Friend had told DeWitt that "the only reason you're building this road is that you're getting kickbacks from it," which he said so aroused Mr. DeWitt's temper that he declared "No ---- ---- - ---- can accuse me of taking kickbacks and get away with it. I never got a kickback in my life and I'm not getting any now."

Paul DeWitt remarked that after calling him on the kickback statement the Senator denied this and said, "I didn't say that, I said I suspicioned you of taking kickbacks." When Mr. DeWitt said "Don't try to get out of it, you said I was taking kickbacks," Paul DeWitt said the Senator then said, "Well, I think you are, and if you aren't then the commissioners are."

Paul DeWitt, who made a copy of just what took place that morning, also added that Senator Friend then continued, "Didn't you buy $50,000 worth of dynamite from Naylors in one year?" to which Mr. DeWitt replied, "I guess I did, if we needed it." Then Senator Friend said "And how about the $26,000 worth of steel you bought off of Lowell Loomis? If you didn't get any kickback, why did you buy that? You can't tell me you're not getting any kickback on all this stuff."

Mr. DeWitt replied that he bought this material for the benefit of the county.

Paul DeWitt stated that after Mr. DeWitt went down on his side, from a blow on the head struck from behind while he was walking away, that Senator Friend reached down and again struck him on the side of his head, at which time the Senator was told to "Get out of here, you're not going to beat him up after he's down."

Mr. DeWitt asked the workmen not to pick him up because of his heart condition, which they agreed to do, until after he had taken some pills and had relaxed for a time. Paul DeWitt said that after Senator Friend learned his heart was bad that he said, "Well, he oughtn't to be fighting or arguing with people if he has a bad heart."

When Senator Friend was reached by telephone Tuesday morning he denied striking Mr. DeWitt more than once and said also that he claimed to have said only that the policies he was pursuing were such that caused people to suspicion that he was receiving kickbacks.

Mr. DeWitt yesterday said he felt over the period of forty years that he had given value received for any money he had received from the county and that as long as he remained as county roads engineer he would not be controlled by politicians and that the money under his care would be expended where it would do the most for the most people.

When Senator Friend told him he had no business building a road back in that area for the benefit of private individuals when so many of the farmers need roads, he replied, "Well, Senator, I don't know of any road in the county that we could build that will bring in as much tax money as this one." He said he recommended the construction of that road for the tax value to be gained from it.

The particular road project in question was set up by the County Commissioners who held office prior to the present board. It was estimated that the completed road might cost as much as $75,000 when a report of the project was filed with the State Roads commission early this year.

Mr. DeWitt revealed that the cost of the road up to July 31, had been $38,147.77 and he considered the highway about 50 percent complete.

The altercation occurred when the two DeWitts went to the construction job to make a routine inspection. When they arrived Senator Friend began the discussion by asking where Mr. Naylor's lots were on this road, to which DeWitt replied that he didn't know of any lots along this road owned by the Naylors.

This the Senator refused to believe, and he then continued to question him on his right to build the road.

Mr. DeWitt was back on the job this week, working the usual number of hours.

Zeller to Hear Case

It was learned this morning that the case would not be heard before Magistrate Bitzer. On Wednesday, Charles C. Nathan, attorney for Mr. Friend, appeared before Luther M. Huff, notary public, and under oath made the statement that he didn't believe that he could have a fair and impartial trial before Mr. Bitzer.

With this information taken before Mr. Bitzer he ordered that the case be transferred to Magistrate Charles S. Zeller, in Grantsville. The date for the hearing was not stipulated.

Listen Americans!

BY GEORGE S. BENSON
President of Harding College

One of the great questions before the American people is what to do about Agriculture—what Federal policy should be established on a permanent basis, what form of assistance, if any, should be given through governmental channels? For a long time, unfortunately, the problem has been involved in partisan politics. Progress toward a solution which would protect the welfare of the farmers and at the same time be in the public interest can only be achieved when all of us have a clear understanding of the basic elements in the problem.

At Freedom Forum XVII, conducted by the National Education Program recently at Searcy, Roger Fleming, secretary-treasurer of the American Farm Bureau Federation, discussed the problem.

"The agriculture problem," he said, "is that our plant is too big for our markets at home and abroad. Currently our productive capacity, and our production, is in excess of demand both at home and abroad—about four percent per year. One of the things about the demand for agricultural products is that the demand is relatively inelastic, especially so for some agricultural commodities. A four per cent increase in supply results in a greater than four per cent decrease in price.

"Add to that the fact that we have had four per cent or more too much for the last several years and it's piled up in what some people thought was a market, namely, the Commodity Credit Corporation. It isn't a market; its a storehouse, and anything that goes in and reduces supply and raises the price one year, increases the supply and reduces price when it comes out, as most folks have learned (and those who haven't probably will, because it's one of the stark realities of life.)"

The nearly 2,000,000 Farm Bureau families are recommending: "Starting from where we are, with the problem of between 9 and 10 billion dollars of surpluses in the Commodity Credit Corporation, with our agricultural plant expanded as it is, we are in favor of doing two things: No. 1, to the best of our ability, expand markets at home and abroad, recognizing that we can't do that as fast as we would like to. Secondly, we are in favor of the soil bank approach, to try to restrict the total agricultural plant, not just a few acres of a few crops—so that production is in balance with current consumption."

Mr. Fleming made it clear that the "soil bank" was an "urgency" temporary measure. The long range solution is a gradual return to the economic law of supply and demand in agriculture—with government manipulations diminishing and finally ceasing altogether.

Party Is Held

A "going away" party was held for Pfc. Allen Fratz, on Friday, July 27. Allen spent a 30-day furlough with his parents, Mr. and Mrs. Walter H. Fratz, Accident. He has been stationed with the U.S. Army in England for fourteen months. He returned to his English base on Sunday, July 29, where he will spend seventeen more months.

The party was held at the Accident Fire Hall. Among those present were Mrs. Walter Fratz, Mr. and Mrs. Chuck Wilt and Louise, Helen and Charles, Mr. and Mrs. Charles Bowser and family, Mrs. Glen Collier, Gary Fratz, Homer Hoover, Elwood and Glen Bowser, Doris Hanlin, James Smith, Bili Geohringer, Edwin Dean, Beverly and Mary Ellen Speicher and Clara Jane Callis, all of Accident; Bob Fratz, Baltimore; Mona Lee Collier, employed at Sykesville; Kathleen Emory, Mary and Dorothy Glotfelty, of near Bittinger; Kenneth Glotfelty, Cleveland, Ohio; Delbert Leese, Cresaptown; Mr. and Mrs. Donald Ringer and Dorothy Ringer, of Cove; Anna Miller, Keyser Ridge; and Joe Dungison, of Montana.

Games, dancing and refreshments were enjoyed by the group.

The Play Reviewed

The "Tender Trap" isn't an outstanding play—the authors, Max Shulman and Robert Paul Smith, weave a loose plot; the characters sometimes escape sensible imagination, and some lines force themselves to be funny, having to depend on their spiciness, rather than real humor, for laughs. And though the acting is only adequate (the play allows for little else), the Garrett County Playhouse company string the play's high spots and their own talents into a satisfying, pleasant production this week.

In this play, the "Tender Trap," is a revealing alias for "Woman," and in woman-glutted New York, the prize game in a well-laid trap, which is about as deceptive as an elephant pit in the middle of the street, is a marriageable man. Bachelor Charlie Reader, a young pill salesman, is such prey. Girls seemingly wait on him hand and foot, cleaning his apartment, bringing him cheeses, cooking for him, etc. All of this amazes Joe McCall, Charlie's chemist friend who breezes in from the home office to test a cold-curing pill on the sly. Joe, thinking ruefully of the wife and three kids, can only gape as the girls constantly parade in and out, and at one point he asks if the night shift is coming on. It is.

As time goes on, Joe wants a fling and Charlie wants marriage, each thinking the other has the better deal. Then they reverse themselves, and Joe, speaking from his secure, strengthened position, calls Charlie an inconsiderate bum. So does Julie Gillis, his fond girl of the moment. Charlie thinks of reforming himself and marrying, and clang! the trap closes, along with the play.

Robert Morris plays Charlie with astonishing naturalness, always sincere, from sounding cuddly during smooching scenes to bellowing in the angry ones. His numerous outspread gestures with big arms and hands bring out youthful vitality in the character and also a sense of insecurity and groping. He properly careens around his apartment when not knowing what to do, but becomes an old master in the necking scenes, at which times he has the situation and the subject well in hand. To go through all this with the unconcern that the role calls for is really acting.

D. G. Buckels, as Joe, looks worn and settled, and manages to age even more in a good hangover scene. Throughout he shows a well-disciplined, rut-bound man who gives way to passions but soon gets control of himself.

The girls in this play mostly strut, radiating different personalities: Bonnie Barton is charming and easily changed; Suzanne Oglesby, passionate and mixed up; Helen Page Camp, terse and business-like; Donnie Welch, sensuous and party-loving.

Two of the male character parts bring a lot of laughs. Leonard Drum, as Earl Lindquist, who tests the cold cures, disguises his voice in the nauseous accent found somewhere in New York and makes himself more disagreeable by shouting and whining at the same time. Myron Herrick, appearing briefly as jumpy musician Sol Schwartz, is a riot, partly because of his hepcat lines, his loud costume, and his fidgeting, and partly because of his clipped pronounciation, which sounds no more like Sol Schwartz than Churchill does. These two actors relieve the play's conversational humor which occasionally drags.

MARRIED

Mershon-Turner—Miss Joyce Ann Turner, daughter of Mr. and Mrs. S. Richard Turner, of Honesdale, Pa., became the bride of Dr. Millard M. Mershon, of Oakland, on Saturday, July 7. He is the son of Mr. and Mrs. Ronald F. Mershon, of Conneautville, Pa.

The double ring ceremony took place at 3 o'clock at the Central Methodist church of Honesdale.

The bride, who was given in marriage by her father, wore a waltz length gown of white lace and tulle over satin. The fitted bodice was designed with a modified scoop neckline and short sleeves. The illusion veil was shoulder length and descended from a crown of iridescent trimmed leaves. Her bouquet was a cascade arrangement of white gladioli with baby's breath streamers.

For attendants the bride chose her three sisters, Miss Betty Turner, maid of honor, wore a strapless gown in powder blue with a matching tulle stole. The bouffant skirt was waltz length and fashioned of tiers of lace with a deeper blue satin sash. Bridesmaids, Misses Carolyn and Rachel Turner, wore matching pink gowns. All three wore crowns of leaves in their hair and carried bouquets of gladioli.

Homer Mershon, of Arlington, Va., was chosen by his brother as best man. Ushers were John Cashmark, of Wapwallopen, Pa., and Bruce Mackle, Jr., Honesdale.

A reception at Grace Episcopal Parish House followed the ceremony.

The couple resides in Oakland, where Dr. Mershon is a practicing veterinarian, associated with Dr. F. D. Custer.

The bride was graduated in June from the School of Nursing of the hospital of the University of Pennsylvania. The bridegroom attended Allegheny college, was graduated from Edinboro State Teachers college, served two years with the Navy, and was graduated in 1955 from the School of Veterinary Medicine, University of Pennsylvania.

To Compete in Sail Boat Regatta Here

National Thistle champion Sandy Douglass will be among those racing at the Deep Creek Yacht club sailboat regatta August 11 and 12 at Deep Creek Lake.

This will be the first year the new Thistle fleet at the lake will officially participate with the other class boats, the Snipes and Rebels.

Mr. Douglass, designer of the Thistle, will sail Thistle No. 1, the first built in this rapidly growing class which now numbers approximately 1,000 sailboats. Mr. Douglass has been national champion four times and runner-up twice since the Thistle class came into existence ten years ago.

Mr. and Mrs. Douglass, the latter of whom is his crew member, will be guests of Mr. and Mrs. Earl Zepp, of Oakland.

Without Nagging Backache

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with overexertion or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling.

For quick relief get Doan's Pills. They work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headaches, muscular aches and pains, 2. by their soothing effect on bladder irritation, 3. by their mild diuretic action tending to increase output of the 15 miles of kidney tubes.

Find out how quickly this 3-way medicine goes to work. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. Ask for new, large size and save money. Get Doan's Pills today!

Fishing Conditions Good During Week

Fishing conditions were considered good during the past week with fishing around Glendale bridge exceptionally good. This report was made by Scott Kennedy, creel census taker, and Sigurd Brantingson, regional fish culturist for the Game and Inland Fish commission, in their weekly news bulletin for Deep Creek Lake.

Allen Howard, of Waynesburg, caught a large mouth bass, 24 inches long and weighing four and one-half pounds in the vicinity of Thayer motel on July 29. Chester Swoop, Smithdale, Pa., caught an 18-inch small mouth bass weighing three pounds at Thayerville on July 31. Ralph Philific, Pittsburgh, Pa., also got a small mouth bass 15 inches long and weighing three pounds on July 28, at the Glendale bridge. Herman Clause, Confluence, caught a nine-inch rock bass near Johnny's bait house. These were the biggest catches of the week. All were caught by the still method, two with a spinning rod and two with rod and reel. Weather was cloudy and overcast.

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Copyright by The Baltimore Sun and reprinted in The Republican by permission

Stassen And Nixon

Obviously, Mr. Harold Stassen has succeeded in one of his avowed objectives, which was to throw the Republican National Convention wide open so far as its nomination of a vice president is concerned. What else Mr. Stassen has done remains to be seen, but from whatever angle it is viewed almost anyone would agree, quite a lot.

For example, it certainly must be admitted that he has relieved the Republican Convention from being a cut-and-dried affair with every move mapped out in advance. Instead, a lively contest over second place now seems assured. Of course, Mr. Eisenhower could avert this contest very easily by asserting that he definitely wants Mr. Nixon as a running mate. That he has not done, and in all probability, will not do. As the record now stands he has several times said that he would be "delighted" to run again with Mr. Nixon. But as has been pointed out, he never has said that he would not be "delighted" with Governor Herter (Mr. Stassen's candidate) or any one of a number of others.

A disposition to criticize the President for not taking a firm stand in this matter is evinced not only in the Democratic party but in his own as well. This can be easily understood on the part of the Democrats, but it is not so easy so understand coming from Republicans. Surely the clear-headed among the latter must realize that the last thing Mr. Eisenhower wants to do is to assume the role of dictator. Should he smother Mr. Stassen, as he easily could, by an ultimatum in favor of Nixon, he would weaken both Mr. Nixon and himself. Chairman Paul Butler of the Democratic committee, who, perhaps, is one of the most irresponsible and reckless Democratic chairmen we have had in recent years, would like nothing better than a chance to shout that the President was another Hitler or Stalin.

In the end the President probably will make his choice (and the odds are fairly heavy it will be Nixon) but only the thick-headed among his advisers would want him to take a definite stand until after he, himself, has been nominated. For one thing, it would seem a mistake to make a martyr out of Mr. Stassen; for another it would seem a mistake to force Mr. Nixon's nomination on a reluctant convention. Mr. Eisenhower, though not a politician, is clear-headed enough about politics to understand that anything like a suppression of Mr. Stassen and his effort to derail Mr. Nixon would be a mistake on his part. If Mr. Stassen does not succeed—and in view of Mr. Nixon's strength among Republican congressmen, governors and politicians his success does not seem likely—with the President holding aloof it will be impossible to make the dictatorship charge stick.

On the other hand, if the Stassen movement to sidetrack Mr. Nixon and nominate Mr. Herter—or someone else—succeeds, the most disappointed group in the country undoubtedly would be the Hon. Adlai Stevenson, his ebullient chairman, Mr. Butler, and all the Democratic journalistic and political egg-heads by whom they are surrounded. For, though they have no real case against Mr. Nixon, they are all set to make one. For four years they have aimed an unusually virulent propaganda against him. They have not succeeded in substantiating a single charge, but they have tried very hard. None the less they regard him as a precious asset and will do their best to make an issue of him if nominated.

Considering these facts, while on the surface Mr. Stassen's anti-Nixon campaign appears an acceptance of the Democratic anti-Nixon propaganda, if successful, paradoxically it could, as he says, hurt the Democratic party in the campaign by depriving it of the only issue they have aside from that of the President's health. In any event, the Eisenhower attitude of noninterference with the convention's undeniable right to nominate without dictation seems extremely good politics. And the chief reason it is good politics is the same reason behind so many of his acts of omission and commission—he sincerely believes it is right. Summing up, there seems no cause for Mr. Eisenhower or his friends to worry about this situation. The Republicans are not going to split over the vice presidency. Mr. Nixon, who will be put in nomination by Mr. Herter, will support Mr. Herter if he should win. Both Mr. Stassen and Governor Herter will support the Eisenhower-Nixon ticket if that is the convention choice. What, then, is all the "hollering" about? It is the Democrats who should really be concerned.

Short on Grain ?

then check on CHECK-R-MIX

Lots of folks have found that pound for pound, Check-R-Mix Feed costs very little more than grain. And when it comes to *feeding results*—well, grain can't even come close to Check-R-Mix.

That's because the grain in Check-R-Mix is balanced in our mill with Micro-Mixed Purina Concentrates. We make Check-R-Mix Feeds on formulas supplied by Purina—formulas that stretch feed money over extra weeks and months.

Johnson Grass Is Covering State

Johnson grass is one of Maryland's most rapidly growing weed problems, reports Wr. Paul W. Santelmann, University of Maryland Extension weed specialist.

He says "this noxious perennial weed has invaded all but two Maryland counties, making some fields unfit for growing of crops."

Johnson grass is difficult to control because it spreads rapidly. The weed is spread by abundantly producing seeds and by underground rootstocks which spread throught the soil in all directions producing new plants at each joint, unless weakened, these rootstocks go several feet deep making eradication almost impossible.

In the early stages of growth, Johnson grass looks much like a small corn plant with stem about one-half inch thick. In later growth the weed looks exactly like Sudan grass, a very close relative, and if left alone the weed will grow to heights of six or eight feet.

There are several preventative measures that can be taken to reduce the noxious weed, says Dr. Santelmann. Prevent the introduction of Johnson grass seed on the farm. If found growing do not allow the plant to go to seed. Never plow or disc through small patches of Johnson grass, and get rid of individual plants scattered around the farm.

There are two control measures which may be followed in cases where Johnson grass is found growing. The most satisfactory method of control is to tear the rootstocks from the soil, drag them to the surface and prevent them from becoming re-rooted until they dry out and die.

Chemical control is possible, but on a large scale chemicals are too expensive, so the Extension specialist recommends this control method only on small patches. The two most effective chemicals that can be used are, TCA and Dalapon. Dr. Santelmann cautions that the manufacturers instructions should always be followed when using these chemicals. He says further information on Johnson grass is available in printed form and suggests that anyone interested should get a copy of Agronomy Mimeo No. 16 at their county agent's office.

Sterling Plant

(Continued From Page One-

work of Sterling Enterprises of Morgantown and Reedsville, W. Va. Haydenville, Mass., and Tyler, Texas, the largest independent manufacturing company in the world of plumbers' brass goods.

J. W. Ruby, president of the new Oakland manufacturing installation, expressed the hope that his organization and its employes, after all details were worked out, would make a major contribution to the betterment of the business, social and religious activities of the Oakland area.

He expressed the gratitude of his company to the local business leaders and organizations who have worked in bringing to Oakland its first major industrial plant. He paid special tribute to Earl Zepp, Oakland Rotary club's community service committee; Irvin Feld, Oakland-Mt. Lake Park Lions club; Russell Smith, mayor of Oakland; Aubrey Brenneman, county commissioner; and the Mt. Top Chamber of Commerce, of Oakland. He said that Mr. Zepp had spent many hours in consultation with company officials and had given very freely of his time in bringing about the decision to build the plant here.

Knowledge that the company probably would decide to build here has been known for several weeks, but no announcement was made pending the completion of definite plans and commitments. News that the industry probably would locate here was announced at last Friday's Rotary club meeting in Oakland.

BREAKING GROUND—John J. Tamburini is seen above after turning the first shovel of earth at ground breaking ceremonies in Gormania in preparation for construction of a new telephone office there, while officials of the telephone company and citizens of Bayard and Gormania look on. The building will house a new dial central office providing telephone service to Gormania, Bayard and Mt. Storm. The only telephone service in this area now is public telephone service. Approximately $203,000 will be spent by the Chesapeake and Potomac Telephone Company of West Virginia in providing service to these areas. This is part of twenty one million dollars the West Virginia company is spending on expansion to improve telephone service in West Virginia this year. Twenty eight million dollars will be spent in 1957. The local calling area office includes Oakland. It is expected to be completed by the middle of next year with approximately 200 customers to be served. Pictured above are, left to right, Mr. Tamburini, Mrs. Helen V. Nugent, W. G. Huff, plant wire chief, Martinsburg; Clarence Stem, manager, Oakland, Mrs. Tamburini and sons, Johnny and Tommy; J. C. Harman, manager, Keyser; M. E. Williams, Mrs. Mary Durst, H. R. Fulk, Jr., Phyllis Durst, Steve Durst, E. F. Durst, J. J. DeMuth, manager, Martinsburg, and R. E. Aronhalt.

"Our Growing Edge"

MRS. MARTHA GLOTFELTY

Resources for Progress

The beautiful and well-equipped library in Oakland can be for all of us a medium of growth of mind and spirit. There are books there of travel, biography, science, religion, fiction, history and almost any aspect of life you could name. It could be a seat of culture for our entire county. We should all make use of it.

Our county is ideally situated for recreational purposes. Somehow, I never quite realized how great that is and what it means to folks who come here for a few days or to spend their entire vacation period. Last winter, I was talking to some friends of mine in Baltimore, and they told me how they enjoyed coming to our county. Sometime before that racial tension had been high in their city, and during that time they had occasion to come up here for a few days. They said as they looked out over our beautiful mountain scenery, they felt a return to sanity and peace in their thinking, and a calmness returned to their minds so they were more able to cope with the problems they had to face when they returned home. They said to me, "Do all you can to keep your county beautiful and unspoiled so that folks like us can come here, and find some beauty and peace for our hearts and minds." I have many friends all over the state and they all say how much they love to come to our county. In that way we are helping others.

I know most of us think of resources for progress being in terms of money. It is only partly true, for as I said before in my opinion real progress comes from within us. Knowledge, co-operation, neighborliness, a spirit of good will among people are also very necessary.

Fifty years ago in the Progressive Farmers magazine there appeared this quotation. "Permanent prosperity is impossible in any community that is not well-educated. We may strike oil, find coal and gold, but the people who live where such wealth is stored will not be benefited unless they are well enough educated to utilize such natural resources and make them a means of permanent social betterment."

Yes, we have resources of mind and spirit and of God-given natural ones. Only we, ourselves, can decide on how to make the best use of them.

McNair Is Singles Winner at the Park

The men's singles event in the Western Maryland tennis championship went according to form but the women's singles produced a mild upset Saturday in the finals of the 35th annual tourney.

No. 1 seeded Fred McNair, of Washington, defeated Phil Neff, also of Washington, 6-1, 6-2, 7-5. Neff, defending champion, was seeded No. 2.

In the women's singles, second seeded Nancy Corse, of Bethesda, upended No. 1 seeded Charlotte Decker, of Washington, 6-2, 6-4. Miss Decker is seeded No. 2 in the Middle Atlantic rankings while Miss Corse is several notches down the ladder.

With the end of Saturday's competition only a few matches remained in the mixed doubles, and arrangements were made to have them completed in Washington.

The men's doubles championship went to Buddy Adair of Washington and Doyle Royal, of College Park, 7-5, 6-1, 6-3. They defeated Henry Foss and John Harris, both of Washington.

Misses Decker and Corse won the women's doubles. They defeated Mrs. Mary Neff of Washington and Snookie Wood, of Wheeling, W. Va., 6-0, 6-2.

The almost continual rainfall of the past several weeks miraculously held off for a major portion of the time allotted for the tournament. Play was delayed Wednesday evening because of showers and there were light sprinkles on Saturday but this did not interrupt the finals events.

Tournament officials felt that this was one of the most successful tournaments to have been held in recent years. Eighty players were entered in the various events. Entertainment included an open house, an informal dance, a corn roast, and the final dance in Mt. Lake hotel on Saturday night which was well attended. Johnny Costa's band from Pittsburgh supplied the music. All tables were removed from the dining room and placed on the porches, leaving plenty of room for dancing.

Wins Chopping Contest

Raymond Coddington won a wood chopping contest held during the annual farm picnic at the Western Maryland 4-H center on July 28. Logs of soft maple were used, approximately 10¼ inches in diameter. Coddington cut through his log in one minute and 45.9 seconds. Parker Warnick and Raymond Dietrick tied for second with a time of 2 minutes and 56 seconds. Other times: William Stanton, 3 minutes and 21.5 seconds; Charles Beachy, 3 minutes and 45.9 seconds.

Mrs. Kenneth Buckel and Mrs. James Glotfelty had games for children up to twelve years of age from balloon blowing to pie eating. Other games available were tether ball, box hockey and horse shoes.

Getty Browning Retires From His Roads Position

Will Continue As Consultant With North Carolina Commission

R. Getty Browning, Civil Engineer, a native son of Oakland who has been employed as Chief Locating Engineer by the North Carolina State Highway Commission for many years past retired from that position as of August 1, but will continue with the Commission in the capacity of Consultant.

Mr. Browning, before leaving Oakland, was employed as assistant to Alex C. Mason, well known surveyor of Garrett County who practiced for more than sixty years in this vicinity. Mr. Browning also spent several years on Railroad Location and Construction in West Virginia and in Mining Engineering in the coal fields of Maryland. Later he accepted a position with the State Road Commission of Maryland where he spent more than ten years in charge of the construction of highways and bridges. As Bridge Engineer, he personally supervised the erection of a great many structures, among these being draw bridges over the Nanticoke River of Sharptown, the Choptank River at Denton, Miles River at Easton, College Creek at Annapolis and the Hanover Street Bridge over the Patapsco River at Baltimore.

During the first world war he was assigned to the Bartlett-Hayward Company at Baltimore in the manufacture of artillery ammunition and later when the shipping shortage became acute, he was reassigned to the Baltimore Drydock and Shipbuilding Corporation of Baltimore to help expedite the construction and launching of twenty large tankers and freighters.

He went to North Carolina in 1921 and since that time has been engaged in the location of highways and bridges, the procurement of rights of way and the adjustment of damage claims throughout that state.

In addition to his other duties with the North Carolina Highway Department he has, since 1934, handled the engineering and right of way acquisition on the famous Blue Ridge Parkway which extends for more than 250 miles through North Carolina to reach the southern terminus of the highway that will connect the Shenandoah National Park in Virginia and the Great Smoky Mountains National Park in North Carolina.

Due to the fact that until recently the State of North Carolina was inadequately mapped, Mr. Browning found it necessary to walk over nearly all of the highway surveys made by his department. He has also made several inspections on foot of the entire route of the Blue Ridge Parkway which attracted nation wide interest when described in a feature story in the Saturday Evening Post. His new assignment will include the completion of the Blue Ridge Parkway and consultations with his associates in the State Highway Organization. His headquarters will continue to be at Raleigh.

Steak Supper Planned

A steak supper will be held at the Kitzmiller fire hall on Friday, August 17, from 5 to 7 p. m., for the benefit of the Kitzmiller Presbyterian painting fund. Adult tickets are $1 and children, 50 cents.

MARRIED

Marshall-Fall—In the presence of family members and intimate friends, Marion Leona Fall, daughter of Mr. and Mrs. Charles H. Fall, of Twenty-nine Palms, California, became the bride of Alexander Marshall, Jr., son of Commander and Mrs. Robert Marshall, of Falmouth, Mass., at four o'clock Sunday, June 17, at the Little Church of the Desert. The double ring ceremony was performed by Dr. Roy H. Wollam, minister.

The bride was attired in a ballerina length bridal gown of shimmering white crystalline, which featured an empire waistline and bodice. The neckline was tied in the back with a large bow. A fingertip veil cascaded from a crown of seed pearls. A spray of white orchids was carried over an Eastern Star Bible.

Given in marriage by her father, the bride had as her attendant, her sister, Gayle Fall, who wore a frock of yellow crystalline, ballerina length, with the bodice gathered in tiny tucks. A headband of yellow flowers matched the dress. Miss Fall carried talisman roses.

Best man was John Marshall, a brother of the groom, with Captain Robert Hartel and Edward Levy, ushers. Presiding at the console for appropriate music was Mrs. Ralph McWaid.

The bride's mother selected a dusty rose lace for her dress, with a small white straw hat decked with rhinestones. Mrs. Marshall wore beige eyelet and a picture hat of black lace. Both ladies wore corsages of red roses.

Baskets of white gladioli and asters banked the altar.

A wedding reception followed at the home of the bride's parents. The two-tiered wedding cake was topped by miniature bride and groom. The couple left on a honeymoon motor trip along the coast and plan to make their home in Hemet, Calif., where the bridegroom is employed as reporter for the Riverdale Enterprise in charge of the Hemet San Jacinto area.

Mrs. Marshall, who taught at Twenty-nine Palms Elementary school this past year, plans to continue her education this fall at the University of California at Riverside.

Marshall was graduated in June with a Bachelor of Arts degree from the same University, where he served as editor of the University newspaper for two years. Mrs. Marshall is affiliated with the Order of Eastern Star.

The bridegroom's mother arrived from Falmouth, Mass., where her husband is stationed with the U. S. Coast and Geodetic Survey. She was the former Miss Esther Zehner, daughter of the late Mr. and Mrs. John Zehner, of Grantsville.

Improvements Authorized In Local Phone Service

The Board of Directors of the Chesapeake and Potomac Telephone company of Maryland, at a meeting on July 30, approved the expenditure of $200,000 to expand the outside cable and wire serving Oakland and to provide additional circuits from Oakland to Accident, Friendsville and Gormania.

The authorization was part of a plan to spend one and one-half million dollars for expanding and improving telephone service in Maryland.

BY EDITH BROCK

A book in memory of James Archibald Chisholm has been presented by Paul and Neva Schultz, of Hyattsville.

A number of books and magazines have been donated this week by Mrs. Stanley Smith, Clyde Bender and John Hazlett.

New novels which have been added recently include: "Afternoon of an Autocrat," by Norah Lofts; "The Half-Crown House," by Helen Ashton; "Beyond the Black Stump," by Nevil Shute; "Let My Name Stand Fair," by Shirley Seifert; "Patrick Butler for the Defence," by John Dickson Carr; "Eagle in the Sun," by Julia Davis; and "Forbidden Area," by Pat Frank.

Band Wins $100

The Mt. City Bank took first prize of $100 at a parade at Moorefield, W. Va., last Thursday evening. Eight bands of the area participated in the parade.

Council Conducts Routine Business

Mostly routine business was conducted at the regular meeting of the Mayor and Town Council of Oakland at its regular meeting on Monday evening.

Permits were granted to Elbert Barron to construct a one-story frame dwelling 38 by 44 on Center street; to Glen Dixon to erect a one-story frame dwelling 36 by 36, on Second street; to S. R. Pagenhardt to add a three room addition to his home on 8th street; and to the C. and A. Gas company to lay 1250 feet of 8-inch line, 1210 feet of 6-inch line and 400 feet of 4-inch line, mostly on Pennington street to improve the gas service.

Several complaints about dogs running at large were presented but council took no official action.

Two requests for water and sewer service were refused because the requests came from outside the corporate limits. One was for sewer and water connections by C. C. Mason, for the properties near the high school. The other request for water service came from Jonas W. Sines, Frank Biser, W. E. Spoerlein and DeNeal Dean, who have purchased property at Oak Hall, between Mt. Lake Park and Oakland.

Permission was granted to St. Matthew's Episcopal church to hold a circus in September.

A decision of last May 9, 1955, wherein Clyde Sines was given permission to do work for private individuals with city equipment, in spare time, was modified to read that such work could be done only after requesting a permit from the town and only after permission had been granted by the Mayor and Town Council.

The town agreed to improve Pennington and Center streets, between Third and Fourth. It was announced that Fourth street would be opened in the near future.

Lee Mason tendered his resignation as weighmaster to become effective the last of September.

Sunday movie tax for July amounted to $60.70. The month's receipts totaled $13,985.48, with $5,678.52 from water, $3,163.21 from taxes, and $5,143.75 from miscellaneous. Included in the latter were $3,481.82 from income tax, and $1,104.44 for parking meters for five weeks. Expenditures totaled $8,979.98, all normal.

The next meeting was set for Monday, September 10.

Security is everyone's byword in this era of tension, anxiety, and bristling competition. It's the goal of government, industry, business, family, and nations.

Security generally means being sure of something, or even someone. But, no one gets security without giving. It is not self-accomplished. Other people and factors contribute in providing our security.

Above all, God alone is the source of security and serenity. Society cancels out our security with finality when we run afoul of its standards, whereas God endows us with the privilege of obtaining forgiveness and mending our ways.

How secure are we against the disasters and perils of life and against our own imperfections? To find the answer, turn to God's Church where we will find the fountain of security.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Fellowship

Lesson for August 12, 1956

THE word "fellowship" is batted around a good deal without people's always knowing just all that the word can mean. When some men use the word they may mean no more by it than lunching in the same place with other men of about the same age and salary bracket, once a week, calling one another by their first names and in general acting as jolly as possible. This is some distance off the meaning of the same word "fellowship" as we find it in the New Testament. There it is a very important word. Indeed it sums up all that the Christian church is and ought to be at its best.

Dr. Foreman

With God

Fellowship,—the word, that is—even among Christians can be misunderstood. It is not just the same thing as "sharing." Some forms of sharing, or what goes by that name, are not fellowship at all. The writer was in a meeting once where a good deal was said about sharing with the needy of the city and in other lands. Toward the close of the meeting it came out what was being planned: an old-clothes drive. Everybody present was exhorted to go through his or her attic and closets and find clothing, hats and what-not that wouldn't be used again, and to have these ready on the porch when the boys came by for it. Of course that was not real sharing at all, it was only a scheme to get rid of some fire hazards, to tidy up for full housecleaning. Real sharing always involves giving up something which one would otherwise have been glad to use. But even real sharing may not be fellowship as the New Testament has it,—not as our Lord and the beloved John meant it and practiced it. A traveler can share a seat on a bus when he would much rather sit alone. Fellowship is sharing-with-love, it is a sharing in.

With Man

It is a striking fact that although John is writing to and about the Christian church, he writes two of his three letters without ever using the word. Perhaps it was too cold and formal a word for him, although Paul loved the word "church," and so may we. But John did not want to be misunderstood. So he uses simple words like "God's children," "brothers." The church is the place for fellowship among God's children. In a real church, there is bound to be a closer, dearer tie between Christian and Christian than there can be between persons outside the church, or between Christians and outsiders. What brings Christians together in the first place is not simply themselves as human beings. It is their fellowship with God. It is because they are so close to him that they become close to one another. Now fellowship with other Christians in the church . . . again more than sharing. Even on the sharing-level, how much of it is done in the typical church? What do "members" of the same church share? Pews, hymnbooks, the same sermons, preacher, potato salad at church suppers? All this may be the doorway to Christian fellowship, but still not quite it. Two people can sit at opposite ends of the same pew, and eat out of the same salad bowl, for years on end, without ever finding out what real fellowship means. It is only when they really share the love of God, when together they let his love flow through them in joyous service in his name, that they discover

Learning How

Christian churches would winter without Christian homes. Little children learn lessons in living first at home before they learn in Sunday school or church. Father, mother and children can learn together what Christian fellowship is, and if they do, they will know what the preacher is talking about. If they do not learn at home, the minister, and the Bible, will seem to be talking in a strange language. Actually, there is not a great deal of time to **practice** fellowship in the church. Maybe one spends five hours a week there; it's more than most do. But there are 168 hours in a week; what about the other 163? If the church is the lecture-room for fellowship, the home is the laboratory. The Bible tells us that it will work. Home is where we can find out how right it is.

PUT THE GROW INTO YOUR SOIL
With Open Formula Fertilizer
Your success as a farmer depends largely on how well you "feed" your soil. Crops take enormous amounts of plant food from the land. Only by using adequate amounts of fertilizer can you return these nutrients to your soil. Fertilizer is life; it restores fertility, produces abundant growth, makes bumper crops. Wise use of proper analyses and correct amounts can mean the difference between poverty and prosperity on your farm. Southern States Open Formula Fertilizer is the very finest you can put on your land. Rich in phosphoric acid, potash, three nitrogens, all secondary plant foods and trace or minor elements.

TO THE CITIZENS OF GARRETT COUNTY

Our County Roads Department has set up a project, and they are now building a hard surfaced road along the Lake towards Red Run.

There are indications that this road project was designed to enhance the value of somebody's speculations in lands. When the road is completed it will be a broad hard surfaced highway through what is now woods land running along the lake front where for several miles there is not yet any development. No doubt the road will increase the value of lots and help the present owners to realize much higher prices and profits from their speculations. I am informed that the Roads Department has set up the sum of $100,000.00 to start the project, but it is not likely this amount will complete the work.

In view of the serious needs now prevailing on our county roads, I believe that this is an ill considered and unworthy project. Hundreds of miles of our county roads are in need of attention. People in many communities have been waiting patiently for years for their county roads to be improved. The ostensible purpose of the gasoline tax being paid to our County Roads Department was to provide for maintenance, repair and improvement of our county farm-to-market roads.

It is a perversion of the law to spend our roads money on projects designed to favor a few individuals. This is especially true here when money has to be taken from badly needed county roads that are traveled over by the general public every day. A great deal could be done with One Hundred Thousand Dollars on our public roads, but here, by this method of favoritism, a few persons have been able to get first consideration from our county officials and on private property at that. They cannot validly claim that this road is at this time necessary to the general public. The most it can ever do is to serve the convenience of some summer people for a few months, and at the present it is not necessary for even that.

In fairness, I have to state that County Commissioner Roth has stated to me that he requested the roads engineer to give up this project a few weeks ago, but that his request has not been granted.

Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, 115 3rd. Street, Frederick, Maryland; James Taney and Carrie Taney, his wife, 212 High Street, Salem, Virginia; Frances H. James, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, 2109 Garrison Blvd., Baltimore, Maryland; James Hollifield, Address unknown.

No. 4651 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Wilson L. Camden, late of Garrett County, Maryland, deceased, situate in the Town of Mountain Lake Park, Election District No. 16, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Wilson L. Camden.

The bill states:

That the said Wilson L. Camden was, during his lifetime, seized and possessed of Lots Nos. 1301, 1305, 1307 and 1303 and also one triangular Lot on the West side of O Street, all in Mountain Lake Park, improved by a two-story frame dwelling, and being the same which was conveyed to Mary M. Camden, wife of Wilson L. Camden, by deed from DeWarren H. Reynolds and wife, dated June 28, 1912, recorded in Liber E. Z. T. No. 67, folio 127, the said Mary M. Camden having died intestate on November 23, 1941 and the said Wilson L. Camden having inherited a one-third interest in said land as surviving spouse, the remaining two-thirds interest the said Wilson L. Camden having acquired by deed from Paul Murkland et al, the remaining heirs of Mary M. Camden, dated September 7, 1950, and recorded in Liber R. L. D. 161, folio 556, all references being to the Land Records of Garrett County; certified copies of both deeds are filed with the Bill; that while so seized and possessed of said real estate, the said Wilson L. Camden died on April 24, 1955, intestate, leaving surviving him as his only next of kin and heirs-at-law, five first cousins once removed, they being Camden Ramsburg, Jr., of 115 3rd. Street, Frederick, Maryland, whose wife is Ingebord Ramsburg; James Taney of 212 High Street, Salem, Virginia, whose wife is Carrie Taney; Samuel F. Hollifield, who has since departed this life, leaving as his only heir-at-law, his daughter, Frances H. James, widow, 3724 Tudor Arms Avenue, Baltimore, Maryland; William J. Hollifield, widower, 2109 Garrison Blvd., Baltimore, Maryland, and James Hollifield, whose last known address is Baltimore, Maryland, and whose present whereabouts and marital status are unknown; that all of said defendants are of full age; that Wilson L. Camden left a personal estate in the amount of $749.42 which amount, after payment of expenses of administration and inheritance taxes was sufficient to pay the complainant only $261.22 out of the total amount of his claim for services, $690.10, and is likewise insufficient to pay the claims for past due real estate taxes, medical and nursing services rendered the decedent as well as other creditors; that a certified copy of the "First and Final Accounting" and a copy of the "Passed Claims Docket" in the Estate of Wilson L. Camden, Orphans' Court for Garrett County, Estate No. 3973, is filed with said Bill.

The Bill then prays for a decree for the sale of said real estate for the payment of the claim of the complainant and the other unsatisfied creditors of Wilson L. Camden and for general relief.

It is thereupon this 3rd day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 3rd day of August, 1956, give notice to the said absent defendants, Camden Ramsburg, Jr., and Ingebord Ramsburg, his wife, James Taney and Carrie Taney, his wife, Frances H. James, William J. Hollifield, James Hollifield and the heirs of Wilson L. Camden, warning them to be and appear in this Court in person or by solicitor, on or before the 18th day of August, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

Approximately 7,000 bills and resolutions were introduced in the Senate and the House of Representatives during the second session of the 84th Congress, boosting the total for the entire term to about 19,000.

Many of the proposed measures died in committee, were voted down by one of the Houses, or were kept from being enacted into law by Presidential vetoes.

On the other hand, hundreds of new public and private laws were added to the books during the past seven months.

A few of these—passed by both Houses and signed by the President—will be reviewed here.

Armed Services Laws

In the field of national defense and internal security, new laws:

Increase by $72-million the 1956 authority for appropriations for construction of an aircraft control and warning system;

Authorize $2.1 billion for construction at Armed Forces facilities;

Provide for housing for essential civilian employees of the armed services.

And authorize a $1.4 billion construction and conversion program for the Navy for 1957.

Security Measures

Also along the same lines, there are now new measures which:

Authorize $295.2 million for acquisition and construction of property and facilities by the Atomic Energy Commission;

Provide penalties for the willful damage or destruction of aircraft;

And renew for two years the authority of the President to allocate and fix priorities of critical and strategic materials.

Foreign Aid and Highways

Other legislation signed into law during the concluding session of the 84th Congress:

Authorizes a $3.9 billion mutual security program of military, economic and technical aid abroad;

Authorizes $33.4 billion for a 13-year, 41,000-mile interstate highway construction program;

Increases from $25 million to $125 million the authorization of the Small Business Administration to make disaster loans.

And provides for educational assistance to children of certain members of the Armed Forces who died in World War II or Korea.

Revival Speaker

REV. VICTOR C. WILSON

Rev. Victor C. Wilson will be speaking at a revival meeting at the Laurel Run Church of God, six miles west of Friendsville, from Sunday, August 12, to Sunday, August 26. Services will be held at 7:45 each evening and Rev. Wilson's subject will be on "The Evolution of the Church of God."

Symbols of the prophesies of revelation will be illustrated by charts.

Rev. Wilson was a former resident of this county. He has been engaged in active ministerial work for about twenty years. He served two years as state representative of the Church Extension Board of West Virginia and has conducted a number of revival campaigns in West Virginia, Ohio, Indiana, Illinois and Michigan.

Number 4660 Equity, in the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Rosie Shreve, late of Garrett County, Maryland, deceased, situate in Election District No. 8, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Rosie Shreve.

The bill states:

That the said Rosie Shreve, late of Garrett County, Maryland, deceased, was during her lifetime seized and possessed of a certain parcel of land situate in Election District No. 8, Garrett County, Maryland, containing 68 acres, more or less, excepting all coal, and being the same which was conveyed by Elliott C. Harvey et ux to Rosie Shreve, by deed dated August 4th, 1923, and recorded in Liber E.Z.T. No. 86, folio 34 etc., one of the Land Records of Garrett County, Maryland, a certified copy of which said deed is filed therein marked "Plaintiff's Exhibit A"; that while so seized and possessed of said real estate, said Rosie Shreve departed this life intestate on June 17th, 1955, leaving surviving her as next of kin the following heirs at law, to whom the said real estate descended, viz: Melvin Shreve, a son, intermarried with Gracie Shreve; Otis Shreve, a son, intermarried with Virginia Shreve, all of Garrett County, Maryland; Benjamin Shreve, a son, single, of Prince George's County, Maryland; Arnold Shreve, a son, single, of Grant County, West Virginia; Audrey Shreve Riley, a daughter, intermarried with Junior Riley, of Preston County, West Virginia; Salem Shreve, Jr., a son, intermarried with Laura Shreve, of Garrett County, Maryland; Oliver Shreve, a son, intermarried with Carlene Shreve, of Bibb County, Georgia; Lonnie Shreve, a son, who intermarried with Ocie Shreve, of Preston County, West Virginia; the children and heirs at law of Bessie Shreve Kesner, a daughter, who was survived by her husband but who predeceased her mother, said Rosie Shreve, viz: Lila Arbutus Kesner, a daughter, single, of Baltimore City, Maryland; William Kesner, a son, single, whose whereabouts are unknown; the children and heirs at law of Ernest Shreve, a son, who is survived by his wife but who predeceased his mother, said Rosie Shreve, viz: Wilma Shreve Friend, intermarried with Stanley B. Friend, of Garrett County, Maryland; Helen Shreve Ackerman, intermarried with Ernest W. Ackerman, of Hamilton County, Ohio, all of whom are of full age; Ervin Franklin Shreve, single, an infant, of Lorraine County, Ohio; Barbara Shreve Snyder, an infant, intermarried with Everett R. Snyder, of full age, of Preston County, West Virginia; Floyd Wayne Shreve, single, an infant; Samuel Ernest Shreve, single, an infant, both of Garrett County, Maryland; it is not known to your orator whether the said Rosie Shreve left any other heirs, who, if living, would be a proper party to this cause of action; that Rosie Shreve did not leave any personal estate and there has been no administration, but the estate of Rosie Shreve is indebted unto the Garrett County Welfare Board in the amount of $1,525.40, which will appear by reference to the stated thereto attached marked "Plaintiff's Exhibit B."

The bill then prays for a decree for the sale of said real estate for the payment of the claims of The Garrett County Welfare Board and those other unsatisfied creditors of said Rosie Shreve and for general relief, and for an Order of Publication against the said Arnold Shreve, whose address is Gormania, West Virginia; Audrey Shreve Riley and Junior Riley, her husband, whose address is Newburg, West Virginia; Oliver Shreve and Carlene Shreve, his wife, whose address is 3835 Antioch Road, Macon, Georgia; Lonnie Shreve and Ocie Shreve, his wife, whose address is Terra Alta, West Virginia; William Kesner, whose whereabouts are unknown; Helen Shreve Ackerman and Ernest W. Ackerman, her husband, whose address is Madeira, Ohio; Ervin Franklin Shreve, infant, whose address is Wellington, Ohio; Barbara Ellen Snyder, infant, and Everett R. Snyder, her husband, whose address is Eglon, West Virginia, all of whom are non-resident defendants and against all other heirs of said Rosie Shreve, giving them notice of the object and substances of this bill of complaint and warning them to be and appear in this court on some certain day to be named therein, either in person or by solicitor, and show cause, if any they have, why the prayers of said bill of complaint should not be granted your orator as prayed.

It is thereupon this 27th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 31st day of August, 1956, give notice to the said absent defendants, Arnold Shreve, Aubrey Shreve Riley and Junior Riley, her husband; Oliver Shreve and Carlene Shreve, his wife; Lonnie Shreve and Ocie Shreve, his wife; William Kesner, Helen Shreve Ackerman and Ernest W. Ackerman, her husband; Ervin Franklin Shreve, Barbara Ellen Snyder and Everett R. Snyder, her husband; and all other heirs of Rosie Shreve, warning them to be and appear in this Court in person or by solicitor, on or before the 15th day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

No. 4655 Equity. In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the appointment of a receiver for the real estate in which Nathan Ernest Selby has an interest, situate in Election District No. 2, Garrett County, Maryland.

The bill states:

That Nathan Ernest Selby was formerly a resident of Election District No. 2, Garrett County, Maryland, and maintained a domicile therein; that the said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 117 acres, more or less, and being the same as conveyed by Nathan R. Selby et ux to said N. Ernest Selby by deed dated December 2nd, 1926, and recorded in Liber E. Z. T. No. 95, folio 110 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit A"; that said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 40 acres, more or less, and being the same as conveyed by James B. Frantz et ux, to said Ernest N. Selby and Lizzie M. Selby, his wife, by deed dated May 23, 1938, and recorded in Liber A. G. R. No. 117, filio 470 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit B"; that said Nathan Ernest Selby has disappeared and has been absent from his place of residence since on or about July 28, 1948; that although Elizabeth Marie Selby is married to Nathan Ernest Selby and has made diligent inquiry as to his whereabouts, she has not heard from the said defendant since the year 1950, when she received a card from the said defendant and cannot determine where he is residing or whether he is living or not; that in the event Nathan Ernest Selby is deceased, he would be survived by his wife, said Elizabeth Marie Selby, and the following children and heirs at law who would have an interest in the property described in paragraph two, viz: N. Ross Selby, a son, who intermarried with Pauline E. Selby; Lawrence E. Selby, a son, who intermarried with Esta Selby; Frederick Selby, a son, who intermarried with Betty Selby; Richard Selby, a son, who intermarried with Jean Rush Selby; Fern Selby Linninger, a daughter, who intermarried with James Linninger, all of whom reside in Garrett County, Maryland; Leona Selby Lefferts, a daughter, who intermarried with Carl Lefferts, who resides in Union County, New Jersey; Clyde Selby, a son, who intermarried with Jean Savage Selby, who resides in Baltimore City, Maryland; Glenn D. Selby, a son, who intermarried with Patricia Selby, who reside in Fairfax County, Virginia; Robert Selby, a son, who intermarried with Bessie Selby, who reside in Baltimore City, Maryland; Dorothy Selby Friend, a daughter, who intermarried with Walter Friend, who reside in Garrett County, Maryland, and all of whom are of full age; that should said Nathan Ernest Selby be deceased, the property described in paragraph three of Bill of Complaint would be vested completely in Elizabeth Marie Selby as the surviving tenant by the entirety; that Nathan Ernest Selby has not provided for the maintenance and support of Elizabeth Marie Selby since his disappearance on or about July 28th, 1948, and your oratrix is in need of medical attention and has no income or means of support other than her interest in the property and land described in Bill of Complaint; that State and County Taxes for years 1955 and 1956, on the described property are not paid and the oratrix does not have any means of paying the same.

The bill then prays for a finding of the disappearance and absence of the defendant, Nathan Ernest Selby; that a receiver be appointed to administer the said property as an equity receivership under the provisions of Section 300 (2) of Article 16 of the Annotated Code of Maryland (1951 Edition); that the children of the oratrix and Nathan Ernest Selby and their respective spouses be made parties to this suit; for such and further relief as her case may require, an order of publication against Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby.

The plaintiff then obtained an order on July 17, 1956, of the Circuit Court for Garrett County, Maryland, sitting in Equity, that the children of Elizabeth Marie Selby and Nathan Ernest Selby and their respective spouses be made parties of this cause of action unless cause to the contrary be shown on or before the 20th day of August 1956, provided a copy of Bill of Complaint be served upon them on or before the 1st day of August, 1956, or should any of them be non-residents of the State of Maryland, an Order of Publication be published in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 20th day of August, 1956.

It is thereupon this 17th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff, by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 17th day of August, 1956, give notice to the said absent defendants, Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby, warning them to be and appear in this Court in person or by solicitor, on or before the 1st day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

Open Season On Birds Listed By Game Director

There is to be a straight open season this fall for king rail, Virginia rail, clapper rail and gallinules, Carolina rail (also known as sora) from September 1 to October 20, inclusive, it was announced by Ernest A. Vaughn, director of the Maryland Game and Inland Fish commission.

He also announced other open seasons as follows: a straight open season of 40 consecutive days for woodcock, November 15 to December 24; a straight open season on mourning doves for 55 consecutive half days, September 15 to November 8. Mourning doves are reported more plentiful than in fall of 1955.

The hours for shooting mourning doves will be from noon to sunset. For rails, gallinules and woodcock the hours are one half hour before sunrise to sunset. Hunting all species is prohibited on Sundays.

Director Vaughn said he expected that Federal regulations prescribing open seasons on wild waterfowl would be released within the next few weeks.

IN MEMORIAM

In memory of our beloved wife and mother, Ruth Riggleman, who passed away August 10, 1953.
The years now total three, since that sad and darkened night,
When our mom so dear and precious, was taken from our sight.
She was taken from our sight, but never from our hearts,
To a land of peace and quiet and of bright and happy thoughts.
Yes it's summertime again, and we can't help but wonder
If she is thinking of us, in her home way up yonder.

Greatly missed by,

IN MEMORIAM

In sad, but loving remembrance of our dear sister, Leola Parker Sharpless, who departed this life one year ago August 10, 1955.
We loved her, yes we loved her,
But Jesus loved her more
And He gently called her
To yonder shining shore.
The golden gate was open,
A gentle voice said "come,"
And Jesus bids her enter
To her eternal home.
We miss her, yes we miss her,
Her gentle voice and smile,
But we all hope to meet her
On God's eternal shore.

Brother and Sisters,

Valuable Asset . . . .

Figure any way you want, but the person who is really interested in figures will realize that Deep Creek Lake and its allied property interests around the lake are valuable assets to the county. Without them the taxpayers of this county would long ago have been forced to pay additional revenue to the county to support its program.

Garrett county lost valuable assessable bases when the Davis Coal and Coke, the Johnstown Coal and Coke, the Shallmar holdings, and other mine properties were withdrawn from the tax books. Had there not been a Deep Creek Lake taxes would have been raised at that time. Since then more and more cottages have been built at the Lake, increasing the assessable basis steadily.

At the present time the county's assessable basis is about $30 million dollars. Of this amount the Pennsylvania Electric's assessment is in the neighborhood of $3 million dollars, and the properties around the lake have an estimated assessable basis of about $4,500,000. This figure is based on the fact that there are about 1,500 cottages around the lake with an average estimated assessment of $3,000. Some cottages are assessed at around $15,000, but an over-all figure was set at $3,000.

It takes no mathematician to discover that the lake itself and its adjacent properties reach a startling total of $7,500,000, or about a fourth of the entire county tax rate. Is it so unreasonable, then, to find that the County Commissioners, in their projected road program, would spend $80,000 or $90,000 to improve three or four miles of roadway around the lake, that within a few years, has a potential assessable increase of one-third of a million dollars?

While increasing the county's revenue from tax money, it has the tendency to keep our tax rate stabilized and in the long run saves money for farmers, business men and everybody else in the county who is on the assessment books.

People who own lake property do not need the use of snow plows in winter to keep their roads open. They do not take advantage of our school program. In fact they are a highly valuable asset to our county. We believe the County Commissioners are using good judgment. Certainly they can't please everyone. But we feel they are far seeing. Much more so than some individuals, who only see as far as the end of their nose—and sometimes not that far.

Elementary School Plans To Be Finished By August 21

Altman and Altman, of Uniontown, Pa., architects for the two new elementary schools being planned for Garrett County, will have their final plans and specifications ready for bidding by August 21, according to the Board of Education.

Requests will then be submitted by the Garrett County Board of County Commissioners for bids for these two projects. A $500,000 bond issue has been completed to provide funds for the construction of the buildings, one a 12-room school at Oakland and the other a 7-room school on Route 40 at Long Stretch. In face of rising building and labor costs the sum provided is considered marginal. The building at Oakland will house 375 pupils in grades 4, 5, 6, making it possible to abandon the old annex building for school use, while the 7-room building on Route 40 will house up to 250 children in grades 1-8 in the Johnson, Finzel, Avilton communities, making it possible to abandon the present obsolete school buildings at Johnson and Finzel. Completion of the new school on Route 40 will also provide an opportunity for all Garrett County children in this area in grades one through eight to attend a Garrett County school.

The bill passed by the Legislature authorizing the bond issue for the two schools completely divested the school board of all authority in the matter of constructing and financing the projects and placed such authority in the hands of the County Commissioners, it was recalled.

K. Of P. Team Belts Moose To Cop League Title

The Knights of Pythias Little League baseball team ran over the Moose Friday evening to win the 1956 championship. Final score was 7 to 3.

John Prince, the winning pitcher, yielded only one hit, while the losing pitcher, Ronald Wotring, gave up three hits. Most of the runs scored were on walks or errors.

After the game, William Smith, Little League president, awarded the winners the trophy for the year, which was presented to the league by the K. of P. Lodge.

Certificates will be awarded to boys who have reached their 12th birthday and who have become ineligible for further Little League play. However, they may play hereafter in the Pony League. Scheduled to be presented with "diplomas" are Roger Savage, James Finch, Douglas Ellis, James Craig and Dickie Dixon, of the American Legion; Arthur Lawton, Porter Welch, John Prince, George Porter and Jerry Bennett, K. of P.; Ronnie Colaw, John Beckman, Emerson Fike, Douglas Smith, Lions; Lindsay Gonder, Ronald Wotring, Douglas Cargo, Lyle Weimer and J. B. Umstot, Moose. The presentation will be made when the certificates arrive.

AT STATE 4-H WEEK—These three girls were among the 4-H club members participating in 4-H club Week recently at College Park, taking part in the Style Revue. Left to right, they are Judy Buckel, Bittinger; Susan Bowman, Accident, and Marie Bowman, Accident.

Groups Must Pay To Use Schools, Board Decides

Service charges for the use of school buildings and facilities were levied by the Board of Education at a meeting Tuesday. The following announcement was made:

"In view of the rising costs of utilities, fuel and water needs of the schools, the following policies for the use of the buildings were approved by the board:

"A. For use of cafeterias and kitchens for banquets and special dinners—Elementary, $10; High, $15.

"B. Use of auditoriums and gyms for entertainment purposes to raise funds for charity or community use: Elementary, $5 per night; High, $10 per night. Two nights in succession, second night half first night.

"C. Use of auditoriums or gym for commercial purposes: Elementary, $10 per night; High, $20 per night.

"D. If use necessitates extra work for custodians, they must be paid $1.25 per hour.

"E. Regular meetings of farm groups, meetings for benefit of public, Red Cross, Scouts and other such organizations, free, provided that meeting is in charge of responsible taxpaying citizen and permission has been granted.

"F. Athletic teams not connected with schools, $5 per night for elementary, $10 per night for high school gym. Practice sessions, half price for both schools.

"G. No group will use buildings without permission from principal or school board and all money will be paid over to school principal who will report such payments to school board."

Willard L. Hawkins, county superintendent, said the charges were made as low as possible to help cover the cost of extra fuel and electricity.

Other Business

The Board also:

Awarded contract for new sedan delivery truck to low bidder, Mason J. Glotfelty Garage, for $1,444.25;

Approved transfer of Paul Culler's bus route to Virgil Hanlin and Curtis Miller's route to his widow, Mrs. Marguerite E. Miller;

Approved fire insurance on office equipment to extent of $7,000;

Voted to contact State Roads Commission asking for immediate improvement of road from Tasker's filling station to Kitzmiller road, inasmuch as this road will be used for school transportatioi from Mt. Zion to Kitzmiller beginning September 4.

Voted to ask County Commissioners for funds to dig a well on the new school site on Route 40.

Two speakers have been obtained for the teachers' meeting August 30. They are William Sartorius, of the State Department of Education, and Hon. Calvin Johnson, former Congressman from Illinois and presently with the Remington Rand company.

Board Makes Further Plans For Ski Tow

Additional plans for a winter ski tow development on Marsh Mountain were made Tuesday evening at a director's meeting of the Deep Creek Lake-Garrett County Promotion Council.

The group is preparing a lease agreement with the owner and attempting to determine the cost of such a project.

Renovation Of Graded Schools Nears Finish

A complete renovation and repair job for the Center Street primary grades school and the Friendsville Elementary school will be finished by August 21, according to the Board of Education. This work was begun at the close of school by the two regular maintenance men, Melvin Sisler and Willoughby Callis, and by school custodians and extra helpers, under the general supervision of O. T. Graser, supervisor of maintenance for the county. Both schools have been given a complete renovation. Included in the work done are such items as repairing of window sash, new roofing, painting of the outside and all classrooms, corridors, toilets, all purpose rooms inside, laying of asphalt tile flooring for all floor space, installation of acoustical ceilings where needed, addition of new shelving, and cloak rooms for each classroom, reconditioning of furniture and the addition of some new furniture, placing all toilets in clean and sanitary condition, remodeling cafeteria facilities for the Center Street school, addition of bulletin boards and resurfacing of all chalkboards, addition of new drinking fountains and many other repairs too numerous to mention.

Two Rooms Added at Red House

Along with the other program, the addition of two new rooms at Red House and the complete renovation of the old building has been completed by the contractor, William A. Shirer, and the classrooms in the old portion of the building will be renovated and ready for the opening of school on September 4. However, the remaining work at Red House, to be done by the county maintenance men, will not be completed until about October 1. This entails exterior painting, new exterior doors, repairs to window sash, removal of partitions in basement and conversion of this area into cafeteria and all purpose room, as well as numerous other improvements. When completed, excellent facilities for a rural four room school will be provided for the children at the Red House school, it was stated.

"Open House" Scheduled

The two schools which have been completed, Center Street and Friendsville, will hold "open house" Sunday, September 2, from 2-5 p. m. "Open house" for the Red House school will be deferred until a later date. Parents and patrons of the schools throughout the county are invited to attend these functions. The two new buildings for which plans are about complete, and two more summers of renovation work on old buildings will be needed to complete the goal of the Garrett County Board of Education of providing a modern, pleasant and healthy classroom for every boy and girl in the county.

To Hold Interviews

Men for clerical positions and women with typing ability for training as Electrical Card Typing Machine Operator positions are urgently needed to work for the Social Security Administration in Baltimore, Mrs. Grace Bostick, a representative of the Social Security Administration, will be at the local State Employment Service Office to recruit these workers, August 20 through August 24.

STANDING TALL—Guardsmen of C Company, 121st Engineer Battalion during battalion drill competition. The drill team includes Sfc. Carl Sisler, Friendsville; Cpl. Kenneth Metheny, Friendsville; Pfc. Chester Teets, Oakland; Cpl. Charles Kisner, Oakland; Cpl. Paul Markley, Hutton; Pvt. Lewis E. Williams, Oakland; Cpl. Fred Stone, Oakland, and Cpl. Cecil Slaubaugh, Oakland. These guardsmen were part of a contingent of more than 5,000 members of the Maryland National Guard who trained at Indiantown Gap, Pa. with the 29th Infantry Division.

In Queen's Court

Miss Barbara Lou Glotfelty, daughter of Mr. and Mrs. Richard Glotfelty, of Oakland, has been selected as one of the maids of honor for the Preston County Fair, beginning August 31 at Terra Alta, W. Va.

Two Are Appointed To Welfare Board

Two appointments to the Garrett County Welfare board have been announced by Robert Stemple, local director. Mrs. Aldine McIntire, Kitzmiller, has filled the vacancy caused by the resignation of Mrs. Lewis R. Jones, and Glenroot Dilley, Oakland, has taken the place of Dorsey Guard, Friendsville, who served on the board for 14 years.

Other members are Rev. John J. Atwell, acting chairman; Mrs. Rose Hardesty, Mrs. Ruth Selby, Guy Stanton and Aubrey Brenneman, representing the county commissioners.

The board will organize and elect a permanent chairman in September.

No More Races At Deep Creek Speedway

Dwindling attendance has forced the indefinite suspension of auto racing at the Deep Creek Speedway, officials of the organization announced this week.

Patronage this year has not been up to that of past seasons, and neither the Friday evening nor the later Sunday date seemed to attract the crowds necessary for successful operations, it was stated.

Akron Skipper Wins Snipe Title In Deep Creek Regatta

Larry Wheeler, of Portage Lakes Yacht Club of Akron, O., Sunday won the Maryland snipe class championship in the 20th annual regatta of the Deep Creek Lake Yacht Club.

Wheeler, sailing in perfect weather before a large turnout, piloted his Shadow III to victory in a rubber race with George (Stovy) Brown, of Baltimore. Two Sunday second places gave him a total of 4,642 points to Brown's 4,565. Brown had a two-point lead at the end of Saturday's racing.

Brown's points were compiled by a win, a second place and a third. The 15-year-old runnerup could take consolation from the fact that he lost to the 1956 New York State snipe champ. Wheeler was also three-time winner of the Upper Great Lakes snipe championship and is also fleet champ at his home club.

Eleven Snipes took part in the two-day Garrett County event.

Gary Evans, of Baltimore, was third place winner in the Snipe competition. Wheeler's son, Pat, crewed for him and Brown's crew was Ed Fenimore of Baltimore.

Gordon K. Douglas of the Mentor Yacht Club, near Cleveland, won the Thistle Class championship in his Paukie. Douglas is designer of the Thistle craft and four-time national champion. The thistle runnerup was Paul Parramome of the Potomac River Sailing Association of Washington, D. C., in Shelalagh.

Dr. Charles S. Mahan of Morgantown, W. Va., commodore of the host club, won the rebel class championship in his Queen Mary III. Runnerup was John C. Stark, also of the home club.

The three class championships were all determined by a series of three races. Thirty vessels in all classes competed.

Local Guard Unit Wins Honors In Annual Summer Encampment

An easier than usual camping schedule combined with cool weather made for a pleasant encampment for members of Co. C, Maryland National Guard, who returned last week-end after two weeks at Indiantown Gap, Pa., training with other units of their division.

The training centered around squad problems. Two of the local company's squads were judged outstanding in engineer work. They put together an infantry support raft, took it across a lake, brought it back and dismantled it in less than two hours. The squad, headed by Sgt. Doyle Biser, had three honors, for best combat squad, best booby trap squad and best infantry crossing squad.

Two veterans joined the unit just before camp, Charles Guthrie and Harrison Stewart. More veteran enlistments are expected.

For nine of 15 days, the local company won the plaque for best mess. In a new event, a potato peeing contest, the local company won first and second honors. Making the spuds fly were Harrison Stewart and Leroy Paugh.

In the truck rodeo, William Beckman brought home first place honors. He is a truck driver by occupation.

The local company's strength was 52 men, and they were in competition with units having several times that number.

Two Youngsters Injured in Fall

Two youngsters were injured about 5 p. m. Monday evening when they fell from the rear of a truck while returning from work at the Duvall Farms at Red House.

The accident occurred near their home on the Stemple Ridge Road, just across the West Virginia line.

Admitted to Garrett County Memorial hospital were Lawrence Moats, 14, and his sister, Barbara Moats, children of Mrs. Eva Moats.

According to Sheriff Paul W. Fisher, who investigated, the Moats boy was apparently standing in the open rear door of a panel truck used to haul workers to and from the farms. Suddenly, his hat blew off and in attempting to recover it, he lost his balance and fell from the vehicle. His sister, who was behind him, tried to grab the boy, but also fell from the vehicle. About a dozen others were riding in the truck at the time. Kenneth Winters was the driver.

The victims were brought to Oakland in the Bolden ambulance.

Seek Farm Workers

The local employment service is accepting applications from adults for work on the Duvall Farms during September and October. Approximately 50 are required to harvest vegetables grown by the firm.

Interested persons should contact the employment office in Oakland.

The Women's Auxiliary of the Garrett County Diocesan Missions held a meeting at the home of Mrs. Earl George Tuesday night. Mrs. George was elected president. Mrs. Flora Michaels conducted devotions. The next meeting will be held Wednesday, September 26, at the home of Mrs. Emma Uhl in Deer Park.

To Present Concert

Above is Johana Harris, noted pianist, who will present a benefit performance in Southern High school gymnasium Friday, August 31. She appears under auspices of the Loyal Order of Moose.

Judge Rules Board Can Sell Property

An opinion in favor of the defendants, Mr. and Mrs. Fred L. Eisinger, of Washington, was rendered last week by Associate Judge Neil C. Fraley in a suit over ownership of a piece of land near Red House.

Mr. and Mrs. Eisinger had purchased the property from the Board of Education and had planned to remodel the Sunnyside School, which was part of the purchase. Mrs. Effie Stahl brought suit claiming the Board had no clear and legal title to the property and thus could not make a valid sale. The real estate was once part of the Stahl farm.

Judge Fraley's opinion gave the Eisingers the right to legally negotiate the purchase.

New Students Must Register At Southern

All students who will be attending Southern High school for the first time this year and who have not already registered for a program of studies are requested to come to the high school to register on Wednesday, August 22, between 9 a. m. and 3 p. m.

Pupils who attended the local elementary school are not considered new pupils, since their registration has already been completed.

Hearing Date Not Yet Set On Assault Case

County Roads Engineer Back At Desk Following Jaw Surgery

The date for a hearing on an assault charge against State Senator Clifford Friend has not yet been set, it was announced by State's attorney S. R. Pagenhardt following a conversation with Trial Magistrate Charles C. Zeller, of Grantsville, who will hear the case.

Originally, a trial was scheduled for August 13 before Magistrate W. O. Bitzer, in Oakland, but on motion of Sen. Friend's counsel, C. C. Nathan, the case was removed to Grantsville.

The action grew out of an altercation between Sen. Friend and County Roads Engineer W. W. DeWitt on August 9, when it is alleged Friend struck DeWitt in the jaw, knocking him to the ground. The dispute arose over a road the county was building in the lake area. Friend is free on $1,000 bond, facing a charge of assault.

DeWitt is back at his desk in the county roads office following surgery which necessitated setting the jaw and holding it together with wires. He is unable to talk or eat solids, and nourishment is provided through a straw. He can communicate only by writing. It is expected that six weeks will be required before the wires can be removed from his jaw.

Luke Worker Dies Instantly In Auto Crash

A Luke paper company engineer was killed instantly early Monday when he was thrown from his car when it struck an embankment on Route 135, near Bloomington.

He was George Morrill Bott, Jr., 23, of Keene, N. H. He had been employed at the paper mill since June 25, and was alone in the vehicle at the time of the accident.

Tfc. Robert D. Henline, of the State Police, said that Bott was evidently traveling at a high rate of speed when the car careened against an embankment.

Bott struck the hard surface of the highway when thrown from the vehicle and death was caused by a fractured skull, according to Dr. Thomas F. Lusby, acting Garrett county medical examiner.

A passing motorist, L. W. Zinn, found Bott dead on the highway. The body was taken to the Boal Funeral home at Westernport.

The victim was unmarried. He was graduated in June from the University of Maine with a bachelor of science degree in chemical engineering. He also studied papermaking.

The motorist's death brought the 1956 traffic toll in Maryland to an even 300.

Girl Scouts To Camp

Members of the Oakland Girl Scout troop will camp at Camp Paradise on Deep Creek Lake from August 20 to 27, according to Miss Cara Weber, leader. She expects 22 campers besides the leaders.

Camp facilities were donated by the camp owners.

LITTLE LEAGUE CHAMPS—These members of the K of P Little League team played themselves to the 1956 championship Friday night, winning over the Moose in the playoff 7 to 3. Left to right, first row: John Foley, Billie Bennett, John Spiker. Second row: Ray McManis, assistant manager; Porter Welch, Jeff Getty, Bill Kopfel, Don Bittinger, John Criss, manager. Attending were Mr. and Mrs. George Beal, Lowell and George, Jr., Markleton, Pa., and son, Barry, Mrs. Ernest Beal and daughter Debbie, Mr. and Mrs. Ernest Beachy, Winifred, Leo, Donna, Marvin and Olen Beachy, Grantsville.

Willing Workers Meet

The Willing Workers Society of the Laughlin church met August 9, at the church. The topic was "Friendship and Fellowship." The group sang several songs. Poems were read by Freda Hutzel and Marie Platter. The business meeting was lead by the president, Orpha Wisserman.

Directors were chosen for the following groups:

Temperance, Mrs. G. Patton; Peace, Mrs. F. Hutzel; Home and Family Life, Mrs. M. Platter; Spiritual Enrichment, F. Hutzel; Missions, M. Platter I; Aid Services, L. Durst.

There were 14 members and five visitors present.

The next meeting will be at the church on September 11.

Bible School Closes

The closing program for the Oak Grove Church of the Brethren Vacation Church school was held on Friday evening, July 27. Forty-four children attended the school with eight teachers. Twenty-two dollars was collected for the Brotherhood fund.

Teachers were Mrs. Louise Bond, Mrs. Mildred Cuppett, Mrs. Lola Wilburn, Mrs. Mary Savage, Mrs. Ethel DeWitt, Mrs. Llwellyn Rodeheaver and Mrs. Margaret Chaney, who acted as dean. Two assistant teachers were Miss Betty Savage and Miss Patty Cuppett.

Mr. and Mrs. Lee Ludwig, Baltimore, sent a recent week-end with his mother, Mrs. Mandy Ludwig. Mrs. Nora Snyder and Mrs. Ludwig accompanied them to Charles Soelters as supper guests one evening.

Mr. and Mrs. Eugene Wiltrout and daughter Debbie, of Bentleyville, Pa.; Mrs. Cecelia Silfies, of Fredricktown, Pa., and Miss Virginia Silfies, of Deep Creek Lake, were week-end guests of Mr. and Mrs. Keith Stahl and family. Mrs. Silfies plans to spend the next few weeks visiting the Stahls.

Mr. and Mrs. Charles Soelters were Saturday supper guests of Mr. and Mrs. Ray Arnold.

Mr. and Mrs. Hervey Wolfe were Saturday callers on Mr. and Mrs. Keith Stahl.

Mr. and Mrs. Floyd Fulk and family, Mr. and Mrs. Clifford Smith and family, of Kingwood, spent Thursday with Mr. and Mrs. Morgan Fulk. Sunday visitors were Miss Virgie Kaye Helmick, Kinkwood; Miss Bonnie Arnold, of Flat Rock, Mich., and Mr. and Mrs. Harry Canan.

Week-end visitors of Mr. and Mrs. Walter Peterson were Mr. and Mrs. Earl Peterson, of McKeesport, Pa., and Mr. and Mrs. James Matthews and family, of Duquesne, Pa.

Street Carnival Underway

A street carnival at Deer Park, sponsored by the fire company, began last evening and will continue through Saturday. A parade is scheduled for this evening at 7 o'clock.

Mr. and Mrs. Clarence A. Mayle, Mr. and Mrs. Raymond Sines and family, Meyersdale, Pa., are visiting relatives here.

Appointment Of New Teachers Is Announced

Two more teacher appointments have been announced by the Board of Education.

Mrs. Charles Burley has been appointed as fifth grade teacher at the Annex building in Oakland. She replaces Mrs. Sue Harvey, who recently resigned to accept a position in Montgomery county, where her husband is employed. Mrs. Burley graduated from Lumberport High school and attended Fairmont Teachers college. She is married to Charles Burley, science teacher at Southern. Mrs. Burley did a great deal of substitute teaching in the county last year.

Edward Quattro, a graduate of Thomas High school and a June graduate from Fairmont State Teachers college with a B. S. degree, will replace Benjamin Speicher, who resigned last week as science teacher at Southern. Mr. Quattro is a major in high school science and physical education and in addition to his science teaching will help head coach Richard Travis with football.

President William Smith has called a meeting of all Little League personnel for Friday, August 17, at 7:30 p. m., in the Moose Hall.

"Bell, Book, Candle" Will Be Final Play

"Bell, Book and Candle," by John Van Druten, listed as an enchanting comedy of a witch in love, will be the eighth and final play to be offered by the summer theatre players at the Garrett County Playhouse at the former Arden Boat club at McHenry. This will be presented next Tuesday through Saturday, August 21 to 25.

The cast for this play is limited to five characters with Susanne Oglesby as the young witch and Helen Page Camp as the elder aunt witch. Assisting them will be Tom Calkins, Bob Morris and Leonard Drum.

The play, "Angel Street," will be repeated tonight, tomorrow night and Saturday night. The shows were attracting the usual number of patrons with 122 persons the first night. Last week's performance had a total attendance of 772.

This week's play, "Angel Street," has proved since its original performance in London in 1938, to be one of the great thrillers of the modern theatre. A vehicle for such actors as Basil Rathbone, Vincent Price, Judith Evelyn, Sylvia Sidney and others of the American stage, it was filmed under the title of "Gas Light" with Charles Boyer and Ingrid Bergman.

Next week the playhouse manager, Gene Yell, is placing a questionaire in the program, to assist him in preparing next season's schedule.

The players will go to Frostburg on August 26 to present the final play, "Bell, Book and Candle," before a group at Frostburg State Teachers college.

Women's Market To Continue Saturday

The Rural Women's Market project will continue for the third Saturday, August 18, at the Bowman boat house at McHenry. Last Saturday, there were 14 selling with a total of 21 including those who had sent produce by neighbors. There were 451 sales, an increase of 96 over the first week.

Some new produce will be offered for sale this Saturday, including smoked turkey, butter, and a special salad bowl.

The project is for five Saturdays of August and September, and will determine whether there is enough interest for a longer season.

The Rural Women's Market is one project of the County Rural Development program.

Extension Notes

The Bittinger Homemakers club will have a picnic in the Brenneman Grove August 22 at 7:30 p. m. The West Vindex club plans a picnic on August 23.

Carl Johnson, University landscape specialist, will assist those requesting his aid through the local extension office. The following schedule has been set up: August 24, 8:30 a. m., home of Mr. and Mrs. Willard Hawkins; 9:00 a. m., home of Dr. and Mrs. Frank Custer; 10 a. m., home of Mr. and Mrs. B. O. Aiken; 11 a. m., home of Miss Kathryn Sepicher, both of Accident.

It's a great time to buy a Buick!

Buick CENTURY 6-Passenger 4-Door Riviera

Today you can have what other cars may not have for years

JUST BETWEEN US—don't you get a kick out of keeping a step ahead of the other fellow—especially when it comes to cars?

So wouldn't you find it fun to boss the newest thing in motordom—a car with the greatest advance in transmissions since the gearshift left the floor?

And wouldn't you like to have all this at a price that is right—and when the weather is right—and right when your car is at its top worth?

Well, sir, we've got that kind of situation for you—*now.*

Because this very day you can step into a 1956 Buick with Variable Pitch Dynaflow* and drive away with a transmission so modern, so responsive, so smooth that you may not find its like in other cars for years to come.

You can have the thrill of split-second action from the merest nudge of the pedal—and with the good-news gas savings this economy range brings.

You can have the safety-surge of power that comes from pushing down on the pedal and switching the pitch.

All with the walloping might of Buick's 322-cubic-inch V8 engine. All with the new luxury of a ride that's built on 4 brawny coil springs for buoyant levelness. A ride with new steering ease and sweeter handling.

Best of all, you can make the buy of a lifetime. For *today's* low prices have helped move Buick into America's best-selling 3 more firmly than ever.

That means we can come to terms on the trade-in value of your car in a way that's bound to tickle you pink.

Why not stop in and take us up on that—today?

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

The Play Reviewed

The weekly offering of the Garrett County Playhouse turns out to be a suspensefully-told, extremely well-acted mystery story, in spite of the misleading title, "Angel Street," whose only apparent function in the play is to name the setting. The play isn't strictly a murder mystery (the type which needs a murder and a corpse in plain view of the audience) but it may as well be one. In this case, the body has been discovered fifteen years previous, and the murderer is still at large along with a fortune in rubies. According to Inspector Rough (retired), the riddle is connected with the Manningham household and, he tells Mrs. Manningham, inconclusive evidence points to her husband as the killer. Inspector Rough believes that the murderer never found the rubies, and that he has acquired his present house, the scene of the murder, to search methodically for them. That would explain why Manningham keeps the third floor locked, why he goes out every night, and why he secretly returns, an event marked by the dimming of the gas light in the living room, as if someone had turned on a light upstairs. Mrs. Manningham tends to agree with Rough. She feels that she is losing her mind, or is being driven out of it by her husband, she can't decide which. Rough helps her decide. The solution is clear-cut, and clues fall into place obviously. There are no diverting tricks or red herrings, but there is enough uncertainty about the whole thing to create a wealth of suspense which the actors exploit to the fullest.

Collectively, the acting is extraordinary, and the contrasting individuality exquisite. Helen Page Camp portrays the troubled Mrs. Manningham, an emotional hodgepodge, with depth and skill. Time and again she slides to the brink of insanity, teeters, and climbs back, an immense acting feat. Miss Camp brings alive Mrs. Mannington by being hysterical, childish, devoted, perplexed, cringing, and overwrought.

Leonard Drum, choice in both performance and appearance, reeks tyranny as Mr. Mannington. With a twist of the mouth, a stab of the eyes, a cold, harsh voice, and a trim and stately bearing, Mr. Drum is as captivating and terrible as a hypnotizing python.

Tom Calkins, playing Inspector Rough, shows moments of seriousness, satisfaction, indecision, and command, consistently acting each as stemming from one character. With his bouncy attitude and serious lines, he adds a little lightness to the play and yet contributes to the suspense.

Minor roles of housemaids, played by Suzanne Oglesby and Bonnie Barton, are top-notch. Miss Oglesby bursts from servility to dominance in one scene, adopting a self-assured, superior look that is as expressive as a soliloquy. Miss Barton slows down and ages in a change of pace in which, conversely, she gains much ground as an actress.

The dimly-lighted, 1880 Victorian setting in no way obscures a polished performance.

County Driver Hurt

D. H. James, of Oakland, is in serious condition in Garrett County Memorial hospital in Oakland as the result of an automobile accident which happened near Horse Shoe Run, Tuesday morning, on Route 24.

According to Trooper William Sparks, of the Kingwood detachment of the West Virginia State Police, the accident occurred when the 1956 Plymouth sedan owned by the State Department of Agriculture was hit head-on by a Ford truck driven by Lester Whitehair, of Horse Shoe Run.

Whitehair made a left turn in front of the car driven by James. The vehicles then hit head-on.

Whitehair suffered slight injuries.

Drying Kiln For County Suggested

The possibility of establishing a drying kiln for timber, and the increased utilization of wood were discussed at two related meetings last Thursday night at the William-James hotel in Oakland.

Charles Lockard, chief of the Forest Utilization Service at the Allegheny Forest Experiment Station of the U. S. Forest Service, Upper Darby, Pa., first talked with the Garrett County Forestry Board at that group's annual dinner meeting.

In his remarks to the board Lockard emphasized new industries which would utilize the county's supply of wood more effectively. He said there is a seller's market for pressed wood used in furniture stock. This pressed wood is primarily waste under present usage.

Lockard also suggested the possibility of charcoal production, observing that Grantsville already has a new industry which treats charcoal briquets with a flammable material and packages them for a specialized trade.

At the second meeting four principal sawmill operators of the county were told about the advantages available to them from the establishment of a drying kiln in their own county. The operators on hand were C. C. Mason, Oakland; Virgil Steyer, Steyer; Howard Pettit, Grantsville; and Earl Pritts, Blaine, W. Va.

Under present arrangements the timber is shipped out of state to other areas where drying kilns are available and the final stages of the lumber manufacture are concluded outside of the county.

A drying kiln to serve the needs of the county timber could handle about five million board feet annually, about 30 percent of the annual cut in this county.

The drying operation, which reduces the moisture content of the wood varies with the thickness of the wood and the kind of tree. It may take anywhere from six to 45 days to kiln-dry the wood. Lockard estimated that about 30 charges or loads of timber could be placed in the kiln each year.

No final decision was expected at the meeting. It was designed more to give the county timber men ideas that might be developed in future months.

Among those on hand besides the sawmill operators were H. C. Buckingham, state forester; William H. Johnson, district forester; William Heston, kiln engineer for the Moore Kiln company, Punxsutawney, Pa.; Donald Holland, Fairmont, W. Va., forester for Monongahela Power company; Joseph Fahey, cashier of the First State Bank, Grantsville, and president of the Garrett County Forestry Board.

Only 35 Turn Out For Football At Southern High

Coach Dick Travis expressed a great deal of concern as only 35 boys reported for initial workouts for the coming football season at Southern High School, Wednesday morning. A possible reason for the poor turnout could be due to the fact that a great many boys are still working on the farm. Travis emphasized the importance of all boys reporting as soon as possible.

Following a brief workout on Wednesday morning, all boys were given a physical examination by Dr. Arthur F. Jones. Thursday's session consisted primarily of conditioning exercises. Travis indicated that it would be a week or ten days before any scrimmage sessions would be scheduled.

With only four lettermen returning to the local gridiron, Southern's new mentor faces a difficult season as he attempts to build a new team following the graduation of such key men as the Colaw cousins, Charles Mason, Bob Marley, George Lee, Paul Brohawn, Robert Walla, Danny Garrett, and several other outstanding boys. In all, a total of eighteen lettermen were lost through graduation.

On hand to assist Travis was Edward Quattro, new science instructor on the Southern High staff. Carl Schoonover, cage mentor, and Carleton Hogue, baseball coach, are expected to report next week.

Helping to fill the gap in the forward wall of the Highlander team will be Waller Hoye, who played the center slot last year; Henry McRobie at tackle and Don Evans at guard. Bill Deckman, who scored several touchdowns last year, will be fighting to retain his place in the backfield. However, Travis was quick to point out that all positions will be wide open for the boys who show the most ability and drive.

Among the boys who reported for action on Wednesday were quite a few who saw limited action last year.

There will be no practice on Friday since the Southern coaches are planning to attend the football clinic at Cumberland. Practice will resume at 9 a. m. on Monday.

Entitled To More . . .

The people of Garrett county are entitled to more. They are entitled to more than the humiliating spectacle of elected and appointed public officials making headlines by constant argument, dissension, personal prejudice, stubborness and finally common public brawling.

The latest sorrowful example was the arrest last week of this county's State Senator, charged with assault upon the person of the County Roads Engineer. Actions of this sort not only lower the standing of the county in the eyes of the rest of the state, but also point up the tragic lack of cooperation among our public officials—which is so important to our present well-being and our future welfare.

During the last year, we have been exposed to an unusual number of incidents which illustrate the failure of our various commissions and boards to work together in the public interest. The most recent case is the first involving personal violence, but is in no wise the most important in final results.

It is unfortunate that a few elected and appointed officials have seen fit to impede the efficient workings of our government, and have placed stumbling block after stumbling block in the path of those who have the best interests of the county at heart and who are trying to do a difficult and conscientious job.

Our government, both local and national, has grown to such proportions that we are forced to depend upon it to a large degree for most of our vital services, including education, personal and community security, services of many other kinds and even our national health and welfare. Regardless of the level, it is necessary that it be administered by clear-headed, even-tempered individuals of high character. Those who would resort to personal violence on a public thoroughfare are obviously not qualified for the important task of making broad policy decisions for us at the seat of government.

A democracy moves slowly, but once each four years it has the opportunity to purge itself of misfits. Past mistakes can be corrected in the secrecy of the polls. In the present case, it is unfortunate that two years must elapse until that can be done. In the meantime, we can only regret the apparent impossibility of attaining good, orderly administration which we all desire and require.—W.W.C.

Is Your Name WRIGHT?

Do you know that:

Wright, an old and honored English surname, is of relatively simple derivation. It is of occupational origin and was applied principally to artisans or craftsmen who worked with wood and other non-metallic materials. It therefore is in contrast to Smith which was usually bestowed specifically upon those who worked with metals. Thus, some of the common "Wright" names include Glasswright, Cartwright and Arkwright while popular "Smith" names include Goldsmith and Coppersmith.

Among the patriots of Revolutionary days was Phineas Wright (1710-1796) who was a member of the Provincial Congress and served also as a colonel of Massachusetts troops.

Wright Counties in Minnesota and Missouri are named for Silas Wright (1795-1847), United States senator and governor of New York.

An interesting history of the descendants of Solomon Wright, who settled near what is now Centreville, Md., in 1673, was compiled by Mary Rourke Emory and published by the Sun Publishing Company of Baltimore in 1900.

James Wright (1787-1858) and his wife, Elizabeth Wright (1788-1854), are buried in Grantsville cemetery.

W. H. Wright was one of the school trustees of Altamont District, Garrett County for the year ending May 1822.

Among the most noted bearers of the name of Wright were Wilbur Wright (1867-1912) and Orville Wright (1871-1948), brothers and inventors of a heavier-than-air flying machine.

Luke E. Wright (1846-1922) served as governor-general of the Philippine Islands and as Secretary of War in the cabinet of President Theodore Roosevelt.

Daniel Thew Wright (1864-1913) was justice, Supreme Court of the District of Columbia.

George Charles Wright and Jerauld Wright are rear admirals, U. S. Navy.

Willard H. Wright is chief of the division of tropical diseases, National Institute of Health, U. S. Public Health Service, with offices in Bethesda, Md.

Benjamin Fletcher Wright is president, Smith College, Northampton, Mass.

Letter To The Editor

To the Editor:

I feel it only fair and just to clear the air of some of the unsound rumors concerning the story you published in last week's paper of the altercation of Senator Friend and Webb DeWitt.

I was present when Webb and Paul DeWitt rode in, in the county car. I heard and saw it all.

The Senator said, "It seems a shame to spend so much money on this road when our county roads need attention badly." Webb asked the Senator if he could name any other road that would bring in the amount of revenue that this road will.

The Senator then stated, "It appears to me that this road is being built for the purpose of enhancing the value of private property and kickbacks." Webb stepped up and threatened the Senator with his fists and said, "You are accusing me of taking kickbacks and I am not that type. It is just such --- -- -- ----- as you that cause all the trouble." The argument continued about the cost of construction and materials. It appeared then to be over and both men stepped back. Webb then made a statement that is unfit to publish. The Senator stepped up and hit home one lick on the side of the face. Webb went down and the Senator made no further attempt to strike or molest him in any way. Paul DeWitt ran to the county car and came back with a bottle containing some little pills for Webb. He spilled some of them on the road. I stooped over and helped pick them up. The Senator picked up a couple also.

As the road men helped Webb to a sitting position he told them to not help him up, that he had a weak "ticker."

This constitutes the bulk of the argument and if you are interested in publishing the truth, you will publish this and you will also publish the report of the Sheriff who questioned all the men present.

Rodger W. Bond

(Editor's Note: Last week we published lengthy statements from Senator Friend and Paul DeWitt, both eye witnesses. It is a newspaper's function to publish the facts as they can be ascertained; when fundamental differences of opinion exist, it is only fair to give space to both sides. This we have done, in considerable detail. The final decision is not ours, but that of the courts.)

Board of County Commissioners
Garrett County
Oakland, Maryland

Att. Mr. H. D. Swartzentruber, Chairman

Gentlemen:

As the Congress is to give the States billions of dollars for road building, how about putting in a large allotment for Garrett County?

Through Congressman DeWitt S. Hyde, now is the time to put Mr. Hyde to work, plus Senator Friend.

What I think would be a great asset to Garrett County would be to improve the Hutton Switch road which runs parallel to the road that leads to Herrington Manor Lake and Swallow Falls. Hutton Switch road is about two miles west of the Herrington Manor road and is the only road if opened would connect to Cranesville road, which it did years ago, and the county still owns the right-of-way. At present, Hutton Switch road is not accessible after the "Lone Wolf" property, which Mr. Brenneman is familiar with.

By hard surfacing this road it would open up access to virgin property as the State owns the property on the East side of the Hutton Switch road, and this would invite more people to see the beauty of Garrett County.

Hoping you will get some action on my suggestion, I am

Sincerely yours,
Frank W. Miller, of
Garrett and Baltimore Counties.

The American Way

The Democratic-Republican New Deal

(By John T. Flynn, noted author, lecturer and radio commentator)

A national political campaign again opens before us. We witness the battle for the nominations in crowded conventions. There is debate over the platforms, nomination speeches, wild demonstrations and, finally, two great warriors appear before us as candidates for the presidency. However, no matter what the orators pronounce, or what the platforms say, or who the successful candidates are, there will be no real or fundamental difference between them. There will be one big, overmastering issue. Which candidate and which party will for the next four years administer the **New Deal?** In another sense, it will be a contest to determine which party will have in its hands the fantastic billions with which politicians now do business.

Let there be no obfuscation about what the New Deal means. In its inception it was merely a label used by Franklin D. Roosevelt to sell his party to the people. Its obvious objective was to promote a set of laws and policies which were expected to revive the capitalist system so badly damaged by the crash. Mr. Roosevelt had denounced President Hoover as a reckless spender. But having launched a program of spending billions for "recovery," the politicians—of both parties—began to see with expanding delight the immense political possibilities of government taxing, borrowing and spending.

Our national politicians could never buy very many votes with a couple of billion dollars in taxes. But when Roosevelt and the Democrats began spending six and eight and ten and then more and more billions, they discovered that they could buy votes in immense groups—not with just pitiful little handouts to individuals, but with billions for this and billions for that, all going to various large minorities. Then, for the first time in our history, a president was enabled to stay in power for four successive terms.

For quite a while the muddled Republicans grumbled and muttered against all this spending. But presently, first one and then another Republican "statesman" began to perceive the tremendous value of this taxing, borrowing and spending. Whether it was on peace or war, these grotesque billions could be used to buy immense minorities. For a while, the GOP chieftains muttered in their beards against the "shameful extravagance of the Democrats." But presently the facts of political life began to seep into their consciousness. When, therefore, the present collection of politicians came to power, they proceeded to outspend their Democratic predecessors. And now both parties have adopted the spending philosophy as a permanent weapon of power.

But, alas, another group of political philosophers has been watching with delight this giddy circus—who but the old socialists. Perhaps we should not say "old" socialists, for the party of Norman Thomas has practically disappeared as an engine of power. The modern pragmatic practitioner of politics has noted that socialism is, after all, nothing more than a system in which the government takes vast powers, grabs the incomes of the people and spends them "for their own good." Many of the old socialists have moved into the Democratic or Republican parties—chiefly into the former.

The term "New Deal" now is expanded to mean a system of government in which the administration asserts the right to take over the operation of as much of the economic system as it can get away with and to take over as much of the people's income as can safely be extorted by all sorts of taxes. What cannot be taxed can be borrowed. This, of course, as any rational and objective observer can see, is nothing more than the gradual socialization of the economic system—the installation of government as the employer as well as the ruler of the people, and its authoritarian confiscation of their earnings. The term New Deal is more or less the property of the Democrats, but the Republicans have made no important or serious alteration in this Marxian gradualism. In the four fiscal years of Truman's last administration that eminent statesman, with the Korean War on his hands, spent 223 billion dollars. President Eisenhower in his four years of peace spent 263 billion dollars.

Now the inevitable national election comes around. What are the issues? There is really only one. That is the struggle of the Democrats to oust the Republicans and get back their beloved New Deal—which the Republicans have been playing with and which both parties have stolen from the socialists.

IN MEMORIAM

A tribute of love to my dear husband and our beloved father, Richard Bradford Riggleman, who departed this life 21 years ago, August 19, 1935.

I lost my soul's companion,
A life linked with my own,
And day by day I miss him more
As I walk through life alone.
We cannot bring the old days back,
Your hand we cannot touch;
But God has given us sweet memories
Of a dear Dad we loved so much.

Sadly missed by Wife and children, Daisie Ellen Riggleman, Sue Ellen Tasker, R.N., John, Harry and James Riggleman.

Wed July 21

Miss Rose Ella Landon, daughter of Sp2 Fred Landon, stationed in England, and Mrs. Landon, of Mt. Lake Park, became the bride of Norman Alfred Parks, son of Mr. and Mrs. Frank Parks, of Kitzmiller. The single ring ceremony was solemnized before an altar decorated with white flowers in the West Vindex Methodist church on Saturday evening, July 21, at 8 o'clock by Rev. Charles D. Pence.

The bride, given in marriage by her brother, Harold Landon, wore a white ballerina length dress of nylon brocade. She carried a white Bible topped with a large orchid with satin streamers. Miss Alice Jane Landon, sister of the bride, was maid of honor and wore a blue dress with white accessories and carried a nosegay of white rosebuds.

Elwood Parks, brother of the groom, was best man.

A program of nuptial music was played by Mrs. Anna Jane Sharpless and Dan Sharpless, both of Kitzmiller. Dan Sharpless sang "I Love You Truly," accompanied by Mrs. Sharpless. After the ceremony he sang "The Lord's Prayer."

The groom is a graduate of Elk Garden High school, class of '54. The bride would have been a 12th grade student this fall.

The mothers of the bride and groom each wore black and white dresses with white accessories and a corsage of sweet peas.

A reception was held at the home of the groom's parents, Mr. and Mrs. Frank Parks. They had a three-tiered wedding cake topped with a miniature bride and groom. The cake was served by the groom's mother and other refreshments were served by the groom's sisters, Naomi Parks and Mrs. Beatrice Haywood, of Cumberland.

The bride's going away costume was a black dress with white lace. Her accessories were white and she wore an orchid corsage.

Mr. and Mrs. Parks will reside in their trailer at LaVale, near Cumberland. The groom is employed as an electrician at the Pittsburgh Plate Glass company.

Construction Or Improvement Of Farm Market Roads Totals 48½ Miles

Forty-eight and one-half miles of basically farm market roads have been constructed or substantially improved in Garrett county during the past four years, an examination of the records of the county roads department revealed this week.

In addition, four major bridge projects, costing in the neighborhood of $45,000 each, were completed.

In compiling these statistics, roads around the lake or those used principally for vacationists and others in reaching recreation areas, were not included.

Some of the projects were completed over a period of several years, with roadbed being finished one year, grading another and paving the next. In these cases, the mileage was counted only once, although the road appeared on work records for more than one year.

W. W. DeWitt, county roads engineer, listed the bridge projects as the Browning Dam bridge, two over the Yough river, one near Oakland and the other at Savage River. Each of these steel bridges, he said, cost about $45,000 each.

DeWitt said the mileage figures given included only roads actually completed up until January 1 of this year, and did not include any work finished in 1956 or any work underway which is not entirely completed.

Milk Prices Jump As Jug War Ends

Low milk prices in the Oakland area came to an end in recent days as producers and distributors apparently got together to end the jug-vs.-container price war which sent prices of both types of containers to a low of 47 cents per gallon.

One local merchant said it had been suggested to him that he sell milk in gallon jugs for 81 cents per gallon, and in cardboard containers for 84 cents. However, he said he would continue the practice of selling paper containers for 81 cents. Other retailers apparently were setting their own policies, also.

For several months, milk here had been selling for 47 cents per gallon and the same milk in Cumberland brought 79 cents.

Dairy Herd Groups Report on Output

Production records in the two county Dairy Herd Improvement Associations for July were released this week.

In Association No. 1, the top five herds were owned by Ira Yaste, Robert Buckel, Raymond Schrock, Simon Tice and John Menges. Five top cows belonged to Elmer Miller, who had three of the five; Simon Tice and Raymond Schrock.

In Association No. 2, high herds were owned by D. L. Swartzentruber, C. W. Wagner, Jr., D. G. O'Brien, Clark Schlossnagle and F. B. Glotfelty. Owners of the top five cows were William Wildesen, Clark Schlossnagle (2), Ross Crowe and Lenwood Bittinger.

Brother Dies On Day He Finds Sister Dead

James Glotfelty, 71, of Philadelphia, who had been visiting his sister, Mrs. Emma Florence Specht, died last night when he went to the funeral home to see her body. He had found her dead at her home here the previous morning.

Mrs. Specht was found dead in her bed Wednesday morning. Late last night, her brother rode to the Bolden Funeral Home with other members of the family. When they arrived, Glotfelty said he wasn't feeling well and remained in the parked car in front of the funeral home where he was found later. He suffered a heart attack.

Born at McHenry, June 2, 1885, he was a son of the late Mahlon and Jane Boyer Glotfelty and was a member of the Lutheran church at Lansdowne, Pa. He was a retired carpenter.

He was the father of one son, James, Jr., Lansdowne, and five daughters, Mrs. Joe McCoach, of Philadelphia; Mrs. Roy Kersher, West Chester, Pa.; Mrs. Jeff Stanton, Sarasota, Fla.; Mrs. Harry Neussle, Sacramento, Calif., and Mrs. William Myers, West Chester.

His sister, also a native of McHenry, was a member of St. Mark's Lutheran Church, Oakland, and of the Ladies' Aid Society. Her husband, Sam Specht, died in 1915.

They are survived by three brothers, Beason, Oakland; Asa, McHenry; Frank, Spokane, Wash.; and a sister, Mrs. Ethel Roy, Akron, Ohio.

Both bodies are at the Bolden Funeral Home, where services for Mrs. Specht will be conducted Friday at 2 p. m. by Rev. Charles W. Carlson. Burial will be in the Glotfelty cemetery near McHenry.

The body of Mr. Glotfelty will be taken to Philadelphia tonight. Funeral services will be conducted Saturday at 2 p. m. from the George E. Toppitzer Funeral Home in Drexel Hill, Pa., and interment will be in Arlington Cemetery there.

DIED

MRS. CORA J. SOMERVILLE

Mrs. Cora Jane Somerville, 86, Keyser, W. Va., died Wednesday, August 8, in Potomac Valley hospital where she had been a patient for several days. She had been in failing health for several years.

Born in Westernport, she was a daughter of the late James and Isabella Broadwater Kight and the granddaughter of the late William C. and Mary Warnick Broadwater, of Grantsville. She had resided at the home of the late James Samson and Marian Frost Broadwater, now the home of Miss Viola Broadwater in Grantsville for a number of years. She was married to the late Rev. Emery W. Somerville, Methodist minister. Mrs. Somerville was a member of the First Methodist church, Keyser.

Surviving are three sons, Morris A. Somerville, Sparrows point; M.-Sgt. William B. Somerville, stationed with the army at Barstow, Calif., and Francis O. Somerville, Berlin; a brother, H. O. Kight, of Fort Meyers, Fla.; four grandchildren and four great grandchildren.

Funeral services were conducted August 11 at 11 a. m. by Rev. Charles W. Paskel, pastor of First Methodist church, Keyser. Interment was in Philos cemetery, at Westernport.

Relatives from Grantsville attending were Mrs. Lena Stanton Bender and Miss Viola Broadwater.

JUDY MARLENE GEORG

Judy Marlene Georg, nine-year-old daughter of Arnold and Marie (Goehringer) Georg, of near Accident, died Tuesday in Meyersdale, Pa., Community hospital.

She was born in Accident and was baptized in Zion Lutheran church.

Surviving besides her parents, are a sister, Eleanor, Washington, D. C., and a brother, at home.

Services will be conducted today at 2:30 p. m. at Zion Lutheran Church by Rev. C. T. Dauphin, pastor. Burial will be in the church cemetery.

Maryland Grange Surveying In Area

The possibilities of revitalizing the Maryland Grange were explored in Garrett county this week by F. Russell Foard, assistant to the State Master, and W. Harland Biggs, Grange deputy of Western Maryland. The two spent Monday, Tuesday and Wednesday here.

On Tuesday, a planning and membership meeting was held at the Pleasant Valley Grange hall with about 25 people in attendance.

The program opened with some group singing after which Mr. Foard and Mr. Biggs explained the part Grange is playing in rural living.

Members of the group expressed a desire to have a Grange in the Pleasant Valley area. Donald Riley was elected as temporary master, and Wayne Bernard as temporary secretary and plans were made to have an organizational meeting on Friday, September 21.

Refreshments concluded the meeting.

To the Citizens of Garrett County:

Our County Roads Department is spending approximately One Million Dollars each year. Our receipts from the Gasoline Tax keep steadily climbing, yet each year we are getting less roads than the year before. Last year many of our county roads received no attention at all. Unless some drastic changes are made at once our roads will receive even less this year than they got in the year of 1955.

I think it is possible to put a finger on some of the reasons for this sad state of affairs. At least, some of the reasons are as follows:

1st. It is costing too much to produce the lime stone chips at the quarry. A clue to this can be found in the fact that in one year the roads engineer spent $50,000.00 for dynamite at the quarry, while in that same year the Vetter Brothers spent only $5,000.00, and yet the Vetter Brothers produced about twice as many tons of materials as was produced at the county quarry. In other words, the county used ten times as much dynamite to produce half as many stone chips.

2nd. There is something radically wrong about the way supplies are being purchased. There is the matter of buying $24,426.60 worth of steel girders for the county garage. I found the invoice for this in the files last winter, and was amazed to see that it was not itemized in any way. The invoice merely said "steel for garage". It did not say how much steel or how many tons. Another invoice said "roofing for garage, $6,217", but it did not state the kind of roofing, or the amount. Another invoice said "steel for bridge, $13,337.40," but also failed to state how much steel. Still another invoice said "decking for bridge, $9,180.00". All these invoices were from the same man in Oakland, and there were many, many more in the files. After some time and talk, Mr. Swartzentruber said he would find out how much steel was furnished on the first invoice for $24,426.60, and he returned with a set of figures showing the steel girders cost a little over 18c. per pound, or a little more than $360.00 per ton, which was nearly double the prevailing market price at that time. Also there was an invoice for paint for the garage of $1,320.00, and it was not itemized again. All this material was bought without asking for bids.

The above indicates the loose unbusiness-like way in which the materials are being purchased. Yet the roads engineer has been rewarded with a salary increase and he now receives $500.00 per month with traveling expenses and a county car furnished. In addition, Paul DeWitt, the former clerk, has been promoted to Assistant Engineer at a salary of $350.00 per month, and another clerk has been employed to do his work.

Consider the above in conjunction with the letting of an illegal contract to one of the County Commissioners for drilling $30,000.00 worth of holes, through dirt, at $2.00 per foot, compared with a contract that this driller is now working on at 25c. per foot, on a coal stripping job; consider the purchase of machinery, trucks and equipment out side the county without asking for bids, consider the junket trips that the Commissioners and the roads engineer have been taking, and consider the building of roads like the one along the lake for the favored few, and it becomes apparent that so long as there is no change our county roads will continue to suffer despite the ONE MILLION DOLLARS PER YEAR COMING IN FOR ROADS MAINTENANCE, CONSTRUCTION AND REPAIR.

To the Citizens of Garrett County:

Our County Roads Department is spending approximately One Million Dollars each year. Our receipts from the Gasoline Tax keep steadily climbing, yet each year we are getting less roads than the year before. Last year many of our county roads received no attention at all. Unless some drastic changes are made at once our roads will receive even less this year than they got in the year of 1955.

I think it is possible to put a finger on some of the reasons for this sad state of affairs. At least, some of the reasons are as follows:

1st. It is costing too much to produce the lime stone chips at the quarry. A clue to this can be found in the fact that in one year the roads engineer spent $50,000.00 for dynamite at the quarry, while in that same year the Vetter Brothers spent only $5,000.00, and yet the Vetter Brothers produced about twice as many tons of materials as was produced at the county quarry. In other words, the county used ten times as much dynamite to produce half as many stone chips.

2nd. There is something radically wrong about the way supplies are being purchased. There is the matter of buying $24,426.60 worth of steel girders for the county garage. I found the invoice for this in the files last winter, and was amazed to see that it was not itemized in any way. The invoice merely said "steel for garage". It did not say how much steel or how many tons. Another invoice said "roofing for garage, $6,217", but it did not state the kind of roofing, or the amount. Another invoice said "steel for bridge, $13,337.40," but also failed to state how much steel. Still another invoice said "decking for bridge, $9,180.00". All these invoices were from the same man in Oakland, and there were many, many more in the files. After some time and talk, Mr. Swartzentruber said he would find out how much steel was furnished on the first invoice for $24,426.60, and he returned with a set of figures showing the steel girders cost a little over 18c. per pound, or a little more than $360.00 per ton, which was nearly double the prevailing market price at that time. Also there was an invoice for paint for the garage of $1,320.00, and it was not itemized again. All this material was bought without asking for bids.

The above indicates the loose unbusiness-like way in which the materials are being purchased. Yet the roads engineer has been rewarded with a salary increase and he now receives $500.00 per month with traveling expenses and a county car furnished. In addition, Paul DeWitt, the former clerk, has been promoted to Assistant Engineer at a salary of $350.00 per month, and another clerk has been employed to do his work.

Consider the above in conjunction with the letting of an illegal contract to one of the County Commissioners for drilling $30,000.00 worth of holes, through dirt, at $2.00 per foot, compared with a contract that this driller is now working on at 25c. per foot, on a coal stripping job; consider the purchase of machinery, trucks and equipment out side the county without asking for bids, consider the junket trips that the Commissioners and the roads engineer have been taking, and consider the building of roads like the one along the lake for the favored few, and it becomes apparent that so long as there is no change our county roads will continue to suffer despite the ONE MILLION DOLLARS PER YEAR COMING IN FOR ROADS MAINTENANCE, CONSTRUCTION AND REPAIR.

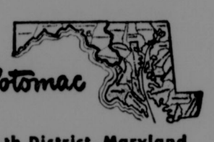
Along The Potomac



Congressman De Witt S. Hyde - 6th District, Maryland

A review of the accomplishments of the 84th Congress must include the observation that truly efficient government is handicapped if one political party controls the legislative branch and another party, the executive. News commentators have complimented the 84th Congress for smooth and efficient performance and for an outward appearance of amity. I agree that, in the main, the record of service to the people has been good, but I am sure it would have been better had the responsibility not been divided.

The record of the Congress includes legislation of both direct and indirect benefit to citizens of the 6th Maryland District. Two new laws of importance to our area are highway construction and federal aid in the fight against river and stream pollution. Each program means a great deal to Maryland. Both provide additional employment and business opportunities for local merchants.

One of the final acts of the 84th Congress was the appropriation of $50 million to implement the anti-pollution measure. Wise use of this law, in addition to other programs, will help create a Potomac River Valley which will be the pride and joy of not only our area but of the Nation as well.

The Congress set up a voluntary "soil-bank" for farmers that will aid in obtaining a better balance in the use of the soil and help reduce acreage devoted to crops now in surplus. Farmers will also benefit from a provision eliminating the excise tax on oil and gasoline used in farming operations.

Social Security was expanded to let women retire at age 62, and the totally disabled worker to draw benefits at age 50. Certain new professional groups were added to Social Security roles, and the Congress increased taxes to be paid by both the employer and the employe. Civil service and railroad retirement legislation was amended and improved.

One of the major debates of the session was over the issue of foreign aid. Most of the money appropriated will go for military defense in friendly countries. I think it important to remember that it costs us only $700 a year to maintain a Korean soldier on duty in Korea. In contract, it requires almost $6000 a year to keep an American soldier overseas. The more we strengthen our allies, fewer American men and dollars are needed.

I wish to take this opportunity to thank the Editors of the newspapers which have carried "Along the Potomac" during the life of the 84th Congress and, if I may be permitted a personal word, I hope that these columns may appear again next year.

THE GREAT GAME OF POLITICS

'Name Calling'

Nothing better illustrates the desperation to which the Democrats are reduced by the recovery of President Eisenhower than their frantic efforts to find an effective issue against him in the coming campaign. Never before, it seems, has a major party in this country been forced to such absurd extremes and ludicrous misrepresentation.

For a long time there was a concentrated drive to find a "goat" in the Eisenhower Cabinet but in this the failure was complete. For quite a while Secretary of Defense Wilson, Secretary of State Dulles, Attorney General Brownell and Secretary of Agriculture Benson were regarded as promising prospects. But they all turned out disappointing to the Democratic politicians and publicists. No departmental scandals have developed and one after another the personal blasts at these individuals have languished and died. Recently the foremost political and journalistic opponents of the President, who a while back let it be known that they did not intend to attack him personally, have been doing exactly that. There seemed nothing else left for them to do.

So, recently we have been more or less deluged under a stream of "name calling." Mr. Eisenhower has been depicted as a feeble fellow unable to find his way about and incapable of doing his job. Gov. Averell Harriman has called him "naive" and a "part-time President." Both he and the bumbling Senator Hubert Humphrey, of Minnesota, have cried out in anguish about his lack of "leadership," though what great causes either of them ever led has yet to be revealed. A Democratic state chairman in New York referred to him as "a do nothing, care nothing, drift and drag Republican President." This is the cry of the Democratic National Committee publicity directed by the ebullient Chairman Butler and echoed in his organ, the Democratic "Digest."

Really what it has gotten down to on the Democratic side is that they have but two issues. The first is the Eisenhower health; the other is the renomination of Vice President Nixon. As things are, however, there is no doubt that Mr. Nixon, if re-elected, stands a better chance of becoming President than anyone nominated for the vice presidency in our history. Naturally this makes it inevitable in the absence of anything better that the Democrats should make Nixon and the President's health their principal targets. This is a situation upon which the Democrats are determined to cash in. They really have nothing else. Ordinarily a supposedly ailing, though popular, candidate for President and a highly controversial candidate for Vice President, if skillfully presented, ought to mean votes for the opposition.

There are, however, two reasons it appears futile this time. One is the trust and confidence with which the people of the country as a whole have in the President. When supported by his doctors he asserts that he is fully recovered and entirely capable of functioning as President for another four years, they believe him. Not even his enemies regard him as capable of deceit or dishonesty. He has said that the minute he no longer felt capable of carrying on he would at once say so and at once become unavailable. Everybody who read or heard him say that knew he meant it. Except for Mr. Butler and his Democratic "Digest", the argument that Mr. Eisenhower really was anxious to retire but that he was being forced to run again by what they called the "Palace Guard," has been abandoned. Now, it is clear that Mr. Eisenhower likes his job, really wants to run again and has made his own decision about doing so.

As to Mr. Nixon the effort to make a villain out of him has completely collapsed. For one thing, the Democrats were utterly unable to sustain any of the charges they made against him in the last campaign or since. For another, he has concededly made a competent, first class Vice President both at home and abroad. For a third, he is in complete accord with the President's policies and program. For a fourth, his renomination was logical and inevitable. Finally, unless all the experts are wrong he has grown in public esteem in the last four years. Add to all this that the Democrats privately concede their hold on the two great voting groups upon which they have depended, since 1932—to-wit, the Negroes and organized labor—has loosened, and it can be easily understood why so many Democratic leaders are without confidence about November. If they had a candidate with tremendous popular appeal, it would brighten their outlook a lot. But they just do not seem to have him and, while it is true anything can happen in politics, the Eisenhower-Nixon odds are a little heavier than in 1952. It is a state of affairs that makes name calling by the opposition almost unavoidable.

Would you trade 20 minutes of your time for a saving of hundreds?

August is Saving Season at your Ford Dealer's. Bag a deal while he clears his decks for the '57 models.

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis . . . the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford *seat* pays off in *your* kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and *listen*—drive and *feel*.

That fine-car quiet results from sound insulation under the hood, under the roof, in door and body panels—the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-Joint suspension with wide base control arms for better steering, more stabilized wheel alignment . . . shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is *new*."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five crossmembers (including a "K" member) in its frame. Ford's leading competitor only has two. We'll show you the deep-block V-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really *is* a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds — dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

But enough of this talk. Come in. And *you* do the driving *and* the talking. Bring the family, too.

NOW! *A FORD with AIR CONDITIONING costs less than many medium-priced cars without it.* ***TRY ONE TODAY!*** *Based on a comparison of suggested list prices.*

HOW RESOURCEFUL ARE YOU?

Puppies are generally more resourceful than people! They never take fences seriously. They find a way to get over or under the obstacle.

People take fences seriously. They usually have more respect for their limitations than for their abilities. That's why so many of us live in a narrow, discouraging world without promise or hope.

And even as we speak thrilling words like *freedom* and *opportunity* and *ideals*, some of us wonder secretly just what these are and how they may be attained.

There are spiritual resources in life which can enable any man to achieve ideals. They are the simple, commonplace commodities of religion — things like *prayer* and *faith* — but they are the keys to all attainment.

God gave us these resources to use. And He gave us *churches* to teach us how to use them. Forget your fences — discover your resources in Church next Sunday.

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

DIED

MRS. CLAMMA MAY CONN

Mrs. Clamma May Conn, 86, died Sunday at the home of a daughter, Mrs. Lydia Bernard, with whom she resided in Oakland.

Born May 1, 1870 in Kitzmiller, she was a daughter of the late Saul and Elmira Bray Tasker. She was a member of the Louder Latter Day Saints of Salt Lake City, Utah.

She is survived by five other daughters, Miss Nellie Uphold, of Pittsburgh, Pa.; Mrs. Vada Daman, Mt. Lake Park; Mrs. Annie Weaver, Cumberland; Mrs. Maudie McCrobie, Kingwood, W. Va., and Mrs. Mabel Brown, Aliquippa, Pa.; two sons, James Uphold, Tunnelton, W. Va., and Harry Uphold, Lonaconing; 25 grandchildren and 35 great grandchildren.

Funeral services were conducted Wednesday at 2:00 p. m. by Rev. Arthur Vespa, pastor of First Assembly of God Church, Cumberland. Burial was in Camp Ground cemetery near Tunnelton.

FRED R. DURST

Fred Ray Durst, six-month-old son of Woodrow and Margaret Marie (Durst) Durst, died Sunday at Meyersdale, Pa., Community hospital. The infant was born in Garrett County Memorial hospital in Oakland, in February.

Surviving, in addition to his parents, are a brother, Kenneth Roy Durst, at home, and the maternal grandparents, Mr. and Mrs. Richard Durst, and paternal grandparents, Mr. and Mrs. John Durst, all of Grantsville.

Services were conducted Tuesday at 2 p. m., with Rev. Jesse Whitacre, pastor of Grantsville Church of the Brethren, officiating. Interment was in Durst cemetery.

MARRIED

Fife-Warnick— Announcement is made of the marriage of Miss Eliza-Anne Warnick, daughter of Mr. and Mrs. A. Emmons Warnick, of Grantsville, to Thomas W. Fife, son of Mr. and Mrs. Earl Hanson Fife, of Houston, Texas, which took place June 15. The ceremony was performed in the parsonage of Memorial Christian Church, Houston, with Rev. Mr. Fife, father of the bridegroom, minister of Memorial Church, officiating.

The decorations centered around two large candelabras with white tapers, entwined with maidenhair fern, white chrysanthemums, yellow roses, and small white satin ribbon bows. The kneeling rail was covered with white satin with ruffled edge.

The wedding music and traditional wedding marches were played by Mrs. W. E. Gentz who also accompanied Miss Helen Fife, soloist, who sang, "O Perfect Love," "Beloved, It Is Morn," and "The Lord's Prayer."

The bride was attired in a ballerina-length gown of white lace, trimmed with satin. Her fingertip veil of imported illusion was held with a Juliet cap of seed pearls. She carried a bouquet of yellow rosebuds and white ribbons with stephanotis, cascading over a New Testament, covered with white eyelet embroidery, a gift of the bridegroom.

The maid of honor, Miss Helen Fife, sister of the bride, wore a blue lace dress over taffeta. She carried a bouquet of light yellow daisies with cascading yellow ribbons.

Ted Scott was best man.

A reception was held following the ceremony, with the woman's organization of the church, serving. The table was decorated with a centerpiece of yellow roses and a five-tiered wedding cake.

After a trip to Galveston, Texas, the couple is residing with the parents of the bridegroom.

Democrats hope to avoid civil rights issue in campaign.

"We Know"

Lesson for August 19, 1956

"I DON'T know, I hope so," is the answer you will often get when you ask some one if he is a Christian. It's common answer but it doesn't make sense. Are you going to be sick tomorrow? Are you descended from William the Conqueror? Will you ever be famous? You may well say "I don't know," for various reasons, to such questions. But being a Christian is something different. Are you one? You ought to know. You're not a perfect one, you may not yet even be a very good one. It is quite right to say you don't know just how much of a Christian you are, for only God knows that. But if you have ever decided for Christ, if you ever accepted Christ as Savior and Lord, then you are a Christian-by-intention. If you never settled that before, you can settle it before you read another line.

Dr. Foreman

"That You May Know"

There is one of the New Testament letters which has as its theme, "We Know." It was written by the same person who wrote the Fourth Gospel. In both the gospel and the letter, the author says plainly why he has written what he did. To the readers of the Gospel, John says, "These (things) are written that you believe that Jesus is the Christ, the Son of God, and that believing you may have life in his name." (John 20:31.) Now there must have been a number of people back yonder, as there are now, were uncertain whether they really "belonged as Christians, or not. If you asked them, "Do you believe?" they would say "Yes." If you asked them, "Are you sure you have eternal life?" they would say, like their modern descendants, "I don't know, I hope so." John writes to just such people, so that they won't have to give such a timid uncertain answer any more. "I write this to you who believe," he says, "—that you may know that you have eternal life." (I John 5:13.)

"By This We Know"

You know you have a wart by looking in the mirror. You know you have a farm because the deed is on record at the court house. You know you have sixty dollars in the bank because the bank statement tells you so. But how do you know you have eternal life? It is infinitely more important than any of these things. Knowing you have it is likewise the most vital knowledge you can have. This first letter of John is not content with "We know"; the apostle goes on to say why we have every right to be sure. One outstanding reason is expressed in the sentence, "We know we have passed from death to life, because we love the brethren." (3:14.) You'll not be much of an athlete if you don't like athletes. You'll never make a farmer if farmers don't appeal to you and you have nothing to do with them. If you are a Christian, futhermore, you will surely love Christians. If you do love them, its a good enough sign for the apostle John.

Listening to the Word

The reader will find various other signs by which, John says, we can know whether we have eternal life. This life cannot be looked at, it cannot be photographed, weighed or measured. Like any other kind of life, it can be known by its effects. You know a plant is living by the fact that it puts out shoots and leaves. You can't cut the plant open and see the life, but you can see from the way it behaves that it is living. So with eternal life. (And by the way, the reader will note that John speaks of "having," not "going to have" eternal life.) One more point may be noted here. John has different ways of expressing this assurance: We know we have passed from death to life . . . we know he abides in us . . . we know we are of the truth . . . we know that we abide in him . . . we know that we are of God. "Whoever knows God," he says (4:6), "listens to us." In other words, those who know God listen to one who speaks the Word of God. What kind of a lover is it who will not read his sweetheart's love letters? What kind of soldier is it who never reads nor opens an order from his superior officer? What sort of sports lover is it who never looks at the sports page? So it is fair to ask: How much of a Christian is one who never reads what his Father in heaven has to say to him in his Word? God's people love God's words.

MARYLAND WILDLIFE SERIES

During the past year or two the Maryland Game and Inland Fish Commission has been supplying this publication with a series of articles, including illustrations, of Maryland birds, fish and animals, which were more or less regularly published in these pages. This Series No. 1 covered 18 mammals, 37 birds and 23 fish. Later these articles and drawings were made up in book form for use in schools and by individuals, and are available at cost price at the offices of the Commission.

The Commission has now started its series No. 2 covering plant, tree and shrub life, similar in form to the first series and is making them available to us for publication in these pages. It is our intention to use these articles and drawings when space permits as we feel that our readers will be interested; we hope you will read them and like them. This Series No. 2 also will be published in book form later.

The subject of the first article of this Series is the persimmon, the fruit of which is known by most everyone and consumed by some birds and mammals including humans. The information furnished on each subject will give its range, preferred habitat, description of the subject, its fruit and flowers, if any, and value to wildlife. We are sure you will like them.

Ashby Is Transferred

Ward L. Ashby, of near McHenry, has been transferred to the new Deep Creek State Park as a park guard, according to William H. Johnson, district forester.

Ashby, who has been employed by the State Department of Forests and Parks the past eight years, has been working at Swallow Falls State Forest. A Navy veteran of World War II, he was recalled during the Korean conflict.

Joseph F. Kaylor, director of the State Department of Forests and Parks, was in the county this past week checking progress of work at the Deep Creek Park and the operations of Savage River Forest and Swallow Falls forest.

One Man Looks At God

(By Charles W. Carlson, Pastor, St. Mark's Evangelical Lutheran Church, Oakland Maryland.)

In continuing our series on the Ten Commandments, this week we consider the eighth commandment: "You shall not bear false witness against your neighbor." Again I will refer to the explanation to this commandment as is given by Dr. Martin Luther in his "Small Catechism": "We should fear and love God so that we do not deceitfully belie, betray, backbite, nor slander our neighbor, but apologize for him, speak well of him, and put the most charitable construction on all that he does." As you can well see, there is more than at first meets the eye, in the implications of this commandment.

There are many ways in which this commandment can be broken. Perhaps the most prevalent way during the next few months will be the political conniving of Democrats and Republicans, as they strive to elect a president and members of both houses of congress. Already the stream of half truths and downright lies have started, with the convening of the Democratic Convention in Chicago, and we have no reason to believe that it will stop when the Republicans go to San Francisco. Too often, political parties think only of the power that they will have if they gain control of the situation, and they cover up their motives by pointing to the other party as the "party of corruption," when they too have been guilty of the same things. The common man has to be very selective in his judgment, because a good speaker can make a lie or a half-truth sound like it was the Gospel itself. Far better for our country would be a system where political parties were not regarded as ends in themselves, but as means to a better way of government.

In private life, the damage that can be done by malicious gossip and rumor-mongers is beyond measure. The people who dearly love to hear a tale about somebody else, then as they pass it along add a few observations of their own are very plentiful. And when a person is directly involved, as an enemy of the person who is being talked about, he so willingly shades the story to his own advantage. Just listen sometime to two sides of an argument that has taken place, and you will see just how easily a picture can be colored to look just the opposite of what it actually is, and if you are not careful, you can be talked into believing one person, then when the other person tells his story, exactly the opposite, you wonder just what the truth is. A typical example is the encounter that took place between the state roads engineer and our State Senator two weeks ago. I have talked to the Senator and read what the newspaper article recorded of the statement of an eye witness, and I am so confused that I am not sure just what did happen, because the two certainly do not agree.

At best, it seems that the truth is a rather slippery piece of property among the common man. But in the midst of all this confusion, one thing stands as an absolute: God did indeed make us, and laid down the rules for our lives, and one of these basic rules is the eighth commandment, and I know from personal experience how messed up a situation can become when a person does not tell "the whole truth and nothing but the truth." So use your judgment when you hear something about some person, always giving the benefit of the doubt whenever you can, and unless you are absolutely certain that you are telling the truth, keep quiet on the subject.

Lee Reunion Held

The third Lee family reunion was held Sunday, August 12, at Swallow Falls. Gifts were presented to the oldest, Bill Uhl; youngest grandmother, Mrs. Martha Rodeheaver; coming farthest distance, Mr. and Mrs. Walter Johnson, Jr.; youngest baby, Thomas Michael, son of Mr. and Mrs. Paul George; youngest couple, Mr. and Mrs. Walter Lee; tallest man, Elwood Lee.

Harry Lee was reelected president of the clan.

Year's first hurricanes were forming in Atlantic Ocean.

Stanton Reunion

The fourth annual reunion of the late William T. Stanton and Anna Durst Stanton family was held on August 12 at "The Maples," near Grantsville.

After a picnic lunch the reunion was followed with Carl Stanton, president, conducting a short business meeting. Officers were elected for the coming year. The are as follows: president, Miss Sara Stanton; secretary-treasurer, Miss Ruth Stanton. The group will meet next year the second Sunday in August.

Entertainment in the form of music was provided by Miss Ruth Stanton and Carl Stanton.

Leslie Stanton was presented with a huge cake in honor of his 46th birthday, by his wife and children.

The payoff!

There are many ways to measure life insurance values. Financial stability, service, prompt payment of claims: these are some of the important yardsticks.

Woodmen of the World, financially strongest fraternal benefit society, is proud of its showing of excellence by these measurements.

Of more than 7½ millions of dollars paid in 1955 death and disability claims, litigation required settlement in but a single one. This remarkable record is second to none in the life field.

In the matter of promptness, too, Woodmen has a superb record. Checks to beneficiaries are usually in the mail within 48 hours after receipt of proofs.

This just, liberal, speedy performance in claim settlements stands out. It is another demonstration of the plus benefits offered by membership in a great Society.

For information on how you can become a member and enjoy the many "plus" benefits and pleasures Woodmen offers, contact one of the LOCAL REPRESENTATIVES listed below.

Bible School

A Vacation Bible School was held recently at the local Methodist church. Boys and girls attended from Oak Grove, Lake Ford and the local community. The total enrollment for the five classes was 58, with an average daily attendance of 53. Seven workers participated in the school. They were: Teachers, Mrs. Dwight Gibson, Mrs. Paul Eary, Mickey Squires, Mrs. Bill Crunutte, Mrs. Paul Windell, Mrs. Willard Teets, and the Director was Berlin Wilhelm.

Birthday Party

Mrs. Clarence DeWitt was guest of honor at a surprise birthday party last Saturday evening at the home of Mr. and Mrs. Paul Eary. Many gifts were received by Mrs. DeWitt. The following friends were present: Mr. and Mrs. Earl Feather, Mr. and Mrs. Frank Feather, Mrs. Alice Feather, Thomas Feather, Mr. and Mrs. Percy Teets, Mrs. Chleo Wilhelm, Mr. and Mrs. C. F. Cuppett, Mr. and Mrs. Arthur Teets and family, Mrs. Asa Lewis, Mrs. Allen McDonald, Mr. and Mrs. Robert Lewis, Mrs. Ruby Lewis, Mr. and Mrs. Charles Elliott and family, Clarence DeWitt and Mrs. DeWitt.

County Convention

The annual Preston County Sunday School convention will be held at the Howesville Methodist church, Saturday, August 25, with an all-day session. All officers of district organizations, Sunday School workers, ministers and interested lay workers are invited to attend. The morning session will begin at 10 a. m.

Personals

Mr. and Mrs. Charles Messenger and family, of South Carolina, returned to their home Tuesday after spending a few weeks with relatives. Mr. Messenger is with the U. S. Army.

Mr. and Mrs. Charles Hawkins and family spent several days here with friends and then returned to their home in Ohio last week-end. Mr. Hawkins is with the U.S. Army and is finishing out his seventeenth year. While here Mr. and Mrs. Hawkins purchased the Spindler farm from Mr. and Mrs. Percy Teets. They plan to make their home here in the future.

Miss Roberta Fries, a student of Asbury College, Wilmore, Ky., is spending a vacation here with relatives and friends. She will return to Kentucky September 17 for the fall term.

A large crowd attended the film, "John Wesley," at the local church, Sunday evening.

Mr. and Mrs. Robert Atkinson, of Akron, O., are visiting here.

Mr. and Mrs. Willard Teets and family spent the past week-end visiting relatives in Arlington, Va.

Senate Cloakroom

By J. GLENN BEALL
United States Senator from Maryland

Reports on the bills signed by the President since the 84th Congress adjourned are still so fresh in our minds that they need no repeating, so this week I will continue my review of new legislation by once again mentioning a few of the measures which became law during the actual session itself.

The list will be my last regular "Senate Cloakroom" communication with you until the Congress reconvenes, but I sincerely hope that I will see all of you in person during the trips which I will make through the State in the interim.

Returning to our consideration of laws which were added to the books during the second session of the 84th Congress, we find that there is now legislation which:

Provides for a more effective control of narcotics and fixes penalties of death or life imprisonment for the illicit sale of drugs to children;

Authorizes a five-year, $7,500,000 a year program for Federal aid for State library services in isolated rural areas;

And permits Federal Housing Administration loans for repair of homes damaged in floods and other major disasters.

Other new measures:

Provide for an extension of the school milk program to include camps and nurseries for underprivileged children;

Authorize a research program in forest, range and watershed management;

Expand the program for water-pollution control to $50,000,000 a year for five years;

Broaden the plan of payments to farmers for water conservation practices;

And increase the pay of six-month armed services trainees under the Reserve Act from $50 to $78 per month.

Dates Available Through Office

The preceding reminders of new laws represent only a small portion of the statutes enacted prior to adjournment.

If additional information concerning them or any of the hundreds of other new measures passed by the 84th Congress is desired, we will be glad to supply it in answer to individual requests. Letters asking for such data may be sent to my office—Room 443, Senate Office Building, Washington, 25, D. C.

Timber Possibilities Good In County

Possibilities for expansion of the timber industry in Garrett county are good, according to a recent survey by Forestry officials. They estimate that there are 281,500 acres of commercial forest land in the county, of which 98,600 is farmer-owned, 108,200 acres owned by industrial and private interests and 73,200 by the State. Municipalities own 1,400 acres.

Sawtimber stands total 79,900 acres; poletimber stands, 124,800 acres; seedling and sapling stands, 51,700 acres and other areas, 25,100 acres.

Red oak is the most prevalent of commercial woods in the county with 58,300 acres. Other popular species are chestnut oak, white oak, yellow poplar, bottomland hardwoods and river birch sycamore.

Timber is being replaced in Garrett county faster than it is being cut, but the new growth lacks the quality of the timber it is replacing. By more careful planting, it is felt that the industry could be kept at a high level and would provide a continuing source of local income.

Distribution Dates For Surplus Foods Are Set

Distribution dates for the surplus foods program were announced by the County Commissioners of Garrett County for August, through Daniel P. Smouse, distributor.

Grantsville, Tuesday, August 21, 9:30 a. m. to 11:30 a. m.

Friendsville, Tuesday, August 21, 1:30 to 4:30 p. m.

Oakland, Wednesday, August 22, 9 to 11:30 a. m.

Kitzmiller, Wednesday, August 22, 1:30 to 2:30 p. m.

Bloomington, Wednesday, August 22, 3:30 to 4 p. m.

Herbert Hoover celebrated his 82nd birthday August 9.

Co-Op Meetings Set For August 23

Two annual Southern States membership meetings are set for next Thursday, August 23.

One for the Oakland area is to be held at the Mt. Lake Park auditorium in Mt. Lake Park at 8 o'clock. Another one for the Grantsville area is to be held at the Grantsville school at 8 o'clock.

A "What's the Answer" contest and elections of local board and farm home advisory committee members will be among the highlights.

William F. DeBerry will serve as chairman of the Oakland meeting with Rev. Blair Burr giving the invocation and Jesse J. Ashby leading the singing. Nominees for the board include Lester Martin, Burlin C. Holler, Oakland; William E. Fitzwater, Jr., Swanton; and Allen S. Paugh, Deer Park. Nominees for the farm home committee are Mrs. William E. Fitzwater, Jr., Swanton; Mrs. Milton Riley, Mrs. Jesse H. Harsh and Mrs. Forrest Sanders, Oakland. D. L. Swartzentruber and Carroll G. Martin retire from the board and Mrs. Dewey Gnegy and Mrs. Ross Crowe retire from the advisory committee.

Assisting at the meeting are Mrs. D. L. Swartzentruber, Mrs. T. C. Bittinger, decorating; Joe C. Browning, Earl Friend, parking; Burlin C. Holler, Mrs. H. G. Gortner, Carlton Bowser, Mrs. Harold Bittinger, greeting committee; H. G. Gortner, ushering.

At the Grantsville meeting, Webster Brenneman, McHenry, will serve as chairman with Rev. Edgar Suite giving the invocation and Mrs. Clyde Bowman leading the singing.

Nominees for the Harold Miller Board are Kenneth Resh and Dean Brenneman, Grantsville; William Turner, Frostburg; and Ralph Mazer, Lonaconing. Nominees for the Harold Miller advisory committee are Mrs. Ralph Mazer, Lonaconing; Mrs. Guy S. Stanton, Mrs. Arthur Resh and Mrs. Clyde Bowman, of Grantsville.

Nominees for the Duckworth board are George E. Hetz, Accident; Robert Sanders, Addison; Clyde Smith, Grantsville; and Carl E. Duckworth, McHenry. Nominees for the Duckworth committee are Mrs. Harry Bowser, Addison; Mrs. C. H. Williams, Mrs. Ernest Ringer and Mrs. Floyd Pullin, all of Grantsville.

Number 4660 Equity, in the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Rosie Shreve, late of Garrett County, Maryland, deceased, situate in Election District No. 8, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Rosie Shreve.

The bill states:

That the said Rosie Shreve, late of Garrett County, Maryland, deceased, was during her lifetime seized and possessed of a certain parcel of land situate in Election District No. 8, Garrett County, Maryland, containing 68 acres, more or less, excepting all coal, and being the same which was conveyed by Elliott C. Harvey et ux to Rosie Shreve, by deed dated August 4th, 1923, and recorded in Liber E.Z.T. No. 86, folio 34 etc., one of the Land Records of Garrett County, Maryland, a certified copy of which said deed is filed therein marked "Plaintiff's Exhibit A"; that while so seized and possessed of said real estate, said Rosie Shreve departed this life intestate on June 17th, 1955, leaving surviving her as next of kin the following heirs at law, to whom the said real estate descended, viz: Melvin Shreve, a son, intermarried with Gracie Shreve; Otis Shreve, a son, intermarried with Virginia Shreve, all of Garrett County, Maryland; Benjamin Shreve, a son, single, of Prince George's County, Maryland; Arnold Shreve, a son, single, of Grant County, West Virginia; Audrey Shreve Riley, a daughter, intermarried with Junior Riley, of Preston County, West Virginia; Salem Shreve, Jr., a son, intermarried with Laura Shreve, of Garrett County, Maryland; Oliver Shreve, a son, of Bibb County, Georgia; Lonnie Shreve, a son, who intermarried with Ocie Shreve, of Preston County, West Virginia; the children and heirs at law of Bessie Shreve Kesner, a daughter, who was survived by her husband but who predeceased her mother, said Rosie Shreve, viz: Lila Arbutus Kesner, a daughter, single, of Baltimore City, Maryland; William Kesner, a son, single, whose whereabouts are unknown; the children and heirs at law of Ernest Shreve, a son, who is survived by his wife but who predeceased his mother, said Rosie Shreve, viz: Wilma Shreve Friend, intermarried with Stanley B. Friend, of Garrett County, Maryland; Helen Shreve Ackerman, intermarried with Ernest W. Ackerman, of Hamilton County, Ohio, all of whom are of full age; Ervin Franklin Shreve, single, an infant, of Lorraine County, Ohio; Barbara Shreve Snyder, an infant, intermarried with Everett R. Snyder, of full age, of Preston County, West Virginia; Floyd Wayne Shreve, single, an infant; Samuel Ernest Shreve, single, an infant, both of Garrett County, Maryland; it is not known to your orator whether the said Rosie Shreve left any other heirs, who, if living, would be a proper party to this cause of action; that Rosie Shreve did not leave any personal estate and there has been no administration, but the estate of Rosie Shreve is indebted unto the Garrett County Welfare Board in the amount of $1,525.40, which will appear by reference to the stated thereto attached marked "Plaintiff's Exhibit B."

The bill then prays for a decree for the sale of said real estate for the payment of the claims of The Garrett County Welfare Board and those other unsatisfied creditors of said Rosie Shreve and for general relief, and for an Order of Publication against the said Arnold Shreve, whose address is Gormania, West Virginia; Audrey Shreve Riley and Junior Riley, her husband, whose address is Newburg, West Virginia; Oliver Shreve and Carlene Shreve, his wife, whose address is 3835 Antioch Road, Macon, Georgia; Lonnie Shreve and Ocie Shreve, his wife, whose address is Terra Alta, West Virginia; William Kesner, whose whereabouts are unknown; Helen Shreve Ackerman and Ernest W. Ackerman, her husband, whose address is Madeira, Ohio; Ervin Franklin Shreve, infant, whose address is Wellington, Ohio; Barbara Ellen Snyder, infant, and Everett R. Snyder, her husband, whose address is Eglon, West Virginia, all of whom are non-resident defendants and against all other heirs of said Rosie Shreve, giving them notice of the object and substances of this bill of complaint and warning them to be and appear in this court on some certain day to be named therein, either in person or by solicitor, and show cause, if any they have, why the prayers of said bill of complaint should not be granted your orator as prayed.

It is thereupon this 27th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 31st day of August, 1956, give notice to the said absent defendants, Arnold Shreve, Aubrey Shreve Riley and Junior Riley, her husband; Oliver Shreve and Carlene Shreve, his wife; Lonnie Shreve and Ocie Shreve, his wife; William Kesner, Helen Shreve Ackerman and Ernest W. Ackerman, her husband; Ervin Franklin Shreve, Barbara Ellen Snyder and Everett R. Snyder, her husband; and all other heirs of Rosie Shreve, warning them to be and appear in this Court in person or by solicitor, on or before the 15th day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

No. 4655 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the appointment of a receiver for the real estate in which Nathan Ernest Selby has an interest, situate in Election District No. 2, Garrett County, Maryland.

The bill states:

That Nathan Ernest Selby was formerly a resident of Election District No. 2, Garrett County, Maryland, and maintained a domicile therein; that the said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 117 acres, more or less, and being the same as conveyed by Nathan R. Selby et ux to said N. Ernest Selby by deed dated December 2nd, 1926, and recorded in Liber E. Z. T. No. 95, folio 110 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit A"; that said Nathan Ernest Selby has an interest in all that parcel of land situate in Election District No. 2, Garrett County, Maryland, containing 40 acres, more or less, and being the same as conveyed by James B. Frantz et ux, to said Ernest N. Selby and Lizzie M. Selby, his wife, by deed dated May 23, 1938, and recorded in Liber A. G. R. No. 117, filio 470 etc., one of the Land Records of Garrett County, Maryland, which said deed has been filed as "Plaintiff's Exhibit B"; that said Nathan Ernest Selby has disappeared and has been absent from his place of residence since on or about July 28, 1948; that although Elizabeth Marie Selby is married to Nathan Ernest Selby and has made diligent inquiry as to his whereabouts, she has not heard from the said defendant since the year 1950, when she received a card from the said defendant and cannot determine where he is residing or whether he is living or not; that in the event Nathan Ernest Selby is deceased, he would be survived by his wife, said Elizabeth Marie Selby, and the following children and heirs at law who would have an interest in the property described in paragraph two, viz: N. Ross Selby, a son, who intermarried with Pauline E. Selby; Lawrence E. Selby, a son, who intermarried with Esta Selby; Frederick Selby, a son, who intermarried with Betty Selby; Richard Selby, a son, who intermarried with Jean Rush Selby; Fern Selby Linninger, a daughter, who intermarried with James Linninger, all of whom reside in Garrett County, Maryland; Leona Selby Lefferts, a daughter, who intermarried with Carl Lefferts, who resides in Union County, New Jersey; Clyde Selby, a son, who intermarried with Jean Savage Selby, who resides in Baltimore City, Maryland; Glenn D. Selby, a son, who intermarried with Patricia Selby, who reside in Fairfax County, Virginia; Robert Selby, a son, who intermarried with Bessie Selby, who reside in Baltimore City, Maryland; Dorothy Selby Friend, a daughter, who intermarried with Walter Friend, who reside in Garrett County, Maryland, and all of whom are of full age; that should said Nathan Ernest Selby be deceased, the property described in paragraph three of Bill of Complaint would be vested completely in Elizabeth Marie Selby as the surviving tenant by the entirety; that Nathan Ernest Selby has not provided for the maintenance and support of Elizabeth Marie Selby since his disappearance on or about July 28th, 1948, and your oratrix is in need of medical attention and has no income or means of support other than her interest in the property and land described in Bill of Complaint; that State and County Taxes for years 1955 and 1956, on the described property are not paid and the oratrix does not have any means of paying the same.

The bill then prays for a finding of the disappearance and absence of the defendant, Nathan Ernest Selby; that a receiver be appointed to administer the said property as an equity receivership under the provisions of Section 300 (2) of Article 16 of the Annotated Code of Maryland (1951 Edition); that the children of the oratrix and Nathan Ernest Selby and their respective spouses be made parties to this suit; for such and further relief as her case may require, an order of publication against Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby.

The plaintiff then obtained an order on July 17, 1956, of the Circuit Court for Garrett County, Maryland, sitting in Equity, that the children of Elizabeth Marie Selby and Nathan Ernest Selby and their respective spouses be made parties of this cause of action unless cause to the contrary be shown on or before the 20th day of August 1956, provided a copy of Bill of Complaint be served upon them on or before the 1st day of August, 1956, or should any of them be non-residents of the State of Maryland, an Order of Publication be published in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 20th day of August, 1956.

It is thereupon this 17th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff, by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 17th day of August, 1956, give notice to the said absent defendants, Nathan Ernest Selby, Leona Selby Lefferts, Carl Lefferts, Glenn D. Selby and Patricia Selby, warning them to be and appear in this Court in person or by solicitor, on or before the 1st day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

Congressional Viewpoint

Sen. John Marshall Butler

A Sacrifice of Legislative Quality

Even in times of unprecedented prosperity such as these, there are a number of isolated areas in which peak employment has been impeded by a variety of economic circumstances. These areas have the nomenclature of "depressed areas," and they compose a problem to which the Eisenhower Administration and many members of the Congress, have devoted careful attention. While the situation in Maryland has been less severe than in certain other States, conditions in some parts of Maryland warrant a program of economic rehabilitation.

Paramount in solving the problem of "depressed areas" is the over-riding requirement that no program to aid in the rehabilitation or economic stability of one area should cause unemployment or instability in another locality. Therefore, any approach must contain safeguards against "runaway shops"—the latter-day practice of re-locating industrial plants to take advantage of lower wage scales. It seemed to me that Senate Bill 2663, as reported by the Senate Labor and Public Welfare Committee, embodied this important requisite. It likewise seemed to comply with most of the President's depressed area labor program.

However, last week, in the twilight of the 84th Congress, Senator Fulbright of Arkansas proposed sweeping amendments which had the effect of "tearing the guts" from Senate Bill 2663. The "runaway shop" protection was removed, thereby encouraging the creation of even more depressed areas. Also eliminated were the vital provisions which gave depressed areas advantages in obtaining government contracts. Whereas Cumberland, for example, could have received Federal contracts in spite of Arkansas' lower labor cost, under the Fulbright amendments, Arkansas' competitive advantage would prevail. So crippled, this important bill, if enacted, would have destroyed many of the high standards and working conditions for which Maryland workingmen and women have sought so long to achieve.

The contentions that this was a pro-labor bill served only to preserve the shell of an otherwise constructive measure intended to assist all depressed areas uniformly. With "the guts" thus removed, I voted against Senate Bill 2663, for in my judgment, as approved by the Senate, it fell woefully short of correcting a serious problem. Often, in the rush for adjournment, quality of legislation is sacrificed for mere quantity. However, this bill failed to pass in the House of Representatives, giving the Congress an opportunity next January to enact a realistic, equitable depressed area program.

Fishing Conditions Improve Last Week

Weather and fishing conditions were considered very poor at the beginning of last week but improved steadily toward the end, according to a report from Scott Kennedy, creel census taker, and Sigurd Brantingson, regional fish culturist.

In their fishermen's news bulletin for Deep Creek Lake they reported that Gene Nelson, Belle Vernon, Pa., caught a 12-inch small mouth bass weighing two and one-half pounds in North Glade cove on August 7. John Stitcher, Cumberland, on August 9, caught a bullhead 16 inches long and weighing two pounds in the Turkey Neck area. Dave Marple, Oakland, caught a 12-inch crappie weighing one pound near Johnny's Bait House on August 7.

All were caught by the still method, with rod and reel.

It's There When Needed

The total value in emergencies as well as the routine needs for whole blood and plasma, came sharply into focus in Cumberland a few weeks ago when ten men were critically burned in a flash explosion at the Pittsburgh Plate Glass company. At that time the Red Cross blood program proved its full worth and met the huge and sudden demand for blood and plasma immediately.

It can do the same thing for Oakland if any catastrophe or emergency occurred—but only if we continue as an active operating unit of the Johnstown Red Cross blood bank.

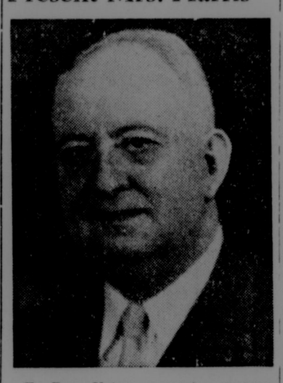
As figures now stand Garrett county has contributed approximately the same amount of blood as has been used in the local hospital. At present any person in this area is entitled to free blood if he needs blood anywhere in the United States. That means that a person from here, injured in an automobile wreck in Montana, and needing a blood transfusion, could receive that blood at no charge because the quantity used could be replaced from the local unit.

Such an assurance should not only give people a comfortable feeling—it ought to give them the urge to offer their blood at the local bank here every time the opportunity arises. If we lose this active status, any blood provided in any hospital will cost $50 per pint. We surely don't want this to happen.

The blood recruiters are endeavoring on Monday to obtain 125 pints of blood. We have come close to this figure upon several occasions but have never quite reached it. We are pleased to note that in regard to comparative quantities given by other areas, Garrett county stands in a favorable light. But it has never quite been tops.

If everyone would make a personal effort this time, we could more than reach our quota. The result is up to you.

Moose Governor Will Present Mrs. Harris



F. Roy Yoke, a past supreme governor of the Loyal Order of Moose, will be in Oakland next Friday evening, August 31, to present Johana Harris prior to her benefit concert. The concert will be given in the Southern High school gymnasium at 8 o'clock.

Mr. Yoke will be introduced by Associate Judge Neil C. Fraley and Mr. Yoke in turn will introduce Mrs. Harris, who is recognized as America's most gifted woman pianist. Mr. Yoke will arrive Friday evening from Parkersburg, W. Va., where he now resides. Mrs. Harris and her four children will arrive at Mt. Lake Park on Monday, August 27, to spend the week at the Mt. Lake Hotel as guests of Oakland Lodge No. 786, Loyal Order of Moose, under whose auspices the concert is being presented.

Mr. Yoke is at present U.S. Collector of Internal Revenue. He is not only a member of Moose but the Elks, Knights of Pythias, Masons, Phi Sigma Kappa social fraternity, Delta Chi, Mountain of West Virginia University and Rotary. In the latter he is a past district governor.

His interest in the work of the Moose fraternity has been shown in the contribution he has made in building the membership of the order among lodges of his native state. In 1942 he was elected member of the Supreme Council, highest executive board in the order. In 1945 he was elected Supreme Prelate of the Supreme lodge of the World, Supreme Junior Governor in 1946, and Supreme Governor in 1947.

Mr. Yoke was born July 3, 1880, in Lewis County, W. Va., and at one time was principal of Kingwood High school and later alumni secretary at West Virginia university.

Tydings Withdraws

Millard E. Tydings withdrew from his comeback fight for the United States Senate.

The 66-year-old Harford County Democrat, who represented Maryland in the Senate for 24 years before his defeat in 1950, said an attack of shingles suffered soon after his primary campaign in May made it "impossible for me to conduct a vigorous campaign."

The Democratic State Central committee is expected to meet this week to choose a replacement for Tydings in the battle to unseat Senator John Marshall Butler, the incumbent Republican.

Bloodmobile Unit Due In Oakland

Will Seek 125 Pints At Oakland Fire Hall Here On Monday

The Johnstown Bloodmobile unit of the American Red Cross will visit Oakland on Monday, August 27, and will endeavor to obtain 125 pints of blood from citizens of Oakland and nearby areas.

The unit will be set up in the Oakland fire hall from 12 o'clock until 6 p. m.

Mrs. Grover C. Stemple, chairman of blood recruitment in the county, said a large number of consistent donors had left the community and that the success of the visit in a large measure depended upon new donors. Any person between the ages of 18 and 60 are eligible to donate blood, although persons from 18 to 21 must have their parents' consent.

Monday's visit will be the first one for the new year in the blood program. It is planned to make four visits to the county in a year, and according to the present plan three of these will be in Oakland and one will be at Grantsville. For this reason, persons in the Accident and Kitzmiller areas were urged to come to Oakland this time to contribute.

Heretofore the bloodmobile unit has come to Oakland on Wednesdays, and this will be the first time for a Monday visit. It was felt that this day might be better suited for the majority of donors.

Volunteer donors are asked to contact Mrs. Grover Stemple for a definite time to appear, although it was pointed out that this is not absolutely necessary. Any one who can come between the hours of 12 and 6 will be welcome, she stated. A number of cards are being mailed out to previous donors and telephone calls are being made in an effort to fill the schedule and obtain the necessary number of pints.

Dr. A. F. Jones, who works with the blood program, pointed out that any person in the area is entitled to free blood, because of an active unit here, and said it was necessary that we continue active in order to maintain this record. Recent figures indicated that Garrett county thus far had a favorable record in regard to blood contributions, and Red Cross officials were hopeful that this record would continue.

DISCUSS BUDGETARY PROBLEMS—The five members of the Maryland Commission of Forests and Parks met in Oakland Sunday and Monday to go over budget plans for 1958 and to discuss other current matters. It was the regular fall session of the Board and was conducted at the William-James hotel. A scheduled tour of the park areas was called off due to the incessant rainfall on Monday. Other parks in Western Maryland were inspected Sunday while the group was enroute to Oakland. Shown at work on Monday at the hotel were R. Brooke Maxwell, chairman, Baltimore, seated; and standing, left to right, J. Wilson Lord, Ellicott City; H. Lee Hoffman, Baltimore county; Willis T. Hancock, Snow Hill; and Paul B. Naylor, Oakland. Mr. Hancock is the new member of the commission, having been named to replace J. Miles Lankford, who died. Also meeting with the commission were H. C. Buckingham, state forester, Joseph H. Kaylor, director of the department, and William A. Parr, superintendent of state parks.

Two Talks Will Feature Meeting Of Teachers

Calvin D. Johnson To Deliver Address At Southern On August 30

One of the outstanding features of the pre-school teachers' meeting scheduled for Thursday, August 30, at Southern High school, will be an address by the Hon. Calvin D. Johnson, former Illinois Congressman, according to Willard L. Hawkins, county superintendent of schools.

This will be Mr. Johnson's second appearance in this area, having addressed the annual Ladies' Night program of the Oakland Rotary club last February. Mr. Johnson is scheduled to address the group at 1 o'clock p. m.

A resident of Belleville, Illinois, he began early his career in the public service. He served as a member of the School and Park Boards of his community, four years as a

CALVIN D. JOHNSON

member of a County Board of Supervisors, six years as a member of the Illinois General Assembly. He was the sponsor of "Johnson Work or Don't Eat Law," and was elected to Congress in 1942.

Mr. Hawkins said Mr. Johnson's deep understanding of the "problems" and "issues" of the times is reflected in the constructive program he advocates. He added that few men in public life today can match him for his ability to impart to the people the principles of the American way of life. At present he lives in Upper Marlboro and is executive assistant to the vice president of Remington Rand.

Sartorius To Speak

The morning session of the teachers' meeting, scheduled to assemble at 9:20 a. m., will be addressed by William Sartorius, director of the division of Administration and Finance of the State Department of Education. Mr. Sartorius who began his career as

Nine Youths Are Held For Assault

Nine Uniontown youths have been charged with assault and battery on Dewayne Fair, of Friendsville.

Pennsylvania authorities said the assault occurred early Sunday morning on U.S. route 40 near the Brown Derby, east of Uniontown. Police said the group, after attacking the Friendsville man, turned on the authorities as they were being apprehended.

Arrested were Thomas Jezbak, 19; David Lindsey Atkinson, 18; Donald Collins, 16; John Chesler, 20; Moses Payne, 18; Richard Tambrri and Louis Panalo. Two more youths are being sought.

According to police the nine youths were in a car enroute to a "drag race" in the mountain region when they spotted Fair who was attempting to hitch a ride home. One of the boys told officers: "Someone said, 'let's get out and beat him up', and that is what we did."

Shortly after the attack the man, bleeding about the nose, mouth and ears, was discovered by Constable Spear and two others, who took Fair to the Brown Derby to determine the extent of injuries. A short time later the carload of young men appeared and attacked the constables.

Goes To Greenland

A/2c Adrian DeWitt is enjoying a 30-day furlough at his home near Friendsville prior to leaving for Greenland where he will spend the next year.

Airman DeWitt has just returned from F. E. Warren air force base in Wyoming. During the past eight months he has served as a teletype instructor in an air force technical school.

Hearing Delayed

State's Attorney S. R. Pagenhardt stated this week that a date for a hearing for State Senator Clifford Friend on a simple assault charge will not be set until William Webb DeWitt, county roads engineer, recovers from a jaw injury.

Sen. Friend is charged with striking DeWitt several weeks ago during an argument over road work in this county.

The hearing for Senator Friend has been transferred to Grantsville before Magistrate Charles Zeller. The attorney for Senator Friend, C. C. Nathan, said the defense does not believe they could obtain an impartial hearing in Oakland before Trial Magistrate W. O. Bitzer.

DeWitt has resumed his duties after being a patient in Garrett County Memorial hospital where his broken jaw was set.

Betty Bittinger To Compete For State Farm Queen Title

Farm Bureau queens from each of Maryland's twenty-three counties will compete for the title of Maryland Farm queen on Wednesday, August 29, at 8 p. m., before the grandstand at Timonium State Fair grounds. The farm girls were selected from 400 entrants in the county contests over the past month, conducted by the Associated Women of the Maryland Farm Bureau.

Representing Garrett county will be Betty Bittinger, of Mt. Lake Park, 17 years old, daughter of Mr. and Mrs. Lenwood Bittinger.

Mrs. O. C. Glotfelty, president of the Associated Women, and the farm queen's mother or chaperone will be guests at a dinner prior to the contest on August 29. They will receive direct invitations from the Fair Board within a few days, Mrs. Glotfelty said.

Signs Up Quartet

The Oakland Chapter of Barbershoppers announced this week that it had signed the Steel City Four, considered one of Pittsburgh's finest Barber Shap quartets, for an appearance here at the third annual Night of Harmony, scheduled October 6 at Southern High school.

Officers said they expect to have at least six more quartets plus the local chorus of the society to perform on that evening.

Women's Market Plans Two More Events

The Rural Women's Market will conduct two more Saturday selling events, August 25 and September 1, at the Bowman boat barn at McHenry. Miss Ethel Grove, home demonstration agent, stated there had been a great deal of interest in persons wanting to sell and patrons wanting to purchase.

The Market officers plan to prepare questionnaires for both those who sell and those who buy in an attempt to obtain information needed to plan for a market next summer. The activity has grown out of the Rural Development program in the county. Officers include Mrs. Gerald Glotfelty, chairman; Mrs. Clark Schlossnagle, co-chairman; Mrs. William Wildesen, secretary; Miss Marie Bowman, treasurer and cashier; Mrs. Merrill Johnson, assistant cashier.

Extension Meetings

The following Extension meetings were announced by Miss Ethel Grove, home demonstration agent, for the ensuing week:

August 27, Meadow Mountain Homemakers picnic at Western Maryland 4-H center, at 7 p. m.; Casselman Valley club family corn and wiener roast the same day, at 6:30 p. m., at the New Germany Recreation center.

August 28, Sunnyside club, cake and ice cream party in the Swartzentruber grove at 8 p. m.

Held Under Bond For Grand Larceny

Three young men are being held under bond for their appearance before the September term of Court on charges of grand larceny as the outgrowth of theft of copper and brass wire from the mine of the Johnstown Coal and Coke company at Vindex.

Those under arrest are John Edward Kitzmiller, Baltimore; Gilbert Mayle, Beryl, W. Va.; and George Bircher. Kitzmiller and Mayle furnished bond for their appearance while Bircher was still in jail this morning.

They were arrested this week by county and state officers. S. R. Pagenhardt, state's attorney, said the men had admitted to the theft of 950 pounds of copper wire and 75 pounds of brass wire.

Forester Transferred

Floyd Custer, who has been a forest guard with the State Forestry department for several years, has been transferred to the Green Ridge State forest east of Cumberland, where he has been named supervisor.

Mr. and Mrs. Custer and family are planning to move to that area sometime next week. Mr. Custer has been with the state forestry service for nine years.

Garrett County Coal Production For Year Increases

The production of coal in Maryland, confined to Garrett and Allegany counties, showed an increase in 1956 after being in a downward spiral for nearly ten years.

The 33rd annual report of the Maryland Bureau of Mines released this week reveals that the total amounted to 523,909 tons as compared to 445,895 tons for 1954.

Garrett county mines showed a strong increase by jumping from 267,710 in 1954 to 324,804 tons for the past year. Allegany county produced 199,102 tons, an increase over the 174,185 for 1954.

The state's tonnage fell from 1,648,487 tons in 1948 to 713,879 tons in 1949. That was the year that most of the big pit operations on the Georges Creek and in the Vindex-Kitzmiller area shut down.

Of the 324,807 tons mined in 1955 in the county 134,736 were dug in the mines by machines. Stripping operations accounted for 123,998 tons while 66,073 tons were dug by hand.

Frank T. Powers, Frostburg, director of the Bureau of Mines located at Westernport, noted there were no fatal accidents in Maryland coal mines and has been none since 1953.

Some Operations Resume

That coal production was increasing, that new mines were being opened and old ones being modernized in the county was announced by Powers.

Powers said the Stanley Coal company was opening two mines at Crellin with forty-three miners on the payroll. At Vindex, the Garrett Coal corporation has cleaned up, painted and expanded its holdings at Earl No. 2 mine. Engineers of the Johnstown Coal and Coke company are investigating the possibilities of opening up new mines in its 6,000-acres of coal property. Shallmar is still a ghost town but Powers said miners are driving from Crellin to work in the Wolf Den mine.

At Vindex the D and R mine is in operation while two new mines have been opened in that vicinity. On the side of Backbone mountain, along the road between Kitzmiller and Vindex, three deep mines have been started.

Big Operation Sighted

But the big news, which Powers said had to remain confidential for a while, is that there are two major coal concerns in the area considering operations in the county.

mproving After Mishap

Mr. John Lear, son Harold, and daughter Sharon, of Denver, Colo., are now recuperating at the home of Herbert Sanders in Clarksburg, W. Va., following injuries sustained in an automobile accident recently.

They had visited at the home of Mr. and Mrs. Frank Schell, at Deep Creek Lake and were enroute to their home when a tractor-trailer jack-knifed and struck their car. Mr. Lear suffered a fractured skull and broken ribs. The boy suffered a cut near his eye and leg injuries. The girl sustained back injuries and a number of bruises. Herbert Sanders, of Clarksburg, who was driving, also had a fractured skull. The car was demolished.

Condemnation Cases To Be Heard This Week

Two condemnation cases are scheduled to be heard today and tomorrow in the Garrett county Circuit court. The testimony will be heard by members of the petit jury.

Plaintiff in both cases is the State Roads commission. The one to be heard Thursday concerns a portion of the Lake property at the intersection of the Swanton and Kitzmiller highways. The second case, to be heard on Friday, concerns the property of Lenuel Friend, in Swanton.

Temperature Drops

The temperature took an unseasonal drop here this week and caused some apprehension among the farm people when danger of frost became apparent.

Fog intervened, however, and stopped the receding mercury at 39 degrees, according to an official reading at the Weber Greenhouses south of town. The lowest temperature reported was at Herrington Manor where it was 38. Some unofficial thermometers in the area registered as low as 36.

This morning it dropped to 40 degrees but danger of frost seemed past as the moon was on the wane and the sun had warmed the atmosphere considerably yesterday. Several dry days are predicted for the week-end.

Ralph E. Weber, veteran weather man, recalled that in August, 1936, the temperature at Oakland got down to 36 degrees.

To Conclude Season Summer Playhouse

The summer playhouse will conclude its season with performances of Bell, Book and Candle this evening, Friday and Saturday evenings, at the former Arden Boat club at McHenry.

The eighth play to be presented is a comedy concerning the antics of a number of witches, and was written by John Van Druten. Playing the five characters are Suzanne Oglesby, Leonard Drum, Helen Page Camp, Robert Morris, and Tom Calkins.

The entire action of the play takes place in an apartment in the Murray Hill district of New York City.

The close of the season will find Leonard Drum, Bonnie Barton, Donnie Welch and Helen Camp in New York City continuing their careers. D. G. Buckles is in New York in the cast of Inherit the Wind. Miss Oglesby, Myron Herrick and Robert Morris will return to the University of New Mexico, to resume their studies. Tom Calkins will return to teaching in New Mexico, and Gene Yell and his family will also return to the University of New Mexico where he is associate professor of drama.

Patrons this week are being asked to fill out a questionaire on which of the eight plays they liked best, if there were any particular plays they would like to see, whether or not they would like a brochure describing next season's plays mailed to them in the spring, and if they would like to work with the group next season.

Around seven hundred persons attended last week's performance of "Angel Street."

Soil Bank Plan Gets Discussion

The organization in each county of Maryland which will approve soil bank payments for farms was explained to Soil Conservation Service representatives from the four Western Maryland counties at a meeting in Cumberland last Thursday. Among those attending was William W. Nace, from this county.

The approval organization will include the five district soil conservation supervisors, the FHA representative, a representative of the State Game and Inland Fish commission and the Community ASC committee members.

A meeting is scheduled in Frederick on August 29 for Allegany, Carroll, Frederick, Garrett, Howard, Montgomery and Washington counties.

Make Drive to Curb Motor Law Violators

Mt. Lake Park officials announced they were making a concerted drive to curb motor vehicle violations in the Park.

They said there had been numerous speeders and drivers moving over the streets with noisy exhausts at all hours of the day and night. Residents were being urged to call Elmer Hershberger, police officer, whenever violations were noted. State police are assisting in the effort.

Officials said they were determined to do their best to eliminate this racing up and down the streets of the town at all hours.

Grantsville Man Gets Probation

Neil C. Yommer, 35, of Grantsville, was ordered to pay court costs and placed on a year's probation at a recent hearing before Judge Thomas F. Lansberry in Somerset County circuit court.

Yommer was arrested early in June in Addison, Pa., by liquor board agents who charged him with possessing and transportating seven fifths of liquor into the state on which no Pennsylvania tax had been paid.

The agents, who informed Judge Lansberry that Yommer was operating a refrigerated truck hauling poultry and eggs, said they were informed by Yommer that he was hauling the liquor for a customer who wanted it for a wedding celebration.

Yommer's truck, which had been confiscated by the agents after the arrest, was returned to him.

Potter To Crown King

Don B. Potter, president of the Monongahela Power company, will crown King Buckwheat XV at the annual Preston County Buckwheat Festival in Kingwood on September 29. King Buckwheat is chosen during the festival from the outstanding and best buckwheat exhibit entered for competition.

J. Morgan Copeman is chairman of Farmer's Day. Other activities that day include a horse show, demonstrations and contests, hay and silage judging, and a parade.

Grand And Petit Jurors Are Chosen

Grand and petit jurors for the September Term of the Garrett County Circuit court were selected Monday morning by Associate Judge Neil C. Fraley in the presence of attorneys and court house officials.

A. Leo Helbig, Oakland feed dealer, was named foreman of the Grand Jury which will convene at the Court House on Monday morning, September 10. The other twenty-two members of the grand jury include:

Thomas Wilson, Sr., Raymond G. Loechel, Arvey M. Ritchie, Frederick Burgwald, John R. Murphy, Jr., Ray C. Arnold, Ernest N. Friend, Merle L. Willard, Roscoe Rohrbaugh, Neil G. Sanders, Leslie Rodeheaver, Charles Price, August F. Neil, Ross Speicher, Daniel J. Folk, John A. Michael, Jr., Walter Harman, Clarence S. Hetz, Clyde A. Gnegy, Michael J. Duda, M. E. Lee, Merrill C. Cargo.

Twenty-five persons were named as petit jurors and they are scheduled to report for duty on Monday morning, September 24, when the criminal docket will be taken up by the court.

Listed were Lee E. Shillingburg, Richard L. Howard, Curtis Beitzel, Neil A. Sears, Ellis Harvey, Harry Durst, Alexander Frazee, Ervin S. Smith, Frank G. Klotz, Henry S. Friend, Joseph H. O'Brien, Frank M. Damon, LeMoyne P. King, Ray M. Lohr, Doyle H. McCullough, Wade T. Arnold, Foster Frazee, Clinton W. Englander, Henry E. Schmidt, Earl F. Haenftling, Albert G. Eisenhower-Nixon Ticket Named

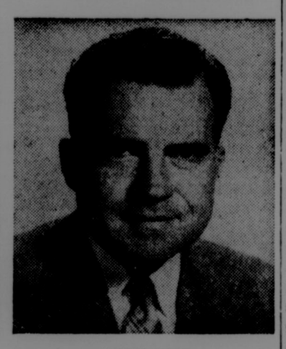
EISENHOWER



NIXON

The Republican national convention proudly, unanimously thrust its presidential and vice presidential standard last night into the hands of Dwight D. Eisenhower and Richard M. Nixon and sent them marching off to political battle with Democrats Adlai E. Stevenson and Estes Kefauver.

It took only part of one roll call to clinch both nominations and the whole of it to make the decision unanimous. One Nebraskan delegate held out momentarily in the case of Nixon, otherwise both candidates received the convention's entire 1323 votes.

Today both of the candidates will accept their nominations and the task of trying to repeat the landslide victory of four years ago that ended two decades of Republican political famine.

The Republicans nominated Eisenhower as the "one man" who is "right for our times." And in turning in the key votes that put him past the halfway mark in the tally Nevada said it was "laying the foundation" for victory in November.

It was Rep. Charles A. Halleck, of Indiana, who placed Eisenhower's name in nomination and called the President "our greatest American today." It was Gov. Christian A. Herter, of Massachusetts, who nominated Nixon.

Governor McKeldin, of Maryland, was one of those selected to second the nomination of President Eisenhower.

The American Way

THE TEN COMMANDMENTS

(By George Peck, Chairman of the Laymen's National Committee, sponsor of National Sunday School and Bible Weeks.)

While the 84th Congress may with some justification be scolded for doing some things that should not have been done, and leaving undone some things that should have been done, it deserves a round of applause for two things accomplished:

The first of these is that Congress adopted an official motto for the U.S.A., "In God we trust." While this phrase has been used on certain coins in past years by permission of Congress, our legislators have now ordained that it must from now on be printed on all United States currency.

The second most worthy accomplishment of the 84th Congress came at the end of the session, specifically on July 25, 1956, when a concurrent resolution was introduced in the Senate and the House (S. Con. Res. 88), proclaiming faith in the Word of God and favoring renewed observance of the Ten Commandments. The Resolution was introduced in the Senate by Senators Styles Bridges (Rep.) of New Hampshire and Earle C. Clements (Dem.) of Kentucky; in the House by Frank J. Becker (R.) of New York and John D. Dingell (D.) of Michigan. The text of the Resolution follows:

Whereas the world today is divided by conflicting ideologies which cause people to live in constant fear of annihilation or enslavement; and

Whereas the basic principles of man's ethical conduct toward his fellow man have been cast aside throughout so much of the world today; and

Whereas, a return to the precepts as expressed in the Ten Commandments never was more vital to our survival and continued civilization than today; and

Whereas we believe the Ten Commandments, as the primary moral force behind the three great religions of today, Christianity, Judaism and Islam, should be reaffirmed as the ethical code governing the lives of men, and are the means of bringing about lasting world peace and a solution to the many problems of mankind: Therefore be it

Resolved by the Senate (the House of Representatives concurring), That we hereby proclaim our faith in the Word of God and thereby perpetuate renewed observance throughout the world, by nations and individuals, of the Ten Commandments.

The Laymen's National Committee, recognizing the importance of this Resolution to the spiritual welfare of America and to the world at large, went into action by sending a telegram to the press services, radio and television networks, and leading magazines. It read:

"This is to call your attention to a most significant action taken yesterday and today in both Houses of Congress which can have lasting and limitless possibilities for international peace. A joint resolution was introduced reaffirming America's faith and belief in the principles of the Ten Commandments. We hail this splendid action and would appreciate your valued cooperation in bringing it to the attention of the American people."

As Chairman of the Laymen's National Committee, this columnist was given the welcome assignment of bringing this important action of the Congress to the attention of the people served by the weekly press. It is my hope that every newspaper editor who receives this release, will pass on the good news to his or her readers. Our wonderful American Constitution stemmed from the Ten Commandments, the first time in world history that a confluence of the spiritual and political streams was brought about. It is indeed heartening to know that our Washington representatives, of all political affiliations and creeds, have proclaimed America's abiding faith in the principles of the Ten Commandments.

Ex Parte: In the matter of the adoption of Arlie Granville Shrout, an infant
No. 4671 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this proceeding is to procure the passage of a decree for the adoption of Arlie Granville Shrout, an infant, by John Edgar Lilley and Juanita Lilley, his wife, and to give him the name of Arlie Granville Lilley.

The bill states:

That the petitioners are residents of Oakland, Garrett County, Maryland; that Arlie Granville Shrout was born August 13, 1951, and the parents of said infant are Norman Arlie Shrout and Alvetta Shrout, his wife; that on numerous occasions since the birth of said infant his parents have separated, leaving the said Arlie Granville Shrout and their other children without care and supervision, and your petitioners have had the said Arlie Granville Shrout in their home on prior occasions for long periods of time until a reconciliation was had by their parents at which time he was broken away from them and returned to the home of said parents; that the mother of said child, Alvetta Shrout, has now deserted her family, including the said Arlie Granville Shrout, and he is now being cared for in the home of your petitioners; that the whereabouts of the said Alvetta Shrout are unknown to your petitioners and they are advised by the father of said infant that he has attempted to learn of her whereabouts but has been unable to do so; that the said Arlie Granville Shrout after the last desertion by his mother was placed in the home of your petitioners by the said Norman Arlie Shrout; that the father of said infant has concurred in and has given his consent to the adoption of said infant by your petitioners, said consent being filed herewith and prayed to be taken as a part hereof; that your petitioners have no children of their own even though they have been married for nine years, and are able to support, educate and maintain said infant and feel that under the circumstances it will be for the best interest of said infant as well as all concerned, that the prayers of your petitioner be granted.

The petition then prays for a decree declaring the infant child of Norman Arlie Shrout and Alvetta Shrout, his wife, born on the 13th day of August, 1951, to be the legally adopted child of John Edgar Lilley and Juanita Lilley, his wife, and to name said child Arlie Granville Lilley.

It is thereupon this 22nd day of August, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ORDERED that the petitioners by having a copy of this Order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 21st day of September, 1956, giving notice to Alvetta Shrout warning her to be and appear in this Court, in person or by solicitor on or before the 6th day of October, 1956, to show cause, if any he may have, why a decree should not be passed as prayed.

One Man Looks At God

(By Charles W. Carlson, Pastor, St. Mark's Evangelical Lutheran Church, Oakland Maryland.)

In concluding this series of articles on the ten commandments, I want first of all to consider the last two commandments: "You shall not covet your neighbor's house. You shall not covet your neighbor's wife, nor his manservant, nor his maidservant, nor his cattle, nor anything that is your neighbor's." These two commandments have to do with one thing, basically coveting, that is to be filled with a desire that is definitely evil for that which belongs to someone else.

Perhaps the greatest implication that this commandment has in our time is the desire for so many people to set the standards of their living by those of their neighbors, who for reasons of industry have a much larger income. It seems that when some people see a larger automobile or television set in their neighbor's living room, they just have to match it, whether or not they can afford it. Far better is the man who tries as much as he can to improve his living to the limits within which he earns his living, and if another man can afford better accommodations and furnishings, let him have them. Coveting is a most frustrating type of sin, since in most cases those who covet the possessions of their neighbors cannot afford them, and they sometimes resort to all sorts of insidious ways to get them, or perhaps stretch their credit to the point where it breaks, and they break right along with it.

There is, of course a distinction that must be made between covetousness and the desire for progress along Christian lines. It is certainly no sin for a man to work hard and save his money so that he can improve his home and provide for his family. Just a word of caution along these lines should be sufficient, however. No matter how well a man provides for his family, in the material way, if he will not provide for the spiritual enrichment of his family, he has failed miserably in raising his family, because families cannot be based merely on the material areas of life, because some of the richest families in our time are also some of the most miserable because of the fact that they have not found that "peace which passes all human understanding" that is the most precious possession of a child of God.

This brings me to the second point of my article for this week, and that is a sort of summary of what has gone before. During the past two months or more, we have been considering the basic laws of God for man's existence as He has revealed them to us in the Ten Commandments. I have said this before, but I feel that it must be repeated many times over, that unless we follow the laws that God has set down for us in this life, we will be miserable failures in the things that matter most. God has made us, and not we ourselves; He knows what is best for us just as the automobile mechanic knows what is best for the automobile. The only hope for the world which God has made is for the creatures of His handiwork to follow the "ground rules" that He has laid down.

And these basic rules are: First and foremost, "You shall love the Lord your God with all your heart, all your soul, and all your mind." This means more than just an occasional payment of respect to your God "when you feel like going to church, and nothing else holds your attention at the time." And the second is just as important: "You shall love your neighbor as yourself"; and this means more than just being nice to those who are nice to you. It means that your whole being shall be soaked through with the love you have known from Him who made you, and that all His other creatures must be treated out of respect for this example of His love, for He loves us all, and expects us to love each other in the same way.

Large Number At Reunion

A large number of persons attended the annual Glass reunion which was held at Swallow Falls on Sunday, August 5.

Mrs. Mary Weimer received a prize for the oldest person present and also for having the largest family. David Glass, son of David Glass, Sr., was the youngest person present. Mr. and Mrs. John Glass came the longest distance. Mr. and Mrs. Wayne Weimer, of Luke, were the most recently married couple. A box of fruit was sent to Mr. and Mrs. Milford Glass, of Swanton. It was decided to hold next year's reunion at the Western Maryland 4-H center near Bittinger the first Sunday in August, 1957.

Russia denounced the West's international management plan for Suez Canal and warned that any attempt to impose it by force might start a big war.

Hits Below Belt . . .

Our State Senator, in our opinion, always hits below the belt. Anyone with a knowledge of boxing knows what this means. It means he delivers a foul and unfair blow to his opponent.

Our Senator does this consistently by dropping only half truths, always leaving the issue unfinished and leaving a hint of suspicion towards the moral ethics of those with whom he differs.

To cite a few instances, he spoke last week about a $50,000 dynamite cost figure. He would lead a person to believe that the present commissioners authorized this expenditure. But this figure was taken from a 1954 account. He also would have one believe it was for an entire year. But records show part of it was a carry over from a previous year and included parts of two years. He could just as easily have taken a figure from 1956 which showed a six months' expenditure of $15,000.

He talked of overpayments on steel. There is no secret about this. A story in The Republican last fall carried the information about the cost of that steel, that the roads engineer admitted he paid a premium price for it but NOT an exorbitant price—that if the purchase had not been made at that time, that the county garage could not have been completed until the following year, and that it was necessary that the garage be put under roof without further loss of time.

He said each year the county is getting less roads but has no figures to back up that statement. On the other hand the County Roads reports that forty-eight and one-half miles of farm to market roads had been constructed or substantially improved in the county in four years.

His reasoning appears slightly ridiculous in his reply to my editorial of last week. Any dollar that is spent on a road anywhere is developing private property.

If the present commissioners and also the ones for years back had waited for property to be developed before the county made a road, there would be miles and miles of territory without any road whatsoever. Only last week I traveled over much of the county. Sometimes I would go for several miles without seeing a house. Yet a road was necessary.

Nobody has claimed he was petitioned by anyone to build this lake road in question. The Commissioners decided it was the proper thing to do to connect two existing roads. This is not an entirely new road but a connecting link between two sections previously built.

We can agree wholeheartedly with his statement that "the development around the lake as well as the rest of our county depends upon a fair and equitable distribution of the benefits due to every community." The completion of that three-mile stretch in our opinion, is an equitable distribution. Last week's report of the 48 miles of farm to market roads in the past four years, proves that.

He spoke of drilling at $2 per foot and 25 cents per foot. Any driller will tell you that drilling through plain dirt may be done for 25 cents a foot, but other costs range from $2 to $7.50 depending upon the nature of the substance to be drilled. Drilling at the quarry has been mostly through rock. Chief Judge George Henderson and both plaintiff and defendant in the recent case at the court house all agreed that $2 per foot was a fair price for the quarry drilling.

He belittles and called unnecessay "junket" trips that the Roads Engineer and County Commissioners take. The Senator was not aware that as the result of just one of these so-called "junket" trips Mr. Swartzentruber, president of the Commissioners, was able to raise an appropriation for the Garrett County Memorial hospital from aproximately $17,000 to $23,887, an addition of $6,887 this year to pay for indigent cases at the hospital. This so-called "junket" cost the Commissioners probably $17.50 at 7 cents per mile of travel. Was this junket a waste of money?

Many other events upon which the Senator tries to cast suspicion are normal and honest business activities. The records in each case are open to the taxpayers if they are interested enough to look. Just don't take everything the Senator says as the gospel truth. His reasoning is not always of the highest order. There are many impurities, believe me.

Church Sponsors Festival

The Jennings Methodist church is sponsoring a festival at the church on Saturday evening, August 25th. Refreshments will include ice cream, hot dogs, hamburgers, cake, pie, coffee, soft drinks and homemade candy.

The proceeds will be used to help finance the remodeling of the church, according to Mrs. Dalton Stanton, of Grantsville, member of the committee.

Listen Americans!

BY GEORGE S. BENSON
President of Harding College

A great deal of the news out of Washington in recent weeks has centered on the question of whether more money should be allocated for warplane production than the Defense Department has asked for. Congress appropriated an additional billion dollars and yet Defense Secretary Wilson says it may not be spent. Congress was stimulated to its action by statements which implied that the U. S. is now behind Russia in the striking power of her Air Force and is losing the technological "Battle of the Air."

And yet, after personally viewing the most heralded of the Soviet aircraft, General Nathan Twining, U. S. Air Force chief, returned from Moscow and stated that the Communists are behind in technological development. Even more emphatic was the report of Hanson W. Baldwin, internationally-known military analyst of the New York TIMES, who went to Moscow and saw what Twining saw.

Mr. Baldwin said that it was obvious the Russians were attempting, at the Moscow air "show-off," to create the impression that their Air Force and military might was superior to that of the U. S. and "therefore you have to get along with us." If we were frightened into a feeling that Russia is more powerful than the U.S.A., the Communists could continue to expand their empire of slavery by continued bluffing and bulldozing. Mr. Baldwin's basic conclusion was: "The United States is still clearly superior to the Soviet Union in air power today."

I have just returned from a Midwestern city where some of the most important air age developments are under way. I saw the newest jet engines that power our nation's military aircraft—both piloted and pilotless. I saw them moving on the production line, spitting out their roaring power on test blocks, and mounted in experimental aircraft.

All the things I saw and heard cannot be made public at this time. But it can be said with the utmost emphasis that America leads the world today in (1) military defensive and striking power, and (2) in the field of scientific advancement. Fantastic military developments, on which news has not leaked out, already have come out of research labs and through testing experimentations, and are becoming available for use.

At a time when the Communist conspiracy is grasping for world domination we must not become unsold on the power and capability of America. The American system's individual freedom creates the best possible atmosphere for scientific progress and our private ownership economy is the most dynamic productive force on earth. We must use our great power and potential to deal firmly and courageously with the tricky maneuverings of the Communist world-wide conspiracy.

YOUR VOTE COUNTS!

Letter To The Editor

Editor, The Republican:

Your Editorial last week was an attempt to justify the spending of public roads funds to develop private property. But there is no justification.

County officials in any other county in this State would be booted out of office, if they were to be caught spending public roads money for the admitted purpose of making speculative real-estate more saleable.

Neither will you likely succeed in making our people believe that it is to their advantage to have their roads money squandered on an 18 ft. hard surfaced road to enable bulk land speculators to sell lots for more money, while they are compelled to drive over rutted dirt county roads that are neglected because of such policies.

Last year, before the road was started, the owners of bulk lands were selling lots at approximately $1000.00 each. This year, they are trying to sell lots at $2000.00 each. Some of the present lot owners are opposed to this hard surfaced, wide road. They wanted only a semi-private dirt and gravel road so that their children would be safe. It was not the lot owners who asked for the road, but the people who own land and wanted to sell lots.

In all other counties the County Commissioners require the owners of development projects to grade their own roads to certain specifications, and to put lime stone chips on to a required thickness. If this is done, then, after there are several houses to the mile, the county will take the road over and maintain it at the county expense. ONLY AFTER THE OWNER DEVELOPS HIS PROPERTY, AND HOMES ARE ESTABLISHED, OUGHT THE COUNTY TAKE OVER THE ROADS. After the owner of the project has pioneered his own roads, if he has followed specifications, is it then right and proper for the county to take the roads into the county system. The trouble here is that the roads are being built ahead of the homes, and before there is any one to use them, except the land owners who are selling lots.

The County Commissioners cannot claim that they were petitioned by home owners to build the road. Nor that at least three miles of this road running through the woods, as it does, is necessary for the public travel.

Private investors should be encouraged to pioneer their own roads until the lots are sold and homes built upon them. If let alone these land owners will develop their own property, or they will sell to some body else who will develop it. It is silly to argue that the public roads money should be used to do it for them.

It is short sighted to encourage our public officials to indulge in this kind of practice. Once it is started it is difficult to control it. Already there are plans afoot to use the public roads money to construct another drive way extending several miles down the other side of the lake. It is short sighted, because under such a system the individual with the greatest influence, or the man who is temporarily in power, will feel free to grab the public receipts and use them for his own benefit. Under such a policy as you are defending, only the man with power or influence will get anything, while the honest citizen who stays home and works will be robbed of his proper benefits from the public roads funds. This is favoritism, graft, and corruption.

The average private investor doesn't want favoritism. He wants only a fair and equal opportunity to enjoy the fruits of his own wise management and frugality. The development around the lake as well as the rest of our county depends upon a fair and equitable distribution of the benefits due to every community, from the public receipts.

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Copyright by The Baltimore Sun and reprinted in The Republican by permission

Mrs. R. and Mr. T.

By the time this piece is printed the Democratic Convention at Chicago will have passed into history. The violent oratorical tirades against the president and Mr. Nixon temporarily have ceased and it is now clear that nothing wicked has been said of them that had not been said in the past. Nor, has any clear-cut issue been made either in the platform or by the candidates. In brief, as is the usual thing in politics, it is the expected that has happened. The partisan indictment of the "Ins" by the "Outs" was vigorous and inclusive but with less than the usual evidence to sustain it.

—o—

However, there certainly were two interesting and unusual developments during the convention that more or less were unprecedented and which shed a somewhat deceptive light over the proceedings. This, of course, was the emergence of two "party leaders," each of whom had great party popularity without in the least having great party power—to wit, Mrs. Eleanor Roosevelt and ex-President Harry Truman. Great personal friends, mutual admirers, lunching together and complimenting each other in their public utterances, nevertheless in the struggle for the presidential nomination they were on opposite sides—Mrs. Roosevelt being strongly for Mr. Stevenson and Mr. Truman equally strongly for Governor Harriman.

—o—

Around this pair centered most of the early news of the convention. For weeks before it met and for days after, the newspaper, radio and television commentators and correspondents portrayed them as possessed of almost dictatorial power—attributing to each ability, which neither of them possessed, to swing delegates and decide platforms. As things turned out, if neither had been present nor taken a stand, the outcome would not have been changed either. Nevertheless, they both put on a good show and garnered an extraordinary lot of favorable publicity—which both of them love. But even among the delegates and their managing politicians, while full advantage was taken of their respective advocacy of candidates, there were plenty who heartily disagreed with the greasy eulogies that appeared in the press and went out over the air.

—o—

For example, while there probably were many who applauded the description sent out of Mrs. Roosevelt's smile by the Associated Press as resembling a searchlight, illuminating the dark rooms and warming the hearts of those able to bask in it, there were a good many Democrats, besides independents and Republicans, who regarded that smile as the self-satisfied smirk of a female politician who has done a great deal of harm to the country. In the same way, Mr. Truman was pictured as a great statesman, a great President and an astute, discerning party leader. To many Democrats, independents and all Republicans he seemed not only, as Mr. B. M. Baruch once remarked, a "rude, crude, ignorant little man," but an extremely conceited and immodest one, rather reckless as to the facts and full of vindictive prejudice.

—o—

Yet these two figures captured the headlines for fully half of the convention. Now that it is all over it can be seen that neither really exerted anything like a determining influence upon results. True, they "stirred things up" and they got wide and favorable advertisement, but they did not run the convention nor dictate the ticket. In all probability this will be their last taste of public political sunlight. They have practically basked in their last. Four years from now Mrs. Roosevelt and Mr. Truman will both be 76. They "shot their bolt" in the recent convention and it turned out for neither of them to be much of a bolt. In 1960—if they are here—the procession will have passed them and their publicity value will have greatly shrunk. Of the two, it must be said that Mrs. R. has more political influence on the whole than Mr. T. Because, her voice is the most potent in the country among the Negro voters. And it should be. This is a pregnant fact which the white Democrats of the South have never seemed properly to realize.

Annual Sing Scheduled

The annual sing will be held at the Lake Ford Methodist church on Sunday, September 2nd., beginning at 1 o'clock p. m., EST. All singers are invited and all persons are welcome. There will be a public address system on the grounds, according to Pearl Ringer, secretary.

Warn Home Owners

Home owners in this area are being warned to be on the lookout for gyp salesmen peddling aluminum siding.

The Better Business Bureau of Pittsburgh reported that fast talking salesmen are victimizing residents of the area with a "model-home pitch that is as old as the hills."

The gimmick works like this: The home owner is told he'll have his house covered with aluminum siding at a cut rate if he allows it to be used as a "model home" or "demonstration house" for a certain time. The owner also is assured he'll get a commission on every sale that results.

The catch is that no commissions ever come, the salesmen never return and the owner finds himself paying through the nose.

Dealers here have stated that at least three persons in the Oakland area have been "taken in" by the arrangement.

Hospital Toured

A group of proposed Hampshire county hospital staff and board members from Romney, headed by Dr. J. D. Brown, Romney, visited Garrett County Memorial hospital in Oakland on Sunday in order to get first hand information to be used in constructing the hospital at Romney.

A complete examination of the layout, equipment, business methods and other phases of the institution operations was made and details explained to the visitors.

Tentative plans for the new Hampshire hospital have been prepared.

DIED

FANNIE EDNA JOHNSON

Fannie Edna Johnson, aged 84, died at her home in Oakland on Wednesday morning, August 22. She had been in failing health for several years and critically ill for the past several weeks.

The deceased was born in Oakland, March 10, 1872. She was a member of St. Mark's Lutheran church in Oakland.

Surviving are a sister, Miss Sarah Johnson, Washington, D. C., and Mrs. Rachel Ballengee, with whom she made her home.

The body was taken to the Bolden Funeral Home from which place funeral services will be conducted on Saturday afternoon at 2 o'clock with Rev. Charles Carlson, pastor, officiating. Interment will be in Oakland cemetery.

Seven Births Occur

Seven births occurred at the Garrett County Memorial hospital in Oakland during the past week, four girls and three boys.

On the 15th a daughter to Mr. and Mrs. Albert Francis Franc, Jr., Oakland.

On the 18th a son to Mr. and Mrs. Lonnie Rodeheaver, Jr., Swanton.

On the 19th a daughter to Mr. and Mrs. Cleadus K. Corbin, Gormania; a son to Mr. and Mrs. Ernest Schrock, Oakland.

On the 20th a daughter to Mr. and Mrs. Veryl G. Benedict, Friendsville.

On the 21st a son to Mr. and Mrs. Robert L. Broadwater, Deer Park.

On the 22nd a daughter to Mr. and Mrs. Austin R. Wilhelm, Hutton.

During the week the hospital admitted 33 patients and discharged 48 persons. The census this morning was 36.

Grantsville Upsets Zihlman Six to Two

Grantsville Sluggers, fighting to remain in fourth place for a play-off berth in the Pen Mar Baseball league, yesterday upset first place Zihlman 6-2 in a game called in the eighth inning because of darkness at Grantsville.

The defeat shoved Zihlman into a first place deadlock with Barrelville. The triumph enabled Grantsville to remain tied with Centerville in the fourth slot.

Four runs in the seventh inning broke a 2-2 tie and gave Grantsville the victory. Hits by Wilkinson, Junie Perry and Joe Wengerd accounted for the tallies. Five players shared two hits each for Grantsville with Toby Colaw collecting a double and Perry a home run in addition to his single. Wengerd had two singles as did Wilkinson and Fred Colaw.

Win Prizes At Fair

A number of Garrett county 4-H club and Future Farmers of America members won prizes yesterday at the live stock showings at the annual Cumberland Fair.

Garrett county winners were Max Bowser, Accident; John Hummel, New Germany; Gerald Friend, Oakland; David Beachy, Bittinger; Troy Wilburn, Bittinger, and Tom Glotfelty, Oakland. The boys won from $8 to $3.

Advisors from the several schools included George Lipscomb, Southern High; Richard Bishoff, Southern High; Lawrence Faith, Northern High.

For fourth straight week total of new polio cases in U. S. was smaller than in any comparable week since 1947. Total to August 11 was 6,198. Chicago continued to be only real hot spot.

PICTURESQUE SIGN—This is the unique sign recently completed on the front lawn of Northern High school, facing U. S. route 219. The story of its construction appears in The Republican today.

Northern High Sign Recently Erected

A picturesque sign labeling Northern High school was recently completed through the efforts of a number of individuals. It is located on the front lawn of the school, facing U.S. route 219.

The stone structure encases the blue and gold standard bearing the name of the school in bold letters.

Artistically designed the sign conforms in relative size and shape with the main building. The stone structure is erected of all native Garrett county stone, quarried locally, cut and donated by Ray Giconi, who owns and operates the M. and S. Stone Quarry near Grantsville.

Transportation of all stone and other building materials was provided by Walter H. Fratz and Sons, Accident. The stone masonry work was done by Leonard Custer, Blair Buckel and Lawrence Faith, all of Grantsville, who created the structure of stones in muted shades of brown, blue and red tones. Sand for the project was donated by Leslie E. Savage, Friendsville.

The sign was erected as a project of the graduating class of 1956, Carl Mazer, president, whose sponsors were Miss Kathryn Speicher and Philip Johnson. The class helped with the planning and the boys donated much of the labor in erecting the sign. It was designed by Merle Garletts, industrial arts instructor at the school, and patrons believe the sign has added greatly to the general appearance of the school lawn.

Package Mailing Change Planned At Post Office

The Post Office Department is planning to make an important change in postal regulations to provide new convenience for patrons mailing packages.

Donald M. Browning, local postmaster, announced that patrons no longer would be required to mark on parcels the words: "May be opened for postal inspection."

The change will apply to sealed fourth class or parcel post packages, and sealed third class parcels.

This "May be opened" endorsement never has been necessary for parcels sent by the higher first-class postage rate.

The plan will go into effect probably in early fall, and will be an elimination of the "red tape" in mailing practices. The department solicitor has indicated that by mailing a sealed parcel at the third or fourth class rate of postage the sender has given his implicit authorization that the parcel may be opened for inspection, if necessary, in accordance with the law.

The proposed change will not become final until postal patrons have had a chance to express their views.

The Democrats nominated Adlai Stevenson for president and Estes Kefauver for vice-president during the national convention in Chicago.

Defense Secretary Wilson said no nation was ahead of the United States in what he called the arms race.

Grantsville Wins Over Barrelville

Grantsville's Sluggers enjoyed their second highest scoring spree of the season at the expense of Barrelville in the Pen-Mar Baseball league game played at Grantsville last Saturday. The win dropped Barrelville from first place for the first time in thirteen weeks.

A seven-run outburst in the fifth inning on three hits, three bases on balls and two errors sewed it up for the Sluggers who tied for fourth place with a 12-13 record.

Niles Harper homered over the right field fence in the seventh and doubled. Toby Colaw whacked a two-bagger and single and Thompson tripled to the 480 foot marker in left center and singled to drive in nine runs among them. Telek, Fred Colaw and Don Wilkinson shared six safeties for Grantsville.

A Zihlman-Grantsville game was rained out on Sunday.

AURORA-EGLON

The annual Harsh reunion will be held Saturday, August 25 at the Eglon school house. Relatives and friends are invited.

The Eglon P.-T.A. is sponsoring a bake sale on Saturday, September 1, at the DeWitt and DeBerry store in Oakland.

The second son and third child was born August 13 to Mr. and Mrs. Rogers Fike in the Garrett County Memorial hospital. The mother is a daughter of Mr. and Mrs. Fred Beachy, Oakland, and the father is a son of Mr. and Mrs. John T. Fike, Eglon. The Fikes plan to reside at Bridgewater, Va., where Mr. Fike will be a student preparatory for a minister.

Mr. and Mrs. George Roth, Horse Shoe Run, are the parents of a daughter born August 15 in the Garrett County Memorial hospital. The mother is a daughter of Mr. and Mrs. Cleveland Evans and the father, a farmer, is a son of the late Mr. and Mrs. Edward Roth, all of Horse Shoe Run.

Mrs. Hervey Wolfe, Red House, was taken last week to the Garrett County Memorial hospital for treatment.

Saturday, July 18, at Red House occurred the marriage of Miss Lois Wilt, daughter of Mr. and Mrs. Paul Wilt, Amboy, and Robert Strawser. After a short honeymoon trip to the State of Virginia, the couple will reside at Kingwood where the groom is employed.

Mr. and Mrs. George Antstt, of Greenville, Mich., were week-end guests of relatives at Aurora and Eglon. Mrs. Anstett was the former Mary Webster, of near Eglon.

A recent marriage was that of Miss Bernadette Ball, daughter of Mr. and Mrs. Leon "Dick" Ball, Horse Shoe Run, and Frank Arnett, Aurora.

Pastor Allen Pugh moved his personal property Monday from Wiley Ford to the Church of the Brethren parsonage, Eglon. Pastor Pugh and family are on a vacation trip after which he will serve the Eglon congregations as pastor.

Mr. and Mrs. A. W. Fike went Sunday to Elkton, to visit Mrs. Fike's son, the Rev. Everette Beckman and family. They also plan to visit relatives in Delaware.

TO APPEAR AT FAIR—Smiley Burnette, billed as 'The No. 1 Cowboy Comedian," will appear at the Preston County Fair which gets underway August 30 at Terra Alta. He is shown here on the right in company with another famous cowboy, Gene Autry.

MARRIED

Hamilton-Schroyer—In the presence of family members and intimate friends, Vida Marie Schroyer, daughter of Mr. and Mrs. Cecil W. Schroyer, of Friendsville, became the bride of John Herman Hamilton, son of Mr. and Mrs. William Dane Hamilton, of Kent, Ohio, at 2 o'clock, Sunday, August 19, at the Methodist church, Friendsville, where both were members.

The double ring ceremony was performed by Rev. William DeShong. The altar was decorated with red roses and lighted white candles. The traditional wedding march was played by Lucille Sines, under whom the bride studied music for five years. Mrs. Sines also sang "The Lord's Prayer," while the bride and groom and attendants knelt at the Altar.

The bride was given in marriage by her father. She wore a white suit, trimmed in white satin, a head piece of white flowers with a matching finger-tip veil. Her corsage was of red and white rose buds. She carried a white Bible, which was a gift from her father and mother.

Mrs. Cecil Kelly, Baltimore, sister of the bride, was matron of honor. She wore a navy blue suit trimmed in white with a corsage of white roses.

William Hamilton, Jr., of Kent, served as his brother's best man.

The bride's mother selected a navy blue dress, trimmed with matching lace. The bridegroom's mother chose a dusty rose dress with matching lace trimming. Both wore corsages of white roses.

The bride and groom both are graduates of Northern High school, class of 1956.

The bride was employed in her father's store in Friendsville. The groom is employed at Akron, Ohio, at carpenter work.

The Women's Society of Christian Service, Circle one, where the bride was organist, gave a reception immediately following the ceremony in the social room of the church. A pink and white theme was carried out in the decorations. The center of the table was decorated with pink rose buds. The same color was repeated in the three tiered wedding cake which was topped with a miniature bride and groom.

The room was decorated with cut garden flowers from members of the WSCS.

Mrs. Faye Friend, spiritual life secretary of the WSCS, presided at the punch bowl. Mrs. Pauline Selby, vice president of the WSCS, cut and served the cake.

After a brief honeymoon the couple will reside at 4397 East Kent Road, Stow, Ohio.

Barnard-Shoemaker—Miss Helen Virginia Shoemaker, daughter of Mr. and Mrs. E. W. Shoemaker, of Friendsville, and Joseph Earl Barnard, Frostburg, son of Mr. and Mrs. Samuel DiShong, Hyndman, Pa., were united in marriage at Grace Lutheran church, Friendsville at 6 o'clock, Sunday evening, August 19, with Rev. William E. Carlson performing the double ring ceremony.

The bride wore a white nylon street dress with white accessories and had a hand bouquet of red rose buds. Miss Leota Friend, bridesmaid, wore a blue nylon dress with white accessories and had a hand bouquet of summer flowers.

William Shoemaker, brother of the bride, served as best man.

The church was decorated with candles and summer flowers.

The bride is a graduate of Friendsville High school, class of 1952 and of State Teachers College, Frostburg, class of 1956, and has accepted a position as an elementary teacher at Johnson's Heights School, Cumberland, for the fall term.

The groom is a graduate of Grantsville High School, served four years in the U. S. Navy and is a sophomore at State Teachers college, Frostburg.

A reception was held at the home of the bride for about 40 guests. A three-tiered wedding cake was the center piece for the table.

They are spending a week at a cabin at Deep Creek Lake and will then reside in Cumberland.

Qualify For Contest

Six local residents qualified for the special "What's the Answer" contest competition at a Southern States cooperative annual meeting at Accident recently. They were Mrs. Agnes Handwerk, Addison, Pa.; Robert O. Glotfelty, Mrs. Irene Schroyer, Clarence Stephens, Fred Bentz, of Accident; and Hobart Bishoff, Friendsville. Mr. Bentz and Mr. Bishoff also won electric skillets in a special competition. Finalists will be decided at Lexington, Ky., in November.

Elected to the local board were Walter Harman, Accident; and Raymond Klotz, McHenry. Elected to the local Farm Home advisory committee were Mrs. Merrill Wilburn, Mrs. Elmer Kolb, both of Accident. Carl Miller, Accident, was chosen to represent the board at the stockholders meeting in November with Oscar Harman, Accident, as alternate.

To Compete At Timonium

Judy Buckel and Dorothy Glotfelty, members of the Bittinger 4-H club, will compete at Timonium State Fair in the Dairy Foods demonstration contest. "Summer Milk Drinks," is the title of the team demonstration to be given August 29, in the exhibition hall on the fair grounds.

The Play Reviewed

"If there were witchcraft," goes the old song, "I'd make two wishes . . .". According to "Bell, Book, and Candle", the imaginative comedy ending the season of the Garrett County Playhouse this week, there actually is modern day witchcraft, and one of its talented practitioners is beautiful Gillian Holroyd. Since there is witchcraft, Gillian doesn't squander her powers wishing for the "winding road" and "blazing campfire" of the song; she makes the man in the upstairs apartment, Publisher Shepherd Henderson, fall in love with her, and she conjures up, all the way from Mexico, the noted author and witch-researcher, Sidney Redlitch. Such occurrences require more effort than merely wishing, however; incantations muttered over her pet cat, Pyewacket, and the lighting of a ceremonial fire, turn the trick.

The love affair is intruded upon by Gillian's brother Nicky, a competent sorcerer, and by their Aunt Queenie, at best a third-rate witch. Finding out he has been hexed, a disillusioned Henderson buys a veto from witchdom's leaders and prepares to forget Gillian. She, on the other hand, in very unwitch-like deportment, experiences human emotions, loses her powers, and soon wins Shepherd's heart in the conventional way.

The play, written by John Van Druten, is a sort of fairy tale in reverse, with do-gooders replaced by do-badders. It is when their mischievous and malicious actions are centered upon, and are made bizarre by constant references to witchcraft's respectability, that the play is most praiseworthy. Unhappily, the playwright can't allow such demoralizing ideas to continue all night, and is forced to curb them with sobriety and a semblance of a plot.

The change in mood permits more versatile acting, however, which is all the cast need to turn in rousing performances. Suzanne Oglesby plays Gillian in bewitching fashion, acting as if under supernatural control. Leonard Drum is fine as the dazzled Shep Henderson, and one of his telephone conversations is particularly outstanding. Helen Page Camp, in one of her enjoyable eccentric roles, plays a raucous and gushing Aunt Queenie. It's a pity she can't face four sides at once, and thus quadruple the audience's amusement at her porrayal. Robert Morris, as Nicky, exaggerates his sarcasm too much, but comes off with some wonderful expressions, both diabolical and jovial. Tom Calkins creates a crude, wrinkled, empty - worded Sidney Redlitch in a skilled performance. The actors play enchanting parts, and play them with enchanting effect.

GUIDE HUSKIES' DESTINIES—Four instructors at Northern High school will guide the destinies of the Huskies in their second year of football. Practice already is underway at the school and a goodly number have reported for duty. The four coaches, left to right, are Denver L. Mitchell, Charles Strauss, Russell Davis and Lilburn Brown.

It Runs Through My Mind

Vacationing in Second Gear

It was unanimous that we'd stay home this year for our vacation and do Garrett county, up one side and down another.

Taking back roads has always been sport for us; collecting county maps a hobby of one of the boys.

For several days maps fresh from the Department of the Interior stretched out before us and our biggest problem was to chart a course that would get us to unfamiliar spots. Since we were out to visit new places we skipped Accident, Grantsville, Friendsville, Swanton and Kitzmiller. Also Herrington, Swallow Falls and Deep Creek, our well known places of interest and beauty.

Now, we know there are other spots that outsiders seem not to know exist, that make us appreciate our county more than ever before.

We did a portion of the county, and believe me, we travelled a "fur piece." The first day we travelled 120 miles, much of it in second gear and passed about six cars on the secondary roads.

Down Elbow Way

Sauntering down through New Germany we spotted a house high on a mountain and took the road to the place. George Bowser lived there on Manadier Ridge. His view on that hazy day was far reaching and Mrs. Bowser said that on a clear day they could see Lonaconing.

It was she, who lived far from nowhere, who told us that Betsy, the hurricane, was on its way, so could expect hard rain soon.

We had set our hearts on seeing The Elbow, and Elbow was worth seeing. Looking back on the week it was one of the highlights for me. Climbing that mountain we looked out on tree tops which meant one thing—that mountain went straight down (or was it straight up!)

The three houses made the community as far as we could se, and we could see far. As we looked out toward the west into the range of mountains we were in awe of the pioneers who dared cut through such wilderness.

From the highest point on this road is what I would list as one of the first ten views in the county, though it didn't look like Garrett county. Thousands of acres of timber and miles of view. Even the topography was plain in spite of timber.

We walked through pasture for the close-up, seeing fertile, cultivated fields beneath us and herds of dairy cattle in the distance. It was something like an airplane view. We watched a storm roll in from the west like spray coming from a pressured can.

I was curious about the houses belonging to these farms which were not in view. Here we had a split in family personality, I longing to know the people; they interested in far away places. Anyway the map holder had his eye on another name that we had never heard of.

Pea Ridge

Now that's a place! Every time I think of it something warms up inside me. We spread our lunch on a moss and lichen table cloth with pink mushrooms and turkey berries for color accent.

From this ridge one saw "field and meadow fair—a distant view, a lovely sky with sunlight everywhere." Strips of green, bands of golden grain, farming on the contour, Herefords built square and clase to the ground showing good herd breeding; farm ponds with diving boards. Amid this natural beauty something stood out on the highest ridge, man made and shiny. A building in the round, with a circular porch on top with a dome coming out the center.

"Look, a planetarium."

"No, it's a flying saucer."

"Oh, it's a new fangled sheep shed with a silo coming out the middle."

We were beside ourselves with curiosity. Needless to say we would not let that pass. The gate leading to it issued a warning, but going to the William Robeson home nearby we learned that it was a radio, or radar or something or another station to guide airplanes.

Since the equipment was being installed by engineers that day he gave us permission to pass the gate on his farm. The engineers permitted us to climb to the top. The distance seemed the same looking north, south, east or west. The first time I had ever experienced such a view in all directions. Without question, it is my first choice of Garrett county views.

Oh-ing and Ah-ing my enthusiasm, a workman said indifferently, "It's all right if you like trees."

"All right?" I thought to myself, "Why I couldn't ask for more beauty in Heaven!"

That, dear friends, is the first part of the first day of a vacation spent at home traveling in second gear.

Football Practice Gets Under Way At Northern High

The second year of football, a new sport for the people of Northern Garrett County got under way with the opening of football practice, August 14, at Northern High School. Thirty-five boys under the direction of Coach Denver L. Mitchell reported for practice in preparation for a seven or eight game schedule.

Sixteen returning lettermen form the nucleus of the '56 squad which must face a longer, tougher schedule. The schedule is:

p. m.
Sept. 7, Meyersdale, Away, 8:00 p. m.
Sept. 15, Keyser J. V., Home, 1:30 p. m.
Sept. 22, Open.
Sept. 28, Confluence, Home, 1:00 p. m.
Oct. 5, Terra Alta, Away, 3 p. m.
Oct. 13, Southern, Away, 1:30 p. m.
Oct. 20, Open.
Oct. 27, Beall J. V., Home, 1:30 p. m.
Nov. 2, Fort Hill J. V., Home, 1:30 p. m.

Testing the players of Northern for the first time will be the varsities of Confluence, Meyersdale and Southern; and the junior varsities of Keyser and Fort Hill. Meeting the "Huskies" for the second time will be Terra Alta and the junior varsity from Beall who has placed the only defeat upon the record of Northern football.

Last year, the first for the "Huskies," the team defeated Terra Alta 13 to 7, defeated Southern's "B" team 38 to 0, tied Meyersdale's "B" team 6 to 6, and lost to Beall's "B" team 19 to 13. Gone from opening practice were five seniors. Replacements must be found for Carl Mazer, quarterback; Joe Bender, fullback; Ross Selby, Jr., end; Gary Fratz, guard; and Kenneth Glotfelty, guard.

Assisting Coach Mitchell are Lilburn Brown, Charles Strauss, and Russell Davis.

A football clinic will be held by the coaching staff of Northern for the benefit of parents and friends of the school who have had little or no experience with football and who have the desire to watch their children, friends or neighbors participate in this popular fall sport. The clinic will be held during a regularly scheduled football practice from 9 to 12 a. m., August 27.

Every effort will be made by the coaching staff of the school to familiarize each guest with the objectives and play of football. The equipment of players and officials will be demonstrated and explained. Basic rules will be read and explained. Demonstrations will be given by the players in various techniques used in a game.

Members of the squad include Roy Rexrode, Eddie Rush, Ronald Glass, Warren Miller, Bill Miller, Dick Spear, Delmos Wright, Gary Hetrick, Donald Jenkins, Charles Strauss, Dale Schroyer, Bill Jones, Edgar Mickey, Wayne McKenzie, Dick Miller and Dean Durst. All of the above players are lettermen.

New members to the squad are Darwin Robeson, Gary Frantz, Kenneth Durst, Ray Beitzel, Joe Friend, Hugh Umbel, John Capel, Jim McKenzie, Jim Lowry, Paul Yommer, Tom Berenson, Bill Georg, Ralph Buckel, Jack Savage, Raymond Garner, Martin Conn, Gary Lawson, Marvin Sisler and Richard Sisler.

Two Talks

(Continued from Page One)

a classroom teacher, became principal of Catonsville High school in Baltimore county. From there he was promoted to superintendency of Worcester county and then to the superintendency of Cecil county. He assumed his present position in 1953.

Mr. Hawkins predicted that the talks by these two personalties would provide one of the most stimulating teacher meetings to be held in recent years. Parents and patrons interested in education for the county were invited to attend the meeting also.

Other portions of the program will include opening remarks by Mr. Hawkins, group meetings according to subjects and grades taught, luncheon in the school cafeteria, and a meeting of the county Teachers' association at the close of the day.

This meeting is one of several pre-school meetings scheduled by Mr. Hawkins. August 28 and 29, there will be a meeting of all cafeteria workers directed by Miss Eleanor Weagly, State Department of Education, and Robert Martin, administrative assistant, Board of Education. It will be at Southern High school.

Principals are to have a conference on August 29. On August 31 all principals and teachers will spend the day in their respective schools working together in preparation for the opening day.

On September 2 there will be open house at the two schools that have been completely renovated during the summer. The one at Friendsville will be from 2 to 5 p. m. The time for the one at Red House will be announced.

Schools of the county will open on Tuesday, September 4, at 9 o'clock a. m.

Homecoming Service

The annual Homecoming services at the Maple Grove Church of the Brethren near Grantsville, will be held Sunday, August 26.

Sunday School will be at 10 o'clock with worship service at 11. The afternoon service begins at 2 o'clock. Lunch will be served in the church basement at noon.

Final Date Set For Requesting Wheat Allotments

Saturday September 1, has been established as the final date on which farmers may request wheat acreage allotments for the crop to be harvested in 1957 on new wheat farms, it was announced by H. Robert DeWitt, Chairman of the County Agricultural Stabilization and Conservation Committee. Acreage allotments have already been established for all farms in the county which were known to have harvested wheat in any one of the years 1954, 1955 and 1956 and these farmers have been notified of their allotment. All farms on which no wheat was harvested in any one of these years are classified as new wheat farms. Acreage allotments are established for new wheat farms only upon request. Any farmer desiring to request an acreage allotment should contact the County ASC office in Oakland not later than September 1.

DeWitt stated that it was important for any farmer who plans to plant more than 15 acres of wheat on one farm to have an acreage allotment, because any one harvesting more than this amount without an allotment large enough to cover the acreage is subject to a penalty on the excess wheat. Farmers who plant less than 15 acres and have no allotment would be ineligible for price support on the wheat, but under present law, there are no other penalties in such cases.

River Group Has Completed Plans For Oakland Meet

The program has been set for the fall meeting of the Interstate Commission on the Potomac River basin which will be held at the William-James hotel in Oakland September 20 and 21.

The meeting will be devoted to "Conservation of Recreation and Wildlife Assets of the Potomac River Basin."

Keynote speaker will be Ernest F. Swift, executive director of the National Wildlife Federation. This will be followed by 15-minute reports on current recreational assets and programs in each of the four Potomac Basin states. Maryland is to be represented by Joseph F. Kaylor, director of the Maryland Department of Forests and Parks. Maurice Goddard, secretary of Pennsylvania's department of forests and waters, will speak for his state. Carl Johnson, director of the West Virginia department of Conservation, will outline his state's program, and Virginia will be represented by William T. McChesney, public relations consultant, Staunton, Va.

A motor tour to Savage River dam and State Forest, the Deep Creek Lake recreational area and other points of interest, is scheduled. The destination of the caravan will be Swallow Falls State Park and Herrington Manor recreational area where Kaylor is planning a barbecue and canoeing demonstration by the American Red Cross. Representatives will return to the hotel in Oakland for an evening movie, "The Black Duck Story."

A panel discussion moderated by Edward A. Ackerman, director of water resources program for Resources of the Future, Inc., will feature the Friday session. Committees will meet in joint session to discuss distribution of "Potomac Playlands," a publication which is to make its initial appearance at the Oakland meeting. Bernard Frank, chairman of the Wildlife Recreation committee, will make a 10-minute report at the Friday luncheon, followed by a talk by Helmuth Heise, president of the Deep Creek and Garrett County Promotion council.

With Our Men In The Service

* * *

Pfc. Paul H. Arnold, son of Mr. and Mrs. P. Arnold, Gormania, W. Va., is a member of the 11th Airborne Division in Germany.

Arnold is a jeep driver in Company H of the division's 503d Infantry Regiment. He entered the Army in February, 1955, and arrived in Europe last January.

Arnold attended Oakland High School.

To Reside At Park

Mr. and Mrs. Richard Valentine, New York and Beverly Hills, Calif., have just purchased a property in Mt. Lake Park and will make this county their permanent home.

Mr. Valentine is known in the East as an artist of note where a number of his paintings have been exhibited.

Their daughter, Actress Nancy Valentine, who was the former wife of the Maharaja of Cooch-Behar, India, has recently married Ted Tillinghast, a Beverly Hills stock broker. Mr. and Mrs. Tillinghast are expected to arrive shortly for a visit.

The Cumberland Evening Times of August 4 carried a photofax of the newlyweds.

Johana Harris Plans Special Program For Concert at Oakland

Johana Harris is preparing a special program for her Oakland concert which will be presented on Friday, August 31, at 8 p. m., in Southern High school.

Rev. John J. Atwell, chairman of the Civic Affairs committee from the Moose Lodge, said many people had wondered why such a top-rating artist would be playing in a small town, and explained that Johana Harris and children, together with her world famous composer-husband, Roy Harris, visited the area two summers ago. The few days spent here were occupied in scenic trips and social parties. As a gesture of appreciation she volunteered to play a benefit recital for a worthy cause. When she was approached a few weeks ago she readily consented to play a concert in Oakland for the benefit of the Moose lodge.

Rev. Atwell said that aside from her life-long career as a public performing concert pianist her unusual and flexible talents had been equally distinguished in the recording world. She has held a top rating in radio, television and recordings for many years. She has played concertos with the major symphony orchestras here and abroad and has played with the world's leading chamber music ensembles.

Tickets for this benefit recital are on sale at the Englander and Oakland Pharmacies and may also be procured from Charles Wendlandt, secretary of the Oakland Moose lodge.

Red House Scouts Advance

Scouts of Red House Troop No. 51, advanced in rank at a board of review held there last Friday evening, August 17.

Phillip Fike, Wellington Frazee and Donald Rolf advanced to first class scouts. Badges were presented at a special ceremony following the board of review. Paul Dixon is chairman of the Board of Review with Jack Wakely and Herbert Ridder as members.

Nordeck-Shaffer Reunion Is Held Sunday

The Nordeck-Shaffer 37th annual reunion was held Sunday, August 5, in the Terra Alta city park with approximately 150 friends and relatives attending.

After a basket dinner a special program, arranged by Mrs. Homer Wiles and other committee members, was presented. It included a piano prelude by Mrs. Floyd Carskadon, Crellin; welcome by Mrs. Homer Wiles, Terra Alta; response by Harold Shaffer, Bayard; solo, Harold Benson, Terra Alta, accompanied by his sister, Mrs. Donald Eliason; solo, Bonnie Wiles, Terra Alta; duet by Rita Barbera, Keyser, and Julia Shaffer, Bayard; solo by Mrs. Nunzio Barbera, Keyser; solo by Keith Mersing, Crellin; duet, Mrs. Homer Wiles and Mrs. Harry Wright, Cresaptown; talk, "Our Christian Faith," by Homer Shaffer, Crellin; quartet, Mrs. Harry Wright, Mrs. Homer Wiles, Icen White and Charles A. Glotfelty.

At a business session Charles Shaffer, Buckhannon, W. Va., presided. Mrs. Margaret Knotts, of Crellin, received a gift for attending all 37 reunions. Two gifts were presented to Mark Nordeck, son of Mr. and Mrs. Howard Nordeck, Fairbanks, Alaska, now Oxnard, Calif. Gifts were for the youngest present and having traveled the most distance. Edward Shaffer, of Terra Alta, also received a gift for the oldest Nordeck or Shaffer present. Homer Shaffer received a silver loving cup which is passed from the oldest to the youngest generation.

Community Fair Is Planned by Northern

The annual Harvest Festival, held for a number of years at Northern High school will not be held this year but in its place will be a School Community Fair. The dates are October 5 and 6.

As a part of the fair the people of the northern section of the county are being asked to exhibit farm and home products in the agricultural, home economics or shop classifications. First, second and third place ribbons will be awarded in addition to approximately 350 dollars in cash prizes.

Posters showing the agricultural, home economics and shop classifications open to the public, together with the premium given in each classification, will be on display in Accident, Grantsville and Friendsville. In addition a fair booklet will be available explaining the rules and regulations.

All products exhibited must be produced on the farm of the exhibitor or by the efforts of the exhibitor and all exhibits will remain for the duration of the fair. All animals exhibited will comply with health regulations of the Live Stock Sanitary Service of Maryland.

No entry fees will be charged and the school had promised it would take every precaution for the safe preservation of entries, but stated it would not be responsible for damages or losses that may occur.

Slim Bryant and his Wildcats from Pittsburgh radio and television stations, will be in attendance. Featured along with Slim are Ken Newton, tenor singer, three times national champion fiddler of the USA; Loppy Bryans, bass fiddler; Jerry Wallace, guitar player and banjoist; Al Azzaro, accordion player, and Nancy Fingal, vocalist.

Plans for the fair which will include the usual carnival booths and refreshments, are being completed by joint efforts of the committee under the direction of Marvin Callis, general chairman. Committee members included interested citizens from the three communities, representatives of civic organizations and faculty members.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

Background Scripture: Matthew 4:1-11; James 1.
Devotional Reading: Ephesians 6:10-20.

Strength—How?

Lesson for August 26, 1956

THE nine short letters which have been the subject of the Bible studies throughout the Protestant churches of America these past two months are as different among themselves as their writers were different. The 3 letters of John were written by a "mystic," one for whom the things that are unseen are more real than anything the bodily eye can see. The letter of James was written by a man who would probably find himself very much at home in the typical American go-getting, practical-minded church. He deals with many problems in a short-spoken blunt fashion; and the problems are exactly those that an American pastor would run into most often in talking with his people.

Dr. Foreman

Why Must This Happen to ME?

One question preachers are asked pretty often is something like this: "Why must this happen to **me**? I have been a good citizen. I try to be a good Christian. I do all the good I can . . . and now this has happened." "**This**" may mean a disappointment, disaster, sickness, trouble of almost any kind. James has a surprising answer. "Count it all joy," he says, when such things happen to you. The reason why trials ought to make us happy instead of sad is that trials make us strong. Of course there are always a few abnormal people who don't want to be strong, or don't care; but it is perfectly normal and right to want to be strong in every possible way. No sensible Christian will want to be healthy in body and mind, and yet be content with being a spiritual weakling.—This does not mean that troubles and trials don't hurt; indeed they do. There's no telling ourselves that we like being hurt,—we don't like it. Pain is real, death is real, disappointment and frustration are real. But —James would tell us—let's not whine about such things. Nobody loves to sit in a dentist's chair but all the same, sitting there the patient may well be thankful for dentists. Lying on a bed of pain one may not like the pain but if it is from an operation one may be thankful for the surgeon. So we have every right to thank God for the pains he sends us.

How Does Strength Come?

How does a coach build up a powerful football team? Not by taking the boys out to the field every afternoon in Cadillacs and letting them watch somebody else scrimmage. No strong team ever took a game yet, that had not had a full share of aching muscles, perhaps even broken bones, beforehand. How does a recruit in the army put his muscles into shape? Not by tender words from a sergeant who wouldn't for the world hurt these poor young boys committed to his care. No, the sergeant is tough, and his job is to make the boys tough (this does not in the least mean that they have to be profane or mean or cruel), and you don't toughen up by sitting around. You do it by taking long hikes, hikes a little too long, in fact; lifting loads you'd rather not lift; carrying a pack that you think should have been meant for two men. How do students strengthen their minds? Not by letting the teacher do the work. The most effective teachers are those that make the students live hard. So it is in all walks of life. A strong bank is one that can come through years of depression; any bank can make it on a wave of prosperity. A strong farmer is a farmer who can keep on through drought and grasshoppers and boll weevils and what have you, a man who sticks with it while his weaker neighbors pick up and head for the end of the rainbow. Troubles make strength; without trial there will be no strength.

God Knows What He Is Doing

Some people think,—Yes, this is all very true. But there is such a thing as an overload. What if I am so overloaded I break down? The answer to that should be simple for the thoughtful Christian. One who believes in Providence will believe that no trial comes to any man without God's knowledge, indeed not without God's sending. He knows where we need strength; he knows what it will take to make us strong. One who trusts his life to the true God will be assured that God knows what he is doing. He knows what **too much** would be; and he does not send it.

MARRIED

Paugh-Yost—In the presence of family members and close friends, Arlene Yost, daughter of Mrs. Homer H. Yost, of Falls Church, Va., became the bride of Jerry Paugh, son of Mr. and Mrs. Scott Paugh, Deer Park, at seven o'clock Saturday, August 4, at the Faith Lutheran church, Arlington, Va. The double ring ceremony was performed by Pastor Edward Yost.

The bride was attired in a powder blue suit, with a small velvet pink hat with white accessories. She carried a white orchid with white ribbon and streamers.

The bride was given in marriage by her brother-in-law, S/Sgt. William F. Festing, Jr., USMC. Mrs. Festing, the bride's sister, was the matron of honor and wore a pale grey dress with pink accessories. Best man was Frank Silber, brother-in-law of the groom.

The bride's mother selected a deep aqua dress with matching hat and wore a pink carnation corsage. The groom's mother was attired in a grey dress with navy blue hat and wore a corsage of yellow roses.

A wedding reception followed at the home of the bride. The three-tiered wedding cake was topped by two wedding bells. The couple left for a southern Virginia motor trip. They plan to make their home near Deer Park.

Mrs. Paugh is employed as a secretary with the Department of State in Washington, D. C. Mr. Paugh has been operating his father's farm near Deer Park.

Out of town guests were Mrs. John Schlosnagle, of Accident, sister to the bride, Mrs. Scott Paugh, Miss Oma Paugh and Rob Roy Paugh.

Deer Park Concludes Annual Street Carnival

The Deer Park Community Volunteer Fire department completed its annual street carnival last week.

Winners in Thursday night's parade were the Mt. City Band, the Terra Alta band, the Frostburg Fire department, Thomas Fire department, Deer Park Boy Scouts, and the Wilson Boys at Kitzmiller. An added attraction in the parade was a procession of decorated toys on wheels in which prizes were won by Barbara Warnick, Gerald and Bobby Thrasher.

Net proceeds of the affair will be used to purchase needed fire fighting and emergency equipment.

Officials stated this was the first carnival in five years in which not a drop of rain fell on it at sometime during the four days. The carnival is built and operated entirely by local firemen and the auxiliary, with the exception of a couple of rides.

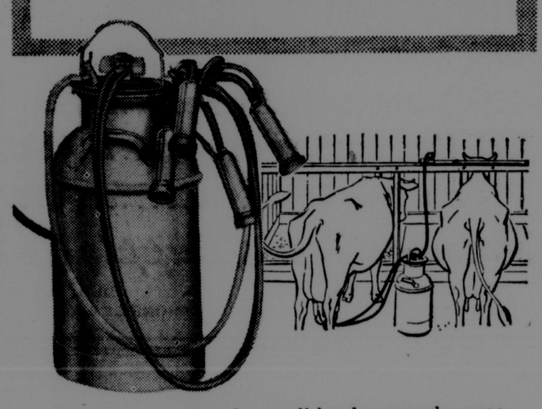
Southern States Universal
COW-TO-CAN MILKER
Low-Cost, Mechanized Milking
For Herds of 10 Cows or Less



The perfect milker for small herd owners because it offers all the advantages of mechanical milking at an economical price. Cows are milked directly into a standard can which is used in shipping the milk. As each can is filled, you simply transfer operating cover to another can, put regular cover on filled can . . . and it's ready for the cooler. Equipment is adapatable for use in one or two stall milking parlor or small stanchion barn. Two pumps available—rotary type with capacity for one milker unit, and piston type with 2-unit capacity. Piston type has advantages of greater power, longer life and is recommended when herd expansion is possible. Filter is optional equipment required in some areas. The Universal Cow-to-Can milker will pay for itself while it saves you time and work. See it now.

Single unit with rotary pump---------- $159.50
Single unit with piston pump---------- $216.55
2-unit system with piston pump--------- $284.50

Number 4660 Equity, in the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Rosie Shreve, late of Garrett County, Maryland, deceased, situate in Election District No. 8, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Rosie Shreve.

The bill states:

That the said Rosie Shreve, late of Garrett County, Maryland, deceased, was during her lifetime seized and possessed of a certain parcel of land situate in Election District No. 8, Garrett County, Maryland, containing 68 acres, more or less, excepting all coal, and being the same which was conveyed by Elliott C. Harvey et ux to Rosie Shreve, by deed dated August 4th, 1923, and recorded in Liber E.Z.T. No. 86, folio 34 etc., one of the Land Records of Garrett County, Maryland, a certified copy of which said deed is filed therein marked "Plaintiff's Exhibit A"; that while so seized and possessed of said real estate, said Rosie Shreve departed this life intestate on June 17th, 1955, leaving surviving her as next of kin the following heirs at law, to whom the said real estate descended, viz: Melvin Shreve, a son, intermarried with Gracie Shreve; Otis Shreve, a son, intermarried with Virginia Shreve, all of Garrett County, Maryland; Benjamin Shreve, a son, single, of Prince George's County, Maryland; Arnold Shreve, a son, single, of Grant County, West Virginia; Audrey Shreve Riley, a daughter, intermarried with Junior Riley, of Preston County, West Virginia; Salem Shreve, Jr., a son, intermarried with Laura Shreve, of Garrett County, Maryland; Oliver Shreve, a son, intermarried with Carlene Shreve, of Bibb County, Georgia; Lonnie Shreve, a son, who intermarried with Ocie Shreve, of Preston County, West Virginia; the children and heirs at law of Bessie Shreve Kesner, a daughter, who was survived by her husband but who predeceased her mother, said Rosie Shreve, viz: Lila Arbutus Kesner, a daughter, single, of Baltimore City, Maryland; William Kesner, a son, single, whose whereabouts are unknown; the children and heirs at law of Ernest Shreve, a son, who is survived by his wife but who predeceased his mother, said Rosie Shreve, viz: Wilma Shreve Friend, intermarried with Stanley B. Friend, of Garrett County, Maryland; Helen Shreve Ackerman, intermarried with Ernest W. Ackerman, of Hamilton County, Ohio, all of whom are of full age; Ervin Franklin Shreve, single, an infant, of Lorraine County, Ohio; Barbara Shreve Snyder, an infant, intermarried with Everett R. Snyder, of full age, of Preston County, West Virginia; Floyd Wayne Shreve, single, an infant; Samuel Ernest Shreve, single, an infant, both of Garrett County, Maryland; it is not known to your orator whether the said Rosie Shreve left any other heirs, who, if living, would be a proper party to this cause of action; that Rosie Shreve did not leave any personal estate and there has been no administration, but the estate of Rosie Shreve is indebted unto the Garrett County Welfare Board in the amount of $1,525.40, which will appear by reference to the stated thereto attached marked "Plaintiff's Exhibit B."

The bill then prays for a decree for the sale of said real estate for the payment of the claims of The Garrett County Welfare Board and those other unsatisfied creditors of said Rosie Shreve and for general relief, and for an Order of Publication against the said Arnold Shreve, whose address is Gormania, West Virginia; Audrey Shreve Riley and Junior Riley, her husband, whose address is Newburg, West Virginia; Oliver Shreve and Carlene Shreve, his wife, whose address is 3835 Antioch Road, Macon, Georgia; Lonnie Shreve and Ocie Shreve, his wife, whose address is Terra Alta, West Virginia; William Kesner, whose whereabouts are unknown; Helen Shreve Ackerman and Ernest W. Ackerman, her husband, whose address is Madeira, Ohio; Ervin Franklin Shreve, infant, whose address is Wellington, Ohio; Barbara Ellen Snyder, infant, and Everett R. Snyder, her husband, whose address is Eglon, West Virginia, all of whom are non-resident defendants and against all other heirs of said Rosie Shreve, giving them notice of the object and substances of this bill of complaint and warning them to be and appear in this court on some certain day to be named therein, either in person or by solicitor, and show cause, if any they have, why the prayers of said bill of complaint should not be granted your orator as prayed.

It is thereupon this 27th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 31st day of August, 1956, give notice to the said absent defendants, Arnold Shreve, Aubrey Shreve Riley and Junior Riley, her husband; Oliver Shreve and Carlene Shreve, his wife; Lonnie Shreve and Ocie Shreve, his wife; William Kesner, Helen Shreve Ackerman and Ernest W. Ackerman, her husband; Ervin Franklin Shreve, Barbara Ellen Snyder and Everett R. Snyder, her husband; and all other heirs of Rosie Shreve, warning them to be and appear in this Court in person or by solicitor, on or before the 15th day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

No. 191, folio 143 etc., one of the Land Records of Garrett County, Maryland, default having occurred under the terms and conditions of said mortgage and it having been duly assigned to the undersigned for the purpose of foreclosure, I hereby give notice that I will on

SATURDAY, THE 15th DAY OF SEPTEMBER, 1956

At the Hour of 1:30 O'clock P. M. Daylight Saving Time

at the herein described store and dwelling on U. S. Route 219 in Garrett County, Maryland, offer for sale and sell at public auction to the highest bidder, the following property, to-wit:

All those lots, pieces or parcels of land situate, lying and being on the East side of State Route 219, about one mile North of Sand Flat, in Garrett County, Maryland, and described as follows, to-wit:

1. Beginning for the same at an iron stake standing on the East side of Route 219, it being the beginning corner of the parcel of land conveyed by Annie E. Hawkins, et vir., to Norman Cecil Smith, and running thence with the first line of said deed South 17 degrees 02' East 145.16 feet to an iron stake; thence North 37 degrees West 130.85 feet to an iron stake standing on the 4th line of the aforementioned deed; thence with the fourth line of said deed North 46 degrees 15 minutes East 54.00 feet to the place of beginning, containing 0.15 of an acre, more or less.

2. Beginning at an iron stake standing in the East margin of State Route 219 and on the West bank of a small stream, just Southeast of a culvert passing under the State Road and being North 48 degrees 22 minutes East 44.55 feet from a S. R. C. right-of-way concrete marker and being South 36 degrees 42' West 31.05 feet from another such concrete marker, said iron stake also being the second corner of the 1.30-acre tract that was conveyed by James E. McIntyre and wife to Edward E. Sterner and wife, by deed bearing date the 25th day of August 1951, and recorded in Liber 169, folio 342, one of the Land Records of Garrett County, Maryland, and running thence South 29 degrees 28' East 151.60 feet to a stake; thence South 88 degrees 35' West 32.6 feet to an iron stake in the second line of said 1.30-acre tract, it being the second corner of the 0.15 of an acre tract mentioned above; thence with the first line reversed of said 0.15 of an acre tract and with part of the second line reversed of said 1.30-acre tract, North 17 degrees 02' West 145.16 feet to the beginning, containing 2366 square feet, more or less.

The said party of the first part also grants unto the said party of the second part, its successors and assigns, the right to use the present roadway, in conjunction with Norman Cecil Smith, his heirs and assigns, running from State Route 219 between the property hereby conveyed and the property of the said Norman Cecil Smith.

Being the same as conveyed by Charles L. Hawkins and Anna E. Hawkins, his wife, to Lena Mae Lewis, by deed dated June 13th, 1955, and recorded or intended to be recorded among the Land Records of Garrett County, Maryland, just prior to these presents; to which said deed especial reference is hereby made.

The said party of the first part also grants unto the said party of the second part, its successors and assigns, the right to take water from a certain spring located on adjoining property, together with all the rights as described in the above mentioned deed and which is more fully set out therein.

The above property is improved by a one-story frame combination store and dwelling, containing six rooms, in good condition. This is an excellent business location and is located near Deep Creek Lake, on U.S. Route 219, near the intersection of the road leading to Red Run Lodge.

Have Class Reunion

The class of 1931 of Grantsville High School held its first reunion at the Evangelical and Reformed social room on Saturday evening, August 18, observing 25 years since graduation.

Miss Esther Opel, Accident, and member of Grantsville Elementary school faculty, was in charge of arrangements. A turkey dinner was served by the Women's Guild.

F. J. Getty, Hagerstown, former principal of Grantsville High, was the guest speaker. Miss Emma Caulk, senior adviser and English teacher of the class for its four years, also attended.

Members attending and other guests were Mrs. Evelyn Beachy Ross, Monroeville, Pa.; Mr. and Mrs. Charles Bevans, Arlington, Va; Mr. and Mrs. Jonas Beachy, Bittinger; Mr. and Mrs. John Magnet, Mr. and Mrs. Clyde Wahl, Meyersdale, Pa.; Mr. and Mrs. Arnold Dixon, Laurel; Anna Durst, Cumberland; Mr. and Mrs. Harold Setzer, Frostburg; Mr. and Mrs. Allen Rodamer, Harrisonburg, Va.; Clyde Bender, New York City; Mr. and Mrs. Webster Brenneman, McHenry; Mr. and Mrs. Ira Stark, Lonaconing; Joseph A. Lewis, Mr. and Mrs. Glen Folk, Grantsville, and Miss Esther Opel, Accident.

Unable to attend were Mrs. Fern Baker Kalbaugh, Mrs. Mildred Paul Loechel and Mrs. Helen Swauger Hendershot.

(Delayed)

The Women's Guild of the Ev.-Reformed church held its annual dinner at Layman's, on August 8. Music students of Mrs. Salina Broadwater, Misses Mary Alice Durst, Nancy Murray, Ann Bender, Sue Hershberger and Donnie Failinger, Tommie Miller, Jerry Epstein, Bobby Lowry, gave piano selections and guitar music.

Mr. and Mrs. Walter Younkin and daughter Miss Joanne Younkin and Miss Louise Green have returned home after serving as counselors at Camp Galilee. Miss Younkin remained for an additional week. Misses Ellen Ann McKenzie, Deiores Butler, Dixie Wiley and Janet Younkin are attending Jr. High Camp this week.

James C. Beachy, of near Rockville, spent several days with his mother, Mrs. Eva B. Beachy, and accompanied her to the Broadwater reunion on Sunday.

The following girls and chaperones attended Girl Scout camp at Camp Potomac, near Oldtown: Mr. and Mrs. Foster A. Riggs and son, Foster, Mrs. Melda Trexler and Gene Trexler, Misses Esther Opel, Patricia McKenzie, Sue Hershberger, Helen Leochel, Beverly Buckel, Kathy Beachy, LaVonne Richter, Alice Bowman, Jean Baltz, Eleanor Swartzwelder and Virginia Swartzwelder.

Mrs. Carl Miller and Mrs. Barbara Miller, of Accident, were recent guests of Mrs. Barbara Younkin and Mr. and Mrs. Ralph Glotfelty.

Mrs. Henry F. Durst, who has been suffering with arthritis, is somewhat improved.

Nevin J. Warnick went to the Meyersdale Community hospital to have the cast removed from his arm last Tuesday.

Mr. and Mrs. Edward Sausman, of Warren, O., were guests of the latter's aunt, Mrs. Minnie Warnick.

Virts-Herman Reunion

The Virts-Herman reunion will be held at the home of Mr. and Mrs. William Virts, route 1, Swanton, on Sunday, August 26. All friends and relatives are invited.

"Our Growing Edge"

MRS. MARTHA GLOTFELTY

Our Assignment

Busy as we all are, most of us are taking time out these days to listen to our party Conventions and the promises for our future being made by their leaders.

All of us know that ridiculous charges will be made by men of both parties, and that we should recognize them as such.

Many of us have pre-conceived ideas of the merits of our own particular party, and can see them do no wrong. No matter what their policies or past record, they will vote for them all. In my opinion, that kind of thinking does not show much thought on our part or much maturity either.

Although, I am a Republican by choice, I am convinced of the vast contributions that have been made by many honorable men and women in the Democrat party, and I do not believe the members of my party should disregard that fact.

I was proud to hear one of our leading Republican Senators, William Knowland from California say just that publicly. He said he is sure that his own party has not done all the good things for our land, that in both parties there are good and bad, selfish and unselfish folks who have made vast contributions to our nation's welfare.

That was a far cry from the keynote speech of Democratic Governor Clement of Tennessee, who made our Secretary of State an object of ridicule, when he was engaged in a matter of world-wide diplomacy that could develop into war and disaster for all of us. Some of his own party said he did not speak for them in that regard.

It seems to me responsible men in public office should think well before they speak. It is assumed they are speaking for the members of their party, when sometimes they really are not. In a world beset by so many forces of destruction, I believe more than ever before we need men of moderation and of good-will in all of our public offices. They need to think well before they speak.

Dr. Elson Ruff in the Lutheran says, "Our assignment is to try to see through the dust and turmoil to the important questions facing our nation. We may have differing opinions of what are the best answers, but our votes should be cast on the basis of important national policies, not personalties.

"Democracy is a magnificent idea in political life, but different to keep in working order. For its success, it requires that a substantial number of ordinary citizens have a high sense of responsibility and take the time for careful study of the big questions. Comparison of the voting records of candidates and parties is the necessary homework to be done before election day."

Dr Ruff continues, "Citizenship for a Christian, like every other part of his life, is an obligation to God. Political life is a great arena where important decisions for or against justice and mercy are constantly being made. They are seldom easy yes-or-no decisions. Only in a nation where a great many people are eager to make their influence felt according to the prompting of a keen and well-informed conscience, is it possible that God's will may be done."

Our assignment then, is to develop to the best of our ability a keen and well-informed conscience about public affairs, and vote as we think in all honesty to be best. Only then, will we be worthy to be the leader among the nations who look to us for help in this twentieth century.

CARD OF APPRECIATION

Farm Planning Group Discusses Resources

Farm Planning Group No. 9 met recently at the home of Mr. and Mrs. James Glotfelty with twelve members present.

Robert Buckel led the topic, "Stewards of the Soil," concerning natural resources and their wise use so as to fill the needs of future generations.

Numerous ways in which this could be accomplished, including individual cooperation, activity, practice of irrigation, conservation of soil, prevention of forest fires, etc., were discussed. The group did not agree there should be laws to make farmers use standard practices of soil and water control. They felt that not tilling acreage with certain degrees of grade and slope was neglect and costly to farmers. No one in the group felt in a position to help bear the cost of dredging harbor basins because no control practices were used. They thought water was the biggest offender of resources in the community.

Some land they considered would be better when replanted to trees. They felt more should take advantage of contour farming and that with education and practice of programs available to them that they might have model farms in the future.

The September meeting is scheduled at the home of Mr. and Mrs. James Opel with Mr. Opel leading the topic, "Your Vote Is Your Voice—Use It," a discussion on citizenship.

Congressional Viewpoint

Sen. John Marshall Butler

Potomac "Frying Pans"

"Lying so thicke with their heads aboue the water, as for want of nets we attempted to catch them with a frying pan. . ." Captain John Smith thus described the abundant fishlife of the Potomac River which he observed during his 1608 expedition. What a dismal picture the adventurous Captain Smith would have were he to make a similar voyage today!

Vast stretches of the Potomac River are nothing more than an open sewer. Its water resources—so vital to industry, agriculture, wildlife conservation and recreation— are in various stages of helter-skelter exploitation. For far too long, this great Maryland river has been abused, the conservation and development of its resources left to chance, its potentials ignored.

A master plan for the conservation and development of the entire Potomac River Basin is the only logical solution to this atrocious situation. Seemingly antagonistic goals of different groups must be resolved in the full light of sound planning and realistic conservation policies. Past spoilage must be cured by programs sufficiently broad to be effective. At all times, the welfare of wildlife must be safeguarded.

To this end, in the now adjourned 84th Congress, I introduced legislation which would authorize the Interstate Commission for the Potomac River Basin to proceed with the necessary preliminary studies for the purpose of making suitable recommendations. Though final action was not forthcoming, the mere introduction of this measure has focused public and official attention on the dangers of pollution and the importance of sound, long-range conservation policies. It has prompted the Corps of Engineers to undertake a parallel study.

Similarly, in recent months, one of my special interests has surrounded efforts to have a fishway constructed as a part of the proposed Little Falls Dam on the Potomac. With the wholehearted cooperation of Maryland conservation, sports, fishing and other public spirited organizations, this much-needed fish ladder will become a timely reality. Experts predict passage of Potomac River fish to the 10 mile stretch of comparative pollution-free water above Little Falls will have a beneficial effect throughout the entire River.

While anglers may never again be tempted, as was Captain Smith, to catch bass and shad with "frying pans," the Potomac River, its natural and wildlife resources, must be preserved and conserved.

This GMC has "muscles" unsurpassed in its class!

The simple facts speak for themselves.

This new GMC 250-8 has 180 V8 horsepower *standard*. No other truck in its class comes even close to that.

The extra power delivers 276 foot-pounds of truck-propelling torque. Over-the-road truckers call it "guts"—and this GMC's got up to 33% more than the others.

It's at the top of the heap in frame-strength, too. In fact, there's as much as 10% more "muscle" in its chassis than you'll find in comparable trucks.

And there's more. For this rugged GMC has 3500 lb. front axles and 7200 lb. rear—unsurpassed in its weight-bracket. It has extra-size brakes and springs.

Add it all up and you can see what GMC Blue Chip stamina really means. Especially when you team it with a GMC's dependable performance and Hydra-Matic* savings.

For here's a truck that not only delivers the goods at lowest cost—but *keeps* delivering long after an ordinary truck would have faded out.

Come in and find out about having one start work for you! *Optional at extra cost

THE REPUBLICAN

VOLUME 80. OAKLAND, GARRETT COUNTY, MD., AUGUST 30, 1956. PER COPY, 8c. NUMBER 27.

Let's Talk About It . .

President Eisenhower, accepting the Republican presidential nomination at San Francisco last Thursday night, called his party to "incessant work for a new era of good life, good will and good hope for all men."

His message was as usual, of a very high calibre, dignified, and in keeping with the high office he holds.

He termed the Republican party the party of the future, and pointed out that "a party of the future must be completely dedicated to peace, as indeed must all Americans. For without peace there is no future."

Last April 17 President Eisenhower prepared a card on "Why Vote Republican," and "Let's Talk About It." We can best talk about it by getting it before the people, first of all. He said:

"I am a Republican, because I share our Party's deeplying trust in what free men can do—a fundamental trust in the nature and capability of individual human beings.

"I believe the Republican Party, in its methods and traditions and broad philosophy: offers the best hope of preserving the self-reliance and vigorous independence of individual Americans; best serves the nation in the search for peace with justice and freedom; best fosters a competitive enterprise economy whose purpose is a wider prosperity fairly shared;

"Best keeps economic decision-making in the hands of the people and out of the hands of government; best answers the concerns of people for the meeting of human needs; best assures our children and their children's children, the heritage of an America rich in all the resources of nature, dynamic in great traditions and ideals and purposes."

This is really peace, prosperity and progress for everybody!

Bittinger Pastor Dies in Pittsburgh

Rev. James M. Allan, aged 32, pastor of the Bittinger Lutheran parish, died Monday morning, August 27, in the Veterans hospital in Pittsburgh, Pa. He had been in failing health for the past six months.

Rev. Allan was born August 9, 1924, a son of Mr. and Mrs. James A. Allan, of Beaver, Pa. He was graduated from Beaver High school and Gettysburg college.

He enlisted in the U.S. Army during World War II and received the Purple Heart medal for wounds suffered in action in the Battle of the Bulge in Europe.

Returning from the service Rev. Allan entered Gettysburg Lutheran Theological Seminary and served as president of his class. He was ordained a minister of the Lutheran church in 1949. During his seminary years he was married to the former Miss Evelyn Hagerty, of Monaca, Pa.

Rev. Allan served his first pastorate at Holy Trinity Lutheran church at Elkins, W. Va. He went to Bittinger in October, 1953 and served there until his death.

Surviving besides his widow and parents are two daughters, Katherine, 5, and Cynthia, 2; and a sister, Mrs. Barbara R. Berry, of Albuquerque, N. M.

Funeral services are being conducted this afternoon at 2 o'clock from Grace Lutheran church in Rochester, Pa., with Rev. George C. Weirick, president of the West Virginia Synod, and Rev. H. J. Schmid, pastor of the Bethlehem Lutheran church of Glenshaw, officiating.

Interment will be in Sylvania Hills, Pa.

Women's Market To Conclude Sept. 1

The Rural Women's Market will have its final sale of the year on Saturday, September 1, at the Bowman boat barn at McHenry. Information is also being sought as a basis for planning the market for next summer.

Customers this week will be asked to register and to reveal the number of times they have attended the market, what was especially nice about it, prices, whether they would like to see the project repeated, what days would be most suitable, and to list if they were a summer resident, cottage owner, or a guest.

Questionnaires also are being prepared for those who sell, in an attempt to discover if they felt the market was worth the effort, details on packaging, and what their biggest problem was.

Carrier Gets Award

Evers O. Bosley, rural mail carrier working out of the Gormania post office has been presented with a safe driving award for twenty-five years of safe driving on his route. During that time, he carried the mail regularly over many miles of rural roads through the southern part of Garrett County and never had an accident or a mishap.

The presentation was made by Postmasted A. H. Elrick at the Gormania post office.

Teacher Vacancies Filled; Schools to Open on Tuesday

Mrs. Lillian Wall, of Elkins, W. Va., has been appointed to the last teacher vacancy in the county, and all schools are ready for the opening day next Tuesday, September 4.

Mrs. Wall will succeed Mrs. Dennis Perry who resigned recently when her husband was unexpectedly drafted into the army. Mrs. Perry had been appointed as English and Social Studies teacher at Southern.

Mrs. Wall, her replacement, is a graduate of Columbia college, Columbia, S. C. She has had two years teaching experience and a number of years in the business world. For the past six years she has served as a secretary in the editorial department of Life and Fortune magazines. Mrs. Wall just completed two years of teaching in the public schools at Elliot, S. C.

Rev. Kinard Resigns

The Board of Education accepted the resignation of Rev. Harold Kinard, teacher in the Friendsville school. Rev. Kinard, who lived at Markleysburg, was transferred from that community to another church assignment, making it impossible for him to retain his teaching position. Willard L. Hawkins, county superintendent of schools, said this vacancy would not be filled until school opens and the enrollment at Friendsville is studied to see if an additional teacher is needed.

According to a recent survey Garrett county is one of the few counties in the state with all teaching positions filled.

May Attend Center Street

Mr. Hawkins announced that children in the primary grades at Mt. Lake Park area may attend the Center street school in Oakland, according to the wishes of their parents. Classes for the second and third grades will be maintained at the Mt. Lake school this year, he said. This school is to be abandoned as soon as the new Oakland elementary school is constructed.

To Report Friday

All principals and teachers are scheduled to report to their respective schools tomorrow, Friday, in preparation for the opening day of school. Mr. Hawkins said that any parents who wish to interview teachers may report to their respective schools on Friday.

The public is invited to attend the "open house" programs Sunday at both Center street, Oakland and Friendsville, from 2 to 5 p. m.

The opening day of school next Tuesday will be a full day's session, Mr. Hawkins said.

Charge of Assault Is Lodged Against Guthrie Luke II

Alleged To Have Fired Shotgun At Wife and Youth Monday Evening

John Guthrie Luke II, 48, was formally charged with assault with intent to kill, by Corporal Sam Conrad of the State Police, following a shooting at Deep Creek Lake, on Monday night.

His wife, 48, and an 18-year-old youth were hospitalized in Garrett County Memorial hospital as a result of the shooting. The youth was identified as Kermit Wayne Wildman, 18, of Luke.

Luke was detained in the Garrett county jail and was questioned briefly Tuesday by State's Attorney S. R. Pagenhardt. Not much information was obtained, however, as the man was under the care of a physician and was also a patient in the hospital.

Luke, according to Corporal Sam Conrad, who is continuing the investigation, will be given a preliminary hearing later before Trial Magistrate W. O. Bitzer.

Luke reportedly used a 410-gauge shotgun in the shooting which occurred in the yard of his lake home just off Glendale bridge road.

Trooper Conrad, who took Luke into custody at his home, said Luke apparently had been shooting at his wife. Stray pellets struck Wildman, who reportedly was climbing over a fence toward the Luke property from the property of a neighbor, to render assistance.

Mrs. Luke was struck in the back, thighs, arms and legs, while Wildman was struck with four pellets above his eye, left side and arm.

Police said the shooting apparently stemmed from an argument between Luke and his wife.

Seize 100-Gallon Still at Bear Hill

State and Federal agents last Thursday night raided a 100-gallon pot-type still located in a wooded area two miles east of Bittinger, in the Bear Hill section of the county.

Arraigned Friday morning on moonshining charges was Leroy Wilt, 38, who gave his address as Somerset, Pa. He was charged with the manufacture of illicit whisky, possession of equipment for the manufacture of illicit whisky and two other charges.

Trial Magistrate W. O. Bitzer of Oakland fixed bond at $2,000 and set September 6 for trial. Wilt furnished bond the same day.

Charles McLane, agent of the Maryland Alcoholic Beverages Tax Enforcement unit, and S. R. Pagenhardt, state's attorney, said there were fifty gallons of moonshine or white whisky at the site.

They also said 100 gallons of wheat and rye mash were set out and there were 27 barrels there for use as fermenters. Only eight were in operation. The still was demolished.

Assisting McLane in the raid were Constable Carl Glotfelty of Grantsville, and federal officers.

A truck confiscated under federal law was turned over to the Federal Alcoholic Beverages Tax Enforcement unit.

Week Of Fair Weather

Garrett county has had practically a week of fair weather, with two thunderstorms to disturb the otherwise uneventful week. The county missed most of the Tuesday night storm which caused havoc in the Cumberland, Frostburg and Thomas areas.

Quite a bit of rain fell however on Monday evening during a brief thunder shower. Otherwise the week was uneventful. Friday was cold and cloudy, Saturday, clear and warm, Sunday clear and warm, Monday clear and warm until afternoon. Tuesday was also clear and warm with the storm coming toward evening. Wednesday started off cloudy but clearing later and warming considerably. Today was clear and warm.

Summer Camps Close

Camps Minnetoska and Whitethorn, near Hutton, closed for the season last Friday, August 24. There were over one hundred campers enrolled there and the management considered the season a successful one.

The camps will open next year the last week in June.

Physical Education Director Named

Carleton A. Hogue, physical education instructor and head baseball mentor at Southern High School, was named this week as Director of Physical Education and Athletics at the local school by Kenneth Johns, principal.

In this dual capacity, Hogue will direct the two programs so that they are both closely coordinated with the general instructional program and properly articulated with other departments in the school. He will also handle various routine administrative matters connected with his department.

In addition to his teaching duties, he has been an assistant football and basketball coach. Last spring, he led his baseball squad through one of the best seasons the school has had in several years. It was through his interests and efforts that Toby Colaw, one of Southern's outstanding athletes, will go to a Pittsburgh Pirate training camp next spring.

Hogue attended Salem College and the University of West Virginia. He received his Master's Degree from the latter school in 1950.

Cigaret Dealers Try To Observe Law

That cigaret dealers in the county as a whole were trying to observe the laws, was the opinion expressed this week by Joseph Welch, county treasurer. Mr. Welch and Paul W. Fisher, sheriff, have been making a series of investigations into the monthly reports that the cigaret dealers make every month to county officials in regard to the penny a pack tax on all cigarets sold.

Mr. Welch said a few errors had been noted but felt these were just mistakes and not any deliberate attempts at distorting the records.

In the meanwhile the tax collected for July amounted to $2,211.11. The monthly figure had dropped during the winter months to as low as $1,300. Officials thought that August's total might show an increase because of a new tax regulation now in effect in West Virginia.

Condemnation Suits Decided

Two condemnation suits were disposed of in court trials last Thursday and Friday in the Court House in Oakland.

Mrs. Frances Lake was awarded $2,500 by a jury following the hearing of evidence on Thursday. The State Roads Commission had filed $500 with the court, while an appraiser for the Commission testified the fair value for the taking of almost two and one-half acres was $925. The defendant attorneys, W. W. Dawson and Earl Manges, had sought an amount approximating $8,000.

The land involved was at the intersection of the Swanton road with the Kitzmiller-Altamont road.

On Friday another jury awarded Lenuel Friend, of Swanton, $625 for a piece of property the state had taken during the widening of the highway through that town. The state had offered $200, while the defendant attorney in this case sought $1,000.

Seals Provide Outing

Two children from this county have enjoyed six weeks of camp life through the sale of Easter Seals, it was revealed this week.

James Kisner, aged 13, of Sand Flat, and Ethel Mae Heady, age 14, of Grantsville, returned last week from Camp Greentop, Lantz, Md. This is a summer camp for under privileged children who have some physical defect. Both of these children have been followed in the local health department clinics.

Johana Harris Will Present Special Piano Concert Friday Eve

People of this region will have the opportunity to hear Johana Harris, America's most gifted woman pianist, in the Southern High school, Oakland, on Friday evening, at 8 o'clock, daylight time. Advance ticket sale indicates that Mrs. Harris will have a large audience comprised of people from a number of communities of the tri-state area.

Part one of Mrs. Harris' program will be devoted to Mozart, Beethoven, Schumann, and Chopin. The major portion of part two will be selections from the piano works of Debussy and Roy Harris, the latter her famous composer-husband. Mr. Harris will be unable to attend as he is currently composing a large work for chorus and orchestra in California.

Following the selections from Roy Harris she will play two pieces by Bessie Ward Hinebaugh for flute and piano. Miss Hinebaugh will play the flute. Miss Hinebaugh is a native of Oakland, who after many years on the concert stage, is now teaching in Pittsburgh. She has composed both for voice and instrument. Mrs. Harris will close her program with a folk ballad, "The Glades of Garrett," by Felix G. Robinson.

The Baldwin Piano company through its Pittsburgh store, will install a concert grand for the occasion. F. Roy Yoke, past supreme governor of the Loyal Order of Moose, will introduce Mrs. Harris. The performance is being held under the sponsorship of the Moose lodge.

Tickets are on sale at the Englander and Oakland pharmacies and can also be procured at the box office in the high school building.

Four-H Boys Win Honors at Fair

Several four-H boys of Garrett county won honors at the Cumberland fair.

John Wildesen, son of Mr. and Mrs. William Wildesen, of Oak Grove community, exhibited five head of Jersey cattle. Four got blue ribbons and one a red ribbon. His first place winners were an aged cow, a two-year-old, a senior yearling, a junior heifer calf. His junior yearling took second. Wildesen also placed fifth in the fitting and showing contest, competing with 25 other 4-H'ers. He exhibited fourteen head of Suffolk sheep. He had the grand champion ram, a yearling, and a grand champion ewe, also a yearling.

Thomas and Stewart Stanton, sons of Mr. and Mrs. Guy Stanton, Grantsville, exhibited nine head of Hampshire sheep. They had a champion ram lamb and a champion two-year-old ewe.

The Bittinger boys' 4-H club, under leadership of Elbert Buckel, took third place for an exhibit of a 4-H booth on farm-forest management.

Catches Large Fish

Edward J. Wisbar, of Duquesne, Pa., a summer resident of Deep Creek Lake, succeeded in landing one of the largest fish of the season on Sunday in the Red Run area.

Wisbar caught a small mouth bass 21¼ inches long and weighing four and one-half pounds. The fish was snared with a fly rod and a minnow for bait.

Band Plans Activities

The Mt. City Band has planned several activities for the ensuing week. The members will attend the Preston County Fair on Friday night and Monday morning and participate in parades. On Sunday they have planned their annual picnic at Red Run Lodge and will present a program at 3:30 p. m.

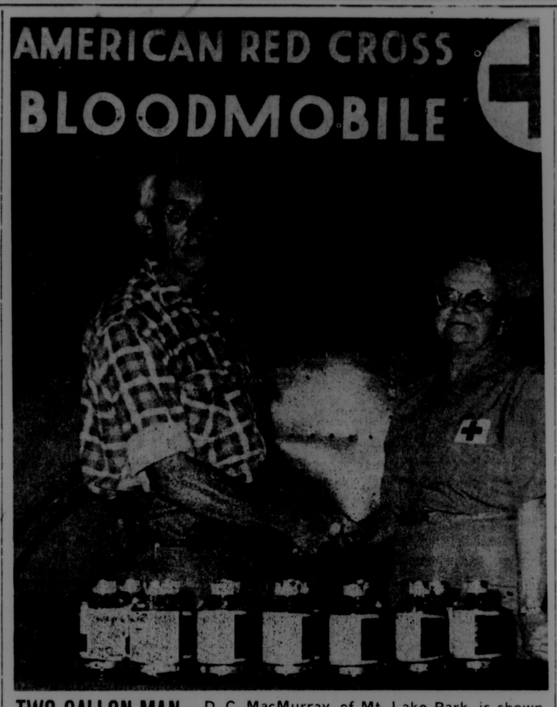
Next Friday the group will go to Davis to participate in a firemen's celebration.

The band won a $50 prize at the Parsons centennial celebration last week.

Long Week-End Possible

A long week-end was made possible for a large number of workers as the result of a proclamation by Governor Theodore R. McKeldin making Saturday, September 1, a legal holiday in addition to the usual holiday for Labor Day, Monday, September 3.

Both the First National Bank and the Garrett National Bank in Oakland will be closed for both days.



TWO GALLON MAN—D. C. MacMurray, of Mt. Lake Park, is shown above receiving congratulations from Mrs. Grover C. Stemple, blood donor recruiting chairman for this county. MacMurray had just contributed his 16th pint of blood when the bloodmobile visited Oakland Monday. An amount of blood equivalent to his contributions is on the table in the foreground.

Citizens Contribute 100 Pints of Blood

Citizens of Oakland and nearby contributed one hundred pints of blood on Monday at the regular visit of the Johnstown Red Cross bloodmobile unit. This was quite an increase over the previous visit in May when only seventy pints were received, but was by no means a record.

Previous accounts show that 109 pints were obtained in January, 92 last August, 126 last June, 125 in February, 98½ in October, 1954, and 95 in June, 1954.

Red Cross officials pointed out that there were an unusual number of walk-ins, 43 being tabulated. One hundred two persons were scheduled, and 60 of them kept the appointment. Nine were first time donors. Nine persons were rejected.

Monday's visit was the occasion for the completion of eight records for gallon club membership, and one for membership in the two-gallon club. D. C. MacMurray gave his sixteenth pint of blood.

Eight were qualified to enter the gallon club, having given their eighth pint. They included Harold Bittinger, Cecil Bittinger, James Hoult, George Hanst, Allen Naylor, William Naylor, Fred Onderdonk, and Mrs. Mabel E. Timmerman.

Eleven members of the Holy Cross house of studies on Deep Creek Lake contributed blood this time.

4-H Boys Competing At Maryland Fair

Garrett county is being represented at the State Fair by a junior live stock judging team, a junior dairy team, a tractor operator, and a four-H club booth.

The junior live stock judging team is composed of Thomas Stanton, Stewart Stanton, Grantsville; and John Wildesen, Oak Grove. The junior dairy judging team is composed of Glenn Canan, Sunnyside; Charles Wilt, Accident; and Donald Stanton, Grantsville.

Kenneth Green, North Glade 4-H club, is representing the county in the state tractor operators' contest. George Bishoff, who won the state contest last year and also the regional contest, will be on hand to assist with the contest. George will drive the first tractor through the course.

The Bittinger boys 4-H club, under leadership of Elbert Buckel, will exhibit a 4-H booth on farm-forest management, and will be on exhibit from August 26 through September 8.

James A. McHenry, assistant county agent, and William Stanton, 4-H local leader, of Grantsville, will accompany the group to the state fair.

Attends Play In Group

The Mt. Lions club of Aurora, Eglon and Horse Shoe Run held an outdoor covered dish dinner last Thursday, August 23, after which the group motored to Deep Creek Lake to see the play, "Bell, Book and Candle," presented by members of the Summer Playhouse.

Thirty-two attended.

Rep. Hyde Talks To Lake Lot Owners

Rep. DeWitt S. Hyde (R. Md.) urged the Deep Creek Property Owners Association "to let the world know of Garrett County's advantages" for the vacationist or the industrialist seeking new plant sites. Hyde, in talking at the Association's meeting on Sunday, said the county's climate and natural beauty in addition to its low-cost electricity, nearness to natural gas and coal sources, excellent rail and highway connections to the east and west make it an ideal location for both the tourist and new industry.

The Maryland congressman noted that Garrett County is one of the 50 U.S. counties specially selected for experimental work in rural development. Recent surveys have spotlighted the county's assets both for attracting new industry and the prospects for self-development of industrial projects. He also said, "Garrett, Allegany and Washington counties can very well become a tourist's heaven in summer and winter." He urged the counties to capitalize on their natural beauty and to publicize their attractiveness.

The remarks were made during the course of a speech in which Hyde pointed out that the future of Western Maryland depends on the development of sound conservation policies. He called for "picking up the goal" of Theodore Roosevelt and Gifford Pinchott which was "conservation through wise use." The real aim of conservation, he said, is to balance between man's use of his natural capital and the constant replenishment of that capital." He pointed to the cooperative efforts of local residents and soil conservation officials in working out land and water saving programs under the Federal government's soil and watershed programs.

Hyde noted that "dirty rivers" are a hindrance to community progress and well being. He called on his listeners to support pollution abatement programs. He said he hoped to meet governors of Maryland, West Virginia, and Pennsylvania and one of the Commissioners from the District of Columbia next month at the conference of Southern Governors in White Sulphur Springs to work out plans for granting real authority to the Interstate Commission on the Potomac to implement pollution control measures.

Registration Day For Elementary Pupils Set

Friday, August 31, from 1 to 4 p. m., has been set as a registration period for pupils not previously enrolled in the Oakland Elementary school, it was announced by Foster Riggs, principal.

Mr. Riggs called attention to the open house scheduled for the Center street school on Sunday, September 1, from 2 to 5 p. m. to which the public is invited.

When school opens Tuesday, September 4, at 9 o'clock, children in grades 1, 2, 3 and 4 are to report to the Center street school in Oakland. Fifth and sixth grade students are to report to the annex on Green street.

Resignation of Hospital Head Is Accepted

Bickering Among Medical Staff, Employees, Miss Sharpe Comes To Head

Continuous friction at the Garrett County Memorial hospital between members of the medical staff, the employes, and the superintendent, culminated this week in the resignation of Miss Irene Sharpe, as hospital superintendent.

Miss Sharpe's resignation had been sought several months ago which she refused to do without a hearing, and in a meeting of the Board of Directors at that time a motion to seek her resignation was rescinded.

Miss Sharpe sent two resignations this week, one dated August 21, and one August 24. The one of August 24 was sent after H. D. Swartzentruber, Chairman of the Hospital Board, asked her to reconsider the effective date and move it from September 6 to the first of January.

Decision to accept the resignation was made by a 7 to 3 vote at a special meeting of the Board on Tuesday, August 28.

The first resignation had the following to say:

"Kindly accept my resignation as of September 6. After last night I could not live with myself if I should stay on here. I have no respect for the people who have brought unjust accusations against me, and for the people who have deliberately lied to cause me to resign. I have no intention of acknowledging any guilt whatsoever in resigning my position.

"I have given the hospital the very best I had to give and am satisfied with what I have accomplished here. The patients all seemed satisfied and as they are the ones to be considered, I have no regrets.

"I still think I did right in challenging Dr. Lusby and any of the other doctors regarding their attitude toward welfare cases of Garrett county."

The second resignation had the following to say:

"After the Board meeting of August 20th, and reviewing the accusations of the two medical staff members, who are on the Board of Governors of the Garrett County Memorial hospital, and who have brought charges of mismanagement against me, and which I emphatically deny, I am asking to be relieved of my duties here. If you find that I am not fulfilling my duties here in any way, I should like to be relieved on or before January 1, 1957."

In discussing her resignation Miss Sharpe pointed out that there had been friction among members of the medical staff even before she arrived in Oakland to assume her position April 15, 1952. She further declared that the trouble had come to a head this past February when she declared Dr. Lusby had refused to cooperate in seeing a Welfare patient.

Mrs. E. Z. Tower, member of the Board, said she did not feel that the Board should have accepted her resignation. She felt that Miss Sharpe should be re-

Fishing Considered Best of the Season

Fishing conditions appeared to be the best of the entire season with many fishermen catching their limit of rainbow trout, it was announced by Scott Kennedy, creel census taker and Sigurd Brantingson, regional fish culturist, in a weekly fishermen's news bulletin given out last Friday.

Mr. Nickelson, of Irwin, Pa., caught a 20-inch small mouth bass weighing four and one-half pounds in the Glendale bridge area on August 22. He also caught another one of the same size on August 18. J. Mathe, of Pittsburgh, caught an 18-inch rainbow trout one and three-fourths pounds, on August 19, also in the Glendale bridge area. All fish were caught in the morning, on sunny days, with the still fishing method. The rainbow was caught in 20 feet of water, the others at 10 and 15 feet.

The states gathered an all-time high of $13 billion, 335 million in taxes last fiscal year.

Annual Sing Scheduled

The Annual Sing Will Be Held at the
LAKE FORD METHODIST CHURCH
SUNDAY, SEPTEMBER 2
At 1:00 P M. E.S.T.
All Singers Are Invited and All Persons Are Welcome.
Loud Speaker on the Grounds
Pearl Ringer, Secretary

To the Citizens of Garrett County:

Because I want our citizens to know the truth, I herewith re-affirm my statement that the County Roads Department, according to their own published statement, purchased over FIFTY THOUSAND DOLLARS WORTH OF DYNAMITE in 1954. The statement shows the following: "Dynamite $48,062.72," "Dynamite $551.10," and "Fencing, Stone, Dynamite, $19,307.12," making a total of $67,920.94, all bought in 1954.

Their statement for 1955 is so ambiguous that it is impossible to tell how much was spent for dynamite in that year. The statements for 1954 and 1955 are an apparent attempt to cover up and disguise the purposes for which the money was spent each of these years. Only an investigation by outside Certified Public Accountants can ever untangle the hidden facts, and this should be followed with a probe by the Grand Jury. I am suspicious of ambiguous statements that cover up Hundreds of Thousands of Dollars of expenditures with such remarks as "Operational Expenses $108,325.08," and "Road Equipment $28,828.20." What sins could be hidden in a statement that says, "Automotive equipment $26,426.26," and "Automotive Parts and Repair, $81,044.84"?

If there is nothing to hide they will not oppose an audit by an accredited firm of certified public accountants, and they will willingly submit to a probe by the Grand Jury. It is time that we find out once and for all where the roads money is going, and why we are not getting any roads with a Million Dollars per year. There are approximately 720 miles of roads in our county system, and they are spending money at the rate of almost One Thousand Four Hundred Dollars per mile each year, and yet we are not getting anything but token roads, all their loud claims to the contrary notwithstanding.

Why was it necessary to purchase dynamite in excess of requirements for the year 1954 amounting to $17,000.00. For that matter why was it necessary to purchase $67,000.00 dollars' worth of dynamite, or even $50,000.00 in any one year? Why did they purchase $24,460.00 worth of steel for the County Garage without asking for bids as the law requires, and then pay almost double the prevailing market price? Why did they purchase HUNDREDS OF THOUSANDS OF DOLLARS' WORTH of supplies and equipment in those two years without asking for bids? Why have they almost consistently gone out of the county to purchase motor trucks and other equipment, secretly, when they must have known that the proper way was to advertise for bids on what they really needed to buy?

I have not listed half the things here that appear to be loose, unbusiness-like and suspicious. I could go on revealing many, many other careless and wasteful transactions. These few exposures are only samples of many careless, extravagant and wasteful acts, acts which I believe should be brought to the public view. I am not hitting below the belt. I am trying to find out the facts, but it will be impossible for any of us to know the full truth until there is an investigation—and I mean an investigation, not a whitewash.

If they have raised suspicions it is their own fault. They become enraged too quickly, and protested too loudly the very first questions we have asked. They have made personal attacks upon every public official that they could not control. The Editor of this paper has gone out of his way to defend those officials who have permitted themselves to be tricked into subservient obedience. A complete investigation by a firm of certified public accountants, and a probe by the Grand Jury, will either exonerate them or entrap them. Let's find out now before we go any further, why we cannot get any roads for the One Million Dollars per year that they are spending.

CLIFFORD FRIEND.

With The Guard

Back home again after a successful summer encampment at Indiantown Gap Military Reservation, Pa., Co. "C" is settling down to routine armory drills which we hope will help us to win back the battalion honor company plaque which we lost this year by a very small margin. Co. "C" with its 53 men had to compete with units whose enlisted strength was 100 or more. Placing second in the 121st Engineer Battlion is quite an honor when working against these odds. This shows the "Hillbillies," as the unit has been affectionately nicknamed since its beginning, can make a good showing against the "lowlanders" by exerting a little extra effort although the odds are high against them. Lack of enough enlisted personnel is the only thing that kept the "Hillbillies" from extending their streak of winning the honor company plaque to five out of eight years that it has been in existence.

Although the company as a whole did not place first, there were several individuals and squads who stood head and shoulders above the rest of the battalion in individual and squad competition. Sfc. Marshall F. Bittinger was declared the best mess steward and because of his extra efforts and the efforts of Pfc. Harrison Stewart, Sp3 Benny Shaffer, Pvt. Simon Cogley and Sgt. Leroy Paugh, who were cooks under Sgt. Bittinger's supervision, the company was awarded the honor of the best mess of the year. The mess was not rated on just the quality of the food which was served, but on the care taken to assure cleaniless throughout the cooking and dining area.

Sp3 David A. Nace was awarded the honor of being the battalion's best radio operator. Sp3 Nace did a magnificent job for the battalion and was congratulated by Lt. Col. Frederic M. Hewitt, battalion commander, during inspection in ranks on the final Friday of the encampment.

Sp3 Roland G. Schoch, Jr., won the best air compressor operator award for his fine work with the unit's air compressor.

For his fine work in leading his squad for a two week period, Sgt. Doyle Biser, accepted on behalf of his squad, the honors of best booby trap squad, best combat squad, and the engineer proficiency award. In the squad under Sgt. Biser's command were Cpl. Charles Kisner, Pvt. Samuel Glotfelty, Pvt. Donald Riley, Pfc. Robert Johnson, Pvt. Thomas Jackson, Pvt. James Sanders, Pvt. Roger Glotfelty, and Pvt. Marlin Savage.

In the engineer field competition, Co. "C" placed second with individual and team honors as follows: 100 yd. dash, Sp3 Roland Schoch, Jr., 1st place. Three legged race, Cpl. Fred Sims and Pfc. Tom Turney, 1st place. Wheelbarrow race, Sp2 Leroy Paugh and Pvt. William Nace, 4th place. Pig-A-Back race, Pfc. Harrison "Bum" Stewart and Pvt. Marlin Savage, 3rd place. Potato peeling contest, Pfc. Harrison "Bum" Stewart, 1st place and Sgt. Donald Johnson, 4th place. Log rolling contest, Sfc. Floyd O. Custer and Pvt. Roger Glotfelty, 1st place. Knot tying contest, Pvt. William Nace, 4th place. Truck Roadeo, Pfc. William Beckman, 2nd place. Tug-O-War, "C" Co. placed second. Disassemble and assemble .30 calibre machine guns, Sp3 Charles Guthrie, 4th place.

Co. "C" is looking forward to getting more recruits this fall so that it will have the advantage of a full year's training before going to summer camp and thereby be more able to help the unit regain the much coveted battalion honor company plaque.

Southern Coaches Seek Replacement For 17 Graduates

Coach Dick Travis, successor to James DeMoss, and his assistants, Carl Schoonover and Eddie Quattro, were busy this week trying to find replacements for the seventeen regulars who graduated last year from Southern's two platoon system for their football squad.

Only three returning lettermen, Bill Deckman, Waller Hoye and Henry McRobie, are now working out with the Highlander squad.

To date thirty-two candidates have turned out for practice, but it was hoped that more boys would join the squad as the opening of school neared. Coach Travis assured all newcomers they would be welcome and that as soon as they were in condition they would have equal opportunities of earning a position on the team.

Coaches reported that the team at present was handicapped by minor injuries to several of the more experienced players. Ted Raynovich had suffered a slight skull fracture, but he was expected to be ready for play for the first game.

The team is holding two practice sessions daily. The morning are used for conditioning and scrimmage and the afternoons are devoted to the learning of new plays and the basic skills and fundamentals of football. A feature of the practice is the study of films taken by Clint Englander of last year's games.

Coach Travis said he preferred not to name any outstanding candidates for positions at this time. Since the majority of the squad lacks experience, he stated that every position on the team was wide open. He did say, however, every boy was working hard and that he could assure Highlander fans a young, aggressive, fighting football team. In addition to the "T" formation that Southern rooters have watched in the past two years they can expect to see many new plays run from the single wing attack. Due to the lack of reserve material Coach Travis plans to use a single platoon system.

In addition to the three returning lettermen other hopefuls are Gary Bittinger, John Roth, Lonnie Rodeheaver, Bryan Thayer, Eddie Frye, Ted Raynovich, Tom Jackson, Bill Murphy, Dana Dintaman, Bill Henline, Don DeWitt, Willard Paugh, Eddie Shank, Wayne Callis, Lester Bittinger, Ed Sanders, Leo Martin, Dick Cerne, Don Ours, Jack Gnegy, Ernie White, Darwin Friend, Don Stemple, Bill Kelly, Dick Snyder, Keith Butler, Dick Castilow, Terry Colaw and Gary Hollen.

The Highlanders will open their season at Petersburg on Friday afternoon, September 7, in a Potomac Valley Conference tussle. The first home contest will be against the West Virginia School for the Deaf on Friday, September 21, at 1 p. m.

It was announced this morning that radio station WKYR, Keyser, would broadcast the Petersburg-Southern game on September 7.

49 Are Listed On Southern High Staff

When Southern High school opens its doors next Tuesday morning, students will be welcomed by a staff of 45 teachers, one librarian, one guidance counselor, vice-principal and principal.

Nine new teachers will be on hand. All except one are experienced teachers. The new teachers and their assignments:

Charles Bennett, Math 9, plane geometry; Alta H. Duling, Core 8, 9; Virginia Glover, Core 8; Bernice Idelman, Core 12, general business training; Edward S. Quattro, senior high science; Richard N. Travis, math 8; Eugene Weese, Core 11, math 8; Lillian F. Wall, Core 10, math 8; Sharon E. Young, girls' physical education.

Students who attended Southern last year will return to the same homeroom they attended last year. New students will report to the Guidance office for counseling and scheduling. Incoming seventh graders are to report to the cafeteria.

Following a brief session with their new homeroom teachers, students will report to the gym for an assembly program.

All students in the Senior band are to bring their instruments.

Lunch will be served in the cafeteria the opening day of school.

A highlight of the program will be the introduction of Southern's football team. Cheerleaders will then lead the student body in a series of cheers. The first football game of the season is set for September 7 at Petersburg, W. Va.

ENGLANDER'S PHARMACY Monthly News

A Message from Clinton W. Englander, "Your Pharmacist"

Preventive Dentistry is now the goal of the Dental profession. Your Dentist judges his success by how many of your teeth he can save for you.

When you visit your Dentist regularly, you give him the opportunity to prevent troubles. Cavities are filled painlessly before they begin to ache. Gums are observed for possible recession, or infection, and treated when necessary.

Your modern Dentist often prescribes special vitamin and mineral combinations that fortify your teeth, or one of the new medicines that will relieve those subject to nervous tension.

His Dental Journals keep him informed about new techniques, just as our drug journals report to us. Your Dentist is an important member of the "Health Team" that is helping you enjoy life more. Should he wish to prescribe any medication, or recommend any special dental-aids, please tell him that we will be glad to carefully follow his instructions.

THURSDAY, AUGUST 30, 1956

More of the Same . . .

The more our State Senator writes the more I am convinced that he always hits "below the belt," as I stated last week. He tries to ride me this week by saying that the editor goes out of his way to defend officials "who have permitted themselves to be tricked into subservient obedience." The editor will always go out of his way to defend a person whom he feels is being hounded unfairly.

It is because these persons HAVEN'T been tricked into subservient obedience that all this trouble is about. If they would do the Senator's bidding every time he called the tune there would be no trouble. If the Commissioners had agreed with the Senator that they purchase the more expensive voting machines, there would have been no trouble.

Personally we believe the Senator is throwing up a smoke screen right now in an effort to soft pedal his own shameful performance of a few weeks ago when he struck Webb DeWitt and broke his jaw in an argument over a road near Deep Creek Lake.

Let's look at the Senator's statement this week. He wants citizens to know the truth so he "Reaffirms" his statement that the county roads department purchased over $50,000 worth of dynamite in 1954. The Senator can't reaffirm any statement he never made until this week. This is the first week that he has admitted that the dynamite was purchased in 1954—BEFORE the present commissioners took office.

All the expenditures about which he raves took place in 1954 or before, so just whom is he after? If he wants to dig into transactions of former commissioners he might go back several years when Giessman and Browning were in office, or he could go back even further. The same system of bookkeeping was in effect then as now. The present commissioners agree they are not crazy about the system and that it possibly will be changed in another year.

He says the commissioners have gone out of the county to purchase motor trucks and other equipment. Apparently that is a complete falsehood. In checking with H. D. Swartzentruber, president of the county commissioners about the truth of that statement, "Hub" said that the purchases since the present commissioners took office include two second hand graders, one paver and two second hand trucks. The two trucks were purchased from Ralph Pritts garage.

The Senator said he is suspicious of ambiguous statements that cover up expenditures with a financial statement that does not give every individual item. What published financial statement has ever gone into detail on every item? But again Mr. Swartzentruber, when checked for the truth of the statement, declared that there are invoices in the Roads office covering all items purchased. The Senator could find the figures or breakdon of all items if he cared to look, just as he found the breakdown figures on the cost of steel.

Financial statements published in newspapers, if they went into minute detail, would cost several thousand dollars. Perhaps that is what the Senator desires.

While preparation of the annual financial statement is the responsibility of the county commissioners, it must also be approved by the State auditor. Not only has this approval been given, but last year the county commissioners received a letter of commendation from the State office for the excellence of the report.

Two weeks ago Mr. Friend had a conference with Mr. Swartzentruber at which time the latter tried to explain about the funds for new construction that are made available each year. He showed that Roth in his district in 1955 received $100,000, that Brenneman's district received $21,000 and that he received $78,500 for his district, or a total of $199,500 for the year. In 1956 Roth got $50,000, Brenneman $92,000 and that he received $66,000, a total of $208,000 for the year. The breakdown for the three men showed $150,000 for Roth for two years, Swartzentruber $144,500, and Brenneman $113,000.

Right away our suspicious Senator demanded, "Where's the balance?"

Now Mr. Friend surely knows that repairs and upkeep to 752 miles of existing road throughout the year takes more annually than the cost of NEW construction. He also should know that snow removal expense alone amounts to $80,000 a year. That is just one item. But immediately he attempts to cast suspicion on these officials without any foundation whatsoever. In fact, he rarely has any solid foundation for any of his remarks.

For instance he made a statement two weeks ago about unnecessary "junket" trips by commissioners. Mr. Swartzentruber asked him to print the following week just one trip the commissioners had taken that was not necessary, and that if he didn't that would be proof to him that he didn't know what he was alking about. Have we seen any such statement? We have not. But he makes other remarks. Can he back those up? We doubt it.

The Senator is always vague. For instance, he says this week "They have made personal attacks upon every public official that they could not control." Just who is "They," Mr. Friend, and just who have they attacked? The attacks, seems to me, have all been coming from the other direction. But instead of getting down to individuals and specific cases he will probably answer next week with a big tirade about spending $50,000 for dynamite—in 1954, BEFORE THE PRESENT COMMISSIONERS TOOK OFFICE.

He said he could go on revealing. Well, let's hear something specific.

The Senator plans to obtain 1,000 reprints of his article this week. Apparently this is so he can distribute them to people who might not have the opportunity to see a copy of The Republican and who would then have no idea how exaggerated all of his insinuations might be.

I still say the Senator hits below the belt, and the sooner people find out about his methods the sooner will this county again have a respectable place among the other counties of the state. It is surely at a low point now.

o

One Man Looks At God

(By Charles W. Carlson, Pastor, St. Mark's Evangelical Lutheran Church, Oakland Maryland.)

The next area that I will consider in this series of articles will be the Three Articles of the Apostle's Creed. This creed reached its present form between the sixth and eighth centuries A.D., although its historical roots reach back to the very beginning of the Church. There is a tradition, long since denied as unsound by most scholars of the church, that it was composed by the Twelve Apostles, each contributing an article, on the day after Pentecost. It grew, rather from the beginning, out of the needs of the Churches of the world to have some shortened, concise form of the basic premises of the Christian faith with which they could instruct those who were coming into the Church.

Throughout the history of the church, the Apostle's Creed has been the mainstay of any semblance of agreement between the major areas of the Christian church. Most churches, Roman, Orthodox, and most areas of Protestantism hold to its teachings. Augustine spoke of it as "a rule of faith both small and great; small in number of words, and great in the importance of its ideas." Luther said: "Christian truth could not possibly be put into a shorter and clearer statement." Calvin added: "We hold this to be beyond controversy that the whole history of our faith is concisely and in distinct order stated in it; on the other hand, it contains nothing in it which cannot be supported by sound testimonies of the Scriptures." In other words, an attack on the positions stated in the Apostle's Creed is practically the same thing as an attack on the scriptures.

The way I see the Apostle's Creed, it is a short statement of the three ways in which God has revealed Himself to us. As I have stated before, man's life must be based not on the limits of his own reason, else he would accomplish nothing, but on the revelation of God, to Whom man owes his existence. Therefore, I feel that the Apostle's Creed has a very large role to play in man's efforts to understand what God would have him do.

The first article of this creed is "I believe in God, the Father Almighty, Maker of heaven and earth." In this statement, we who are Christians state the basic premise of our existence, i.e., that God made this world and everything that is. We deny that the earth and we as creatures "just happened," as some sort of coincidence over which there is no one or anything at the controls. On the other hand we firmly and securely believe that out of reasons that He best knows, and that we have found to be basically reasons of His personal love, He brought forth the sun, moon, stars, grass, animals, and as the crowning achievement of His creative majesty, He made man in His image. Though God has been known by many names, we who are Christians have found the best description of His person to be "Father Almighty," a father Who is without limits. We all know that it is a natural thing for any earthly father to love his offspring, but all earthly fathers have limitations. Therefore we multiply the love of an earthly parent for his children to a point beyond our human understanding, then add to that a force which is greater than any force or combination of forces that we as humans can possibly know, and we come up with our statement of faith that we believe in a "God, the Father Almighty."

We are very much aware of the fact that this does not in any way completely define God, for we know that God is too great to be defined by words or ideas that we could understand. But we have found that this is an excellent starting point on which we base our lives. Another thing that we have found is that there is no greater joy than that in realizing that we, not because we deserve it but out of God's love for us, can be children of this God who is the Father Almighty.

Letter To The Editor

Friendsville, Md.
August 27, 1956

To the Editor:

I have been quite interested in the articles that have been appearing in your paper in regards to the county road system. There are a few remarks I'd like to make and a question I'd like to ask the "system."

Although I have only been a voter for two years, I have on quite a few occasions noticed that being a Democrat puts one on the "wrong side" of the political fence in this county—especially where the county road "system" is involved.

We notice that in settlements where the majority of the country folk are Republican, a nice hard-top road goes by their door.

On the other hand, some of us Democrats have to travel roads that are little better than cow paths, twice as crooked, but we still have to pay outrageously high taxes.

I think it is fine and well to "play up," and build up the roads around Deep Creek Lake and Oakland to encourage the trade of summer tourists. But I feel that this is being carried to extremes, and quite a few people are suffering.

Here, in our section of the county, we are getting some road improvements, but for years one of the worst roads has been almost completely overlooked. This stretch of road turns off the "Blooming Rose" hardtop to the right at Ward Sisler's farm and continues for about four miles connecting the Laurel Run section to White Rock. Starting in at the cross road at Sisler's you travel down what is known as "Coal Bank Hill" (which, by the way, has been producing strip coal for about a year.) You then cross "Laurel Run" bridge and start up a hill known as "Dave Savage Hill." This hill is extremely steep, and the road makes a big question mark turn right on the steepest part of the hill.

In the five year period that we have been living in the Laurel Run section, we have always managed to get home somehow in the winter time—usually have to go out to White Rock and in the other way.

However, this is a school bus route. Mr. Clarence Sisler's bus has on several occasions wrecked on this hill. So far, no one has been seriously injured.

Every year, the people have been hopeful that this road would be improved. There have been dozens of promises made—but we still have the same old problem.

If anyone is deserving of improvements, the people of this section certainly are. If you will check the tax record of the parents and grandparents of the children who daily ride the bus over this road, you will find they have paid enough to improve quite a bit of road. Yet they are reaping no benefit.

Will some of our children have to be seriously hurt or killed before the "system" opens its eyes to this situation?

This letter was written in the interest of the school children of our section of the county.

Sincerely,
Mrs. Barbara VanSickle

Editor of The Republican,
Oakland, Maryland
My Dear Sir:

In your front page editorial of August 16, 1956, you stated that the Shallmar holdings were withdrawn from the tax books. This is an erroneous statement. We had first thought of calling this to your attention immediately after reading it but felt that even though it was damaging to our company and the town of Shallmar that we would let the matter drop. However, in your issue of August 23, 1956, you reprinted in part a news article that appeared in the Cumberland Evening Times of August 22, 1956, that was still more damaging as concerns us, was without foundation of fact, and has caused us considerable embarrassment both locally and state wide. It occurs to us that if you want to publish something about Shallmar and our coal operation facts only should be used.

If assessments have been removed from the tax books we know nothing about it as our taxes still remain high and have increased rather than decreased over the past ten years. For example, the assessments of property in Shallmar under the control or supervision, or owned by Wolf Den Coal Corporation, or its officers, are as follows: 1946, $68,926.00; 1947, $67,310.00; 1948, $66,291.00; for the past three years: 1954, $51,867.00; 1955, $51,877.00; 1956, $49,717.00. The reduction in the last three years arises out of the sale of property formerly owned by the coal operating interests to residents of the town over the past five or six years. Twenty families have purchased homes with an aggregate assessment value of about $20,000.00, which added to the above figures for the past three years makes an increased assessment over the first three years mentioned. These assessments do not include stock or fixtures of the privately owned and operated store in Shallmar. We believe that if you check the assessments you will find that we are among the highest, if not the highest, coal operating taxpayers in the county. No equipment has been removed from our property.

That although tonnage has been relatively small for a number of years our mine has been kept in good operating condition at great expense so that we would be in a position to put out maximum production when the coal market improves. As to the condition of our mine we refer you to reports of Federal and State inspections which are made periodically, as well as to reports made by the Director of Maryland Bureau of Mines.

There are 131 people in Shallmar; twenty families own their homes and pay taxes, and our company rents fourteen houses to employees at low rental, and the properties are in better than average condition. We do not ask for any praise or credit in keeping the town and coal operation available for our people and employees but we do feel that if our town and mining operation are to be publicized that you first obtain facts which are so readily available for this purpose.

We want to make it plain that we are concerned with the editorial and news item only to the extent that they refer to Shallmar and Wolf Den Mining Corporation. While great damage and injustice have been done we feel that in fairness to us and our efforts a retraction or correction of the published statements should be made.

Very truly yours,
Wolf Den Corporation
By J. J. Walker, President

We accepted the reprint from the Cumberland papers as coming directly from state mine officials. If the information was incorrect we regret this exceedingly.—Editor.

U.S. 40 Status Causing Wrangle

Pennsylvania and Maryland highway officials are wrangling over whether U. S. 40 from Hancock to Washington, Pa., should be included in the interstate system.

Robert Bonnell, chairman of the Maryland State Roads commission, said the Pennsylvania officials are opposed to including the mountainous section of highway in the system which would make it ineligible for reconstruction under the liberal Federal aids to roads program.

Bonnell said that designating that section of highway as primary instead of interstate, as Pennsylvania favors, would reduce the Federal contribution to a "comparative infinitesimal amount."

All of U. S. 40 east of Hancock and all of it west of Washington to Denver, Col., is included in the interstate system.

Bonnell said apparently Pennsylvania officials fear that inclusion of U. S. 40 in the interstate system would result in its improvement to a point where it would seriously compete for traffic with the turnpike, a toll road.

Final arbitration in the dispute rests with the Federal government.

You're helping to pay their electric bills

You may not realize it, but every time you pay your electric bill (or your income tax or buy anything that is federally taxed), you're paying part of the cost of electric service for millions of Americans.

Your taxes help pay the cost of building government power plants that serve these people. And then you have to pay higher taxes in *your* electric bill because customers of the government don't pay a full share of taxes in *theirs*.

Is it fair for you and other customers of America's more than 400 independent electric light and power companies to have to help pay for electricity for a special privileged class? We don't think so. That's why we bring you this message.

Truck Driver Hurt When Brakes Fail

Charles Gorney, 5z, of Munhall, Pa., is in "fair" condition in Memorial hospital, Cumberland after he was admitted Tuesday morning after his truck overturned on U.S. route 219 north of Accident. The truck driver narrowly escaped death in a flood of steaming hot asphalt tar he was hauling in a tank trailer. The mishap occurred about 5 a. m.

Gorney was driving the tractor-trailer, loaded with the asphalt mixture heated to 350 degrees, from Floresse, Pa., to Davis, W. Va.

State Trooper Glen D. Folk said Gorney failed to make a curve three miles north of Accident and the rig rolled down a 60-foot embankment into a creek.

Fortunately for Gorney, Folk said, the tractor and trailer rig uncoupled and separated as they rolled down the bank. Some distance away from the trailer the driver was pinned under the cab of the tractor. He lay there trapped for more than two hours.

If the two units had not separated Gorney would have been covered by the tar mixture that rolled out of the upset trailer and emptied into the small stream. Members of the Accident Volunteer Fire company, aided by an Accident garage, used hydraulic jacks to lift the heavy cab from Gorney's right leg which was badly fractured. A Silver Spring physician, Dr. J. Thomas Schnebley, happened along shortly after the accident and remained with Gorney until he was removed to the hospital in a Friendsville Fire company ambulance. Gorney was smeared with the tar and suffered minor burns and possible internal injuries. Folk said that brake failure caused the rig to enter the curve too fast.

Mr. and Mrs. Lee Morgan, of Hagerstown, spent the week-end here with Mrs. Morgan's mother, Mrs. Arthur Lawton.

Seventy-five or more people attended the annual cornroast of St. Mark's Lutheran Brotherhood last night in the wartzentruber grove, south of town. The Barbershoppers furnished the entertainment.

Mr. and Mrs. Paul Schreckengost and family, Bruin, Pa., spent Saturday and Sunday here as guests of Mr. and Mrs. Fred Burgwald. They were accompanied here by Mary Ann and Roberta Burgwald who had spent several weeks in Bruin.

Mr. and Mrs. Thomas Jones and daughter, Schenectady, N. Y., are visiting his parents, Mr. and Mrs. E. Ray Jones, this week. Mr. and Mrs. John Hansen and family, of Dayton, O., who had been guests at the Jones home, returned to their home on Sunday.

Congressman and Mrs. DeWitt S. Hyde and Alvin L. Aubinoe, of Washington, D. C., were guests of Thomas Gordon Bennett, at Nemacolin lodge over the week-end. On Saturday evening a dinner was given in their honor by directors of the Deep Creek Lake Property Owners association, at the lodge.

Mr. and Mrs. Stanley Smith entertained with a buffet supper on Tuesday evening at their home on Green street, in honor of Mrs. Johana Harris, who will present her piano concert here on Friday evening. A dinner in her honor also is being held this evening at the William-James hotel by members of the Moose lodge and committee. The Moose lodge is sponsoring her concert.

There will be a meeting at the home of Mrs. Billy Martin, route 219, on Thursday, August 30, at 8 p. m., to discuss plans for a class reunion of Oakland High school, class of 1946. The reunion will be held Saturday and Sunday, September 1 and 2. A dinner and dance will be held at Southern High on Saturday with a picnic Sunday at the Western Maryland 4-H center near Bittinger.

Nine Births Occur

Nine births occurred during the past week at the Garrett County Memorial hospital, five girls and four boys.

On the 23rd a daughter to Mr. and Mrs. Charles Edward Durbin, Center street, Oakland.

On the 24th a son to Mr. and Mrs. Donald H. Hinebaugh, Davis addition, Oakland; a daughter to Mr. and Mrs. Joseph Henry O'Brien, Deer Park.

On the 26th a daughter to Mr. and Mrs. Paul J. Muha, Second street, Oakland; a daughter to Mr. and Mrs. Isaac Stoltzfus, route 2, Oakland; a son to Mr. and Mrs. Dewey Wakefield, Friendsville.

On the 28th a son to Mr. and Mrs. Charles Lloyd Hauser, Third street, Oakland; a son to Mr. and Mrs. Edwin Frank Benson, Keyser, W. Va.

On the 30th a daughter to Mr. and Mrs. Carlton H. Hinebaugh, Oakland.

During the week the hospital admitted 32 patients and discharged 42. Census this morning was 39.

Mt. Top Gunners Take Summer Crown

Mountain Top won the Western Maryland Rifle League summer crown by whipping Fort Hill 1600-117x to 1595-118x on August 19 at the Oakland range, firing a perfect team score of four possibles.

Forty bullseyes each, pouring from the rifles of Don Helbig, Carroll Miller, Merle McClintock and Alex Harvey copped the title and the outdoor trophy. Possibles by Frank Simpson and Leo Leasure led the Fort Hill effort.

Hercules defeated LaVale in the other match.

Members of the Mountain Top team will represent the Western Maryland League in the National Rifle association's state and national summer league championships. Entry score of their four-man team will be made in several weeks, probably at a rifle tournament to be held in Cumberland in September.

Bus Drivers To Meet

The semi-annual business meeting of the Garrett County School Bus Operators association will be held Friday evening, August 31, in Southern High school, beginning at 8 o'clock.

One week later, September 7, the group will have its annual banquet in the Kitzmiller school cafeteria, at 6:45 o'clock. J. Millard Tawes, comptroller of the treasury of Maryland, will be the speaker.

Methodist Circles To Meet

The WSCS circles of St. Paul's Methodist church will meet on Wednesday, September 5, at 8 o'clock p. m., it was announced.

Circle 1, Mrs. E. Ray Jones leader, will meet at the home of Mrs. John Moon, with Mrs. Frank McDaniels and Mrs. Ruth Naylor as assistant hostesses.

Circle 2, Mrs. Vernie Smouse leader, will meet at the church with Miss Icie Friend, Miss Irene Sharpe and Mrs. Ernest Liller as assistant hostesses.

Circle 3, Mrs. Robert DeWitt leader, will meet at the home of Mrs. Harry Hinebaugh. Mrs. William Lantz, and Mrs. Edna Ruff will be assistant hostesses.

Circle 4, Mrs. Frederick Thayer leader, will meet at the home of Mrs. Playford Ryan.

MARRIED

Wright-Mosser—Miss Hazel Marie Mosser, daughter of Mr. and Mrs. Ernest Mosser, McHenry, and Gordon Laverne Wright, son of Mr. and Mrs. Russell Wright, Friendsville, were united in marriage on the lawn at the bride's home at 3 o'clock on Saturday, August 18, with Rev. Connell Chaney performing the double ring ceremony.

The bride wore an aqua wool jersey sheath dress accented by white accessories and a corsage of white rose buds.

Mrs. Ruby DeWitt, sister of the bride, was matron of honor and wore a black linen sheath dress with white linen bolero and accessories and a corsage of pink carnations.

Edward DeWitt, brother-in-law of the bride, served as best man.

The bride's mother chose a grey silk print dress and a corsage of pink carnations. The bridegroom's mother wore a brown dress and had a corsage of yellow mums.

The outdoor ceremony was attended by close friends and relatives. A reception was held at the home following the ceremony. An all white three-tired wedding cake, topped with a miniature bride and groom, centered the table.

The newlyweds are now residing in Morgantown, W. Va., where the groom will continue his senior year at West Virginia university.

Arnett-Ball—Mr. and Mrs. Leon Ball, of Horse Shoe Run, announce the marriage of their eldest daughter Bernadette to Frank Arnett, son of Mr. and Mrs. Dwight Arnett, of Star Route, Rowlesburg, W. Va., on Saturday, August 18, at 2:30 p. m., in the Texas Methodist church. They were united in marriage by the Rev. George C. Weirick, of the Aurora Lutheran church. The church was decorated with cut flowers.

The bride wore a blue dress topped by a lace bolero with white accessories and wore a pink rosebud corsage. Miss Byrldene Ball, sister of the bride, served as maid of honor. She wore a navy blue and white dress with white accessories and wore a pink rosebud corsage. Don Arnett, brother of the groom, served as best man.

Mrs. Ball, mother of the bride, wore a light blue dress, white accessories and yellow rosebud corsage. Mrs. Arnett, mother of the groom, wore a yellow dress, white accessories and a yellow rosebud corsage.

"I Love You Truly" and the traditional wedding marches were played by Mrs. David Teets, of Horse Shoe Run.

Attendants at the wedding included Mr. and Mrs. Leon Ball, Bernard Ball, Mrs. Grover White, Mrs. Edna Ball, Mrs. Mary Strawser, Mr. and Mrs. Dwight Arnett, Mr. and Mrs. Ralph Stemple, Mr. and Mrs. Robert Proudfoot, Mr. and Mrs. Raymond Arnett, Mr. and Mrs. David Teets, Paul, Rita Sue and Mary Lou Teets.

Retiring Forester Is Feted At Picnic Sunday

Personnel of the Maryland State Department of Forests and Parks honored Cecil Ramsey, forest superintendent of Potomac State forest, during a family basket picnic Sunday afternoon at Herrington Manor.

Ramsey is retiring the last day of this month. He also marked two other occasions Sunday, his 70th birthday anniversary and his 49th wedding anniversary.

A native of West Virginia, Ramsey has spent most of his life in this county. Ramsey was first employed as a district forest warden on a seasonal basis in the late 1920's. Later he became a foreman at Swallow Falls Civilian Conservation Corps camp and held that position from about 1933 until about 1941.

He then entered the state service as forest superintendent of Herrington Manor until about 1945, when he was transferred to the position from which he is retiring.

Ramsey and his wife are the parents of fourteen children.

Pastor Is Moving

Rev. and Mrs. Connell Chaney and daughter, Rose Lee, of Accident, will leave shortly for Wiley Ford, W. Va., where the former will assume the pastorate of the Wiley Ford Church of the Brethren.

Rev. Chaney has been pastor of the Bear Creek and Oak Grove churches for the past five years. Under his ministry the Bear Creek congregation purchased the Henry Speicher property in Accident for a parsonage.

Rev. Chaney was elected to the Eldership of the Church of the Brethren in 1953. He also served on the district board of Western Maryland and held the position of Secretary of Ministry and Missions for two terms.

Mrs. Chaney was president of Women's Work for the Western Maryland district. Both Rev. and Mrs. Chaney were active in community affairs and cooperated in the Community Vacation Bible school for five years.

Their daughter, Rose Lee, a graduate of Northern High school, will enter State Teachers' college at Frostburg in September. She was an honor student at the school, being a member of the National Honor Society, editor of the "North Star," the school's year book, and vice-president of the senior class. She was also district youth president of the Church of the Brethren.

The entire congregation of the Bear Creek church met at the parsonage Friday evening, August 24, in a surprise farewell party. A gift was presented to the family. Cookies, punch and mints were served by the women of the church. About forty-five were present.

COVE

August Harman accompanied Mr. and Mrs. Elmer Kolb and Melchoir Kolb to Cumberland to visit the latter's wife who is a patient in the Memorial hospital, on Sunday.

Mrs. Carl Glass returned home last Saturday from the Memorial hospital where she was a patient for several weeks.

Joe Collier and son Wayne spent Sunday at Westminster and were dinner guests of the former's sister, Mrs. Louisa Martell at Taneytown.

Mr. and Mrs. Robert Gardner, of Turtle Creek, Pa., visited last week with Mr. and Mrs. Clarence Glass.

Mr. and Mrs. Judson George and family, of Wadsworth, O., are visiting the former's sisters, Mrs. Geo. Hetz and Mrs. Henry Glass, and their families.

Mrs. Rebecca Griffith and Mrs. Glen Crawford, of Hopwood, Pa., spent several days last week with Mr. and Mrs. Bert Griffith.

Mrs. Walter Hanft is on the sick list at present.

Mr. and Mrs. Robert Shindle and daughter and Mrs. Margaret Schlossnagle, Chambersburg, Pa., were week-end guests of Mr. and Mrs. Vernon Reichenbecker and sons.

Trubel and George

Melda Trubel, of Accident, and Ervin George, of Cove, were quietly married at the Lutheran church at Cove on Saturday evening, August 18. The ceremony was performed by Rev. Droutz. Their attendants were Ralph George, brother of the groom, and Mrs. Klotz, of Accident.

The groom is the son of Mr. and Mrs. Charles George.

Serenading Party Held

On Tuesday evening some folks of this community attended a surprise on the newlyweds, Mr. and Mrs. Ervin George at Flatwoods, and Mr. and Mrs. Robert Gardner at the home of Mr. and Mrs. Clarence Glass. An old fashioned serenading was held.

District Luther League Has 75 At Fall Rally

Joy Wilson, Westernport, was re-elected president of the Mt. Top District Luther League, at a fall rally at St. John's Lutheran church, the Cove, on Sunday afternoon. Barbara Lu Glotfelty, Oakland, was elected secretary.

Around seventy-five leaguers from Keyser, Westernport, Red House, Bittinger, Aurora, Davis, Lantz Ridge, Accident and the Cove were in attendance.

At the opening service Joan Collier sang a solo.

A panel discussion was held on problems of Christian young people followed by a Bible quiz. The evening meal was served at the Accident Fire hall and the program was concluded with a brief vesper service.

Announce Soil Bank Acreage Program

The "Acreage Reserve" part of the Soil Bank program for 1957 is now ready, according to a statement released by H. Robert DeWitt, County ASC Committee Chairman. Sign-up of farmers in this part of the program will begin in this county on September 4, and will continue through September 21, if available funds permit. Mr. DeWitt stated that the Soil Bank Program consists of two parts, the Acreage Reserve and the Conservation Reserve, and emphasized the fact that only the Acreage Reserve part of the program is now ready. Sign-up in the Conservation Reserve probably will begin later in September.

The Acreage Reserve part of the program in Garrett County will apply only to wheat acreage because wheat is the only one of the basic farm commodities that is under acreage allotments in this county. Under this part of the program any farmer who has harvested wheat on his farm in 1954, 1955 or 1956, and has been assigned a wheat acreage allotment, may participate in the program and receive a cash payment for removing all or part of the permitted wheat acreage from production. To be eligible for a payment the wheat grower must set aside a tract of land which will be designated as the Acreage Reserve and he will not be permitted to harvest any crop whatever from this land nor graze the land during the calendar year 1957. In this county all wheat growers will be permitted to put their entire allotted acreage into the Acreage Reserve if they wish; however, they may not put less than 3 acres into the reserve unless their wheat allotment is less than 3 acres. The land designated as the Acreage Reserve must be land on which wheat was grown at some time in the past and which is now suitable for the production of wheat. Payments under this part of the program will run from about $22 to $31 per acre depending upon the normal wheat yield established for the farm. There are about 600 farmers in this county who have been assigned wheat allotments and who will be eligible to participate in this program. More detailed information is being mailed to these farmers this week by the County ASC office.

Mr. DeWitt stated that the Conservation Reserve part of the program pertains to the reduction in acreage of general farm corps and the shifting of the acreage taken out of production to long-range conservation uses. Payments under this part of the program will be less than under the Acreage Reserve. Detailed information concerning the Conservation Reserve will be mailed to all farmers as soon as it is available.

The Soil Bank Program is to be administered by the County Agricultural Stabilization and Conservation Committee and all interested persons are advised to contact the ASC office in Oakland.

Elbert Riley, ASC office manager, was in Frederick yesterday to discuss some of the new regulations.

ROPERS BY THE SCORE—Bobby Gordon climaxes the entire act by spinning eight ropes at one time. With Levinia he does a double routine of difficult timing. This couple can be seen with Steele's Frontier Days Show at the Preston County Fair in Terra Alta, September 2 and 3.

NEWS FROM THE Ruth Enlow Library

BY EDITH BROCK

An exhibit of interesting Bibles and books about the Bible from the Library's collection has been set up in the reference room. Three antique Bibles, a Bible for the blind, a Greek New Testament, and several modern versions and editions are included in the exhibit. Several volumes of the Interpreter's Bible have been presented to the Library as memorial books. This commentary brings together the texts of the King James and Revised Standard Versions with a complete exposition of every passage.

A book in memory of Fannie Johnson has been given by Veronica Robertson. A number of books have been donated recently by Mrs. Hugh Teets, Bernice Sanders, Gloria McCullough, George Littman, Gertrude Casteel Savage, and Julia McHenry Howard.

Several new phonograph records have been ordered and will soon be available. Among them are the "Trout" Quintet by Schubert, which is a gift of Mrs. William Bassie, and a recording of Dylan Thomas' reading of his "Child's Christmas in Wales" and other poems, given by Jane Eisinger.

Mountain Lake Park is featured in a new exhibit of pictures and other material in the Historical Society display case. This material was presented last year to the Historical Society by Mr. and Mrs. George Filbert. Other recent gifts to the Society now on display are an advertising poster more than fifty years old which was presented by Dr. E. Irving Baumgartner, and a souvenir view book sent by Thekla Lawson, of Hyattsville.

Repairing Crossing

A letter to H. E. Simpson, president of the Baltimore and Ohio railroad by Charles L. Briner, secretary of the Mt. Top Chamber of Commerce, concerning the condition of the Second street crossing in Oakland has brought swift results.

On August 16, Mr. Briner wrote: "We have an unfortunate situation in Oakland that previous repairs have failed to rectify. The Railroad crossing on Second street is and has been one of our rough spots in town. All repairing in the past never changed the type of crossing and after a few months of steady wear and tear it becomes as bad as before.

"I have been elsewhere where steel rails constitute the inner and outer parts of crossings. Cannot this be done here?

"The holes in the crossing now constitute a hazard to drivers and the footpath a definite hazard to children and grownups alike. Most anyone could very easily catch his foot between the openings.

"We will appreciate anything you can and will do for this crossing."

Tuesday workmen were busy making repairs to the crossing.

MARRIED

Roy-Felton — The wedding of Flossie Irene Felton, daughter of Homer Felton, of Corinth, W. Va., and Ronald Edward Roy, son of Mr. and Mrs. Elwood Roy, of Hutton, took place last Thursday evening, August 23, at the home of Mr. and Mrs. Arnold Sell, of near Hutton. Rev. Ralph Walker, pastor of the Corinth, W. Va., Pentecostal Holiness church, officiated.

There were twenty-two guests present. Refreshments were served by Mrs. Sell, assisted by Mrs. Ralph Walker. The couple will reside in Hutton following a honeymoon trip to Ohio.

Quattro-Cangley—Miss Mary Ann Cangley, daughter of Mrs. Dorothy Cangley, Thomas, W. Va., and the late Gus Cangley, became the bride of Edward Quattro, son of Mrs. Mary Grecco and the late Crispin Quattro, of Thomas, on July 28. The wedding was solemnized in St. Thomas Catholic church, Thomas.

The bridegroom is a graduate of Thomas High school and Fairmont State College. He has accepted a position on the faculty of Southern High school in Oakland.

Oakland Youth Is FFA Unit Leader

Thomas Glotfelty, of Oakland, was elected president of region 1, Future Farmers of America, at the group's annual meeting last Thursday at Cumberland.

Other regional officers are George Bishoff, Friendsville, vice-president; David Otto, Grantsville, secretary; Ted Robinette, Allegany county, treasurer; William Hout, Allegany county, reporter; Eugene Brenneman, Bittinger, sentinel; Richard Bishoff, Southern High school vocational agriculture instructor, new adviser.

A mid-winter meeting of the regional FFA group will be conducted in late February or early March at Southern High school. It will feature a basketball tournament involving FFA clubs of Flintstone, Oldtown, Southern and Northern.

George Lipscomb, of Southern, and Lawrence Faith, of Northern, will serve as advisers for the basket ball tournament. FFA members who will work with them are Roger DeBerry and Donald Raley, Southern; William Goehringer, George Bishoff and Edward Rush, Northern.

With Our Men In The Service

Raymond Pritts, of Bloomington, of the 372nd military police company, was one of seventeen reserve enlistees at Fort Benning, Ga., who completed the third army area food service school's cooking class. They had received eight weeks of instruction in theory and practical cooking.

Bullet fragments in a sailor's body confirmed that U.S. Navy patrol bomber was hit by gunfire before it plunged into East China Sea.

Observe Golden Wedding

Mr. and Mrs. Floyd V. Riley, of Deer Park, celebrated their 50th wedding anniversary on Sunday, August 19, at their home.

Approximately sixty guests attended. Mr. and Mrs. Riley were married August 19, 1906 by the Rev. A. L. Donachy, of Friendsville. They have lived in the county their entire life.

Mr. and Mrs. Riley had four children: Irvin Riley, at home; Glenn Riley, deceased; Mrs. Robert Paugh, Mt. Lake Park; and Mrs. Kermit Kope, Deer Park. They have two grandchildren, Kermit Kope, Jr., and Roy Paugh.

A four-tiered wedding cake was baked by Mrs. Walter Harvey, of Oakland, for the celebration.

It Runs Through My Mind

BY POLLY J. HANST

Johana Harris

I was invited to meet Johana Harris and being musically illiterate I wondered how the great pianist could endure even a few minutes with me.

"Oh that I could take the wealth of the Indies with me," I thought as I crossed my neighbor's lawn. "I don't know enough to ask one question."

At that moment I passed a playpen in which sat an adorable blue-eyed, golden curly haired, full cheeked ten months old girl that I could hardly resist taking in my arms. A twelve-year-old sat nearby reading a book called "Going Steady."

Then I realized I wouldn't need the wealth of the Indies for Mrs. Harris had it and she would be able to talk my language even if I couldn't speak hers.

A woman of strong warm personality and unusual fine beauty—not the glamorous type that I had pictured—much too genteel for that—and extremely human.

Johana Harris got down to me with as much grace and skill as a trans-continental plane takes the runway. I tell you frankly I was as thrilled as if I had been talking to Ann Lindbergh. Now I can hardly wait to hear her concert.

Still I can't comprehend her greatness. Even when I know she has just finished one of the most extraordinary recordings for Metro-Goldwyn Mayer that has ever been done. Records to be used educationally, already heard by sixteen million, of all Mozart's and Beethoven's sonatas. Tapes long enough of this pianist's work, along with a top violinist, and the top violist, for twenty hours of playing.

"What an experience!" she related. "There would be times that we would play frantically for four hours and bingo—a board would creak, a string break, a plane fly over, or some foreign sound might be recorded. Then it would have to be done over. Rarely can a tape making this type recording be spliced."

We've got a great lady in our midst. I do hope when she leaves she will have the same warm feeling for us that she displayed for North Carolina where she was recently.

Please, Oakland and Garrett county, give her the benefit of a good audience. Don't deprive your children of this experience. True, it may be over their heads just as Fritz Kreisler was over mine as a teen-ager, but now I know what a privilege it was to have heard him. Our children will feel the same about Johana Harris.

The Day Was Not Over

Last week I started telling about our vacation, doing Garrett county in second gear. I didn't get through the first day. That would hardly be fair to the northern section.

For years I've noticed a sign at Little Savage that pointed to Finzel. For a short period we shifted into high, clipped across route 40 and headed for new territory.

To our amazement Finzel is only a stone's throw from the highway, a settlement of well kept homes along a hard surfaced road near the Pennsylvania line.

Two things I noticed about the community. They had the prettiest flowers I had seen this summer and they hang up neat washes. You know, clothes lines tell a story all their own. If people are prosperous, thrifty, fastidious or if they have a flair for color. The Finzel folks have all of these.

Sampson Rock

Sampson's Rock, two miles, pointed the arrow. Anything that merits a highway sign merits our attention, was our mood at the moment. It was well marked for another arrow later read one half mile, but the road looked doubtful so we sent the youngest to inquire at a farm house. We took this road and before long we wished our Chevy was a donkey. In fact we couldn't even exchange for Shank's mare for there was no turning back. We forged ahead scraping the bottom and sides, alighting so the car might be an inch higher as she straddled rock and rut.

I question if the trip was worth the repair bill but it would definitely have been worth it by foot. The rock looked as if some giant boy scouts had been blazing a trail for a treasure hunt and Sampson's rock simply meant "this is the way." There were three separate rocks, one on top of the other. Only the bottom rock looked stationary which meant nothing to our offspring who felt that glimpse of the world from the top stone was a necessity in spite of the fact that the two upper most boulders moved as they mounted.

I would recommend this trip only if you enjoy walking, if you could go without harem-scarem children and if you sold ginseng for a living. The plant grew in abundance.

Passing the farm house again the youngest had decided that the man's mumbling was that the road was not fit to travel.

By this time I was jittery but the kids thought it had been good adventuring. Still we hadn't finished the first day.

Resignation Of

(Continued From Page One

tained and should be given control and not be compelled to keep on the payroll employes who have been disloyal to her, Mrs. Tower pointed out that the friction had started with the beginning of the hospital when it was apparent that members of the medical staff could not get along with each other. She emphasized it did not start with Miss Sharpe. "I feel Miss Sharpe is being crucified," she declared.

H. D. Swartzentruber said he felt a change in the by-laws should improve conditions, regardless of who is superintendent. What he has in mind is a regulation that any employe with a complaint should go to the administrator and have that complaint presented to the board by the administrator; and that no complaint should be presented by a member of the Board.

Several months ago, when the hospital friction first came to a showdown, A. G. Gortner headed a committee investigating the reasons for all the trouble and the committee reported it was apparent that neither the medical staff nor the personnel were at peace with the superintendent but the committee did not announce where the fault lay. A truce was determined upon at that time which now has culminated in the resignation this week.

Miss Sharpe stated yesterday afternoon that she did want the people of Garrett County to know that she had appreciated all the things they had done and the support they had given her over the past four years. During her administration the new wing has been added, a perpetual inventory inaugurated, the system of inventories changed, an annual audit begun, social security obtained for employes, and other improvements.

At the special meeting on Tuesday it was decreed that the resignation would be effective on or before January 1st, and should she obtain employment before that time that she would give 30 days notice, or should her successor at the local hospital be named prior to that date that Miss Sharpe would also be given thirty days notice.

Mr. Swartzentruber said that several applications had been received but that no particular person was being considered at the present time.

Members of the Hospital board include H. D. Swartzentruber, A. G. Gortner, Dr. James Feaster, Dr. E. I. Baumgartner, Mrs. E. Z. Tower, Mrs. E. L. Ritchey, Hubert Friend, J. Edward Helbig, Ervin Roth, Aubrey Brenneman and Virgil T. Steyer.

Accessories To Be Homemakers' Topic

The topic for the Homemaker program for September in the county will be "Arrangement of Accessories," given by Miss Ethel Grove, home demonstration agent. The clubs are to have their elections for the ensuing year in September also. Those elected will not take office until January 1.

She listed the following meetings:

September 5, Grantsville club, 1:30 p. m., at the home of Mrs. Harold Miller; the Altamont club at 7:30 p. m., at the Woods cabin.

September 6, New Germany club at 1:30 p. m. at the home of Mrs. S. L. Otto; Casselman Valley club 8 p. m., at hte home of Mrs. Donald Swauger, with Mrs. Donald Newman as co-hostess.

Plan To Attend Assembly

Twelve or more members of the Oakland congregation of Jehovah's witnesses are planning to attend an assembly program at Eagle Rock, Pa., August 31 to September 2, according to John Weber, presiding minister.

This is a training program and the theme is "Be Rich in Right Works." It is under direction of L. L. Roper, district supervisor, of New York, and Kenneth G. Kiesel. Climax of the meetings will be Sunday afternoon at 3 o'clock when a talk will be given on "Consulting God on World Affairs."

State Democrats Pick Mahoney

George P. Mahoney, 54, Baltimore county paving contractor, was chosen by the Democratic State Central committee on Monday night to replace ailing Millard E. Tydings as Maryland's Democratic candidate for the U. S. Senate.

Mahoney, runner-up to Tydings in the close primary election last May 7, was picked over Mrs. Eleanor Tydings, wife of the former U. S. Senator who quit his comeback campaign eight days ago because of illness.

The vote was 97 to 55 in a tempestuous 90-minute meeting marked by boos and cries of "steamroller" from the gallery.

Mahoney will oppose Republican Senator John Marshall Butler, to whom Tydings lost in 1950 after serving 24 consecutive years in the Senate.

Members of the Democratic committee from Garrett county cast their four votes for Mahoney in the official count. Others giving Mahoney the nod included Allegany, Calvert, Caroline, Carroll, Cecil, Charles, Dorchester, Frederick, Harford, Howard, St. Marys, Somerset, Talbot, Washington, Wicomico, Worcester and the 2nd and 3rd districts of Baltimore City.

Mrs. Tydings received the support of Baltimore's 1st, 4th, 5th, 6th, Baltimore county, Kent, Montgomery, Prince Georges and Queen Anne. Mrs. Tydings had the backing of Mayor D'Alesandro of Baltimore and other veteran party leaders.

This is Mahoney's second Senatorial nomination within four years. He polled 406,000 votes against Republican J. Glenn Beall in 1952 but lost the general election. He also failed in tries for the gubernatorial nomination in 1950 and 1954.

The Navy's second nuclear-powered submarine was expected to make its first trial run in two weeks.

AURORA-EGLON

Relatives here were notified of the death August 28, of William Muntzing, of Maysville, W. Va. Death occurred suddenly following a heart attack at Morgantown where his son-in-law and daughter, Dr. and Mrs. King, reside. Mr. and Mrs. Muntzing are the parents of Rev. Ernest Muntzing, well known evangelist of the Church of the Brethren. Three other sons and two daughters survive. Last rites are being conducted this afternoon at the Brick church near Maysville.

The body of Hazel A. Gaither, 9 year old daughter of Mr. and Mrs. E. Gaither, of near Horse Shoe Run, was brought Wednesday afternoon to the Eglon cemetery for burial after last rites at the home of her maternal grandparents, Mr. and Mrs. George Dumire, of Pierce, W. Va. The child died August 18 unexpectedly in the Oakland hospital where she was rushed after she became suddenly ill at the home.

Mrs. Lephia Gustafson, Chicago, accompanied by her son Karl and family, of Arlington, Va., were recent guests in this area, Kingwood and Albright.

Miss Laura Wotring, Aurora, is a surgical patient in a Philippi hospital where she was taken last week.

Mr. and Mrs. Robert Hauser announce the birth of a daughter on August 21. This is their first child. Mr. and Mrs. Paul Stemple, Aurora, are the maternal grandparents and Mr. and Mrs. Earl Hauser, of Red House, are the paternal grandparents.

Mrs. Arlie Fike, State Line, spent last week with Mr. Fike in Ohio where he has employment. They returned home Sunday.

Mr. and Mrs. Arthur Danberry, of Ringoes, N. J., were recent guests of Mr. and Mrs. Gilmour Fike, Eglon, and of Mr. and Mrs. Lester Hauser, Stemple Ridge.

Mrs. Lela Roth and daughter returned Tuesday to their home near Eglon from Camp Galilee, Terra Alta, where they had employment for several weeks.

A correction: In last week's news appeared an item that the marriage of Lois Wilt and Robert Strawser occurred July 18, which should have read August 18.

Relatives here received word that Clayton Harsh, who had been a surgical patient in an Akron hospital, had been discharged and returned to his home much improved.

Mrs. Wilson Kenney and daughter, Miss Alverda, of Masontown, were guests Friday in this area. Wilson Kenney is a son of the late Mr. and Mrs. Thomas Kenney, former residents of Eglon. Miss Alverda teaches school in the State of Massachusetts.

The Rev. and Mrs. John Weaver and family, of Pottsdam, O., were guests last week in the home of Mrs. Weaver's parents, Mr. and Mrs. Jesse F. Harsh, Eglon. The Rev. Weaver was in charge of worship service at Maple Spring church Sunday morning.

FREE OF FATALITIES—Recently, during the Maryland Municipal League's convention in Ocean City, Gov. Theodore R. McKeldin of Maryland, and Paul E. Burke, executive director of the Maryland Traffic Safety commission, presented the Maryland Traffic Safety Commission's award to the town of Friendsville for completing a full year without experiencing a fatality due to automobile accidents. Karol Rush, mayor, is shown in the picture as he received the award for the town. Several other towns of the county received a similar award.

State Motor Law Changes Are Urged

Periodic re-examination of drivers, automobile inspections, stiffer penalties for driving offenses—including revocation of licenses—were among scores of suggestions presented to a Legislative Council sub-committee on revision of Motor Vehicle Laws, at a public hearing for the three Western Maryland counties last Wednesday in Cumberland. About 100 persons attended.

One of the major recommendations concerned hit and run accidents. Under present law it is necessary for the arresting officer to identify the driver, which is virtually in most cases. It was recommended that the law be changed to read that it is a "rebuttable presumption" that the owner of the vehicle is the driver. If he is not the driver he must rebut the presumption by stating who was driving the vehicle at the time. It was also suggested that the authority for magistrates to sentence offenders to certain correctional institutions be changed.

Some accurate scientific test for determining what constitutes "under the influence of intoxicating liquors," was suggested. A recommendation to re-examine and re-license motor vehicle operators every three years was endorsed.

It was pointed out that most effective penalty is suspension or revocation of the driver's license and that accidents caused by speed could be reduced if auto manufacturers make cars with maximum speed of 70 miles per hour.

Senator Friend Objects

Senator Clifford Friend said he did not think taking driver's licenses away from old persons through re-examination would solve the problems. He contended that old people are responsible for few accidents.

Also attending from this area were Trial Magistrate W. O. Bitzer, Mrs. E. I. Baumgartner, Mrs. O. T. Graser, Mrs. Neil C. Fraley and Mrs. W. W. Grant.

Crowe Reunion Held

About 100 persons attended the fourteenth annual Crowe reunion held last Sunday at the Roy E. Crowe farm near Finzel.

Eugene Crowe, 81, was the oldest Crowe present. Oldest woman was Mrs. Corlista B. Murphy, 84. The youngest boy was Frederick Paul Crowe, son of Fred Crowe, aged two. Youngest girl was Linda Sue Crowe, aged seven months.

Traveling the longest distance was Rev. Fred Crowe, son of Roy E. Crowe, traveling from Glendive, Montana. The next meeting will be held in Braddock Park playground, Frostburg, the last Sunday in August, 1957.

At a business meeting following the dinner all officers were re-elected: Roy E. Crowe, president; Ernest W. Murphy, vice-president; Quincy A. Murphy, secretary-treasurer; Eugene I. Crowe, historian; James Beach gave the invocation.

Campaign for Mental Health Fund Goes On

In continuing the collection of funds for the mental health program in the state, Mrs. Paul B. Naylor, Oakland, county chairman, recently appointed other workers to assist in the campaign. She named Mrs. Dan Hinebaugh Deer Park; Miss Nell Lee, Mt. Lake Park; Mrs. W. W. DeWitt, Hoyes; Mrs. Kermit Glotfelty, Bittinger-Accident; Mrs. William C. Rogers, Loch Lynn. Mrs. I. R. Rudy, Jr., of Oakland, is assisting Mrs. Naylor in her work.

Mrs. Naylor revealed that a check for $500 already had been sent to the state headquarters but that the county was attempting to raise its entire quota of $720. She acknowledged a recent contribution from the Opportunity club of Crellin.

40th Wedding Anniversary

On Saturday evening, August 18, a surprise was given to Mr. and Mrs. Jacob Collier, of Brownsville, Pa., at the home of Mr. and Mrs. Joe Collier at Cove. All members of the family were present including Mr. and Mrs. Wilford Collier, Diana and Kenneth, Mr. and Mrs. Donald Collier, all of Cleveland, O. Mr. and Mrs. Wilbur Collier, Kathy and Jimmy, of Akron. Sisters and brothers were Mrs. Louisa Martell and daughter Mary, John McDonald, of Taneytown; Mr. and Mrs. Henry Frazee, Canton, O.; Mr. and Mrs. Willie Collier, Clarkville, Pa.; Mr. and Mrs. Lucian Michael, Akron; Mr. and Mrs. Walter Collier and Ruth, Keyser Ridge; Mr. and Mrs. Harry Collier and Joanne, Mr. and Mrs. William Hanft, Cove.

Other guests were Mr. and Mrs. Gerald Glotfelty and sons, of McHenry; Mrs. Robert Resh and daughter, Mrs. Effie Bach, Mr. and Mrs. Charles Ringer, Mr. and Mrs. Bert Griffith, Mr. and Mrs. Walter Richter and Ruth.

The Colliers were married in Pittsburgh. Mrs. William Hanft, sister of Mrs. Collier, was the only guest present who had attended the wedding. Their son Wilbur and wife came from Cleveland to spend the week-end with their parents and decided to take a drive in the evening to visit their Uncle Joe at Cove. When they arrived all the guests were waiting in the living room for the party. A four-tiered wedding cake in red and white was the center piece of the table. The decorations were in red and white. A tree with 40 red bells was made by Mrs. Martell, one bell for each year of their life together. Their youngest son Donald and wife pinned a corsage on their parents. Mrs. Wilford Collier served the wedding cake. A buffet lunch was served.

The Colliers were former residents of Cove.

30 Years

OF GOOD GASOLINE!

Time is the best test of any product's worth. That's why we're proud of Keystone Gasoline's thirty years on the market, with more and more satisfied users each year.

With the best raw materials, refining facilities which each succeeding year have been "the last word" in modern efficiency, and an unceasing research program to keep gasoline improvement in step with the advancing motor age, these thirty years have made Keystone Gasoline *AS FINE A MOTOR FUEL AS MODERN SCIENCE CAN PRODUCE.*

The fact that Keystone Gasoline is a leader on the West Virginia market proves that people who use it, like it. Won't you try a tankful, too? We think you'll be glad you did. You'll get *as fine a motor fuel as modern science can produce,* plus the service of friendly, independent Keystone dealers who value your business.

The long Labor Day weekend begins Friday. Last year, hundreds died needlessly in highway and other Labor Day accidents. Don't think that it can't happen to you — *that's what everybody thinks.* Drive carefully yourself, and make allowance for the other fellow's driving, too. Remember that the man who has the right of way often is just as dead as if he'd been wrong. And if you can, plan to be off the highways before dark. Have a happy holiday — but be just as happy next Tuesday as you are today!

THE PARABLE

"Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand."

(St. Matthew 13:13)

THE PARABLE is the basis of all religious education. From infancy through adult life we learn spiritual truths only as they are interpreted for us in terms of every-day experience.

OUR CHURCHES follow the example of the Greatest Teacher. Simple precepts or more complex doctrines are brought to us in vivid illustration. Lessons, sermons, hymns — even church architecture and ritual — are full of human narrative, word pictures or traditional symbolism to help us grasp and apply God's truth.

SPIRITUAL MATURITY must come to us through the effective teaching and practical guidance our churches provide. Our souls cannot grow simply by seeing a church on the corner, or hearing folks talk about religion. Worshipping and learning every Sunday, we will understand Christian truth in living terms and use our understanding to serve God and man.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Playoff Is Needed

Centerville and Grantsville wound up in the Pen-Mar Baseball league with 14-14 records on Sunday, necessitating the staging of an extra game to determine the fourth place club for the playoffs.

Barrelville copped the pennant by beating Wellersburg 8 to 1 as Zihlman lost its final game to Hyndman 6-1.

Mt. Savage blanked Grantsville 2 to 0 while Centerville won over Flintstone 22 to 3.

In the Grantsville game Bobby Dawson won over William Perry. Dawson tossed a four-hitter and fanned 10. Perry yielded three hits, whiffed an even dozen and suffered his fifth loss against one victory. Toby Colaw smacked a pair of singles, Perry got a two-bagger and Keister a single for all of Grantsville's safeties.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

Background Scripture: Luke 6:27-31; 10:30-37; James 2.
Devotional Reading: I Corinthians 13.

Royal Law

Lesson for September 2, 1956

"LOVE your neighbor" is called the "Royal Law" once in the Bible. It becomes and is the royal law only when all of it is meant: Love your neighbor **as yourself.** Everybody loves his neighbor a tiny bit. At least you don't want to see his house burn down, and if you heard that his children had been eaten by an alligator, you would have (it is hoped) some tinge of regret. But loving your neighbor as yourself—ah, that is something quite a lot harder to do. But the Royal Law demands that we love our neighbor, any neighbor, all neighbors. This is a Royal Law, as James called it, because it is the law by which the King of the Universe operates. To be sure, we cannot say that God has "neighbors" just as we have; but when God was here on earth, focused (you might say) in one person, this Son of God, truly royal if ever a man was, lived by the Royal Law.

Dr. Foreman

No Exceptions!

James writes that keeping the law means keeping all of it. To fail in one point means failing, period. We can apply this to the Royal Law. If we are (as Jesus called us) sons and daughters of the Most High, then we are under a kind of regal obligation to live as befits our high privileges. The more truly we live as children of God, the less we can afford to make exceptions, on our own, to the royal law of love. But most of us do make exceptions. Jesus knew what they are; so did James. Jesus mentions people who love those who love them in return. We all know the type—maybe we are the type!—the person who treats his friends like princes and other people like dirt; the family who are very warmhearted and devoted to one another but whom the minister has a very hard time enlisting in any project for community betterment; the college student who is a very loyal fraternity brother but who hardly knows, and doesn't care to know, the student without money to spend. Jesus' parable of the good Samaritan showed up two men who made exceptions to the Royal Law. The priest must have loved his neighbor priests; but the beaten stranger was no priest, so this priest didn't bother with him. The Levite must have had friends; he belonged to a class of professional philanthropists. But samaritans were not on the Levite's list of Worthy Causes. So he wasn't bothered. As for the Samaritan, there was every reason to cross off that battered stranger by the roadside. By every Samaritan standard, he didn't "belong." But the Samaritan kept the Royal Law without making exceptions.

For Whom Do We Pray

One way the reader can test how well he himself keeps this Royal Law, is to reflect on his own prayers. We get around to more people in prayer than in actual visits. It is true that on a given day we probably don't pray definitely for every sort and condition of men; but the question which really probes us is not, "Do you pray for every one," but, "Are there any kinds of people for whom you would not pray?" If you are a democrat, do you ever pray for a republican? If you are a white person, do you ever pray for negroes? If you are Protestant, do you pray for Roman Catholics? For the Pope? If you are an American, do you pray for Russians? For Chinese? If you are a business man, do you pray for your competitors? As a law abiding citizen, do you ever pray for the men and women in the state penitentiary? You see how it is. The Royal Law is the hardest law there is.

With Whom Do You Pray

James draws a sarcastic little picture of some church ushers he had very likely seen.—polishing the apple of the well-dressed visitor to their church, and shoving the poor man around so that he would be almost sure never to come back. How is it in your church? You may have hanging on the wall somewhere a copy of the Royal Law; but does the church itself keep it? Are there people, Negroes perhaps, who if they risked showing themselves at your church, and wanted to worship with you, would be shoved into a corner or perhaps refused admission entirely? Does your church set the example for its members, the example of love without exceptions?

"Our Growing Edge"

MRS. MARTHA GLOTFELTY

A Challenge Or A Bore

How do you think of the work you do, the jobs you perform daily to earn a living? Is it just a humdrum job, to which you bring no zest, no enthusiasm? Or is it one that holds challenges for you, opens up to you ever-widening vistas of growth and means of serving your fellowman, and finding fulfillment for yourself?

These are important questions for each one of us, and in the answering of them we find a great many of our entire attitudes toward life itself. All of us have aptitudes and abilities that fit us for some jobs better than for others, yet with reasonable intelligence and training, there are many types of work at which most of us could be fairly successful. More important, in my opinion, than any skill we may have is the attitudes we bring to the particular jobs we may be doing.

Many who read this column are housewives, so let's take them for an example. I have spoken of this before, but it bears repeating.

One housewife constantly complains that her work is nothing but drurgery, meal-getting, dish-washing and an endless round of chores. Besides her family does not appreciate her (at least they don't say so). All of us are guilty of just that sort of complaining.

There is another type of housewife. She sees in her work a service for those she loves best. Her work becomes just as monotonous as the first housewife, but she sees purpose and meaning in it all. The meals she plans and prepares helps her boys and girls to grow strong in body, able to cope with the problems they must soon face. She sees her home as a place in which to grow mentally and spiritually. She is the one who can make it attractive and agreeable for all who enter there. She can apply the skills she learned as a nurse, a teacher, or any other type of work she has been trained to do. She is as proud of her job as the most efficient secretary or executive can be.

Those are the differences in attitudes of two housewives. They can be the same for two carpenters, two merchants, two farmers. They can find enjoyment and success or just a humdrum existence that makes life monotonous and uninteresting.

All work can be dignified, if done in the right spirit and with the right motives. All decent and worthwhile work can be blessed by God.

In the words of the hymn-writer who says it so well:

Tine is the loom, the forge, the mart,
The wealth of land and sea;
The worlds of science and of art,
Revealed and ruled by Thee.
Work shall be prayer, if all be wrought
As Thou wouldst have it done;
And prayer, by Thee inspired and taught,
Itself with work be done.

You get more car when you buy it . . . more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models.

Why people who used to buy higher priced cars are changing to Chevrolet

More and more buyers are deciding that they prefer a sweet handling Chevrolet to a big, unwieldy high-priced car!

When you consider Chevy's reputation for performance and roadability, you wonder why anyone would pay hundreds of dollars more for a higher priced car. Well, a lot of people have been wondering the same thing, and the result has been a big switch from high-priced cars to Chevrolet. Of course you save plenty, too. Come in and sample the fun and get the facts!

Ex Parte: In the matter of the adoption of Arlie Granville Shrout, an infant

No. 4671 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this proceeding is to procure the passage of a decree for the adoption of Arlie Granville Shrout, an infant, by John Edgar Lilley and Juanita Lilley, his wife, and to give him the name of Arlie Granville Lilley.

The bill states:

That the petitioners are residents of Oakland, Garrett County, Maryland; that Arlie Granville Shrout was born August 13, 1951, and the parents of said infant are Norman Arlie Shrout and Alvetta Shrout, his wife; that on numerous occasions since the birth of said infant his parents have separated, leaving the said Arlie Granville Shrout and their other children without care and supervision, and your petitioners have had the said Arlie Granville Shrout in their home on prior occasions for long periods of time until a reconciliation was had by their parents at which time he was broken away from them and returned to the home of said parents; that the mother of said child, Alvetta Shrout, has now deserted her family, including the said Arlie Granville Shrout, and he is now being cared for in the home of your petitioners; that the whereabouts of the said Alvetta Shrout are unknown to your petitioners and they are advised by the father of said infant that he has attempted to learn of her whereabouts but has been unable to do so; that the said Arlie Granville Shrout after the last desertion by his mother was placed in the home of your petitioners by the said Norman Arlie Shrout; that the father of said infant has concurred in and has given his consent to the adoption of said infant by your petitioners, said consent being filed herewith and prayed to be taken as a part hereof; that your petitioners have no children of their own even though they have been married for nine years, and are able to support, educate and maintain said infant and feel that under the circumstances it will be for the best interest of said infant as well as all concerned, that the prayers of your petitioner be granted.

The petition then prays for a decree declaring the infant child of Norman Arlie Shrout and Alvetta Shrout, his wife, born on the 13th day of August, 1951, to be the legally adopted child of John Edgar Lilley and Juanita Lilley, his wife, and to name said child Arlie Granville Lilley.

It is thereupon this 22nd day of August, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ORDERED that the petitioners by having a copy of this Order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 21st day of September, 1956, giving notice to Alvetta Shrout warning her to be and appear in this Court, in person or by solicitor on or before the 6th day of October, 1956, to show cause, if any he may have, why a decree should not be passed as prayed.

Cecil Baker, Rural Delivery No. 1, Salisbury, Pennsylvania,

vs.

Maggie Baker, widow of Jacob Baker, whose last known address was Rural Delivery No. 2, Frostburg, Maryland, life tenant, and the unknown owners of the remainder, of all that part of Military Lot No. 586, containing 27 acres, more or less, assessed to the said Jacob Baker in Election District No. 9, of Garrett County, Maryland, and being the same property which was conveyed to the said Jacob Baker by deed from Samuel Johnson, et al., dated March 24, 1900, and recorded in Liber E. Z. T. No. 38, folio 483, one of the Land Records of Garrett County, Maryland, excepting all minerals as reserved in said deed, and the heirs, devisees and personal representatives of the said unknown owners and their or any of their heirs, devisees, executors, administrators, grantees, assigns, or successors in right, title and interest, in and to the remainder estate in said above described property, Elizabeth M. Hamill, % Stuart F. Hamill, Sr., Garrett National Bank Building, Oakland, Maryland, mortgagee of said above described property, and all other persons having or claiming to have any interest in and to the above described property.

No. 4672 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this proceeding is to secure the foreclosure of all rights of redemption in the following described property situate in Election District No. 9, of Garrett County, Maryland, and sold by the Late Collector of Taxes for Garrett County, Maryland, and the State of Maryland, to Cecil Baker, the plaintiff in these proceedings:

All that part of Military Lot No. 586, containing 27 acres, more or less, assessed to Jacob Baker, in Election District No. 9, of Garrett County, Maryland, and being the same property which was conveyed to the said Jacob Baker by deed from Samuel Johnson, et al., dated March 24, 1900, and recorded in Liber E. Z. T. No. 38, folio 483, one of the Land Records of Garrett County, Maryland, excepting all minerals as reserved in said deed, said property having been devised to the said Maggie Baker for life by the Last Will and Testament of the said Jacob Baker, with remainder to his heirs upon the death of the said Maggie Baker, said will being recorded in the office of the Register of Wills for Garrett County, Maryland, in Wills Liber C, folio 595, and none of the records of said Register of Wills discloses the names of the heirs of the said Jacob Baker.

The bill states, among other things, that the amounts necessary for redemption have not been paid, although more than a year and a day from the date of sale has expired.

IT IS THEREUPON, this 28th day of August, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ORDERED, that notice be given by the insertion of a copy of this order in some newspaper having a general circulation in Garrett County, Maryland, once a week for four successive weeks, warning all persons interested in said property to be and appear in this Court on or before the 5th day of November, 1956, and redeem the property herein described and answer the Bill of Complaint, or thereafter a final decree will be rendered foreclosing all rights of redemption in the property, and vesting in the plaintiff a title, free and clear of all encumbrances.

Betty Theresa Dishong, Rural Delivery No. 1, Lonaconing, Md., Plaintiff,

vs.

Charles William Dishong, % Peter Kiewit, Sons & Co., Post Office Box 185, Claremore, Oklahoma, Defendant.

No. 4673 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure a divorce a vinculo matrimonii by the plaintiff from the defendant.

The bill recites that the parties were married on or about the 27th day of November, 1946, in Cumberland, Maryland; that the plaintiff is a resident and citizen of Garrett County, Maryland, and that she has been a resident and citizen of said County and State for more than one year continuously immediately preceding the bringing of this suit and that the defendant is a non-resident of the State of Maryland and when last heard from he was residing in the State of Oklahoma, at the aforesaid address; that one child has been born to the plaintiff and the said defendant as a result of said marriage, namely, Roger David Dishong, who was born on the 28th day of December, 1947, said child being in the custody of the plaintiff; that, although the conduct of the plaintiff toward the defendant has always been that of a kind, chaste and affectionate wife, the defendant has committed the crime of adultery on divers days and times subsequent to said marriage and prior to the institution of this suit, and that the plaintiff has not lived or cohabited with the said defendant since she discovered his said adulteries, nor has she forgiven him or condoned same; that the plaintiff is not possessed of the means with which to maintain herself and the said infant child, of which she desires custody, and that she desires that an adequate sum of money be awarded her for the support of herself and said child.

It is thereupon ORDERED, this 29th day of August, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, that the plaintiff, Betty Theresa Dishong, by causing a copy of this order to be inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 28th day of September, 1956, give notice to the said absent defendant, Charles William Dishong, of the object and substance of the bill of complaint, and warning him to be and appear in this Court, in person or by solicitor, on or before the 13th day of October, 1956, and show cause, if any he may have, why a decree should not be passed as prayed.

Number 4660 Equity, in the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure the passage of a decree for the sale of the real estate of Rosie Shreve, late of Garrett County, Maryland, deceased, situate in Election District No. 8, Garrett County, Maryland, and for a distribution of the proceeds arising therefrom among the creditors of the said Rosie Shreve.

The bill states:

That the said Rosie Shreve, late of Garrett County, Maryland, deceased, was during her lifetime seized and possessed of a certain parcel of land situate in Election District No. 8, Garrett County, Maryland, containing 68 acres, more or less, excepting all coal, and being the same which was conveyed by Elliott C. Harvey et ux to Rosie Shreve, by deed dated August 4th, 1923, and recorded in Liber E.Z.T. No. 86, folio 34 etc., one of the Land Records of Garrett County, Maryland, a certified copy of which said deed is filed therein marked "Plaintiff's Exhibit A"; that while so seized and possessed of said real estate, said Rosie Shreve departed this life intestate on June 17th, 1955, leaving surviving her as next of kin the following heirs at law, to whom the said real estate descended, viz: Melvin Shreve, a son, intermarried with Gracie Shreve; Otis Shreve, a son, intermarried with Virginia Shreve, all of Garrett County, Maryland; Benjamin Shreve, a son, single, of Prince George's County, Maryland; Arnold Shreve, a son, single, of Grant County, West Virginia; Audrey Shreve Riley, a daughter, intermarried with Junior Riley, of Preston County, West Virginia; Salem Shreve, Jr., a son, intermarried with Laura Shreve, of Garrett County, Maryland; Oliver Shreve, a son, intermarried with Carlene Shreve, of Bibb County, Georgia; Lonnie Shreve, a son, who intermarried with Ocie Shreve, of Preston County, West Virginia; the children and heirs at law of Bessie Shreve Kesner, a daughter, who was survived by her husband but who predeceased her mother, said Rosie Shreve, viz: Lila Arbutus Kesner, a daughter, single, of Baltimore City, Maryland; William Kesner, a son, single, whose whereabouts are unknown; the children and heirs at law of Ernest Shreve, a son, who is survived by his wife but who predeceased his mother, said Rosie Shreve, viz: Wilma Shreve Friend, intermarried with Stanley B. Friend, of Garrett County, Maryland; Helen Shreve Ackerman, intermarried with Ernest W. Ackerman, of Hamilton County, Ohio, all of whom are of full age; Ervin Franklin Shreve, single, an infant, of Lorraine County, Ohio; Barbara Shreve Snyder, an infant, intermarried with Everett R. Snyder, of full age, of Preston County, West Virginia; Floyd Wayne Shreve, single, an infant; Samuel Ernest Shreve, single, an infant, both of Garrett County, Maryland; it is not known to your orator whether the said Rosie Shreve left any other heirs, who, if living, would be a proper party to this cause of action; that Rosie Shreve did not leave any personal estate and there has been no administration, but the estate of Rosie Shreve is indebted unto the Garrett County Welfare Board in the amount of $1,525.40, which will appear by reference to the stated thereto attached marked "Plaintiff's Exhibit B."

The bill then prays for a decree for the sale of said real estate for the payment of the claims of The Garrett County Welfare Board and those other unsatisfied creditors of said Rosie Shreve and for general relief, and for an Order of Publication against the said Arnold Shreve, whose address is Gormania, West Virginia; Audrey Shreve Riley and Junior Riley, her husband, whose address is Newburg, West Virginia; Oliver Shreve and Carlene Shreve, his wife, whose address is 3835 Antioch Road, Macon, Georgia; Lonnie Shreve and Ocie Shreve, his wife, whose address is Terra Alta, West Virginia; William Kesner, whose whereabouts are unknown; Helen Shreve Ackerman and Ernest W. Ackerman, her husband, whose address is Madeira, Ohio; Ervin Franklin Shreve, infant, whose address is Wellington, Ohio; Barbara Ellen Snyder, infant, and Everett R. Snyder, her husband, whose address is Eglon, West Virginia, all of whom are non-resident defendants and against all other heirs of said Rosie Shreve, giving them notice of the object and substances of this bill of complaint and warning them to be and appear in this court on some certain day to be named therein, either in person or by solicitor, and show cause, if any they have, why the prayers of said bill of complaint should not be granted your orator as prayed.

It is thereupon this 27th day of July, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, ordered that the plaintiff by having a copy of this order inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 31st day of August, 1956, give notice to the said absent defendants, Arnold Shreve, Aubrey Shreve Riley and Junior Riley, her husband; Oliver Shreve and Carlene Shreve, his wife; Lonnie Shreve and Ocie Shreve, his wife; William Kesner, Helen Shreve Ackerman and Ernest W. Ackerman, her husband; Ervin Franklin Shreve, Barbara Ellen Snyder and Everett R. Snyder, her husband; and all other heirs of Rosie Shreve, warning them to be and appear in this Court in person or by solicitor, on or before the 15th day of September, 1956, to show cause, if any they have, why a decree should not be passed as prayed.

VOLUME 80. OAKLAND, GARRETT COUNTY, MD., SEPTEMBER 6, 1956. PER COPY, 8c. NUMBER 28.

Don't Be Satisfied . . .

There are two particularly good reasons why there should be a record vote this year. With a tendency to feel that Ike and Nixon are already elected, it will be very difficult to make an emergency out of that situation. People will not see the need of exerting themselves just to go to polls to cast one measly vote. Well, that one vote isn't measly at all, but a valuable privilege to possess. They all add up to two possibilities. The vote can be large or small, depending upon how much concern you feel over this election. Make this election mean something to you, and don't be complacent.

But the national picture is not the only item of importance this November. There's that little item of referendums. To argue over the importance of an issue never seems to convince people of the need to vote. So this year we want to go about it in a little different way.

We don't want to get stuffy about the question of liquor. Personally we don't like it and can't see where it or the money from taxes from the sale of it have ever done any good for humanity. I can think of lots of ways where it has done a lot of harm.

But the point is, if each and every individual does not take it upon himself to get out the largest vote in history in an effort to defeat the liquor referendum, then he will have no right to criticize the consequences that will follow. If he opposes the sale of liquor but doesn't make the effort to vote, he should forever keep silent because if the ones who are opposed don't vote, then we will have legalized whiskey in this county. And we feel that would be rather tragic.

A statement in U. S. News and World Report this week put it wisely. "It is easier to get out the protest vote than to get out the satisfied vote." We know those favoring liquor will be out in full force.

So let's not be satisfied with anything less than keeping this county the way it has been and should continue to be.

Two County Men Held on Rape Charge

Three men, two of them from this county, and the other from Terra Alta, were ordered held for action of the October term grand jury in Preston county, W. Va., on charges of rape following a preliminary hearing at Kingwood, W. Va., on August 28, before Magistrate Frank W. Pritt.

Trooper John E. Coleman, of the Preston county state police detachment, identified the trio as:

Oscar Dale Uphole, 33, of Deer Park; Robert Dean Canan, Deer Park; and Donald Ellsworth Everly, 22, Terra Alta.

A fourth young man, Charles Isiah Whetsell, 21, of Bluemont, Va., was held as a material witness and released on $500 bond.

Everly and Uphole were released on $2,000 bond and Canan was attempting to raise bond.

The officer said the alleged attacks were on Bertha Ellen Miller Kelly, 33, of Terra Alta, and occurred the night of August 22 on Rag Tavern road near Terra Alta. Canan and Uphole were apprehended later in Oakland. Whetsell and Everly were arrested in Terra Alta.

County To Receive Federal Aid For Rural Development

Garrett county is one of the fifty-five "pilot" counties in the United States which is slated to receive Federal assistance under the Administration's new rural development program.

Secretary of Agriculture Ezra T. Benson said the 55 counties in 24 states, would receive assistance in the form of educational, technical, administrative and farm credit aid to strengthen family farming in lower income areas.

He said that the pilot operations would be started where "practical experience can be gained in a limited number of areas and those elements of the program which proved most successful can be utilized as the program is broadened."

Funds were supplied by the last Congress to provide additional extension workers to work directly with individual families and local leaders.

The Soil Conservation Service also will have one full-time soil conservationist and a part-time soil scientist in most pilot counties.

Want Union Labor On School Projects

Three members of the Building and Construction Trades council of Maryland, of Cumberland, appeared before the County Commissioners Tuesday to ask the Board to specify Union labor for construction of the two elementary schools to be built this fall.

The Board indicated it would accept the lowest responsible bid for the job, but stated a letter explaining their position would be mailed to them within a few days.

Those appearing included F. Pat Allender, C. E. Stutzman and Robert T. Weaver. The Trades council is affiliated with the American Federation of Labor.

Autumn Glory Time Plans Being Made

Plans for the annual observance of Autumn Glory Time in this county were made during a meeting in Oakland recently.

The purpose of the program is to give residents of Maryland and nearby states an opportunity to see Mother Nature's fall settings in the forests and recreation areas of the county.

Laying the groundwork for the observance of Autumn Glory Time were Helmuth M. Heise, president of the Deep Creek Lake-Garrett County Promotion Council; Irvin R. Rudy, Jr., vice-president of the Mt. Top Chamber of Commerce; John Carroll, B. and O. passenger representative; William H. Johnson, district forester; and R. Thomas Thayer, assistant district forester.

The Promotion Council and the Chamber of Commerce are co-sponsors of the project.

Tentative plans call for a Baltimore and Ohio Railroad excursion to leave Baltimore on the mornings of Sunday, October 7, and Sunday, October 14, and travel to Oakland. From there the excursionists will travel by bus to Herrington Manor, Swallow Falls, Deep Creek, and to the large turkey farms. While at Swallow Falls a two-hour break will be taken, at which time guides of the forestry department will show the visitors points of interest in that recreation area.

The forestry department will schedule a program stressing the 50 years of forestry in Maryland. A number of displays and guided tours will be part of the event.

While at Swallow Falls, box lunches—including turkey sandwiches—will be served to those who want them by members of the Garrett County Turkey Growers. The excursion and program at Swallow Falls will be open to the public.

The tour of the county will begin about 1 p. m., and conclude about 5:30 p. m., according to Heise. The tourists will be divided into two groups to alleviate congestion of traffic, as some 20 buses will be used to transport them to the various areas.

AAUW Meetings To Resume

The first meeting of the Garrett Branch of the American Association of University Women, following the summer recess, will be held Monday evening, September 10, at 8 o'clock, in the social room of the Methodist church in Oakland.

This is an open meeting for all college women whether they are members of the branch or not, it was stated.

At this meeting the aims of the national organization will be presented, according to Miss Edith Brock, president. Mrs. C. W. Englander, vice-president and program chairman, will outline the program for the year. Her committee has selected Africa as the general theme for the yearly study. Meetings will be varied throughout the season, touching on art, music, politics, economy and other areas. A film on Africa will be among the features presented Monday night.

A social hour will follow. Miss Brock said she hoped that a large number of college women would feel free to attend the session.

7 Amendments, 2 Referendums On County Ballot

Voters To Make Decisions On Nine Questions At November Election

Garrett county voters will have the opportunity to vote on seven proposed constitutional amendments and two referendum questions at the general election on November 7. These are in addition to the selection of a president and vice-president, a senator and a Congressman.

The first constitutional amendment proposes that Councils of counties having a charter form of government, instead of sitting not more than one month in a year for the enacting of legislation, shall have the right to sit not more than 45 days, which need not be consecutive, and legislation may be enacted during those designated days.

Would Change Assembly Rules

The second proposal would change the method of introduction of bills in the General Assembly, and limit the introduction of bills during the last ten calendar days of even-numbered year 30-day sessions and the last 20 calendar days of odd-numbered year 90-day sessions.

A change in the Constitution's method of confirming or rejecting gubernatorial appointments made while the Senate is recessed is proposed in the third amendment. The present system calls for submission of such recess appointments to the Senate within 30 days after the next meeting of the Legislature. The new system would require submission of such appointments on the first day of the next regular meeting of the Senate.

Budget Deadline

The fourth proposed amendment concerns budget procedure. It now provides for the Governor to submit the budget to the General Assembly within 20 days after it convenes in odd-numbered years but allows a newly elected governor 30 days for such budget submission. The amendment would remove the exception for newly elected governors and cause the 20-day provision for odd-numbered years to apply to all governors.

The fifth amendment is a catch-all, removing from the State Constitution certain obsolete, outmoded or incorrect material.

Absentee voting by ill or disabled persons confined to a hospital or confined to bed whether in or out of their ward or election district would be provided under the sixth amendment. Presently only ill or disabled persons out of their ward or election district at election time may vote by absentee ballot, allowing some ill or disabled persons to vote while barring others.

The final constitutional amendment would change the provisions for paying Orphans' Court judges. They are now paid only for days such judges are actually in session. The new system of compensation would be regulated by law.

Two Referendums

Garrett county voters will vote on two referendum questions. One will determine whether or not the county will remain on standard time or automatically turn to daylight time at specified times each year.

The other will determine whether or not intoxicating liquor may be sold in Garrett county under a dispensary system set up by the county, or whether it shall be illegal to buy or sell liquor, the same as at present.

Applications For Absentee Ballots Now Available

Applications for absentee ballots for the November 7 election are now available, it was announced this week by Robert B. Sincell, clerk to the Board of Supervisors of Elections.

They are available to persons who will be out of the state on election day or to those who are ill and confined to homes or hospitals outside of their regular voting district.

In the case of the latter a physician's certificate is required.

Applications must be made 20 days prior to election for those who will be outside the state, or October 17. For those who are ill the application must be made by October, ten days prior to the election.

Rotary to Welcome District Governor

Randall Leopold

The Rotary club, Friendsville, will be host to Randall Leopold, Governor of the 264th district of Rotary International, who is making his annual official visit to each of the 42 Rotary clubs in parts of Pennsylvania, Maryland and West Virginia. He will address the Friendsville club and confer with Ralph Swauger, president, and August F. Neil, secretary, and committee chairmen on administration and service activities.

Mr. Leopold is president of the Leopold Chevrolet company in Lewistown, Pa. He is a graduate of Dickinson college, Carlisle, Pa., is president of the Mifflin county library, a director of the Historical society, treasurer and director of the Red Cross chapter, chairman of the United Hospital fund, vice-president of the Lewistown hospital and director of the Russell National bank. He has received the Boy Scout Silver Beaver award. During World War II he served as an officer in the U.S. air force.

Mr. Leopold also will meet with the Grantsville Rotary club on the following day, Tuesday, September 11.

Eight Hospitalized After Holiday Wreck

Eight persons were injured, several of them seriously when two automobiles collided on the Elk Garden-Kitzmiller highway Saturday night.

Hospitalized at the Garrett County Memorial hospital were Mr. and Mrs. Leroy Paugh and four children, of Kitzmiller, while a couple from Michigan were hospitalized in the Potomac Valley hospital in Keyser.

Mrs. Leroy Paugh and Wilma Paugh still remain patients in the hospital while the others have been discharged. Mrs. Paugh suffered a broken upper jaw and broken lower jaw and other injuries. Wilma Paugh has a fracture of the upper jaw.

Another child of Mr. and Mrs. Paugh has a fractured arm. All have multiple cuts and bruises.

Thomas Paugh was identified as the driver of the Paugh automobile which was struck by the Michigan car. West Virginia state troopers investigated.

Decrease Is Noted In Fishing Success

Fishing success in Deep Creek Lake decreased during the previous week, according to a report of Scott Kennedy, creel census taker, who has been keeping a weekly record.

He said a few nice crappie and rainbow trout were being taken from the Glendale bridge area at night. J. C. Davis, Morgantown, got a large mouth bass weighing four pounds and measuring 20 inches in the Green Glade area on August 26. Mr. Reel, of Pittsburgh, got a small mouth bass 18 inches long and weighing two pounds on August 25. The latter was caught in the Will O' The Wisp area. Both were caught in the afternoon in clear weather, the former by casting.

No Hearing Date Yet

Still no date for a hearing for State Senator Clifford Friend on a simple assault charge has been set, according to S. R. Pagenhardt, state's attorney. The date for the hearing is not to be set until William Webb DeWitt, county roads engineer, recovers from his jaw injury.

Senator Friend is charged with striking DeWitt.

Well Drilling Accident Kills Father Of Five

A Terra Alta, W. Va., workman was killed instantly last night in an accident which occurred while he was working on a gas well drilling job in the vicinity of Accident.

The victim, who was the father of five children, was identified by authorities as Thomas Lawrence Lewis, 53, who was a helper on the gas drilling project on the farmland of Alston Hanlin, about two miles west of Accident.

Lewis reportedly had his face mangled and lost an arm in the accident.

He was pulling a baler out of the well and got caught in the cable reel as he was working with John Roberts, a well driller who also resides in Terra Alta.

The victim was killed instantly in the accident which occurred about 8:30 p. m. Investigating the accident are Tfc. Glen D. Folk, of the Maryland State Police; Sheriff Paul Fisher and Dr. E. I. Baumgartner, deputy medical examiner.

The account of the accident was given by Thomas Brobst, who lives in the vicinity of the fatal mishap. The victim's body was taken to a funeral home in Terra Alta.

Grantsville Pastor Dies in Hospital

Rev. Hillary Louis Liehr, OFM Cap., pastor of St. Stephen's Catholic church, Grantsville, and St. Ann's church, of Avilton, died Monday in Sacred Heart hospital, Cumberland, where he had been a patient since July 21.

He was born July 16, 1892, in Pittsburgh, a son of the late Robert and Agnes Liehr. He took his first vows at St. Fidelis, at Herman, Pa., and was ordained into the priesthood May 26, 1921, at Wexfort, Pa. He also served churches at St. Albans, W. Va.; Dover, O.; Alverno, Pa., and was assistant pastor at SS. Peter and Paul, Cumberland, from 1937 to 1941.

He is survived by three sisters, Mrs. Lucia Schramm, Perrysville, Pa.; Mrs. Cecil Scharf, Pittsburgh; and Mrs. Lydie Loscar, Compton, Calif.; three brothers, Robert and Bernard V. Liehr, both Pittsburgh; and Joseph Liehr, Akron.

A requiem high mass was celebrated at St. Stephen's, Grantsville, this morning at 9:30 after which the body was taken to Pittsburgh for a mass Friday morning at St. Augustine's church. Interment will be in St. Augustine cemetery at Millvale, Pa.

Candidates Are Certified in State

The Garrett County Board of Election Supervisors has received official certification from Secretary of State Blanchard Randall concerning major party candidates for President and Vice President, U.S. Senate and Congress.

Those certified include Dwight D. Eisenhower, route 2, Gettysburg, Pa., for President, and Richard M. Nixon, Whittier, Calif., for Vice President, on the Republican ticket; Adlai E. Stevenson, Libertyville, Ill., for President, and Estes Kefauver, Lookout Mountain, Tenn., for Vice President, on the Democratic ticket.

The certification also listed George P. Mahoney, Prospect Farm, Owings Mill, Baltimore County, as Democratic candidate for U.S. Senate; and John Marshall Butler, Baltimore city, on the Republican ticket.

Candidates for House of Representatives from the Sixth Congressional District are two Montgomery County men, Republican DeWitt S. Hyde, the incumbent, and Democrat John R. Foley.

School Bus Operators Re-Elect Officers

At a business session of the Garrett County School Bus Operators association last Friday evening all officers were re-elected for the coming year. They were Leslie E. Savage, Friendsville, president; Joseph Welch, Mt. Lake Park, vice-president; Asa Nethken, Oakland, secretary; and Rodger Bond, McHenry, treasurer.

The annual dinner meeting is set for tomorrow evening at the Kitzmiller school center at which time Millard E. Tawes, state comptroller, will be the speaker.

Luke Under Bond Pending Action of September Jurors

John Guthrie Luke II, 48, was placed under $1,000 bond pending action of the September Term grand jury, at a preliminary hearing before Trial Magistrate W. O. Bitzer on Tuesday morning.

Luke is charged with assault with intent to kill by Corporal Sam Conrad, of the State Police, following a shooting at Deep Creek Lake on August 27.

Luke's wife, 48, and Kermit Wayne Wildman, 18, were hospitalized as a result of the shooting. Mrs. Luke had a number of shotgun pellets in her back, while Wildman had four in his chest and head, one of them being over an eye.

Bitzer, in placing bond at $1,000, said there would be a provision in which the bond would be cancelled at any time the man was found to be drinking and that he would then be confined in the Garrett County jail. Corporal Conrad testified Tuesday morning that he found Luke in an intoxicated condition at his cabin on Deep Creek lake following the shooting. Three guns were confiscated but a .45 calibre revolver could not be located. Luke told the magistrate the last time he saw the gun it was in a shirt drawer in his room.

Pre-School Teacher Conference Is Held

Teacher problems were discussed at length at a pre-school teacher conference held last Thursday in Southern High school.

Foster D. Bittle, high school supervisor, presided. Ross Speicher, president of the Board of Education, introduced new teachers.

Willard L. Hawkins, county superintendent of schools, in a talk to the teachers, pointed out the qualities of a good teacher included a high degree of curiosity, an honest and heartfelt desire to work with children and parents, be readers of books, magazines and editorials, have high ethics and loyalty, participate in inservice programs and community activities. He also spoke of the improvement in the schools and his plans for the next two years.

William Sartorius, director of finance, state department of education, spoke on "Yesterday ended at Midnight." Two main points were that teachers should have respect for individuals and have faith and believe in themselves. He cited personal integrity, honesty and development of moral and spiritual values.

There was a preview of summer workshop accomplishments by Mrs. Phyllis Williams for elementary, and Mrs. Bessie Price, for high school. Group meetings were in charge of Mrs. Caroline Wilson and Edwin Elias, elementary supervisors; Foster Bittle, for high school; Charles Strauss, Richard Bishoff, Robert R. Martin, Kenneth Johns, Mrs. Martha Lawton, Miss Frances Patterson.

Other brief remarks were made by Miss Esther Opel, Mrs. Zeola Robeson, Mrs. Kathleen Layman, Earl Savage, Mrs. Leona Hardesty and Mrs. Phyllis Williams on the social studies program in the elementary school.

Hon. Calvin Johnson, former Congressman, now public relations representative of Remington Rand, spoke on "Appreciation of Our American heritage."

Robert Rodeheaver, president, presided at a business meeting of the Garrett County Teachers' association. Robert Dubel, assistant executive secretary, Baltimore, and Dick Seltzer, director of field service, spoke briefly.

Educational Seminar Set for Methodists

The Moorefield Educational Seminar of the Woman's Society of Christian service of the Methodist church will be held at St. Paul's Methodist church, Oakland, on Thursday, September 13.

The meeting will be conducted on Eastern Standard time, beginning at 9:30 with registration at 9. Study courses are to be reviewed at this meeting.

Special guests are to be Mrs. J. Wayne Reiner, conference secretary of Christian Social Relations and local church activities; and Mrs. Walter Stuart, secretary of student work. Mrs. Frank B. Everhart, Kingwood, W. Va., is district president and will preside.

Qualified As Pilot

Naval Aviation cadet Ronald L. Ream, son of Mr. and Mrs. Harland L. Ream, route 1, Oakland, has qualified as a carrier pilot.

Ream attended Johns Hopkins university before entering the Naval Aviation cadet program. To qualify he completed six landings aboard the light aircraft carrier USS Saipan in the Gulf of Mexico.

He is now undergoing instruction in instrument flying at the Corry Field naval auxiliary air station at Pensacola, Fla.

County Engineers Plan Fall Meeting Here September 7-8

The program for the annual fall meeting of the County Engineers association of Maryland, was announced this week.

The meeting will be held at the William-James hotel in Oakland on Friday and Saturday, September 7 and 8.

A business session is set for Friday afternoon with T. T. Pantaleo, president, in charge. Four talks are scheduled Friday afternoon: "Rubberized Bituminous Material," by Earl Brengle, sales engineer for Rubarite, Inc.; "New National Highway Program and What It Means to the State and Its Counties," by Norman M. Pritchett, chief engineer for the Maryland State Roads commission; "Predetermined Wage Rates and the Highway Contracting Industry," by William E. Hardy, executive secretary of the Maryland Highway Contractors association; and "Traffic Engineering in Montgomery County," by Mason A. Butcher, director, Department of Public Works, and E. J. Clifford, chief, traffic engineering division, both of Montgomery county.

A dinner is scheduled for 7 p. m. Friday.

A tour has been arranged for Saturday morning to include a visit to the principal public works installations in the county. A tour also is planned for Friday afternoon for ladies who accompany their husbands to the convention.

Mrs. Specht Estate Willed to Church

The estate of Mrs. Emma Specht has been left to St. Mark's Lutheran church in Oakland, it was learned this week when her will was probated in the Orphans' Court here. E. R. Jones, executor, said the amount should total at least $3,000.

The will provided first for payment of all just debts and funeral expenses including a marker at the grave.

The will was executed September 4, 1954, in which she bequeathed "all of my estate of whatsoever being to St. Mark's Lutheran church." She stipulated that if there was any property other than money, that the executor should sell the same for the best interests of the estate, so that the distribution to the church could be in cash.

Mr. Jones said there was some furniture and household items that would have to be disposed of first, prior to any distribution.

Workers In Demand

Workers are again in demand at the Duvall Farms where cauliflower, broccoli, spinach and cabbage are ripe and ready to cut.

The opening of school cut down on the number of laborers and a call went out yesterday for 50 to 75 additional workmen. A bus is available for transportation to Red House, according to C. L. Briner, of the Employment Agency.

To Address Lions

C. Ferdinand Seibert, attorney general of Maryland, will be the speaker at the regular meeting of the Oakland-Mt. Lake Park Lions club on Monday evening, September 10, at 6:15 o'clock, at the William-James hotel.

Public Schools Open For Year With 4,554 On Roll

Total Is Twenty-Five Less Than Previous Year

Public schools of the county opened Tuesday with a total enrollment of 4,554, just twenty-five less than a year ago. Willard L. Hawkins, county superintendent of schools, said possibly another 100 late entrants will appear on the roll books within another week.

There were 1125 students enrolled in Southern High school and 782 students enrolled in Northern High.

The enrollment for other schools ran as follows: Friendsville, 256; Red House, 120; Crellin, 98; Loch Lynn, 122; Mt. Lake Park, 14; Oakland elementary, 668; Accident, 246; Grantsville, 409; Kitzmiller junior high, 75; Kitzmiller elementary, 185; Yoder, 55; Mt. Zion, 14; Swanton, 44; Deer Park, 49; Finzel, 25; Johnson, 60; Bloomington, 101; Bittinger, 39; North Glade, 33; Swan Meadow, 34.

W. Kenneth Johns, principal of Southern High school, said he expected enrollment there would climb to 1,135 by the end of the week.

Following a brief orientation program there on Tuesday an all-school assembly was held in the gymnasium. Following selections by the band Rev. Charles Carlson, St. Mark's Lutheran pastor, gave the invocation. Fred Teets, newly elected president of the student council, gave an address of welcome.

Carl Everly, vice-principal, was introduced by Wayne Callis, vice-president of the student council, and Mr. Everly introduced Southern's nine new teachers.

Mr. Johns then outlined objectives for the coming year, emphasizing the importance of beginning to work hard the first few days of school. He stressed that "what you do the first few days of school will set the standard for the rest of the year." "It's a well known fact," he said, "that the time honored virtue of hard work inevitably leads one to ultimate success." He urged that each student work diligently to "make this year a better year than last year. Only through such effort will Southern progress."

The program concluded with some school cheers.

State-wide Air Raid Alert Set Sept. 13

A State-wide air raid alert scheduled for September 13 will highlight National Civil Defense Week, Sherley Ewing, State Civil Defense Director, announced.

Governor McKeldin has proclaimed September 9-15 as Maryland Civil Defense Week to tie in with the national observance of the occasion.

Mr. Ewing said that every county in the State will participate in the alert with the possible exception of Frederick county, which will hold a big parade during Civil Defense Week.

The "Alert" signal will sound at 1:45 p. m. and the "Take Cover" signal will follow at 2 p. m., Mr. Ewing said.

Motorists will be expected to stop for a period of five minutes during the "Take Cover" signal, he said.

Mr. Ewing emphasized that the "new air raid warning signals do not include an 'all clear' signal on the sirens because such information would be given out over the radio."

Blue Ribbons Won At Maryland Fair

Patty Shawley and Judy Buckel, members of the Bittinger 4-H club, won blue ribbons at the Maryland state fair.

Susan Bowman, Accident, also received a blue ribbon.

Patty Shawley received her blue ribbon for a cotton sleeveless dress, 10 to 12 years; while Judy Buckel received her blue ribbon for a cotton sleeveless dress, 13 years and over. Judy Buckel also won a blue ribbon for first place for an exhibit of clothes closet accessories.

Patty Shawley received a special award purple ribbon in addition to the blue award. Susan Bowman received a blue ribbon on her tailored wool suit.

Buick CENTURY 6-Passenger 4-Door Riviera
SENSATION OF THE CENTURY
—at an easy-to-take price
It's Bonanza Time at Buick Dealers!
FIRST TIME you take the measure of a '56 Buick CENTURY, you'll know what the sports-car folks mean when they say the CENTURY is a great performer.
The getaway is right away—the road feel superb—the handling a joy. For this is Buick's most spirited and spectacular car.
It has the highest power-per-pound ratio in all Buick history.
It rides on a chassis compact to the last ounce and inch.
It takes to movement like a prima ballerina—nimble to the nth degree.
And when you press the pedal you get the response of Buick's mightiest V8 engine and the silk-smooth wizardry of an advanced new Variable Pitch Dynaflow that lets you switch the pitch for emergency acceleration that's the most satisfying safety measure in the land today.*
As we said, the name is CENTURY.
And, as you'll discover, the price is a cinch. For the CENTURY is just a cut above Buick's lowest-price SPECIAL Series—and that's just a cut above the well-known smaller cars.
So you really ought to try a '56 CENTURY . . .
Especially *now*, while your present car is at its peak worth . . .
Especially now, at *today's* Buick prices (who knows when they'll ever be as low again!) . . .
And especially now, with Buick so solidly in the Top 3 of America's best sellers—and *that* kind of sales volume permitting us to make you an even finer trade-in allowance.
Drop in on us this week—today would be even better!—and see what a buy you can make right now on the best Buick yet.
**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

Harris Recital Artistic Triumph

A Review By DENNIS RASCHE

Johana Harris, internationally-famed pianist, appeared in recital Friday night before an attentive and vastly-impressed audience at the Southern High school in Oakland.

Her program was of broad scope, nearly evenly divided between works of the great classicists, romanticists, impressionists, and moderns, and was accordingly one demanding profound musicianship. Throughout, the artist displayed the faultless technique, subtle and delicate sense of tone-color, and refined feeling for the musical phrase that has made her fame secure as among the very great pianists of her time. With scholarly knowledge of pianistic literature she interpreted with sympathetic understanding the message of the masters, their many and varied moods.

Rondo in F Major was the Mozart of inexhaustible invention, of sparkling scales and glittering arpeggio, in a moment of unbounded exuberance of spirit.

The effect of this opening number was electrifying; immediately the artist became mistress of the feelings of her hearers.

Beethoven's Country Dance was the Colossus in a humor of restrained jollity; Romance in F sharp Major was Robert Schumann in a mood of somber melancholy, perhaps foreboding of tragedy to come.

Four short pieces by the American composer, Roy Harris, were included. Of this eminent creative musician it may be said that his prolific inspiration is more than all else essentially American, with a contemporary pulse expressing the dynamic drive of present day life. The audience responded warmly to the Roy Harris music, which has an instantaneous appeal.

In the nature of things Johana Harris would be acknowledged as the foremost interpreter of music written for the piano by Harris, and he has written much in the larger forms. Yet she was no less authoritative with the four Chopin etudes and the four Debussy pieces, these affording a wealth of rich and colorful contrasts with the other master works, with each other, and each with himself.

Chopin and Debussy were played with such graceful facility and lively feeling that were these unique and towering geniuses living today one might well expect them to come striding forward to bestow upon Johana Harris affectionate and approving pats on the back.

The artist interspersed these pieces with intimate and genially humorous comment. Picking a Chopin theme apart with each hand separately she illustrated some of the mechanics whereby he effected his wizardry. It sounded fairly simple—but ah well, let's not everybody try to be his own Frederic Chopin. Debussy, an anti-Wagerian, gave the latter a musical Bronx cheer by caricaturing in one of his short humorous pieces an oft-recurring theme from Tristan and Isolde. The audience loved this.

The occasion being something of a community project, a benefit for and sponsored by the Loyal Order of Moose, Johana Harris graciously made place for compositions of two Garrett Countians. These were two pieces for flute and piano, "Andante in C," and "Schon Gretchen," by Bessie Ward Hinebaugh, with the composer playing the flute solo and Johana Harris the piano.

They were daintily and piquantly melodious and soundly harmonized.

Johana Harris played an improvization of a Ballad of the Tableland, "The Glades of Garrett," by Felix Griffon Robinson. It is a musical setting of verses by the late Folger McKinsey in which the famed Bentztown Bard expressed nostalgic feeling for local scenes he had once visited. The vein of the music was admirably adapted to the sentiment of the poem. With a superlative artist playing it the piece was magnificent.

The compositions of the local musicians were more than heartily received.

As an extra encore Johana Harris played a dazzlingly brilliant improvization on bits of theme woven together with consummate artistry. There were at least ten themes ranging from homespun dirt-farmin' tunes like "Sailor's Hornpipe," and "Pop Goes the Weasel," through Debussy, Strauss, Dvorak, von Suppe, Tchaikowsky. "The Glades of Garrett" found place; "Star Dust" was there, and some popular waltz tune this reporter can whistle but cannot label.

Judge Neil C. Fraley spoke briefly in introducing Mr. F. Roy Yoke, Past Supreme Governor of the Loyal Order of Moose. In his introduction of Johana Harris, Mr. Yoke paid eloquent tribute to her outstanding gifts as an artist and to her unaffected bearing as an individual and her unbounded personal charm.

Rev. John J. Atwell, in behalf of the local lodge of Moose presented the artist with a spray of red roses. Baskets of flowers were also presented by the American Association of University Women and the Civic Club.

At the end of the recital the audience enjoyed the privilege of rising and singing of one stanza of "America," accompanied at the piano by a great artist and truly distinguished woman.

National Director To Address Meeting

Supreme Forest Woodmen Circle members of the Mountain District will hold a convention September 10 at the Methodist church rooms in Friendsville. Mrs. Evelyn Schroyer, District President of Friendsville, will be the presiding officer.

The convention will convene immediately following the dinner meeting which begins at 5:30 p. m. Mrs. Faye K. Littman, National Director and State Manager, from Grafton, W. Va., will deliver the main address, entitled "The Value of Ritualistic Work." Mrs. Schroyer will act as toastmistress. Members of the Swanton Grove Drill Team will take part in the Woodmen Circle ritualistic ceremonies. Mrs. Mary June Harvey, Swanton, is captain of the team.

Woodmen Circle officers planning to attend are: Mrs. Edna German, National Representative, LaVale; Mrs. Rachel Walters, State Chaplain, and Mrs. Mareva Teets, Past State President, both of Swanton; and Mrs. Olive Sommerkamp, State Assistant Attendant, Cumberland.

Members of Friendship Grove No. 43 will act as hostesses.

They Don't Know Why

It is now pretty generally conceded that the somewhat comic "drop Nixon" campaign waged by the misguided, though well meaning, Mr. Harold Stassen actually resulted in strengthening Mr. Nixon as a candidate instead of weakening him. This ought to be consoling to Mr. Stassen in that he professed all along his only desire was to aid the Republican ticket, which he is now enthusiastically supporting. Mr. Truman likewise is supporting the Stevenson-Kefauver team, both of whom were nominated over his vehement protest as candidates who could not be elected.

Thus, each side in the present contest suffered a somewhat similar experience which at first seemed full of potential harm but turned out not to be damaging at all. Before the Stassen incident is completely forgotten perhaps it may be worth while to note the reasons it turned out so well for Mr. Nixon. Undoubtedly one was the manner in which he himself behaved under exceedingly trying circumstances. He exhibited complete poise. No bitter word escaped him. He made no counterattack, did nothing to embarrass his friends nor add to the pleasure of his foes. In this attitude he was aided by Mr. Eisenhower, who treated Mr. Stassen exactly right, made no effort to restrain or suppress him, insisted upon his right as an individual to protest the Nixon nomination and personally to address the convention. It turned out that all he wanted to do was second the Nixon nomination, which he did with as much grace as a man could who had just made a fool of himself.

Another reason Mr. Nixon benefited rather than wilted under the experience was that it focused attention upon the violent anti-Nixon campaign which Democratic propagandists have been making for four years and which apparently they have every intention of continuing until election day. It was a whispering campaign in that there were no definite charges either against Mr. Nixon personally or against his public record. The nearest thing to a definite charge was that Mr. Nixon in a speech had called Mr. Truman a "traitor" and called the Democratic party the "party of treason." This Mr. Nixon, of course, repeatedly denied, and the Democratic publicity agents, challenged to produce evidence and offered money prizes to do so, have merely repeated the charge with no effort to prove it.

Apparently what all this is based on was that Mr. Nixon in the last campaign did refer to the Truman Administration as having been soft on the traitors therein. No one who recalls the oft-repeated "red-herring" remark of Mr. Truman's about Mr. Alger Hiss, and who also recalls the shocking evidence which the FBI laid before Mr. Truman in the late Harry Dexter White case, would deny the truth of that allegation. "Soft" was certainly the word for it, but that is a very different thing than calling Mr. Truman a "traitor" and the Democratic party the "party of treason." That is an outrageous charge and is not true. It is true, however, that if it had not been for Mr. Nixon's aggressive determination as a member of the House Committee in Un-American Activities, Mr. Hiss would not have been indicted and would never have gone to prison. That has been proven, is well documented in the recent Nixon biography and has not been denied. Undeniably, that made Mr. Nixon abhorrent to every Communist in America.

Aside from this the anti-Nixon campaign has been one of insinuation and utter vagueness. Yet it has been cleverly conducted by well-paid experts aided by a good many volunteers in the journalistic, political and radio fields. Clearly it is intended to reflect upon the personal integrity of a completely honest man and to ruin him personally and politically. It has been a dirty campaign and in four years has certainly had an effect, and there are a number (no one knows how many) of people in the country who have a feeling that there is "something wrong" with Nixon.

The extraordinary thing about this long-sustained smear of Mr. Nixon is that so few of them can offer a reason for their hostility. Asked why, the reply is almost always vague and inconsequential. The Stassen attack served, for one thing, to emphasize this curious feature. Mr. Stassen himself gave no reason for his assertion that Mr. Nixon on the Eisenhower ticket would lose it "millions of votes." Obviously he, like others, was influenced by the Democratic whisper campaign.

Just as obviously, Mr. Eisenhower and the convention delegates were not. The Democrats will, of course, continue to use him as a target, but his friends believe he has emerged a stronger and better man than he was in 1952. Also, he will now be able to talk for himself and even his worst critics concede he is an unusually hard-hitting campaigner. Perhaps, that was one reason for the viciousness of the campaign against him.

Anonymous . . .

We frequently receive unsigned communications, and very often communications that are signed "taxpayer," or some other title just as elusive and secretive.

We received another such a letter this week, but of course, we will not publish it. We would like to do so, for it congratulates us for our determined stand against our senator's insinuations rather than facts.

Should he inform us who the writer of the letter is, we would be happy to publish it.

But it is a regulation of this newspaper, that all communications be signed, so that we know the source of all material. Signatures to news letters and other items are never used, but those of letters to the editor should always be carried.

We Can Get The Best . . .

We don't have to live in New York or Pittsburgh to get the best. We can get it right here.

In fact we have had the best within the past week. There may have been somewhat of a miracle about it but nevertheless, it has happened.

Two years ago when Johana Harris spent a week on the mountain top, she was so thrilled with the beauty of her surroundings that she offered to present a concert here if someone would sponsor the event.

The Loyal Order of Moose became the sponsor, and so we had the privilege last Friday of listening to America's top woman pianist.

The four hundred or more persons who attended the concert will be everlastingly grateful for the circumstances which brought this talented and gracious woman to our community. Her performance was of the highest quality.

And we also got a clearer picture of the Moose and what it stands for nationally.

Congressional Viewpoint

Sen. John Marshall Butler

The Evil Lives After

In the third act of Shakespeare's "Julius Caesar," Mark Anthony says, "The evil that men do lives after them, The good is oft interred with their bones." Karl Marx in discussing the international communist conspiracy proclaimed that "in such great developments, twenty years are but as one day—and there may come days which are the concentrated essence of twenty years."

On November 16, 1933, this country officially recognized the Soviet Union as the legitimate government of Russia. That one solitary act was not only the concentrated essence of twenty years in terms of the communist struggle for world domination, but it has certainly lived after the New Deal. The evil of that one act has not only lasted, but has grown in magnitude and prospered far beyond the deepest fears of those who advised against such action.

For today Communist Russia, well launched on its diabolically conceived career of wholesale human slaughter and enslavement, holds life-or-death sway over half of the human race. And, the other half—like a rabbit fascinated by a snake—seems to be frequently caught in a hypnotic spell.

The heirs of that discredited, moth-eaten handful of social outcasts who forced the surrender of the Czarist regime in 1917, control by ruthless direct action and subtle indirect action, a majority of the minds of the human race! Why? When we probe—as a surgeon would—we find the answer: we find the inviolable law of nature asserting itself; disease lives and thrives in direct proportions to the decline of healthy tissue. The sinister men in the Kremlin hold the world in dangerous and delicate imbalance today simply because the primary and essential strength of international communism is, and always has been, the moral weakness of the free world.

Myron H. Bent, early perceived the depth of this weakness, in an article in the Brooklyn Times-Union, March 4, 1934, when he said ". . .we are adopting the Soviet System so gradually that we do not know it. The Russian idea is being imposed upon us, not from Moscow but by ourselves, because of our proneness to go with the crowd or swim with the current."

The fabric of history in the past 25 years has been woven by instances of appeasement and compromise with the corrupt concepts of atheistic communism. Who then will deny that much of what was good in the world before that fateful day in 1933—when the criminals of the Kremlin were adorned with a mantle of decency—has been interred with the bones of the New Deal Era?

Listen Americans!

BY GEORGE S. BENSON
President of Harding College

In his talk on the problems of Amercian agriculture at the National Education Program's recent Freedom Forum, Roger Fleming spoke some words of wisdom. They come from the grass-roots of America. Roger Fleming was born and reared on an Iowa farm, is a farmer and the son of a farmer, and today is one of the top executives of the American Farm Bureau Federation. He made the following observations:

"I want to examine the idea of being **for** what you're **for** and **against** what's inconsistent with what you're **for.** This is easy for farmers to understand. In my home state you do not plow the corn, you kill the weeds. You don't just do one or the other. I run into a lot of folks—various degrees of eggheads—who think that actually all you ought to do is be **for** what you're for and never really **against** what's inconsistent with what you're for. Now they don't practice it themselves. But they'd like you and me to.

"Each spring I get down into the Shenandoah Valley of Virginia. I suppose there are people down there who see the orchardists spraying those great apple orchards in the spring, who probably assume that those doggone farmers are against the codling moth; but they aren't; they're **for** apples!

"I was in New England last week. The folks up in New England have heard about a fellow on a pony, and if you've read your history books you've read about him too. His name was Paul Revere. He didn't have a long legal document spelled out in fancy language to indicate what the Colonists were **for.** He had a simple message; he said, "The British are coming!" Everybody understood. The people of the colonies viewed the actions of the mother country as a threat to freedom. And, since the British 'were coming', if you really were for what you were for you couldn't be in favor of what the British were planning to do to the struggling colonies at that particular time.

"There is another clarion call that should be called out to the width and breadth of this land, to the crossroads of our state, your community. It is just as simple as Paul Revere's call and that is: 'The Federals are coming.' They are! They're coming in every field of endeavor, and we're losing ground currently, largely, I believe, because we don't all know for sure what we're for and we don't all understand completely the threat to what we say we're for.

"We in the Farm Bureau are seeking to understand the implications of the choices we make on all these things. I can say that today we haven't succumbed to the delusion that you can somehow work out magical answers in contravention of economic law . . . Every evidence is that so far as farmers are concerned, they are prepared to stand up and be counted . . . Farm people in every state have supported the idea of handling price supports like you would a fire, well encased, with asbestos around the pipes, and with other things necessary to keep it from being a means of our own destruction."

One Man Looks At God

(By Charles W. Carlson, Pastor, St. Mark's Evangelical Lutheran Church, Oakland Maryland.)

In continuing this series on the articles of the Apostle's Creed, I will consider this week the first statement of the second article of the creed: "(I believe in) Jesus Christ, His only Son, our Lord."

There have been countless volumes written on the event in history through which God revealed Himself in the Person of His Son. It would take me years to get through any series of articles that would treat this first statement of the creed in a way which would be in any way complete. Therefore, I will "boil down" what I feel are the highlights of this first statement of the second article of the creed.

In the first place, I want to remind you of a previous article which I wrote about "original sin," that first time when man saw fit to follow his own ideas rather than the commands of God. As you perhaps recall, I made the statement that when God created man He created man in His image, to be His child. Then man, as is clearly indicated by the divinely inspired story of the Garden of Eden, saw fit to distort this image by refusing God's direction of His life. This might well be the complete story of man's history, because in the beginning man chose to eat a piece of fruit rather than follow the advice of God, and today man chooses to fight with his fellow man i.e. the Suez situation and others like it, or chooses to discriminate against his neighbor, as in Clinton, Tennessee situation. Any way you look at it, the basic sin of man is his unwillingness to follow the Law of God in his life.

At any rate, God attempted to bring his children back to Him over a period of centuries by establishing a covenant with Abraham, by His direct revelation through the mouths of the prophets, and in many other ways, but man insisted on following his own way. How and why Christ came is beautifully illustrated by one of His last parables, spoken near the end of His life, and recorded in the 20th chapter of Luke, the 21st chapter of Matthew, and the 12th chapter of Mark. It is the parable of the vineyard, where He tells of a man who bought a vineyard, then moved to another country and let it out to tenants. When time came to receive his share of the fruits, he sent first one servant, then another, and another, but the tenants beat them all and sent them away without any fruit. Then he sent his son, hoping that they would at least treat him respectfully, but they killed the son, hoping that they would eventually get the property for themselves, since there would not be anyone who could inherit it, since the son was dead. But they were mistaken, because the owner came back and put these men to death and gave the vineyard to others. Christ came to bring back the children to God, but His own people would still not believe in Him. God's chosen race, the Jews, put Him to death, refusing to believe in Him. But now those who refused to follow Him have seen "the vineyard" go into other peoples' hands.

Christ came into the world as the Son of God to give to mankind the most full revelation that man could possibly understand. Christ came to the world to show men that love "which passes human understanding." Some men from the beginning chose to follow him. The Kingdom of God on earth has continued to grow, in spite of the weaknesses of the men who are in charge of this kingdom on earth, the leaders of our churches. It has indeed grown like Christ said it would in His famous "Parable of the Mustard Seed."

He came to give us a way back into the position of being Children of God, in spite of our sins. He begged the people to yield themselves to their God, and to rely on His mercy and forgiving love for their lives. Throughout the history of the world since Christ men have shown that if they follow Him, the world can indeed be a fit place in which to live. No greater force in history have we known than the force of Christ, Who started in an obscure village in a remote province of the great Roman Empire, and whose kingdom today far outreaches anything Rome ever knew, although the Roman officials dismissed Him as "a crazy pest."

Sure we have problems today, and big ones. BUT, with the help of the love of God, shown to us clearly in the Person of His Son, no problem we have is too big!

Women's Market Group To Meet September 10

Plans to complete the Rural Women's Market business will be held at a committee meeting September 10, at 8 p. m., at the home of the chairman, Mrs. Gerald Glotfelty. Future meetings will be discussed.

Answering the questionaires, some customers said they were not aware of the market the entire time. Thirty-five visited the market once, sixteen, twice; ten, three times; twelve, four times; twenty, five times. Customers agreed there was a wide selection of good fresh produce, sales people were accommodating and hospitable, that articles were well displayed and that the place was clean. Of those answering questions 36 were summer residents, 44 were cottage owners, nine were guests and ten were year-around residents.

Sixty-three felt prices were reasonable and all wanted to see the market continued next summer. Majority wanted it on Saturday. The women who sold produce said they felt it was a good idea.

CARD OF THANKS

We desire in this manner to express our appreciation for acts of kindness shown following the instant passing of our father, son and brother, the late Emerson Ray Knox.

Especially are we grateful for monetary offerings which enables his youngest son to complete his education.

Budget Heating Applications Slow Up Processing

An improvement in Cumberland and Allegheny Gas Company's 10-month budget heating plan has stepped-up applications and brought on a backlog in processing them, manager Russell H. Brown, said today.

The gas company budget payment plan has been changed to start in October this year, instead of in September as in earlier years. Under the plan a customer whose heating costs run $150 for the entire year makes ten equal monthly payments of $15.

The budget payment plan was introduced to eliminate high gas bills and to level off payments for ten months to make budgeting easier for customers, Mr. Brown said.

Trucker is Killed In Auto Collision

Stanley LaRue, 36, of Clarysville, formerly of this county, was killed instantly Friday, Aug. 24, in a two-truck collision near Hagerstown.

Larue was driving east on U. S. Route 40, hauling a load of beer to Brandywine, when his tractor trailer crashed broadside into a similar vehicle of the Mason-Dixon Trucking company at the intersection of state route 398. The other vehicle, driven by Homer F. Sherman, 40, of Verona, Va., was proceeding north on route 398. Sherman told State Trooper Richard E. Garvey, who investigated, he had the green light at the intersection. He was not injured in the crash.

LaRue, who had been employed as a driver for the past two years by Austin Godlove, trucking operator, was pinned in the wreckage of his tractor rig for several hours.

The impact of the collision overturned Sherman's tractor trailer. LaRue's tractor was reported a complete loss although the trailer was said not to be damaged extensively.

Trooper Garvey said no charges would be preferred pending completion of his investigations.

Born in this county, LaRue was the only child of Martin and Marie Burdock LaRue, of route 40, west of Frostburg. He was a graduate of Grantsville High school and a veteran of World War II, having served in Europe with the Fourth Armored division of the third army. LaRue held membership in the Clarysville Volunteer Fire company and the Woodmen of the World.

Surviving besides his parents, are his widow, Mrs. Edna Davis LaRue, and a son, LeRoy LaRue. Funeral services were conducted on August 27 at 2 o'clock p. m., from the Johnson church by Elder Roby of the Church of Latter Day Saints. Burial was in the church cemetery. Farady Post 24, American Legion, and John R. Fairgrieve Post, VFW, conducted military rites at the graveside.

LOW EGG PRODUCTION COST with PURINA FEED EFFICIENCY
You don't have to travel far to see the difference Purina efficient Chows have made in a neighbor's egg profits. Demand for Purina feeds is expanding fast. Many poultrymen have found they make more money because Purina's efficient Laying Chows *did* cut feed used per dozen eggs.
Look at these results from an experiment at the Purina Research Farm. One pen got an "average" ration... the other regular Purina high efficiency Chow.

See the Difference Purina Efficiency Made!	LIGHT BREEDS	
	Medium Eff. Feed	Purina Efficient Chow
Feed per Dozen Eggs	4.4	4.0
Dozen Eggs per 100 lbs. Feed	22.7	25.0
Value of Market Eggs @ 42¢	$ 9.53	$10.50
EXTRA VALUE OF EGGS Per 100 lbs. of Chow		$ .97
Per ton of Chow		$19.40

MARRIED

Johnson-Sisler — Miss Clara Sisler, foster daughter of Mr. and Mrs. James Kolbfleisch, became the bride of Robert H. Johnson at 8 p. m., Saturday, August 18. Mr. Johnson is the son of Mr. and Mrs. Howard Johnson, of Mt. Lake Park.

The Rev. Edsil Bragg solemnized the double ring ceremony under candlelight in the United Brethren church at Underwood. The altar was decorated with pink and yellow gladolius.

Earl Foster presented traditional wedding music. Miss Betty Bittinger accompanied Miss Gladys Moomaw, who sang "Always" and "I Love You Truly."

The bride, who was given in marriage by her uncle, James Kolbfleisch, wore a ballerina length gown styled of Chantilly lace and tulle. Her custom-made veil of English illusion was attached to a crown of sequins and pearls. She carried a white satin covered Bible topped with white carnations and white satin streamers tied in love knots.

Miss Betty Lou Shaffer, of Oakland, was maid of honor. She wore a ballerina length gown of blue lace over taffeta. The style of the gown was similar to that of the bride. She wore a white lace hat with blue accessories to complete her outfit. She carried a colonial bouquet of pink carnations.

Bridesmaids were Miss Phyllis Sanders, who wore a ballerina-length gown of lavender pink and Miss Carolyn Johnson, sister of the groom, who wore a pink ballerina-length gown. Both carried colonial bouquets of yellow chrysanthemums.

Darvin Sanders served as best man. Ushers were Bill Teets and Jack Sowers, both of Oakland. Junior ushers were Dennis Shaffer, Oakland, and Wayne Martin, of Kitzmiller.

Miss Criss Paugh, niece of the bride, served as flower girl. She wore a white ballerina length dress made and styled by her mother, Mrs. Phyllis Paugh. She carried a nosegay of pom-pons.

Steven Sisler served his sister as ring bearer.

The bride's mother wore a navy dress with white accessories. The groom's mother wore a navy dress with blue accessories. Both wore rosebud corsages.

Following the ceremony, a reception was held at the home of the bride. The table was centered with a four-tiered cake topped with a miniature bride and groom. Mrs. Juanita Kolbfleisch, Mrs. Okareda Shaffer, Mrs. Pearle Sisler and Ruth Stottlemeyer served the cake and punch.

The bride made her own traveling outfit. It was a white sheath dress trimmed with blue embossed organdy with a duster to match, made of blue embossed organdy. Blue and white accessories complemented her costume. She wore a white carnation corsage.

After a wedding trip to Canada, the couple will reside at the home of the bride near Oakland.

Rumer-Wolf—Miss Alice Wolf, daughter of Mrs. Blanche Wolf, of Oakland, became the bride of Warren M. Rumer, son of Mr. and Mrs. Dorsey C. Rumer, route 1, Oakland, last Saturday morning, September 1, at 8 a. m.

The wedding took place at St. Peter's Catholic church in Oakland with Rev. Michael K. Carney, pastor, performing the ceremony.

Miss Janet Wolf, Oakland, was maid of honor and John E. Miller, Oakland, was best man.

It Runs Through My Mind

BY POLLY J. HANST

Goodbye Summer

The sound of the school bus coming to a stop means that summer is over for most of us. Routine is back in vogue and welcome it is too, I say that, not because I want to be rid of my child, but because as any woman knows, there's a certain amount of peace that routine brings. Especially that of getting breakfast over at breakfast time.

This summer was a "fastie" for most of us. Two things stood out: Lots of rain and good plays. Without the latter it would have been an uneventful season for many.

Already it seems history when we think back to Helen Page Camp as the mother-in-law in the Show-Off; Calkins and Bob Morris in Three Angels; Suzanne Oglesby as Peg; Bonnie Barton, the nose in the air matron and Buckles as the Inspector; Myron Herrick as the funny little Irishman, and Donnie Welch as the party loving girl in the Tender Trap; and Leonard Drum? I can't seem to cast him. My mind jumps from one scene to another in one play and another.

The real exclamation point! of the summer was Johana Harris!! Over my head? Possible, though I didn't feel that she was. She wasn't over my heart. I guess 'tis a sign of the true artist—she can speak to all people. The biggest thrill of all was the frills she put on Felix Robinson's "The Glades of Garrett." I have always loved that composition as Felix plays it but Johana Harris made a symphony of it.

Yes, our rainy summer is but a memory and the sounds of the morning and evening tell us that autumn is here. At the moment, I think truly this season at hand is the best of all.

A Skewer Excursion

I've got an idea, but it's too big for me. I haven't a doubt in the world but what it could put Garrett county on the map in the most drooling sort of way.

Why couldn't we have a Kabob day? Now a Kabob is a meal on a stick (or skewer) done to a mouth watering turn over charcoal. Most of us have limited our imaginations to beef cubes, onion rings, tomato and potato slices. That's only because we don't exercise our imagination enough.

Any farm youngster of my period, maybe those today too, for all I know, have treated themselves to liver on a stick on butchering day—when the outdoor fire used for heating water was reduced to coals and the liver had cooled sufficiently for slicing it was a jamboree for us and our friends when we got home from school.

When I read about the Negro woman at Timonium Fair serving corn on the cob brushed with butter it set me to thinking. Apparently the city people were really lapping it up.

Can't you just see the folks who come in here on an autumn excursion having the time of their lives at Swallow Falls eating a meal from a skewer?

Maybe this could be a project of the Rural Women's Market, the Chamber of Commerce, and all the rest of us could swing this fall.

Step right this way, lady, get your stick and your packet of raw food. One dollar to do your own; one fifty to have it done for you.

Um—already I'm hungry to have a Kabob Day.

Looking Down on Garrett County

We were still in second gear on the first day of our vacation seeing sights we had never seen before. Beautiful sights we'd travel miles over crowded highway to see in other areas if it was well publicized.

Another must, according to the boys was a view from Meadow Mountain fire tower. The road was passable, going in from the Rock Lodge road, since the bridge across Cherry Creek has been repaired.

By this time I was feeling every year my age and was perfectly willing to take their word for their claim that it was the view of the east. But they "chickened" me right up six of the seven flights of steps. I could not dispute their claim. Had we taken the climb earlier in the day or when the air was calm (a stiff wind when you perched above the tree tops with only a rail to hold on to and a skirt that has shaped up like a full blown balloon doesn't put one in the mood for calm appreciation) it would have been the number one view of the week.

The Creator and his apprentice, man, did themselves proud on that one.

I came to the conclusion after one day in new (to me) Garrett county that she is young and unspoiled. It takes wisdom and understanding to bring a child of such rare beauty into the full flower of maturity. May we be granted that wisdom!

Grantsville Takes Fourth Place Slot

Grantsville entered the playoff picture in the Pen Mar Baseball league with a come-from-behind 5-4 victory over the Centerville Reds on the neutral Mt. Savage field on Saturday. Both teams tied for fourth place with 14-14 records.

Centerville opened the scoring in the third, sending four men across the plate. The Sluggers came back with two runs in the fourth. Junie Perry, the league's leading hitter, singled to center and advanced to second on the centerfielder's error. Harper followed with a single, scoring Perry, Harper going to second on the throw to the plate. John Keister's base hit sent Harper across.

A three-run outburst in the fifth wrapped up the victory. Thompson opened with a base hit. Wilkinson sacrificed him to second. Fred Colaw followed with a timely single to center, scoring Thompson and Colaw took second on the play at the plate. Cousin Toby Colaw continued the rally with a single, sending Fred to third. Harper came through with his second single, scoring Fred Colaw and advancing Tob to third. With John Keister batting, Glenn Deremer let loose a wild pitch on which Colaw raced in with the winning run. Wilkinson gave nine hits, struck out eight and walked two. Harper had a triple and two singles. Toby Colaw had a pair of base hits.

Grantsville Loses

Zihlman defeated Grantsville 4 to 1 as the playoffs got under way Sunday in the Pen-Mar Baseball league.

Jack Brodie struck out Keister and Harper with two on base to stop a Grantsville threat. Harper's homerun in the fifth inning was Grantsville's lone tally.

In the other game Sunday Barrellville won over Mt. Savage 5 to 4.

Observe Golden Wedding Event

GOLDEN ANNIVERSARY—Mr. and Mrs. George W. Kahl and their children are pictured as they observed their 50th wedding anniversary on July 29 in Oregon City, Oregon. From the left are Karl, Oregon City; Mrs. Nathan (Beulah) Boyd, Oregon City; Frank, Klamath Falls; and John, Oregon City.

The observance of Mr. and Mrs. George W. Kahl's 50th wedding anniversary began on Sunday morning, July 29th, when 23 members of the family attended the First Presbyterian church in Oregon City, Ore., in a group.

George Kahl is the son of the late Ludwig and Catherine Lane Kahl, of Accident. A brother and three sisters still live in the Accident vicinity: John Kahl, Mrs. Barbara Miller, Mrs. Emma Richter and Mrs. Lizzie Harman. Another brother, Henry L. Kahl, resides at Fresno, Calif. Mrs. Kahl will be remembered as Miss Esther Budd, niece of the late Mrs. Joe Hostetler, who came from Iowa to teach at Hoyes.

On Sunday afternoon approximately 160 guests were present at a reception in the Church dining room honoring them on this occasion. Mr. and Mrs. Kahl received guests from an antique love seat flanked by pastel gladiolus in tall silver standards. Behind them were two huge pink hearts with the gold numerals "1906-1956" against a deep blue velvet drapery. White wedding bells with golden ribbon ornamented the pillars in the room.

Receiving gifts and greeting guests were their three daughters-in-law, Mrs. Frank Kahl, of Klamath Falls and Mrs. Karl Kahl and Mrs. John Kahl, of Oregon City. The wedding cake was cut by Miss Beulah Budd, of Claremont, Calif., and served by their daughter, Mrs. Nathan (Beulah) Boyd, of Oregon City. Pouring were Miss Helen Budd of Claremont, Calif., and Mrs. Russell Bittner, of Fresno, Calif. Their two granddaughters, Miss Mary Ann Kahl, Oregon City, and Miss Sally Boyd, of Portland, presided at the punch bowl and the guest book.

Other relatives joining in this occasion were Mr. Kahl's brother, Henry L. Kahl, of Fresno, Calif., and Mrs. Kahl's sisters, the Misses Beulah and Helen Budd, of Claremont, Calif.; Henry Kahl's daughter, Mrs. Russell Bittner, of Fresno; and another niece, Mr. and Mrs. J. Adam Miller and their son and daughter-in-law, Mr. and Mrs. Wayne Miller, all of Oregon City.

Their pastor, Dr. Lee E. Knoll, presided at the short program. Attired in costumes of bygone days, Miss Ruth Knoll and Miss Mary Ann Kahl, sang "The Surrey With the Fringe on Top." Mrs. Karl Kahl read Edgar Guest's "Home." Miss Pat Terry sang "Through the Years." Dr. Knoll then led Mr. and Mrs. Kahl in a reaffirmation of their marriage vows. Paul Knoll sang "I Love You Truly." The program ended with the marriage ceremony benediction.

George Kahl, of Maryland, and Miss Esther Budd, of Iowa, were married in Williston, N. D., on August 1, 1906. They went to Oregon City community in 1913 and have resided on the same farm ever since. Mr. Kahl and his family have been active in the First Presbyterian church where he is now an Elder Emeritus. Mrs. Kahl is a charter member of the Greenwood Home Extension Unit and was a member of the original Clackamas County Home Economics Extension Committee.

The couple has three sons and a daughter: Frank, of Klamath Falls; Karl, John and Mrs. Nathan Boyd, of Oregon City. There are seven grandchildren: John M. Kahl, a sophomore at Stanford university; Mary Ann, Robert and Roy Kahl, of Oregon City; Sally Boyd, employed in Portland; and George and Stephen Kahl, of Oregon City.

On Wednesday, August 21, 21 members of the family gathered at the farm home of Mr. and Mrs. Kahl to celebrate with a family dinner the actual anniversary of their wedding 50 years ago.

Lake Property Owners Re-Elect Board Members

At the meeting of the Property Owners association of Deep Creek Lake on August 26, three members of the Board of Directors were re-elected. They include Dr. F. C. Robinson, Uniontown; Fred Clayter, Pittsburgh; Dr. T. G. Bennett, Lusby, Md. New members named were Ray Keener, Uniontown, and John E. Beck, Ligonier, Pa.

At the reorganization meeting Dr. Bennett was elected president; George W. Meyer, vice-president; Ralph Marshall, secretary and treasurer.

Guests at the meeting included Mrs. DeWitt Hyde, Alvin Aubinoe, Washington. Congressman Hyde was the speaker.

Congressman Hyde's group was taken on a cruise of the lake with Dr. T. G. Chattaway as host. Mrs. G. A. Gibson, president; and Dr. F. C. Robinson accompanied them. The group and members of the Board were entertained at the Gibson home at Penn Point and later at a dinner at Nemacolin lodge.

The Association has a membership of about 250 at the present time, which has remained active for a number of years. Following a membership campaign in 1951 the association grew to 271, but the present membership has been maintained on a voluntary basis. Dr. Robinson said he felt the organization was in a very healthy condition.

Welfare Expense In July Is $24,315.24

A second decrease in two months was noted in County Welfare expenditure for July with 708 persons receiving $24,315.24 through the Garrett County Welfare Board. Figures were released by Thomas J. S. Waxter, director of the State Department of Public Welfare. The total did not include costs of administration.

The report showed the total was sixteen less than the number receiving assistance during June and that the total amount was $987.14 less than the total for the previous month.

Largest percentage of the total expenditure for July went to Dependent children, where 353 children in 116 families received $9,422.59, an average of $81.25 per family. There were three new applications with two cases being added and four cancelled.

Two hundred twenty-one persons received $9,007.94 under Old Age Assistance, an average of $40.76 each. There were five new applications with five cases being added and two cancelled.

Five blind persons received $279.95. Ninety-nine persons listed as permanently and totally disabled received $4,285.95, an average of $43.29. There was one new application in this category with two cases cancelled.

Fifteen persons listed under general public assistance received $606.51, an average of $40.43. There were two new applications here with two cases added and two cases cancelled. Fifteen children listed under foster home care received $712.50, an average of $47.50.

Throughout the state the total payments for July amounted to $1,711,813, which compared to $1,709,967 for the previous month and $1,639,703 for July a year ago.

Migratory Game Bird Season Set

Seasons, limits and shooting hours for taking migratory game birds for 1956-57 season, were announced last week by Ernest A. Vaughn, director, Maryland Game and Inland Fish commission, in cooperation with the Fish and Wildlife Service, and in conformity with both state and federal laws.

Vaughn predicted an excellent hunting season.

Season on rails and gallinules and sora birds came in September 1, and ends October 20. Daily limit on the first two is 10, with limit on the sora set at 25. Mourning doves may be hunted September 15 to November 8, with a daily bag limit of 8.

Season on geese, ducks, coot and brant opens November 7 and remains open until January 15. Limit is 2 for geese, 4 for ducks, 10 for coot and 6 for brant. Season on woodcock and jack snipe opens November 15 and closes December 24 for woodcock and December 14 for jack snipe. The limit is four for woodcock and eight for jack snipe.

Shooting hours are one-half hour before sunrise to sunset, except for mourning doves which may be hunted from noon to sunset.

Vaughn said the only changes in the migratory game bird laws from last year are a straight dove season for 55 consecutive half-days and an extension of jack snipe season to 30 consecutive days.

Army Man Joins Marines

Staff Sergeant S. K. Branson, NCO in charge of Marine Corps recruiting, Cumberland, announced that Jack Hardesty, son of Anna Grace Hardesty, Eighth Street, Oakland, joined the Marines on August 28, for a period of three years. Hardesty served with the Army from October, 1952, until October, 1955. He is at present undergoing Marine basic training at Parris Island, S. C.

Franchised new car dealer announces that the best place to buy a used car is behind the wheel

To the citizens of Garrett County:

All over the nation on September 6, 7, and 8, new car dealers of America are taking part in "Operation Demonstration," to prove beyond a doubt that a used car buy from a new car dealer is now, and will always be, a good one, a sound one, a dependable one.

For years as a new car dealer of this community we have backed every used car sale with a warranty based on Quality, Dependability and Service. We are happy to announce that we are participating with Look Magazine and the NADA in this program.

We extend you an invitation to come in and drive the Used Car of your choice. We know, from years of experience, that "The Best Place To Buy A Used Car Is Behind The Wheel."

Why Men Fight

Lesson for September 9, 1956

IF SOME angel who had never heard of this earth, or some man from outer space living on some planet never invaded by sin, should get acquainted with the human race for the first time, probably the thing that would astonish them most would be the human hankering for a fight. Here we are, clinging to the surface of a tiny planet, with every reason to hang together; and yet to us who are born here and live here, fights are so common they seem quite natural. People quarrel at home, they get into arguments on the street, congressmen have to be restrained from fist-fights, business men are always at one another's throats, labor and management are on opposite sides, and there is even talk about the "battle of the sexes." As for nations, a man the other day refused flatly to pay a cent of income tax, on the ground that he did not believe in war and he knew that most of his tax would be spent for war, past or prospective. Nobody wants the next war, but who really thinks it will not come?

Dr. Foreman

The Tongue Is a Fire

Why do men fight? Let us admit that there may be times when it is good to give battle. There have been evils, and there still are evils, which are not going to fold up and go away without a fight. But all the same, everybody with sense admits that a vast amount of the fighting we do, whether in our homes or in politics or business or in the mighty struggles between nations, simply gets nobody anywhere. Most fights are a sheer waste of energy no matter who wins; and many fights (like our present and future wars) are such that nobody wins. What starts all this mess? One reason is, people talk too much. James, the salty saint who wrote the letter in the New Testament which bears his name, put his finger right on it. The tongue, he says, is a little thing, but it's wild. Nobody has ever quite tamed it. The tongue is a fire, it can set the world on fire. It is a flame from hell. Of course James does not mean that that all talk is wrong. He recognizes happily the good the tongue can do. But the tongue does start fights. How many family quarrels would have died a-borning if only he and she had done one single simple thing: shut up! How many quarrels had started, and how many made worse, just by people who can't keep their mouths shut! When Hitler was about to set the world on fire, he started by talking, long before his armies took the field.

Wanting Too Much

Plain-spoken Admiral Sims once told a feminine audience in Boston that they were the chief cause of war. You have no limits to your wants, he said. Your husbands have to keep working harder to satisfy you, manufacturers have to keep looking farther and farther for the raw materials to make the things you want, and presently we get into quarrels with other nations that either want the same things or don't want us to have them; and then you have the makings of a war. Admiral Sims might have been reading the letter of James. Wanting what we don't have, wanting what we actually don't need, he says is a major reason for quarrels and fights among men. Even among Christians, because he is writing to Christians. Was the Admiral right? The reader who feels like arguing with him will have to argue with the writer James no less.

Cure for Quarrels

James no doubt knew as well as the Apostle Paul did that it is not always possible to live at peace with all men. But it is possible to cut down the quarrels. The secret is to see things as God sees them. Let no one say this is impossible. We not only can, but if we are to survive we **must** have what James calls "wisdom from above." What he means is nothing weird, out-of-this-world, impractical. "The wisdom from above is first pure, then peaceable, forbearing, conciliatory, full of mercy and wholesome fruit, unambiguous, straightforward." (Moffatt's translation.) If Christians would begin by setting the example, both in our homes and in our nations, of clamping down on our quarrelsome tongues and typewriters, and living by God's wisdom, the reign of peace would be at least much nearer.

ORDINANCE

ORDINANCE of the Town of Grantsville, Maryland, to authorize the borrowing by the Town of Forty Thousand Dollars ($40,000.00) pursuant to the authority of Article 11-E of the Constitution of the State of Maryland, Sections 31 to 39, inclusive, of Article 23A of the Annotated Code of Maryland (1956 Supplement), and the Charter of the Town, the proceeds of said borrowing to be used for the erection of a water tower, water tank and connecting water lines in the Town of Grantsville; providing that said borrowing shall be evidenced by the issuance and sale of general obligation bonds in the aggregate par amount of Forty Thousand Dollars ($40,000.00), to be known as "GRANTSVILLE WATER BONDS OF 1956"; prescribing the denominations, maturities, the form of said bonds, the form of advertisement, the method of determining interest on the bonds, the time, manner and place of sale, and all other details in connection with said issuance and sale; providing for the use of the proceeds of the sale of said bonds; providing for a levy of a tax upon all assessable property within the corporate limits of the Town of Grantsville subject to assessment for taxation by said Town, for the purpose of paying the principal of and interest on said bonds, and pledging the full faith and credit of the Town of Grantsville to the payment thereof.

WHEREAS, the Town of Grantsville, (hereinafter referred to as the "Town"), is a municipal corporation of the State of Maryland and is governed pursuant to the Article of the Constitution of the State of Maryland providing for home rule and pursuant to the provisions of its Charter adopted under the provisions of said Article 11-E; and

WHEREAS, Section 59 of said Charter provides that the borrowing power of the Town shall be that granted municipal corporations under the provisions of Article 23A of the Annotated Code of Maryland, titled "Corporations-Municipal," sub-title "Creation of Municipal Public Debt," as said Article is from time to time amended; and

WHEREAS, Sections 31 to 39, inclusive, of said Article 23A of the Annotated Code of Maryland provides that municipalities of the State of Maryland may borrow money for any proper public purpose and evidence such borrowing by the issuance of bonds in accordance with certain prescribed procedures and subject to the provisions of the charters of the several municipal corporations of the State; and

WHEREAS, the authority for the issuance of the bonds hereby authorized is Article 11-E of the Constitution of the State of Maryland, Sections 31 to 39, inclusive, of Article 23A of the Annotated Code of Maryland (1956 Supplement) and the Town Charter, all of which are collectively hereinafter referred to as the "Enabling Act"; and

WHEREAS, the Enabling Act contains no provisions requiring the submission of the question of the borrowing of money and the issuance of bonds by the Town to the qualified voters of the Town and contains no limitations upon the amounts of such borrowing or upon the rates at which taxes may be levied by the Town for the payment of the principal of and interest on its indebtedness and the General Assembly has passed no local law, since the passage of the Enabling Act, proposing a limitation upon the rate at which taxes may be levied by the Town or a limitation upon the amount of indebtedness which may be incurred by the Town; and

WHEREAS, the Town has heretofore levied ad valorem taxes for the support of its municipal functions, which taxes are now in effect; and

WHEREAS, the Charter of the Town has not been repealed, revoked, forfeited or rescinded and all reports required by law to be filed to maintain said Charter in full force and effect have been duly filed in the manner and at the time or times prescribed by law; and

WHEREAS, the Mayor and the Council of the Town of Grantsville have determined that it is a proper public purpose to use the proceeds of said issue of bonds for the purpose of constructing a water tower, water tank and connecting water lines within the Town of Grantsville, said water tower, water tank and water lines having been duly approved by the State Department of Health of Maryland.

NOW, THEREFORE, BE IT ENACTED AND ORDAINED BY THE MAYOR AND COUNCIL OF THE TOWN OF GRANTSVILLE:

Section 1

That the Mayor and Council of the Town of Grantsville deem it a proper public purpose to construct a water tower and tank with connecting water lines within the Town of Grantsville and to issue and sell serial maturity coupon bonds in the aggregate par amount of Forty Thousand Dollars ($40,000.00), the proceeds from the sale of which are to be used for the purpose of defraying the cost of said construction and professional fees and other expenses incident thereto and incident to the sale of said bonds.

Section 2

That the Mayor and Council of the Town of Grantsville, acting for the Town of Grantsville, issue and sell serial maturity coupon bonds in the aggregate par amount of Forty Thousand Dollars ($40,000.00) under the provisions of Section 59 of the Charter of the Town, Sections 31 to 39, inclusive, of Article 23A of the Annotated Code of Maryland (1956 Cumulative Supplement) and Article 11-E of the Constitution of the State of Maryland, the proceeds from the sale of said bonds to be used as indicated in Section 1 of this Ordinance; that said bonds shall be designated as "GRANTSVILLE WATER BONDS OF 1956" and shall be issued upon the full faith and credit of the Town of Grantsville; they shall be dated October 1, 1956, and shall be numbered consecutively from No. One (1) to No. Forty (40), both numbers inclusive; they shall be issued in serial maturity coupon form, in the denomination of One Thousand Dollars ($1,000.00) par value each, and shall mature and be payable over a period of twenty (20) years, 1957 to and including 1976, in the order of their consecutive numbers, in annual serial installments of Two Thousand Dollars ($2,000.00) in each year. Said bonds shall bear interest at the rate or rates to be fixed by the successful bidder or bidders of said bonds, which rate or rates of interest shall be in multiples of one-eighth (1/8th) or one-tenth (1/10th) of one per centum (1%) and shall not exceed four per centum (4%) per annum; the alternate paragraph in the Form of Bond, hereinafter set forth, shall be used in accordance with the terms of the accepted bid in the event the bonds are issued to bear two or more rates of interest. The bonds, when issued, shall be signed by the Mayor of the Town of Grantsville and shall be counter-signed by the Clerk-Treasurer of said Town, and the seal of the Town of Grantsville shall be impressed on each of the bonds of the issue; the interest coupons attached to the bonds shall be authenticated by the facsimile signature of the Clerk-Treasurer stamped, printed or engraved thereon. Said bonds shall be issued subject to the registration as to principal only in the name of the owner or owners thereof at The First State Bank of Grantsville, Grantsville, Maryland, and the principal of and interest on said bonds shall be payable at said bank. The bonds shall be in substantially the following form, which form, together with all the recitals, covenants and conditions contained therein, is hereby adopted by the Mayor and Council of Grantsville as and for the form of obligation to be incurred by the Town of Grantsville, and said recitals, covenants and conditions are hereby declared to be irrevocable contract obligations of the Town of Grantsville and are hereby made binding upon the Town of Grantsville, including the promise to pay therein contained:

Section 3

The bonds hereby authorized to be issued shall be sold by bids on sealed proposals to the highest responsible bidder or bidders therefor, for cash, after having given at least ten (10) days' public notice by advertisement inserted once in each of two (2) consecutive weeks next preceding the date of sale of said bonds, in "The Republican," a newspaper printed and published in Oakland, Maryland, and having a general circulation in Garrett County, Maryland, in the issues of said paper appearing Friday, September 7 and Friday, September 14, 1956. The sale of said bonds shall be held on Thursday, September 20, 1956. The Clerk-Treasurer is hereby authorized and empowered to obtain and distribute circular copies of said advertisement, and to distribute such other data concerning the bonds, to any investment bankers, brokers or other persons who may in his judgment be interested in the purchase of said bonds, or who may request such circulars or information. Public notice by advertisement may also be given by insertion in any other newspaper or financial journal which in the judgment of the Mayor and the Council will promote the sale of the bonds. Said advertisement in "The Republican" shall set forth the time, place, manner and terms of the sale of the bonds, and shall be in substantially the following form, which said form is hereby adopted as and for the terms and conditions under which the said bonds will be offered and sold at public sale:

State of Maryland
Town of Grantsville
Sale of
$40,000.00
Grantsville Water Bonds
Of 1956
Dated October 1, 1956

Sealed bids will be received by the Town of Grantsville, Maryland, at the office of the Town in the Grantsville Fire Department Building, Grantsville, Garrett County, Maryland, until 12:00 o'clock Noon, E. D. S. T., on

Thursday, September 20, 1956

for the purchase of Forty Thousand Dollars ($40,000.00) par value serial maturity coupon bonds, known as "Grantsville Water Bonds of 1956."

At 12:05 o'clock P. M. on said date said sealed bids will be publicly opened by the Mayor and the Council of Grantsville in said Town office, and said bonds will be awarded to the highest responsible bidder therefor, for cash.

The bonds will all be dated October 1, 1956. The issue will consist of Forty (40) bonds, of the par value of One Thousand Dollars ($1,000.00) each, numbered consecutively from No. One (1) to No. Forty (40), both numbers inclusive. Said bonds will be in serial maturity coupon form and will mature and be payable over a period of twenty (20) years, 1957 to and including the year 1976, in annual serial installments of Two Thousand Dollars ($2,000.00) in each of said years.

The bonds will bear interest at the rate or rates fixed in the accepted bid, as hereinafter provided, said interest to be payable semi-annually on October 1 and April 1 in each year, accounting from October 1, 1956, until the respective maturities of the bonds, in accordance with the interest coupons to be attached thereto.

Both the principal and interest of the bonds will be payable in lawful money of the United States of America at the time of payment, at The First State Bank of Grantsville, Grantsville, Garrett County, Maryland.

The bonds will be issued subject to registration as to principal only at the office of The First State Bank of Grantsville, Grantsville, Garrett County, Maryland, Registrar.

The proceeds of the sale of these bonds are to be used for the purpose of constructing a water tower, water tank and connecting water lines, and the payment of professional fees and other expenses incident thereto, and for no other purpose.

Bidders are requested to specify with their bids the rate or rates of interest to be paid on the bonds, on which rate or rates their bids are based and submitted. The rate or rates of interest shall not exceed the rate of four per centum (4%) per annum, and must be in multiples of one-eighth (1/8th) or one-tenth (1/10th) of one per centum (1%) per annum. Bidders may specify more than one rate of interest to be borne by the bonds, but may not specify more than one interest rate for the bonds of any one maturity. The bonds will be awarded to the bidder naming the lowest rate or combined rates of interest named in any legally acceptable proposal and offering to pay not less than par and accrued interest for the bonds. As between bidders naming the same rate or rates of interest, the proposal of the bidder offering to pay the largest premium will be accepted; where the bids of two or more bidders are identical in all respects, the bonds will be apportioned equally between all of such bidders, but if this shall prove unacceptable to the Mayor and Council of Grantsville, said Mayor and Council of Grantsville may, in their discretion, determine to which of said bidders the bonds will be awarded. The lowest rate or rates of interest will be determined on the basis of the lowest interest cost to the Town of the bonds so issued, from the date of their issue to the last date of maturity of any of the said bonds, by adding the dollar amount of interest payable on each bond to maturity under any proposal, and deducting from the total thereof the amount of the premium offered to be paid for such bonds in any such proposal.

The right is reserved to the Town of Grantsville to reject any or all bids. In the event any question arises as to the regularity of any bid, or its conformity to the terms of the advertisement, the decision of the said Mayor and Council of Grantsville shall be final, and shall bind all interested parties.

Each bid must be enclosed in a sealed envelope, addressed to the "Town of Grantsville, Grantsville, Garrett County, Maryland," and marked on the outside, "Proposal for $40,000.00 Grantsville Water Bonds of 1956," and must be accompanied by a certified check drawn to the order of "Clerk-Treasurer of the Town of Grantsville, Maryland," for One Thousand Dollars ($1,000.00), to secure said Town against any loss resulting from the failure of the particular bidder to comply with the terms of his bid. No interest will be allowed on the amount of the deposit. Checks deposited by unsuccessful bidders will be returned to them when the bonds are awarded to the successful bidder.

Accrued interest shall be adjusted to the date of delivery of the bonds and payment therefor.

These bonds are issued pursuant to the authority of Article 11-E of the Constitution of the State of Maryland, Sections 31 to 39, inclusive, of Article 23A of the Annotated Code of Maryland (1956 Supplement), and the Charter of the Town, and also in accordance with proper proceedings duly had and taken by the Mayor and Council of Grantsville.

The bonds are issued upon the full faith and credit of the Town of Grantsville, and said full faith and credit is irrevocably pledged to the payment of the bonds and the interest to accrue thereon. Under existing laws, these bonds are exempt from state, county and municipal taxation in the State of Maryland. Under the provisions of the Charter of the Town and an Ordinance approved by the Mayor and Council of Grantsville, provision is made for the levy of an annual ad valorem tax on all property within the corporate boundaries of the Town of Grantsville subject to assessment for taxation by the Town of Grantsville, sufficient in rate and amount to pay the principal of and interest on these bonds as they respectively become due and payable.

The bonds will be delivered to the purchaser within a reasonable time after the sale thereof, at the office of the Town of Grantsville, in Grantsville, Garrett County, Maryland, or at any incorporated bank or trust company in the City of Baltimore, Maryland, without expense to the purchaser; if the purchaser shall specify any other place of delivery, such delivery shall be at the expense of the purchaser.

The legality of this issue of bonds will be approved by Messrs. Niles, Barton, Yost & Dankmeyer, Attorneys, of Baltimore, Maryland, and the approving legal opinion of said attorneys will be delivered upon request to the purchaser of the bonds, without charge, together with the usual closing papers.

Financial information with respect to the Town of Grantsville will be supplied upon request directed to the Clerk-Treasurer of Grantsville, Grantsville, Garrett County, Maryland.

By order of:
TOWN OF GRANTSVILLE
Lee Beachy, Mayor.

Section 4

Immediately after the sale of the bonds, the interest rate and/or rates payable thereon shall be fixed by supplemental ordinance of the Mayor and Council of Grantsville, within the limitations as to such interest rate as hereinbefore set forth, in accordance with the terms and conditions of the sale of said bonds, and the bonds shall thereupon be suitably printed or engraved and delivered to the purchaser in accordance with the conditions of the sale. All of the proceeds of the sale of said bonds shall be paid directly to the Clerk-Treasurer of the Town, upon the receipt of said Clerk-Treasurer, and, with the exception of accrued interest and/or premium, which shall be set apart for payment on account of the first maturing interest coupons on the bonds, and any necessary expenses incurred in the issuance, sale and delivery of the bonds, shall be immediately deposited in one or more banks or trust companies located in the State of Maryland, to the credit of the Town of Grantsville, and shall be used exclusively for the construction of a water tower, water tank and connecting water lines in the Town of Grantsville, and the payment of professional fees in connection therewith, and said funds shall be paid out by the Clerk-Treasurer for such purposes, from time to time, upon the order of the Mayor and Council of Grantsville.

Section 5

That for the purpose of paying the interest on the bonds hereby authorized as and when the same becomes due and payable, and also for the purpose of paying the principal of said bonds as the bonds respectively mature and are payable, there is hereby levied, and there shall hereafter be levied by the Town of Grantsville in each fiscal year that any of said bonds are outstanding, upon all the assessable property within the corporate limits of the Town subject to assessment for taxation, a tax in an amount sufficient to provide in each fiscal year the sum necessary to meet the principal and interest maturities of the bonds hereby authorized coming due during such fiscal year, and the proceeds of such levy, when collected and paid, shall be used for the purpose, and for no other purpose than that for which such levy was made. The full faith and credit of the Town of Grantsville is hereby irrevocably pledged to the levy of such taxes and to the payment of the principal and interest of said bonds as and when they respectively mature. Should any of the bonds hereby authorized be issued before the making of the next annual levy by the Town of Grantsville, any interest upon said bonds falling due before the next annual levy shall be paid out of other funds at the disposal of the Town of Grantsville, and there shall be included in the next annual levy a sum sufficient to reimburse the funds from which such amounts have been advanced.

Section 6

The within Ordinance is deemed to be an emergency Ordinance and shall become effective on the day of its passage.

APPROVED: AUGUST 30, 1956.
LEE BEACHY,
Mayor,
Town of Grantsville
(SEAL)

Charles William Dishong, % Peter Kiewit, Sons & Co., Post Office Box 185, Claremore, Oklahoma, Defendant.
No. 4673 Equity, In the Circuit Court for Garrett County, Maryland.

ORDER OF PUBLICATION

The object of this suit is to procure a divorce a vinculo matrimonii by the plaintiff from the defendant.

The bill recites that the parties were married on or about the 27th day of November, 1946, in Cumberland, Maryland; that the plaintiff is a resident and citizen of Garrett County, Maryland, and that she has been a resident and citizen of said County and State for more than one year continuously immediately preceding the bringing of this suit and that the defendant is a non-resident of the State of Maryland and when last heard from he was residing in the State of Oklahoma, at the aforesaid address; that one child has been born to the plaintiff and the said defendant as a result of said marriage, namely, Roger David Dishong, who was born on the 28th day of December, 1947, said child being in the custody of the plaintiff; that, although the conduct of the plaintiff toward the defendant has always been that of a kind, chaste and affectionate wife, the defendant has committed the crime of adultery on divers days and times subsequent to said marriage and prior to the institution of this suit, and that the plaintiff has not lived or cohabited with the said defendant since she discovered his said adulteries, nor has she forgiven him or condoned same; that the plaintiff is not possessed of the means with which to maintain herself and the said infant child, of which she desires custody, and that she desires that an adequate sum of money be awarded her for the support of herself and said child.

It is thereupon ORDERED, this 29th day of August, 1956, by the Circuit Court for Garrett County, Maryland, in Equity, that the plaintiff, Betty Theresa Dishong, by causing a copy of this order to be inserted in some newspaper published in Garrett County, Maryland, once a week for four successive weeks before the 28th day of September, 1956, give notice to the said absent defendant, Charles William Dishong, of the object and substance of the bill of complaint, and warning him to be and appear in this Court, in person or by solicitor, on or before the 13th day of October, 1956, and show cause, if any he may have, why a decree should not be passed as prayed.
